3. RESPONSIBILITY: The Chief Executive Officer, herein referred to as Warden, assumes overall responsibility for all aspects regarding visiting and visiting procedures for designated/holdover/pre-trial inmates confined at both the Federal Correctional Institution Otisville and Federal Prison Satellite Camp. The Chief Correctional Supervisor, herein referred to as Captain, assumes responsibility for the entry and exit processing of inmate family members, monitoring Visiting Room activities, and enforcing the rules and regulations as outlined in policy, processing inmates into and out of the visiting room. The Unit Team is responsible with the processing, NCIC screening, and entry into the computer of all individuals authorized to visit inmates confined at the facility.

4. GUIDELINES: Visits must be supervised to prevent the introduction of contraband and passage of contraband and to ensure the security and welfare of staff, inmates and the institution. It is necessary to ensure equal opportunity for all inmates to have visits and to provide adequate control through close supervision of visits.

a. Location: FCI regular visits will be conducted in the FCI visiting room for designated/holdover inmates. The outdoor visiting area may be utilized upon discretion of the Visiting Room Officer.

(1) FPC regular visits will be conducted in the FPC visiting room located in the Camp Administration Building. The outdoor visiting area may be utilized upon discretion of the Visiting Room Officer.

b. Points: Each designated/holdover inmate will be allotted twelve visiting points per month. Weekday visits are charged as one point, weekend and holiday visits are charged as two points. A maximum of twelve points per month will be authorized. Unused visiting points are not carried over from one month to another.

c. Approval of Visits: Each inmate, upon arrival, will be provided copies of the local visiting guidelines.

The inmate will request a Visitor Information and Authorization for Release (Visitor) form BP-629.052 from the unit team. The inmate is to mail the BP-629 to his or her proposed visitor(s). The proposed visitor must complete the form and mail it directly to the Unit Counselor. The unit team will process the list of requested friends, family members and notify the inmate of the individuals who are approved to visit. Visitors who are 16 or 17 years of age and not accompanied by a parent, legal guardian or immediate family member at least 18 years of age: must have the written approval of a non-incarcerated parent, legal guardian or immediate family member at least 18 years of age prior to visitation.

Inmates who provide false information about their visitors will have that person removed from their visiting list by their unit team.

The unit team will be responsible for making the initial entry of an inmate's visiting file into the computer.

NCIC inquiries which result in denial of visitation will be retained in the FOI Section of the inmate's Central File with the Visitor's Information Sheet. It is the inmate's responsibility to notify the visitors of their approval/disapproval, and to advise the visitors of visiting guidelines. The Unit Team will be responsible for placing a visitor on an Inmate's Approved Visiting List, and a hard copy of the Visiting List will be placed in the inmate's Central File. The Unit Counselor will notify the inmate of those visitors who have been approved or denied.

d. Exceptions to Qualifications: The visiting privileges of friends and associates without an established relationship with the inmate prior to confinement must be approved by the Warden. Normally, only inmates who have no other visitors on their approved list will receive consideration.

e. Amendments to the Visiting List: The Unit Counselor will periodically review the Visiting List to ensure it is accurate. This list may be amended by the inmate's submission of an Inmate Request to Staff Member (BP-ADM-70) indicating the desired change. The appropriate addition or deletion will be made by the Unit Counselor to the inmate's visiting list maintained in the computer in the front lobby.

f. Visiting Times:

(1) Federal Correctional Institution (FCI): Visiting will be conducted between the hours of 8:00 a.m. and 2:45 p.m. on Saturday, Sunday, Monday and Federal Holidays. (Visitors arriving after 2:15 p.m. will not be allowed into the visiting room).

FCI/FPC Otisville utilizes the Even/Odd method for Saturday and Sunday visits. A schedule identifying weekends and their designated Even/Odd status (Attachment G) is available. The Even/Odd system works as follows:

The 5th digit of the inmate's register number will determine your Even/Odd status and the weekend you will be allowed visits. For example, if your register number is 87654-321, the 5th digit is "4." Since "4" is an **Even** number, you will receive weekend visits on the weekend designated as "Even." The schedule will continue in the same manner, alternating between Even and Odd status.

Persons will not be permitted to visit on a non-designated Even/Odd weekend without prior written approval being granted from the Associate Warden(Programs).

On Thursday and Friday visiting will commence at 1:15 p.m. and conclude at 8:00 p.m. Visitors arriving after 7:15 p.m. will not be allowed into the visiting room.

The visiting room will be closed on Tuesday and Wednesday, except for legal visits. Visitors will not be permitted to leave and then return to the visiting room on the same day.

(2) Federal Prison Camp: Inmate visiting will be on Mondays, Thursdays and Fridays between the hours of 1:00 p.m. and 8:00 p.m. Visitors arriving after 7:30 p.m. will not be allowed into the visiting room. The visiting room will be closed on Tuesday and Wednesday except for legal visits. Visitors will not be permitted to leave and then return to the visiting room on the same day.

a. Visiting on Saturday, Sunday, and Federal Holidays will be conducted between the hours of 8:00 a.m. and 3:00 p.m. Visitors arriving after 2:30 p.m. will not be allowed into the visiting room.

5. Number of Visitors: The maximum number of visitors on an inmate's authorized visiting list will be immediate family and twenty five additional adults.

A maximum number of four (4) adult visitors, excluding children, may visit the inmate at one time. The visiting room will be occupied by no more than 154 persons at any one time at the FCI and 75 persons at the camp.

Therefore, when conditions of overcrowding exist, the number of visitors may be further limited to allow each visitor adequate space and time to conduct their visit.

6. Special Visits: Special visits are interpreted as clergy, potential employers, and occur on a one time basis only. The request will be sent to the inmate's Unit Manager for their acceptance and forwarded to the Warden for final approval.

a. Clergy/Minster of Record:

Written documentation of this approval by the unit team will be submitted to the FCI/FPC Visiting Room Officers, Front Lobby Officers, Duty Officer, and Lieutenant's Office prior to the visit. A copy will be placed in the inmate's central file.

A copy of the memorandum will be forwarded to the Visiting Room Officer and Operations Lieutenant. Such visits do not count toward the inmate's visiting points.

9. Attorney Visiting: All efforts will be expended to ensure that an attorney has access to his/her client. Due to the unique situation in the state of New York, an attorney will either present a bar card or identify him/her self as an attorney with a drivers license. This will be acceptable in lieu of the bar card. Two forms of identification are required. The attorney shall be required to sign the log book located in the front lobby when entering and departing the institution.

The log book will reflect "attorney's signature, date of visit, inmate visited, time in, time out, and remarks." If the attorney should arrive before count, the inmate will be placed on the out count and escorted to the visiting room once the count has cleared. Should the attorney arrive during count, he/she will be processed and escorted to the visiting room.

In cases of emergency (i.e., escape, riot, or hostage situation) the Shift Lieutenant, Institution/Administrative Duty Officer, and/or Executive Staff will have the authority to terminate the visit, return the inmate to the unit, and escort the attorney out of the institution.

All attorney visits during non-visiting days or non-visiting hours, are to be coordinated and supervised by the inmate's Unit Team.

Upon completion of the inmate's visit, the visiting room shakedown officer will check the seal and metal chit to ensure it matches what was documented on the shakedown master log. If an inmate returns to the visiting room shakedown area without a seal still secured to a sneaker, the officer will notify the Shift Lieutenant for appropriate actions.

Prior to entering the visiting room, all inmates will be pat searched and **random visual searches may also be conducted.** Prior
