Admissions & Orientation Information Handbook

M. Cruz, Warden

December 16, 2009

Revised: December 16, 2009

Introduction

The purpose of this Admission and Orientation Handbook is to provide general information concerning the programs, rules and regulations, and operations of the Federal Correctional Institution, Seagoville, Texas. This handbook is not intended to be a complete resource for detailed policies, programs, and operations, but is to serve as a reference guide. Additional information is available through Bureau of Prisons Program Statements, Institution Supplements, and local memoranda from institution staff. If there are any questions, concerns, or clarifications, it is the responsibility of each inmate to seek assistance.

Your designation to the Federal Correctional Institution at Seagoville is based, in part, on your anticipated ability to function appropriately at this facility. Your strict compliance with the rules and regulations is an essential part of exhibiting the responsible behavior required at this institution, preparatory to community or lower security level facility placement.

Staff are willing to assist you throughout your stay. You should feel free to ask any staff member for assistance on institutional matters, especially your Unit Team with whom you will probably have the most contact. In return, we expect you to take the responsibility to fulfill your obligations and properly conduct yourself within this institution.

In conclusion, only through mutual respect, communication, and cooperation can we ensure the institution operates for the positive benefit of all inmates.

All other staff resources for resolution of a problem should be exhausted before addressing your problem to the Warden.

When you see the Executive Assistant at various places around the institution, you may speak with him.

CORRECTIONAL SERVICES STAFF

CAPTAIN

ADMISSION AND ORIENTATION

ADMISSION

When you first arrive, you will be processed by the Receiving and Discharge (R&D) Technician on duty, a medical staff member, and a Counselor or Case Manager. This interviewing process involves reviewing your social and medical history, filling out identification forms, completing personal property inventories, and the issuance of institution bedding and supplies.

ORIENTATION

All inmates designated to FCI Seagoville are required to attend Admission and Orientation lectures. The purpose of the orientation process is to enable you to familiarize yourself with the programs and operations of the institution. All inmates assigned to the Admission and Orientation Program (A&O) are given a schedule by R&D which indicates the time and place of A&O lectures. A&O inmates should report to the Auditorium at the time shown on the A&O schedule. A&O is completed in one week. An A&O schedule for each inmate is initialed and dated by the lecturing staff member for each session. Excluded from the A&O Program are inmates in holdover status, inmates who have been away from the institution less than 180 days on writ, and pretrial inmates.

CLOTHING ISSUE

The morning after your arrival, you will be given your clothing issue. If available, the clothing issue will be given according to the issue schedule amounts listed below. At times when there is a shortage of availability, the issue will be revised to a lesser issue.

Clothing:	5 shirts 5 pairs of trousers	5 sets of underwear 1 belt	1 pair of shoes 5 pairs of socks
Linen:	2 sheets 1 blanket (2 nd blanket optional during Winter months only)	1 pillow case	3 towels

All institution clothing will be properly tagged with the inmate's name and register number. Any inmate in possession of institution clothing not properly tagged with their name and register number will be subject to disciplinary action.

INMATE ATTIRE

Monday through Friday, 7:30 a.m. to 4:00 p.m., inmates must wear only clean, wrinkle-free institutional issued clothing. Shirts must be buttoned and tucked inside trousers at all times. Institution belts must be worn. Shirt or jacket collars must be left out (cannot be rolled under). Shoes must be laced and tied, and pant legs must be worn over the outside of the shoe. Religious headgear may be worn in all areas of the institution. Other headgear may not be worn indoors, i.e., the housing unit, Education Department, or Dining Hall. Inmates off-duty or on vacation may wear personal clothing to, from, and in recreation areas, and in the housing unit. However, if an inmate wears institution issued clothing (khaki) off-duty, while on vacation, or in the unit, general uniform dress code rules will apply. No institution issued clothing will be worn in the recreation areas. Shorts or tank tops will not be worn in the Dining Hall. Excessively tight or loose fitting clothes (sagging/bagging) will not be worn in any area of the institution. Personal or institutional clothing will not be altered in any manner, i.e., clothing, writing, sewing, cutting, etc. In addition, clothing items shall be worn only for intended purposes, i.e., clothing will not be used for headgear. Shower caps may only be worn in the shower or individual rooms. Hairnets are not sold in the Commissary and are not to be worn outside of the Food Service area.

QUARTERS ASSIGNMENT

All new commitments will be assigned to a Unit Team and given quarters assignments upon their arrival unless crowding necessitates other options. You may be assigned to a day room (dormitory area) and then to a room, based on bed space availability. All living quarters have storage space. You are responsible for the security of your property. All personal belongings, including legal materials, must be secured in your locker. Your laundry bag, with dirty laundry inside, may be placed on the hook outside of your locker. UNIT MANAGEMENT

This institution is organized into three Units to manage the inmate population. Each Unit Manager leads a group of staff who make decisions concerning work programs and inmate supervision. You will be assigned to a specific Classification Team (Unit Team) and you will have a formal meeting within two to four weeks of your arrival at FCI Seagoville, to be classified by your Unit Team.

General Functions of the Unit Team - Each Unit has Unit Teams which include the following staff members:

1. **Unit Manager** - is responsible for the overall operation and supervision of the Unit and oversees all Unit programs and activities.
2. **Case Manager** - is responsible for matters pertaining to inmate management such as classification, releases, transfers, referrals, parole matters, etc.
3. **Correctional Counselor** - is primarily concerned with your day-to-day problems. When you need assistance on personal matters, you should initially contact your assigned Correctional Counselor.
4. **Unit Secretary** - performs clerical and administrative duties for Unit staff. The Unit Secretary may sit in as a member of the Unit Team.
5. **Unit Officer** - The Correctional Officer is responsible for the supervision of inmates within the Unit. Many times they will be the only staff member on duty and are available to answer questions relative to your adjustment in the housing unit.
6. **Education Representative** - is responsible for answering questions about your educational or vocational training needs.
7. **Psychologist** - is qualified to determine if serious emotional/psychological problems may be affecting an individual. The Psychologist further suggests and/or participates in treatment.

There is a Unit Team member available each day of the week and most evenings until 9:00 PM. The Unit bulletin board contains written communication of interest to inmates. Unit Managers will use Town Hall Meetings to foster improved communications.

PROGRAM REVIEWS

A Program Review is a meeting with each inmate on an individual basis and certain members of the Unit Team usually consisting of the Unit Manager, Case Manager, and a Correctional Counselor. This meeting is to review program participation, work assignments, transfers, custody, institutional adjustment, etc. Program Reviews will be held every 90 to 180 days, depending upon the length of time remaining on your sentence.

INMATE FINANCIAL RESPONSIBILITY PROGRAM

Working closely with the Administrative Office of the Courts and the Department of Justice, the Bureau of Prisons administers a systematic payment program for court-imposed fines, fees, and costs. All designated inmates are required to develop a financial plan to meet their financial obligations. These obligations may include Special Assessments imposed under 18 USC 3013, Court Ordered Restitution, fines and court costs, judgments in favor of the United States, other debts owed the Federal Government, and other court-ordered obligations (i.e., child support, alimony, other judgments).

Correctional Counselors assist in developing a financial payment plan. The inmate is responsible for completing all required payments from earnings within the institution and from outside resources. Inmates should ensure payments are available in their Inmate Commissary Accounts on the first calendar day of the month it is due. The inmate must provide documentation of compliance and payment. If an inmate refuses to meet his obligations, the inmate cannot work for UNICOR or receive performance pay above the maintenance pay level. In addition, other privileges may be withheld.

The status of any financial plan will be included in all Progress Reports and will be considered by staff when determining Security/Custody level, job assignments, eligibility for community activities, and institutional program changes. The U.S. Parole Commission will also review financial responsibility progress at Parole Hearings.

QUARTERS RULES

After receiving a permanent building assignment, you should study that building's rules. The following are standard rules of this institution.

1. Floors will be swept and mopped daily, paying close attention to the areas beneath the beds, behind and under the radiators, and under the lockers.
2. Walls will be cleaned daily, assuring that any spills are cleaned off the walls. Pay close attention to the corners in order to prevent formation of cobwebs.
3. All beds are to be made daily, in a tight military style, with the blanket being the top cover. Extra blankets will be neatly folded at the foot of the bed. Each inmate will place his institution issued folding chair on top of the bed. The laundry bag will be permitted to hang from the bedpost, if the inmate's assigned locker does not have an outside hook.

Inmates assigned to work details during the 12:00 midnight to 8:00 AM shift, or otherwise during the night hours, will be permitted to be in bed during the day. Their beds will be made military style by 7:30 a.m., and they will be permitted to sleep on top of their made bed. Otherwise all beds will be made by 7:30 AM on weekdays. On weekends and holidays, the bed will be made military style immediately after the inmate is awake and up for the day. Only one mattress is allowed per bed. Pillows will not be removed from the rooms without the prior approval of the Unit Officer. When linen is being exchanged, the mattress may be left lying flat on the bed.

Beds must be positioned so the Unit Officer may readily count the inmate in bed. Room door windows will not be blocked by paint, curtains, or other materials. The only covering permitted for outside windows will be what is provided by the institution, when available.

4. Authorized shoes must be neatly arranged underneath the bed with the toes pointed outward.

10. Trash cans will be emptied and cleaned daily prior to your departing the room.
11. Pictures, etc., will not be attached to the walls in any manner. Individual mirrors, stickers, calendars, or pictures are not authorized to be attached to the outside of the locker. Pictures and calendars may be attached only to cork bulletin boards provided by the institution for this purpose. Sexually suggestive pictures and individual mirrors will not be displayed in any area other than inside wall lockers.

Inmates housed in non-air conditioned housing units will be permitted to purchase two fans; inmates housed in air conditioned units will be permitted to purchase one fan. Inmates will be held accountable/responsible for any contraband discovered in their assigned area.
16. Wall mirrors in the rooms are not permitted. Should you desire to have a personal mirror, you may purchase one from the Commissary. When not in use, it must be stored in your locker.
17. In addition to your personal living quarters, you are expected to do your part in maintaining the highest possible sanitation level for the overall institution. You are to refrain from littering and may be required to work on a crew assembled to pick up litter on the compound.

Beds, lockers, and tables will not be rearranged in the room according to your desires. Should you have better ideas in the arrangement of the furniture, the Unit Team welcomes your comments.

WORK ASSIGNMENTS

All inmates will have a work assignment and are required to work. Work assignments to one of the following departments are completed by the Inmate Work Assignment Committee based upon quotas established by institutional need. Inmates receive monthly pay based on the number of hours of satisfactory work performed.

If an inmate is sanctioned for a 100 or 200 series incident report, he will be restricted to \$5.25 monthly maintenance pay for 12 months, beginning with the recorded date of the sanction.

All safety rules and regulations must be observed at all times. Inmates on medical idle status must remain in the housing unit. Radios, reading materials, hobby craft projects, and legal materials are not allowed on work assignments.

A few of the larger departments are:

Facilities/Mechanical Services: Responsible for maintenance, utilities, and new construction. Valuable training and experience can be gained from assignment to the Powerhouse, Plumbing, Paint, Welding, Machine, Electrical, Air Conditioning, Steam Fitting, or Landscape Details.

Food Service: Responsible for preparing and serving meals to the inmate population. Special request for religious ceremonial meals and diets must be authorized through the institutional Chaplain.

Financial Management/Business Office: Supervises the financial management of the institution. Responsibilities include technical support of budget preparation and operation, automated accounting systems, purchasing activities and property management, receiving, and warehouse activities. The Commissary operations are a function of Financial Management including the Commissary Sales Unit. The Clothing and Laundry Room are a function of this department.

FPI (Federal Prison Industries): The largest single employer of inmates is the Federal Prison Industries (FPI). There are many incentives to hold a position in one of the FPI operations.

1. **Textile Factory:** This factory manufactures military camouflage jackets and trousers in several different sizes. Positions offered include sewing (a variety of different type of sewing machines), cutting, packing, and machine maintenance.
2. **Business Office:** The FPI Business Office consists of accounting, procurement, and a warehouse area. Some jobs in the accounting and procurement section require special skills such as typing and/or bookkeeping.
3. **Quality Control:** In-process and final product inspectors are employed in the factory. Products manufactured by FPI must meet quality standards established by the customer.

Inmates working in FPI are initially paid at the rate of \$.23 per hour and have the ability of earning up to \$1.15 per hour. In addition to the pay, benefits include vacation pay, longevity credit, and holiday pay.

To apply for an FPI assignment, see UNICOR management staff who may place you on the FPI Waiting List. Once you are placed on the Waiting List, you will be interviewed for a position as your name moves to the top of the list. Prior to reporting for your pre-employment interview in UNICOR, each inmate must complete a portfolio which includes a resume, application, transcript, and cover letter. The Education Department will assist you in completing the portfolio process. Once you have completed the portfolio process you will be required to bring these documents with you to the UNICOR interview. If you refuse FPI employment during your interview, you will be removed from the Waiting List and placed on the Refusal List for a period of one year.

UNICOR inmates who release from custody are eligible for the Federal Bonding Program, a program whereby UNICOR will purchase a bond for an employer who hires a former UNICOR employee.

OTHER UNIT MANAGEMENT INFORMATION

CASE MANAGEMENT COORDINATOR

The Case Management Coordinator is the coordinator of case management functions and the principal liaison with the U.S. Parole Commission and other agencies relating to inmate matters. The Case Management Coordinator holds Open House for inmates daily from 11:00 AM to 12:00 noon at the Mainline in the Dining Room.

CENTRAL INMATE MONITORING SYSTEM

The Central Inmate Monitoring System (CIMS) is a method for the Bureau of Prisons to monitor and control the transfer, temporary release, and participation in community activities of inmates who require special management. Designation as a CIMS case does not, in and of itself, prevent an inmate from participating in community activities. All inmates who are designated as CIMS cases will be notified by their Case Manager.

NOTARY PUBLIC

Notary Public services are available in each Unit. For information on the availability of these services, please contact a member of your Unit Team.

INMATE ACCESS TO FOREIGN CONSULATE

Should you desire to contact your foreign consulate, please contact your assigned Unit Counselor via an Inmate Request to Staff Member, or during open house hours that are posted on the Unit, and they will provide you with the telephone number and address.

INMATE APPEALS PROCESS FOR IMMIGRATION HEARINGS

Inmates housed at non- hearing sites should request appeals forms from the following address:

Board of Immigration Appeals
PO Box 8530
Falls Church VA 22041

INMATE SAVINGS ACCOUNTS

All inmates are encouraged to save funds for their release from federal custody. Should you desire to open a savings account, contact your Unit Counselor, who will assist you with opening a savings account at a local community bank. You must possess a valid driver's license and meet all guidelines established by the local bank to open a savings account. All monies deposited into a community bank savings account will only be accessible to you upon release from federal custody. You or your beneficiary (in case of death) must personally appear at the bank to withdraw your funds.

INMATE ACCESS TO CENTRAL FILES

You may request to review disclosable portions of your Central File (plus Presentence Report and/or Summary). Complete an Inmate Request to Staff Member form for Unit Staff to permit you to review your Central File.

You can request access to the non-disclosable documents in your Central File and Medical file, or other documents concerning yourself that are not in your Central File or Medical file, by submitting a Freedom of Information Act Request to the Director of the Bureau of Prisons, Attention: FOI Request. Such a request must briefly describe the nature of the record needed and approximate dates covered by the record. You must also provide your register number and date of birth for identification purposes.

A request on behalf of an inmate by an attorney, for records concerning that inmate, will be treated as a Privacy Act Request if the attorney has forwarded an inmate's written consent to disclose the materials. If a document is deemed to contain information exempt from disclosure, any reasonable part of the record will be provided to the attorney after the deletion of the exempt portions.

TOWN HALL MEETINGS

Town Hall Meetings are held periodically in each Unit as needed to make announcements and discuss policy and procedure changes of the Unit. Inmates are encouraged to ask pertinent questions of the staff and any guest speakers who are present. These questions should pertain to the Unit as a whole, rather than personal questions or problems. Personal problems will be resolved by Unit staff members during the regular working hours which are posted in each Unit. An open door policy is usually in effect at these times.

TELEPHONES

Each inmate will be issued 300 telephone minutes per month, unless they are on telephone restriction. Inmate telephone minutes are validated once monthly on the same date that your spending limits are validated. The revalidation day is based on the following formula: (5th digit of registration number X 3) + 1). The Warden may approve additional minutes due to unforeseen emergencies only. Telephone usage is limited to 15 minutes per call. At the end of the telephone call, the inmate will not be permitted to use the telephone again for an additional 30 minutes. All unit telephones are operational from 6:00 AM-7:30 AM, 10:30 AM-12:30 PM, 3:30 PM- 11:30

PM, except during official count, Monday- Friday. During normal working hours only one telephone per unit is operational from 6:00 AM- 11:30 PM, Monday- Friday, except during official count. You may not use the telephone for a personal call while on a work detail. On weekends and Federal Holidays, all unit telephones are operational from 6:00 AM- 11:30 PM, except during official count.

Emergency calls may be approved by your Unit Manager or, if after hours by the Operations Lieutenant. In case of an emergency, you may be permitted to use an institution telephone. Check with your Correctional Counselor regarding usage. All calls placed from the Unit are subject to monitoring. For calls to your attorney, make arrangements with the Unit Team. Pre-arranged attorney calls are not monitored.

Third party telephone calls are not permitted. No call forwarding, conference calling, or three-way calls are allowed and disciplinary action will be taken.

It is your responsibility to keep your telephone PAC number confidential. Should your PAC number become compromised it will no longer work and you must pay \$5.00 in order for a new one to be issued.

USE OF ELECTRONIC DEVICES

Be advised that the unauthorized possession, manufacture, or introduction of electronic items, and components of electronic items, such as MP3 players, chargers, cell phones, and SIM cards, etc., constitutes a prohibited act under the inmate discipline system. Such unauthorized possession, manufacture, or introduction may be sanctioned as, among, other things, a Code 108, Possession, Manufacture, or Introduction of a Hazardous Tool, or Conduct which Disrupts and Interferes with the Security or Orderly Running of a BOP Facility.

MARRIAGES

The Warden may authorize inmate marriages in the Visiting Room. Complete requirements and guidelines may be obtained from your Unit Team. The marriage must be requested in writing through the Unit Manager.

GOOD CONDUCT TIME

Good Conduct Time applies only to inmates sentenced for an offense committed after November 1, 1987.

The Comprehensive Crime Control Act became law on November 1, 1987. The two most significant changes in the sentencing statutes deal with good time and parole issues. There are no provisions under the new law for parole. The only good time available is 54 days per year good conduct time. This is awarded on an annual basis (initially after completion of a full year of incarceration), and may be awarded in part or in whole, contingent upon the inmate's behavior during the year. Once awarded, it is vested and may not be forfeited. There is no Statutory Good Time or Extra Good Time for people sentenced for crimes committed after November 1, 1987.

THE FOLLOWING GOOD TIME DISCUSSIONS APPLY ONLY TO INMATES SENTENCED FOR AN OFFENSE COMMITTED PRIOR TO NOVEMBER 1, 1987, NOT TO INMATES SENTENCED UNDER THE NEW SENTENCING GUIDELINES.

GOOD TIME

Good Time awarded by the Bureau of Prisons under statutes enacted prior to November 1, 1987, has the effect of reducing the stated term of the sentence - it advances the date when release will be mandatory if the offender is not paroled at an earlier date. The award of good time does not in itself advance the offender's release date. It has that effect only if the offender would not otherwise be paroled before the mandatory date.

The behavior for which good time is awarded may also be considered by the Parole Commission in setting a parole date. Even when it is, the extent of the benefit to the offender may not be equivalent to the good time earned.

STATUTORY GOOD TIME (Old Law)

Under 18 USC 4161, an offender sentenced to a definite term of six months or more is entitled to a deduction from his term, depending on the length of his sentence, if the offender has faithfully observed the rules of the institution and has not been disciplined. At the beginning of a prisoner's sentence, the full amount of Statutory Good Time is credited, subject to forfeiture if the prisoner commits disciplinary infractions.

EXTRA GOOD TIME (Old Law)

The Bureau of Prisons awards Extra Good Time credit for performing exceptionally meritorious service, or for performing duties of outstanding importance, or for employment in FPI or a Camp. An inmate may earn only one type of Extra Good Time award at a time (meritorious, FPI or Camp) except that a lump sum award may be given in addition to another Extra Good Time award.

The Warden may approve a lump sum award of up to 30 days of Extra Good Time for an exceptional act of service that is not part of a regularly assigned duty. Extra Good Time is awarded at the rate of three days per month during the first twelve months in earning

status and at the rate of five days per month thereafter. Once Extra Good Time is awarded, it becomes vested. However, it can be disallowed or terminated under certain circumstances. If terminated, a new recommendation for Extra Good Time must be initiated and approved by the Warden to recommence earning Extra Good Time.

FOOD SERVICE DEPARTMENT

Meals are served cafeteria style in the Inmate Dining Room during the following hours:

WEEKDAYS:

If you believe your property has been lost or damaged by Bureau of Prisons staff, you may file a claim under 31 U.S.C. 3723 by completing Form BP-A0943, Small Claims for Property Damage or Loss, within one year after the claim accrues. This form is available in the inmate law library or from a member of your unit team. The amount of money you may recover is limited and the Bureau of Prisons' decision whether or not to grant your claim is not appealable to the courts (Ali v. Fed. Bureau of Prisons, 128 S. Ct. 831 (2008)).

RECORDS OFFICE

The Records Office is located in the Jail Unit.

Sentence Computation

The Records Office computes your federal sentence and establishes various release dates. The Records Office monitors Extra Good Time, Statutory Good Time, and any approved Lump Sum Extra Good Time awards, detainers, and the Interstate Agreement on Detainers. You should receive a copy of your federal sentence computation within 30 days. Review your sentence computation and check for any errors. If you have questions about how the sentence was computed or about possible Jail Time Credit, parole eligibility, full term dates, periods of supervision, etc., contact the Records Office in writing, attend the Open House held every Wednesday from 11:30 AM to 12:30 PM, in the Building 8 Mail Room, or see the CMC at mainline.

Sentences imposed under **VCCLEA** provisions apply to offenses which were committed on or after September 13, 1994, but prior to April 26, 1996. The **VCCLEA** amendments to 18 USC § 3624 (b) create distinctions between violent and nonviolent offenders and inmates who have a high school diploma or equivalency, or are making satisfactory progress towards the same. Credit toward an inmate's service of sentence **shall not be vested unless he has earned or is making satisfactory progress toward a high school diploma or an equivalent degree.**

Sentences imposed under **PLRA** provisions effect offenses committed on or after April 26, 1996. The 18 USC § 3624 (b) was amended to hold **all inmates** to an "exemplary compliance" standard for violations of institutional rules and regulations. The PLRA specifies that Good Conduct Time shall vest on the date the inmate is released from custody. This means that all earned Good Conduct Time is available for forfeiture throughout service of your sentence.

A **PLRA** inmate in a **GED UNSAT** status earns 42 days of GCT per year with the last partial year prorated based on the 42 days. An award of 42 days for a full year will remain at 42 days regardless of any change in GED status. If the inmate's status changes to a **non- GED UNSAT** status, then the inmate may earn the entire 54 days of GCT per year and in future years.

Please note all alien inmates with an order for deportation from the Bureau of Immigration and Customs Enforcement (ICE) that were sentenced under PLRA sentencing guidelines will earn 54 days GCT regardless of their participation in GED classes.

Fines and Costs

In addition to jail time, the court may impose a committed or non-committed fine and/or costs. A committed fine means that the inmate will stay in prison until the fine is paid, completes arrangements to pay the fine, or qualifies for release under the provisions of Title 18 USC, Section 3569 (pauper's oath). Non-committed fines have no condition of imprisonment based on payment of fines or costs. Payment of a non-committed fine or cost is not required for release from prison or transfer to a contract Community Corrections Center.

Detainers

Warrants or certified copies of warrants, based on pending charges, over-lapping, consecutive, or unsatisfied sentences in federal, state, or military jurisdictions, will be accepted as detainers. Detainers and untried charges can have an effect on institutional programs. Therefore, it is very important that the inmate initiate efforts to clear up these cases.

Federal and state detainers may be quickly processed under the procedures of the Interstate Agreement on Detainers. This agreement applies to all detainers based on pending charges which have been lodged against an inmate by a member state, including the U.S.

Government, regardless of when the detainer was lodged. For an inmate to use this procedure, the warrant must be lodged with the institution. If no detainer is actually lodged at the institution, but the inmate knows of pending charges, it is important for the inmate to contact the court of jurisdiction and district attorney. In some states, the detainer notice may start the time running for a Speedy Trial Act agreement.

MAIL ROOM

The Mail Room is located in Building Eight (8), across from the Barbershop. The side entrance is for your use when you have business to conduct with the Mail Room. The Mail Room Open House is from 11:30 AM-12:30 PM, Tuesday through Thursday. Open House is for weighing items to insure proper postage, certifying, and obtaining return receipts. If you have questions about your mail, you can go to the Open House or send a written inquiry.

Incoming Mail

Mail is delivered to inmates Monday through Friday after the 4:00 PM count at the Unit Officer's Station. On Saturdays, Sundays, and Holidays there is no mail delivery.

Your mail is screened for contraband according to Bureau of Prisons policy. Incoming mail is opened and stapled.

Incoming Legal and Special Mail is not opened in the Mail Room if clearly marked as such in accordance with the Bureau of Prisons Program Statement on Correspondence. This mail is opened in your presence. It is suggested you provide an instruction sheet for special mail privileges to the attorney(s) representing you at the earliest opportunity. Special Mail Notice forms may be obtained from the Mail Room.

Inmates are asked to advise those writing to them to put the inmate's name, register number, and unit on the envelope to aid the prompt delivery of mail. Correspondence should be addressed accordingly: Inmate Name; Register Number; Unit, FCI Seagoville; PO Box 9000, Seagoville, TX 75159-9000.

Polaroid pictures will be rejected because they cannot be searched without harming the picture. The back of the Polaroid should be cut at the bottom or removed.

You may receive hardcover publications and newspapers only from the publisher, a bookstore, or a book club. Magazines printed on newspaper type paper are included. Soft-cover materials (magazines, paperback books) can be received from any source. All incoming publications are subject to review according to the guidelines in Bureau of Prisons Program Statement 5266.06, Publications, Incoming.

Incoming Inmate Property

Personal items cannot be mailed into the institution except in the following situations.

Health Services Administrator: Orthopedic shoes, arch supports, prescription eyeglasses, prosthetic devices, and hearing aids must be pre-approved by the Health Service Administrator before they can be mailed into the institution.

Inmate Systems Manager: Release clothes must arrive at the institution 30 days prior to release or transfer to a Community Corrections Center. Inmates with detainers are not eligible to receive release clothes.

Release clothing may be mailed in to you with an approved Authorization to Receive Package or Property form, BP-331, four weeks prior to your release. The form may be obtained during the Mail Room Open House on Thursday, 11:30 AM-12:30 PM, no earlier than six weeks prior to your release date.

The Correctional Systems Officer will not approve any item or package for delivery unless the appropriate authorization form has been approved by the Department Head and is on file.

Outgoing Mail

Outgoing mail is picked up daily and may be sealed at this institution. You must place your full name, register number, and the institution's return address on all outgoing mail. If this information is not on your letter, it will be returned to you.

Inmate Name & Quarters Assignment
Register Number
Federal Correctional Institution
P.O. Box 9000
Seagoville, Texas 75159-9000

An outgoing letter box is located in your housing unit for regular mail. All outgoing regular mail should be dropped in the mail box for proper handling.

Any mail that you wish to be treated as Special Mail must be clearly marked as such to avoid possible opening and screening as general mail. Mail is treated in accordance with United States Postal Service Regulations, the Bureau of Prisons Program Statement on Correspondence and the Mail Management Manual which are on file in the Law Library. All special/legal mail may be sealed by the inmate, but must have a return address placed on the outgoing special/legal mail which includes your committed name, register number, name of the institution, quarters, P.O. Box, city, state, and zip code. You must personally deliver outgoing Special/Legal Mail to the institution mail room Tuesday - Friday, 11:30 AM- 12:30 PM, excluding federal holidays, and present your prisoner identification card for the mail room staff to verify your identity. You will not be allowed to mail any outgoing special/legal mail without proper identification.

Mail room staff will x-ray all outgoing special/legal mail daily during normal business hours, prior to delivery to the United States Post office. The special/legal mail under suspicion may be opened outside the presence of the inmate. Mail room staff will advise the inmate of the disposition of the mail as soon as the investigation is complete if no harmful materials are confirmed, and the special/legal mail will be returned to the inmate for re-sending. If harmful material is confirmed, an investigation for inmate disciplinary and/or criminal sanctions should be initiated by the SIS Department and/or FBI.

All postage requirements are your responsibility. **You are permitted to possess 60 first class stamps only. If you need to mail a package that requires additional postage, contact your Unit Counselor, who will authorize your purchase for additional stamps in the Commissary, and ensure that you affix the additional stamps to your package for mailing purposes.** Postage stamps will be purchased through the Commissary and cannot be received through the mail.

Outgoing regular mail should be sealed. Outgoing mail may be inspected prior to delivery.

Change of Address/Forwarding of Mail

The Records Office will provide inmates with change of address cards required by the U.S. Post Office. These cards are given to inmates who are being released or transferred to notify correspondents of a change of address. General mail will be forwarded for 30 days. General mail received after 30 days will be returned to the sender. Special Mail will continue to be forwarded after 30 days.

Certified/Registered Mail

Inmates desiring to use certified, registered, or insured mail may do so, in accordance with established handling procedures. An inmate may not be provided services such as express mail, private carrier services, COD, or stamp collecting while confined.

Correspondence Between Confined Inmates

An inmate may be permitted to correspond with an inmate confined in another penal or correctional institution. This is permitted if the other inmate is either a member of the immediate family or is party in a legal action (or witness) in which both parties are involved. The following additional limitations apply:

Such correspondence may always be inspected and read by staff at the sending and receiving institutions (it may not be sealed by the inmate).

The Superintendent/Warden at both institutions must approve the correspondence. If both inmates are at federal facilities, the Unit Managers at both institutions can approve the correspondence.

Correspondence between co-defendants shall only be about on-going legal matters.

Inmate Correspondence with Representatives of the News Media

An inmate may write through Special Mail procedures to representatives of the news media if specified by name or title.

The inmate may not receive compensation or anything of value for correspondence with the news media. The inmate may not act as a reporter, publish under a byline, or conduct a business or profession while in Bureau of Prisons custody.

Representatives of the news media may initiate correspondence with an inmate. Correspondence from a representative of the news media will be opened, inspected for contraband, for qualification as media correspondence, and for content which is likely to promote either illegal activity or conduct contrary to regulations.

Rejection of Correspondence

The Warden may reject correspondence sent by or to an inmate if it is determined to be detrimental to the security, good order, or discipline of the institution, to the protection of the public, or it might facilitate criminal activity. Examples include:

Material which is non-mailable under law or postal regulations.

Information of escape plots, plans to commit illegal activities, or to violate institution rules.

Direction of an inmate's business (Prohibited Act 408). An inmate may not direct a business while confined.

This does not prohibit correspondence necessary to enable an inmate to protect property or funds that were legitimately his at the time of his commitment. An inmate may correspond about refinancing a mortgage for his home or sign insurance papers. An inmate may not operate a mortgage or insurance business while confined in the institution.

Notification of Incoming Mail Rejection

The Warden will give written notice to the sender concerning the rejection of mail and the reasons for rejection. The sender of the rejected correspondence may appeal the rejection. The inmate will be notified of the rejection of correspondence and the reasons. The inmate has the right to appeal the rejection. The Warden shall refer the appeal to a designated officer other than the one who originally disapproved the correspondence. Rejected correspondence ordinarily will be returned to the sender.

In the event a Lockbox transaction has not been posted to an inmate's account, the inmate's family or friend should initiate a check tracer to locate the negotiable instrument in question.

Inmate Electronic Funds Transfer- Quick Collect

Your family and friends may send inmates funds through Western Union's Quick Collect Program. All funds sent via Western Union's Quick Collect will be posted to the inmate's account within two to four hours, when those funds are sent between 7:00 AM and 9:00 PM EST (seven days per week, including holidays). Funds received after 9:00 PM EST will be posted by 9:00 AM EST the following morning. Funds sent to an inmate through Western Union Quick Collect may be sent via one of the following ways:

Please note that your committed name and register number must be entered correctly, if the sender fails to provide the correct information, the transaction cannot be completed. The City Code will always be FBOP and the State Code will always be: DC.

Each transaction is accepted or rejected at the point of sale. The sender has the sole responsibility of sending the funds to the correct inmate. If an incorrect register number and/or name are used and accepted and posted to that inmate account, funds may not be returned.

Western Union will charge the public a \$9.95 fee for U.S. cash transfers up to \$5,000 processed at Western Union agent locations. Transfers via the telephone or internet have higher fees. Money transfers from foreign countries also have higher fees.

Any questions or concerns regarding Western Union transfers should be directed to Western Union by the sender.

Commissary (Trust Fund) Fund Withdrawals

Requests for Withdrawal of Inmate Personal Funds are processed every week. Unit Managers approve withdrawals from the Trust Fund account to send funds to dependents and other family members, for payment of telephone bills, postage costs, and local newspaper subscriptions. The Unit Manager also approves withdrawals for the payment of fines, restitution of losses, legitimate debts, and other obligations such as court fees, attorney fees, birth certificates, expenses and trips, bedside visits, funeral trips and the purchase of legal books. Only the Associate Warden (Programs) can approve inmate contributions to recognized charities and withdrawals exceeding \$250.00.

All withdrawals, addressed to foreign countries or that require enclosures, must be submitted with a typed, self-addressed, and stamped envelope. All names of the cities, territories, states, and countries must be spelled out completely in accordance with U.S. Postal Service requirements.

The Law Library copier operates using a disposable photocopy card. Copy cards may be purchased through the Commissary during normal sales hours and designated shopping days. Photocopy cards have 50 meter clicks per card. Once the copy card is sold to an inmate at the Commissary, the photocopy card becomes the inmate's personal property. The use of the copy machine and copier card are at the risk of the use. There will be no refunds or exchanges. Meter clicks remaining on an inmate's copy card will not be refunded prior to release or transfer.

CLOTHING ROOM AND LAUNDRY

The Clothing Room is located in Building Eight (8) adjacent to the Lower Compound. It is open to the general population from 6:00 AM to 7:30 AM, Monday through Friday, for exchange and issue of clothing and linens, and for Food Service and Health Services Unit workers from 8:00-8:30 AM. The Clothing Room is closed on Federal holidays. Inmates have the opportunity to exchange soiled linen, including towels and wash cloths, on a one-for-one basis at the Clothing Room during these operational hours.

Generally, you will receive your initial issue of institution clothing (used and/or new) during your week of Admission and Orientation. The quantity of clothing and linen items in the possession of an inmate at any given time shall not exceed the initial issue stated in Institution Supplement 4441.2, Clothing Room Operations. Clothing and linen items are further limited according to stock availability.

Damaged clothing should be taken to the Clothing Room during the inmate's regular exchange period. The Clothing Room Officer will determine if the item can be repaired or if it should be exchanged and will take the appropriate action. Inmates must not destroy damaged clothing, but should return it to the Clothing Room so the card file can be adjusted. Lost clothing is replaced with used clothing.

The Clothing Room will launder inmate clothing on a daily basis. Inmates will be given the opportunity to bring all clothing items to the Clothing Room to be laundered and picked up the following business day. Inmates will be issued a laundry bag imprinted with their register number and clothing items will be placed inside. Sheets, blankets, pillows, and pillow cases shall not be placed in bags with clothing items. Clothing items will be laundered and dried in the bag. Clothing Room staff will not iron or fold clothing after it is laundered. Washing machines are available in the housing unit. You may purchase your own toiletries and soap in the Commissary.

HEALTH SERVICES

It is the policy of the Bureau of Prisons to provide health care and medical treatment during incarceration necessary to maintain the health status of the individual. The opportunity to seek medical attention is an undeniable inmate right. The decision regarding appointment time and treatment lies solely with the Health Services Staff.

- A. **Hours of Operation:** The Health Services Unit shall be staffed by medical personnel seven days a week. There are established procedures for emergency care at other times.
- B. **Sick Call Procedures:** Routine medical Sick Call shall be offered Monday, Tuesday, Thursday, and Friday on an appointment basis. Inmates desiring treatment are responsible for making their appointments at the reception desk in the Health Services Unit, on the second floor of Building 9. These appointments may be obtained between 6:00- 6:30 AM **ONLY**. A clinical staff member shall screen all appointment requests and schedule an appointment time based upon the needs of the patient. If it is determined that an inmate is too ill to report to work, he will remain at the clinic until treatment is completed. The Health Services Staff shall notify the Detail Supervisor of the inmate's location and maintain accountability of the inmate. A qualified health care practitioner will provide Sick Call at least four work days per week.
- (1) Inmates will be scheduled for a future Sick Call appointment based upon the needs of the patient.
- C. **Dental Care/Dental Emergency Care:** Requests for routine dental care (i.e., prophylactic cleaning, routine dental care, etc.) shall be through written request on an Inmate Request to Staff Member (Cop-out). When the request is received, the inmate will be placed on the waiting list for treatment. Treatment will be provided on a first come, first serve basis. The waiting list entry date will determine priority. During normal working hours, emergency dental care will be provided during sick call sign up from 6:00 - 6:30 AM, Monday, Tuesday, Thursday, and Friday. The inmate will receive a dental appointment to be evaluated by one of the dentists between the hours of 8:00 - 9:00 AM. If an emergency occurs after sick call appointment hours, the inmate's detail foreman or Unit Officer must contact the dental clinic to set up an appointment. Emergency dental care includes those procedures directed toward the immediate relief of pain, treatment of traumatic injuries, acute infections, and the repair of prosthetic appliances. After normal working hours, 7:30 AM - 4:00 PM, weekends, and holidays, the Physician Assistant on duty will provide emergency dental care. When the emergency situation is beyond the scope of the PA's expertise, the on-call dentist will be consulted to determine the emergency treatment needed, will return to the institution, and/or refer to the appropriate dental facility for care.
- D. **Administrative Detention and Disciplinary Segregation:** Sick call rounds are held by the medical staff on a daily basis, during the day shift. All medications with restricted issue will be delivered to each individual at the time specified by the prescriber.
- E. **Emergency Care:** Inmates becoming ill or receiving an injury requiring immediate medical or dental care should be sent to the outpatient clinic by the Unit Officer or Detail Supervisor, who will alert the medical staff of the emergency. In cases of serious emergencies (i.e., heart attack, serious bleeding, etc.) the Operations Lieutenant is authorized to transport the inmate to the local contract hospital. If ambulance transfer is required, the Seagoville Fire Department/Central Ambulance Service will be used. The Health Services Administrator or Assistant Health Services Administrator shall be notified as soon as possible of any emergency admission to an outside hospital.

** All care is delivered through the use of Primary Care Provider Team's. This means that each inmate is assigned a team consisting of doctors, mid-level practitioners ("PA's"), nurses, and medical records staff. - F. **Medical Duty Status:** A newly committed inmate will not be given a permanent job assignment until completion of a physical examination and determination of any medical restrictions by the Chief of Health Programs. Each Friday, a member

of the medical staff will enter the duty status on the SENTRY Inmate Profile for all inmates who have completed physical examinations that week. Job assignments of inmates shall be made within the guidelines of any restrictions approved by the Chief of Health Programs. Duty restrictions shall be given in specific limitations (i.e., "Not to work at heights or around machinery", "No lifting over lbs.", "No Food Service", etc.). Temporary duty restrictions are assigned for specific time periods and are part of the treatment plan for ill or injured inmates who are unable to do regularly assigned duties. The permanent and temporary duty restrictions are:

- (1) **Medically Unassigned:** This category is seldom used and may only be assigned by the Physician. Inmates in this category have serious medical conditions which may be further complicated by work status of even the least strenuous nature. Inmates who are given this restriction should be considered for transfer to a facility with 24-hour medical coverage or suitable to handle their special needs.
 - (2) **Regular Duty With:** Inmates in this category may have serious or limiting conditions. Restrictions must be specific to each inmate's limitations, i.e., Regular Duty with weight restrictions of 10 lbs., Regular Duty with standing restrictions of not more than one hour.
 - (3) **Idle 1, Idle 2, and Idle 3:** Utilized for inmates who have medical conditions which require total removal from work assignments for periods of up to three (3) days. While on Idle status, inmates are restricted to their **ROOM**, except for meals, medical treatment, religious services, and visits.
 - (4) **Convalescence:** This category is utilized for inmates who are recovering from an illness or injury who are not physically ready to assume full duty and require some activity as part of their treatment plan. While on Convalescence the inmate has all the usual privileges of the institution except for any restrictions imposed by the Health Services Staff (i.e., No athletic activity, etc.). Convalescence will not be ordered for less than four (4) days. Temporary duty restrictions shall be entered into SENTRY and the inmate given a written Medical Duty Status with copies. One copy will be presented to the Detail Supervisor and one copy to the Unit Officer. A copy will also be sent to Medical Records and the temporary duty status will appear on the Daily Change Sheet.
- G. **Contact Lenses:** There are many problems associated with the wearing of contact lenses, i.e., eye injury, infection for poorly-handled contact lenses. Therefore, contact lenses will not be authorized for use at this institution. The only exception to this will be medically-indicated cases, i.e., lens implants. Any inmate at this institution will be given an eye examination for glasses and will be issued glasses. There will be no stocking of contact lens solution in the Commissary, nor will there be any special purpose orders to purchase solution.
- H. **Utilization Review Committee (URC) :** The Health Services Department has established the Utilization Review Committee (URC) to determine the final disposition of the following requests:
- All referrals for outside medical care.
 - Medically Unassigned
 - Special Housing Assignments
 - Lower Bunks
 - Short Line over 30 days
 - Extended Convalescence over 30 days
 - Other such requests as deemed appropriate by the URC.

In order for a request to go to the URC, an inmate request must be referred to the URC by a member of the Health Services Staff. No temporary request will be honored. All requests will be justified for the medical need and not for convenience. No request will be accepted for review without a medical examination and documentation by the referring Health Services Staff. No request will be approved without full approval of the URC Committee and all inmates will be notified of approval or denial in writing.

- I. **Open House:** There will be Open House for the following areas of the Health Services:
- Medical Records, 7:00 - 7:30 AM Monday - Friday
 - Health Services Administrator 2:00-3:00 PM Thursdays

Open House for Medical Records will be to review medical files or request copies only. At no time will either Open House be used to seek medical attention. If an inmate desires medical treatment, see section B, Sick Call Procedures. Any inmate that needs to see the Health Services Administrator must submit an Inmate Request to Staff Member Form. He will be given an appointment and placed on the call-out. The Health Services Administrator is also available Monday thru Friday at the noon mainline.

J. **Over-the-Counter Medications (OTCS):** There are several OTCS sold in the Commissary that may be purchased. This is a partial list as items could be added at any time.

It is the inmate's responsibility to watch the call-out daily and obtain an institution pass from a Unit Officer or Detail Supervisor to attend a scheduled appointment. The inmate must report to his assigned call-out no sooner than fifteen (15) minutes prior, and no later than ten (10) minutes past his scheduled appointment. If the inmate arrives ten (10) minutes late for his scheduled appointment time, he will be canceled and may or may not be rescheduled, depending on the reason for the appointment.

O. **Consultants/Specialists:** The need for an inmate to be seen by a specialist or consultant will be determined by the Health Services Staff only. The diagnosis of the consultants or specialists is only a recommendation and the Health Services Staff reserve the right to agree or disagree with their recommendation.

The care provider will determine the inmate's suitability for Food Service. Inmates with skin sores with or without drainage or if Acute Hepatitis A is suspected or diagnosed working in food service will be restricted until medically cleared.

There will be no exceptions to this policy. Lab work will be required to diagnose these diseases.

All inmates will be tested for Tuberculosis. Any inmate that tests negative, will be tested every year thereafter. Inmates with a positive TB test and no prior treatment will be placed on medication according to the guidelines of the Center for Disease Center.

No inmate will be transferred to another facility or Community Corrections Center without a current PPD test or chest x-ray.

Q. **A&O Physical Examinations:** All new commitments will be given **MANDATORY** physical examinations within 14 days after their arrival. This physical will include the following:

- Complete Blood Count (CBC)
- Skin test for Tuberculosis (PPD) will be initiated within two (2) days after your arrival
- HIV test if indicated
- Hearing Screening Test
- Vision Screening
- Physical Examination
- Dental Screening
- Blood tests as indicated

Failure to comply with the physical examination will result in an incident report for Refusing Programs. The inmate will be placed in Special Housing Unit under medical isolation until the Clinical Director has determined that the individual is free of all infectious diseases.

- R. **Periodic Health Examinations.** The Clinical Director will ensure that the availability of age-specific preventative health examinations (e.g., cancer screening) for the inmate population.
- S. **Release examinations.** Inmates being released from custody may request a medical evaluation if he or she has not had one within one year prior to the expected date of release. The examination should be conducted within two months prior to release.

This survey is used to gather feedback concerning the quality of care you receive and the responsiveness of the department.

You will not be charged for health care visits that are initiated by the Health Services Department and emergency visits.

According to “The DNA Analysis Backlog Elimination Act of 2000” (Public Law 106-546), the USA PATRIOT Act (Public Law 107-56), and the Justice For All Act of 2004 (Public Law 108-405), all inmates convicted of any felony federal offense, qualifying misdemeanor federal offenses, qualifying D.C. Code offenses, and qualifying military offenses must submit a DNA blood sample prior to release from federal custody. Each inmate will be advised by their assigned Unit Team, at their scheduled team meetings, whether DNA sampling is required. Health Services staff are responsible for collecting the DNA sample. They will schedule inmates for DNA sample collection with priority given to inmates with an imminent release date or transfer to a community corrections center.

Consequences for refusing to provide a sample include incident reports, progressive administrative sanctions, and possible criminal prosecution. (see Title 42 U.S.C. 14135a). If an inmate continues to refuse to submit to DNA sampling and progressive sanctions fail or the inmate is approaching his release date, the legislation provides for the sample to be collected involuntarily by use of force.

PSYCHOLOGY SERVICES

The Psychology Department is located in Building 9. Psychological services are available to the inmate population in both Spanish and English. Individual consultation, counseling, and crisis intervention is readily available for all inmates. Routine requests for psychological services should be made on an Inmate Request to Staff Member form, available in each housing unit and in the Psychology Department. In case of a crisis or emergency, a request to speak with a Psychologist should be made to any accessible Staff member.

DAP

Psychology Services offers four drug treatment programs. These are: 1) drug education, 2) non-residential drug abuse counseling, 3) the 500-hour Residential Drug Abuse Program (RDAP), and 4) follow-up counseling for RDAP graduates. The Drug Education Program is a classroom-type instructional program and is required for many inmates as defined in Program Statement 5330.10, Drug Abuse Programs Manual, Inmate. Within the first month of arrival, inmates who are required to participate in the Drug Education Program will be placed on call-out and asked to sign an agreement to participate. There are sanctions for refusing to participate. Inmates who are not required to do so, but are interested in participating in the Drug Education Program, may enroll by submitting a Inmate Request to Staff Member form to the Drug Abuse Program Coordinator(s).

The non-residential drug counseling program is available to all inmates by request. This program is for inmates who have short sentences, need a less intensive program, or have already completed the residential program. Non-residential drug counseling groups are begun throughout the year. The groups typically meet once a week for 6 to 10 weeks. Course topics include motivational issues around job seeking, values exploration, smoking cessation, anger management, and stress management. Flyers are placed on the residential units notifying inmates when a course is going to start. Enrollment in non-residential drug counseling is accomplished by submitting an Inmate Request to Staff Member form to the Drug Abuse Program Coordinator(s).

The Residential Drug Abuse Program (RDAP) is a voluntary program for inmates with a history of drug and/or alcohol abuse. All participants reside in the same housing unit and attend daily group treatment activities. Inmates who complete RDAP may be eligible for early release by a period not to exceed 12 months. An inmate will not be eligible for early release if he is an INS detainee, a pretrial inmate, a contractual boarder (i.e., a D.C., State, or military inmate), an "old law" inmate, if the inmate's current offense is determined to be an excluding offense, or if he has a prior federal and/or state conviction for homicide, forcible rape, robbery, aggravated assault, or a sexual offense committed against a child. To complete RDAP, participants must successfully complete all three phases of the program. These are: 1) the 9-month residential treatment program, 2) the RDAP follow-up program, and 3) the transitional services requirements while in RRC placement. The criteria for participation and the early release qualifications are outlined in Program Statement 5330.10, Drug Abuse Programs Manual, Inmate. Inmates interested in RDAP should submit an Inmate Request to Staff Member form to the Drug Abuse Program Coordinator(s).

The fourth program, follow-up counseling for RDAP graduates, is conducted on a monthly basis. RDAP graduates meet for one session per month with their assigned Drug Treatment Specialist. This program is available only to those inmates who have successfully completed the 9-month residential treatment component.

SOMP

FCI Seagoville is a Sex Offender Management Program site for low security male inmates. The Walsh Act was passed by Congress in 2006, and this law requires all inmates with a history of sexual offenses be reviewed and evaluated prior to release. This includes inmates currently serving a sentence for a sexual offense as well as inmates who are serving a sentence for another type of offense, but have a prior history of conviction for a sexual offense. The pre-release evaluation is mandated. Most inmates will be evaluated and found to be at low risk of sexually reoffending after release from incarceration. Those who are at high risk of committing new sexual offenses will be subject to civil commitment after their current sentence expires. The SOMP will also offer treatment in the form of classes and groups. If you are designated to the SOMP your unit team and psychology staff will encourage you to participate in these programs, but your participation will be voluntary. Finally, sexual misconduct of any type will not be tolerated. Any inmate who chooses to act out sexually will be subject to disciplinary proceedings and when necessary special correctional management plans will be implemented to prevent sexual misconduct in the institution.

SEXUAL ASSAULT PREVENTION/INTERVENTION

What are Sexually Abusive Behaviors?

Inmate on Inmate Sexual Abuse/Assault: As defined by the Federal Bureau of Prisons (BOP), sexual assault is one or more inmates engaging in or attempting to engage in a sexual act with another inmate or the use of threats, intimidation, inappropriate touching, or other actions and communications by one or more inmates aimed at coercing and/or pressuring another inmate to engage in a sexual act.

Staff on Inmate Sexual Abuse/Assault: Engaging in or attempting to engage in a sexual act with any inmate or the intentional touching of an inmate's genitalia, anus, groin, breast, inner thigh, or buttocks with the intent to abuse, humiliate, harass, degrade, arouse, or gratify the sexual desire of any person.

Your Right To Be Safe From Sexually Abusive Behaviors: While you are incarcerated, no one has the right to pressure you to engage in sexual acts. You do not have to tolerate sexual assault or pressure to engage in unwanted sexual behavior regardless of your age, size, race, or ethnicity. Whether you are straight, gay, lesbian, or bisexual, you have the right to be safe from unwanted sexual advances and acts.

About Your Safety: If you feel that your right to be left alone sexually is being violated, staff are available to help you deal with this problem. You should feel free to discuss your concerns about sexual assault with any Staff member. If you are in an emergency situation, approach any Staff member. Any inmate being threatened with sexual abuse or sexual assault will be taken seriously and should report all threats. It is part of our job to ensure your safety. You do not have to name other inmates to receive assistance, but specific information may make it easier for Staff to help you.

If you are sexually assaulted, you should immediately ask for medical treatment. Even though you may want to clean up after the assault, it is important to see medical Staff before you shower, wash, drink, eat, change clothing, or use the bathroom. Medical Staff will examine you for injuries which may or may not be readily apparent to you. They can also check you for sexually transmitted diseases and gather any physical evidence of assault.

It is important to get help to deal with the assault. There are highly trained Staff available for your assistance. Sexual assault victims will be given sensitive, supportive, and non-judgmental consideration. Due to the sensitive nature of these types of incidents, only Staff with a "need to know" will be informed of the situation. All precautions will be taken to protect the confidentiality of the victim.

Avoiding Sexually Abusive Behaviors: Here are some suggestions to protect yourself against sexual abusive behaviors:

1. Do not accept gifts or favors from other inmates. Most gifts or favors from other inmates come with strings attached.
2. Be alert. Do not use contraband substances such as drugs or alcohol. They can weaken your ability to stay alert and use good judgments.
3. Be direct and firm if other inmates ask you to do something you do not want to do. Do not give mixed messages to other inmates regarding your wish for sexual activity.
4. Avoid out of the way or poorly lit areas of the institution.
5. Choose your associates wisely. Look for people who are involved in "safe," positive institutional activities like education programs, psychology groups, or religious services. Get involved in these activities yourself.
6. Trust your instincts. If you sense that a situation may be dangerous, it probably is.

Counseling Services Related to Sexually Abusive Behaviors: Most people need help to recover from the emotional effects of sexual abusive behavior. If you are the victim of sexually abusive behavior, whether it is recent or in the past, psychology Staff are available to counsel you. If you feel that you need help to keep from sexually assaulting someone else, psychology services are available to help you gain control over these impulses.

Before You Attack Another Inmate, Remember... Sexual assault is a serious crime. All reported assaults will be investigated. You will be subject to disciplinary action which may include loss of good time, time in disciplinary segregation, and/or additional criminal charges and time in prison.

INMATE SUICIDE PREVENTION PROGRAM

It is not uncommon for people to experience feelings of depression and hopelessness while in jail or prison, particularly if they are newly incarcerated, are serving a long sentence, are experiencing family problems or problems getting along with other inmates, or receive bad news. Sometimes, inmates consider committing suicide due to all of the pressure they are under. Staff are trained to monitor inmates for signs of suicidality, and are trained to refer all concerns to the Psychology Department. However, staff do not always see what inmates see. If you are personally experiencing any of the problems noted above, or you or another inmate are showing signs of depression (sadness, tearfulness, lack of enjoyment in usual activities), withdrawal (staying away from others, reducing phone calls

and/or visits), or hopelessness (giving away possessions, stating that “there is nothing to live for”), PLEASE alert a staff member right away. Your input can save a life.

RELIGIOUS ACTIVITIES - CHAPLAIN SERVICES

Through the years inmates have found religious faith and activities to be a significant influence on their lives, especially during incarceration when time, forethought, and reflection are readily available. The Religious Services Department consists of Chaplains and a Religious Assistant. In addition, there are several part-time Chaplains and over 150 citizen volunteers representing many religious faith groups.

The Chapel is located at the east end of Building Three (3). Just as participation in the Chapel program is always on a voluntary basis, everyone is always welcome! Chapel schedules are distributed at the Admission and Orientation session and are posted on the compound-side bulletin board, as well as the inside bulletin board of the Chapel and presents approximately 140 organized religious programs per month representing most major faith groups.

All inmates are encouraged to investigate Chapel opportunities for faith and personal growth as well as a productive way of doing time. The Chapel is normally open seven days a week and operates with an Open Door Policy. No appointments are necessary.

SOME OF THE FOLLOWING ISSUES ARE OF INTEREST TO MANY INMATES

Call-out: Should you desire to participate in Islamic Jumah Prayer, you must submit an Inmate Request to Staff Member form to the Chaplains. If you are Native American and desire to participate in Native American Sweat Lodge Ceremonies, you must submit an Inmate Request to Staff Member form to one of the Religious Services staff members.

Religious Diet Program: The Religious Diet Program is available for those inmates wishing to maintain religious diets. Application for the Religious Diet Program participation for religious reasons should be made through the Office of the Chaplains.

Sacred/Ritual Smoke The only authorized area for “sacred tobacco” use in religious rituals will be held during scheduled religious programs at the Outdoor Worship Area. Inmates are not permitted to smoke in this area at any other time.

Emergency Telephone Calls: Chaplains are empowered to make telephone calls regarding immediate family on an emergency basis only. Should you have a death or serious illness in your immediate family, the Chaplains will make every attempt to assist you.

The Chapel offers a religious library for inmates who choose to use it. Catalogs are available for anyone who wishes to purchase religious items which are considered personal property. Chaplains are available to discuss your needs on an individual basis.

EDUCATION PROGRAMS ACADEMIC AND VOCATIONAL TRAINING

We stress education in both the academic and the vocational training programs. We believe the more education you have, the easier it will be for you to return successfully to society.

You are urged to look into educational opportunities available and to take full advantage of them. If you are qualified, your Unit Team may include educational self-improvement as one of your institution goals through the classification process.

In order to ensure the Education Department has an environment conducive to learning, the following rules will be enforced for all inmate/students. Portable radios or headphones will not be brought into the building. Food is not allowed in the department. This includes ice cream or any other type of food item. The orderlies in the department work hard to keep the area clean. Your cooperation is appreciated. Full khaki uniforms are required, tucked in, Monday through Friday, 7:30 AM - 3:30 PM. Magazines and other leisure materials cannot be read during the class period and are subject to confiscation. Hats cannot be worn in the building.

Students are expected to be in their classroom at the beginning of their scheduled class time.

GED 1 / ESL 1	7:40 AM - 9:20 AM
GED 2	9:30 AM - 11:20 AM

Failure to comply with the above rules will result in disciplinary action. Thank you for your assistance.

To serve as a guide for your future planning, the following are general descriptions of the available educational programs. Additional information can be found in the education handbook which is available in the education department

GENERAL EDUCATION DEVELOPMENT PROGRAM (GED)

The GED program is for all inmates who do not have a high school diploma or a GED certificate. The classes meet each day Monday through Friday. You may discontinue the GED Program after 240 hours from the date of enrollment or you may continue until successful acquisition of a GED certificate from the State of Texas. All classes are open entry/open exit and are offered throughout the year. An incentive award program has been established to encourage active participation and to reward student progress. Students who achieve the eighth grade functional literacy level will receive a certificate.

Students who achieve the State standards for GED will receive a State of Texas diploma and a cash award up to \$25, if funds are available. Failure to achieve GED Certification will result in the inmate's ineligibility to be promoted past a Grade 4 level of pay.

THE VIOLENT CRIME CONTROL LAW ENFORCEMENT ACT THE PRISON LITIGATION REFORM ACT

The Violent Crime Control Law Enforcement Act (VCCLEA) mandates that an inmate with a date of offense on or after September 13, 1994, but before April 26, 1996, lacking a high school diploma, will participate and make satisfactory progress toward attainment of a GED certificate in order to vest earned Good Conduct Time (GCT).

The Prison Litigation Reform Act (PLRA) provides that in determining GCT awards, the Bureau of Prisons will consider whether an inmate with a date of offense on or after April 26, 1996, has earned or is making satisfactory progress toward attainment of a GED certificate.

Both laws mandate that inmates who do not possess a GED certificate or a high school diploma must participate in the literacy program until they attain of a GED certificate. Failure to do so will affect the inmate's GCT. Congress mandated the Bureau of Prisons to implement the provision of both VCCLEA and PLRA.

ENGLISH AS A SECOND LANGUAGE FOR NON-ENGLISH SPEAKING INMATES

This institution offers English as a Second Language classes (ESL) to serve the needs of non-English speaking inmates. The classes meet each day Monday through Friday. Beginning, intermediate, and advance classes are available. Inmates who have limited English proficiency skills are required to participate in the ESL program until they have achieved the eighth-grade level as measured by a score of 225 on the ESL CASAS level C Reading Certification test and a score of 215 on level B or C of the Listening Comprehension test. Only inmates with a **verified** deportation detainer are exempt from this program.

Students who complete the ESL program and pass the CASAS certification tests will receive a certificate from the Education Department and a cash award up to \$25, if funds are available. In addition, GED and ESL graduates will be eligible to participate in the annual graduation ceremony.

ADULT CONTINUING EDUCATION PROGRAMS

The Education Department recognizes that inmates should have an opportunity to enhance themselves by striving to improve their interpersonal relationships, communication abilities, self-motivation skills, realistic goal setting endeavors, and personal self-concept values. The Education Department offers a variety of programs to foster such skills. Classes in Business, Commercial Drivers License, Accounting, Strategies for Living, Personal Fitness, Spanish, Drivers Education, Employment, Finance, Income Tax, Calligraphy, Computer skills, Creative Writing, Drawing, Insurance, Speed Reading, Setting Personal Goals, Typing, etc., are offered on a continual basis to all inmates interested in voluntarily enrolling in evening Adult Continuing Education programs. You can sign up for the classes in building 8. Class offerings are subject to change.

COLLEGE CREDIT

Inmates can earn college credits in three ways. 1) College correspondence courses are available and offer college credits for undergraduate and graduate students. The Bureau advises all inmates that the President of the United States is authorized under the Constitution to grant executive clemency by pardon, commutation of sentence, or reprieve. A pardon is an executive act of grace that is a symbol of forgiveness. It does not indicate innocence nor does it expunge the record of conviction. A pardon can be in "full" or "partial" depending on whether it absolves a person from all or a portion of the crime. A pardon may have conditions imposed upon it or it can be "absolute" which is without conditions of any kind. A pardon restores basic civil rights and facilitates the restoration of professional and other licenses that may

have been lost by reason of the conviction. Other forms of executive clemency include commutation of sentence (a reduction of sentence imposed after a conviction), and a reprieve (the suspension of execution of a sentence for a period of time). Inmates should contact their Case Manager for additional information regarding this program.

COMMUTATION OF SENTENCE

The Bureau also advises inmates on commutation of sentences. This is the form of executive clemency power used to provide post-conviction relief to inmates during their incarceration. This clemency power is authorized by the Constitution for the Chief Executive Officer, who is the President of the United States for federal offenses. Commutation of sentence is usually the last chance to correct an injustice which has occurred in the criminal justice process. Inmates applying for commutation of sentence must do so on forms that are available from the Unit Team. The rules governing these petitions are available in the Law Library.

A pardon may not be applied for until the expiration of at least five years from the date of release from confinement. In some cases involving crimes of a serious nature, such as violation of Narcotics Laws, Gun Control Laws, Income Tax Laws, Perjury, and violation of public trust involving personal dishonesty, fraud involving substantial sums of money, violations involving organized crime, or crimes of a serious nature, a waiting period of seven years is usually required.

COURT SECURITY IMPROVEMENT ACT OF 2007

Title 18 U.S.C. 1521 has established a criminal offense for filing, attempting to file, or conspiring to file, a false lien or encumbrance against the real or personal property of a Federal Judge or Federal law enforcement officer, including Bureau of Prisons staff members. Additionally, Title 18 U.S.C. 119 established a criminal offense for making publicly available "restricted personal information" about a "covered person" with the intent to threaten, intimidate, or incite a crime of violence against such person, which includes court officers, jurors, witnesses, informants, and Federal law enforcement officers, including Bureau of Prisons staff members.

All inmates are prohibited from obtaining or possessing UCC financing statements and similar forms. All inmates are also prohibited from obtaining or possessing any documents which contain unauthorized personal information, including, but not limited to, home address, home telephone number, or home fax number of any jurors, witnesses, informants, or of any federal official, including, but not limited to, Bureau of Prisons staff, United States Attorneys, Assistant United States Attorneys, Judges, and other Federal agents. Possession of personal information about immediate family members of a covered person is also prohibited. If you are found in possession of these type of documents or information, the items will be confiscated. You will be subject to inmate discipline, and your case may be referred for possible prosecution. You may use the Administrative Remedy process to challenge the confiscation or rejection of such materials.

PROBLEM RESOLUTION

Inmate Requests to Staff Member

The Bureau form BP-Admin-70, commonly called a "cop-out," is used to make a written request to a Staff member. Any type of request can be made with this form. "Cop-Outs" may be obtained in the living units from the Correctional Officer on duty. Staff members who receive a "Cop-Out" will answer the request in a "reasonable" period of time. The answer will be written on the bottom of the request form.

Administrative Remedy Process

The Legal Liaison/Program Coordinator provides oversight of the administrative remedy process. The Bureau emphasizes and encourages the resolution of complaints on an informal basis. Hopefully, an inmate can resolve a problem informally by contact with Staff members via "cop-outs." When informal resolution is not successful, however, a formal complaint can be filed as an Administrative Remedy.

The first step of the Administrative Remedy procedure is to attempt an informal resolution. Inmates wishing to file a request must first present the problem or complaint to their Counselor for informal resolution. The inmate's Counselor will document the complaint on the Informal Resolution form (BP-8). Informal resolution is not required if you are appealing a Unit Disciplinary Committee (UDC) action. If the issue cannot be informally resolved, the Correctional Counselor will issue a BP-229(BP-9) form. The inmate requesting administrative remedy will complete Part A, date and sign the BP-9 form. If more space is needed, up to only one 8 ½ X 11 continuation page is allowed. The BP-9 will be returned to the issuing Counselor for attachment of the Informal Resolution form to forward to the Warden for filing. If submitting supporting exhibits, inmates must submit one copy. Exhibits will not be returned with the response. Forms submitted without the documentation of informal resolution attempts will be rejected. The BP-9 complaint must be filed within 20 calendar days from the date on which the basis for the incident or complaint occurred. If accepted, a Request or Appeal is considered filed on the date it is logged into the Administrative Remedy Index as received. Once filed, institution staff have 20 calendar days to respond to the complaint and to provide a written response. This time limit for the response may be extended for an additional 20 calendar days, but the inmate will be notified of the extension.

If the inmate is not satisfied with the response to the BP-9, he may file an appeal to the Regional Director. This appeal must be received in the Regional Office within 20 calendar days from the date of the BP-9 response. The Regional Appeal is written on a BP-230 (BP-10) form, and must have a copy of the BP-9 form and response attached. The Regional Appeal response time is 30 days, but the time limit may be extended an additional 30 days. An inmate may not raise Appeal issues not raised in the lower level filings. An inmate may not combine Appeals of separate lower level responses (different case numbers) into a single Appeal. Appeals of Discipline Hearing Officer (DHO) actions must be sent by the inmate directly to the Regional Director. The appeals are to be filed on a BP-10, within 20 calendar days after receipt of the DHO Report, and must have attached a copy of the report of the DHO hearing.

If the inmate is not satisfied with the response by the Regional Director, he may appeal to the Central Office of the Bureau of Prisons. The National Appeal must be made on a BP-231 (BP-11) form and must have copies of the BP-229 and BP-230 forms, with responses.

The BP-231 form may be obtained from the Correctional Counselor. The National Appeal response time is 40 calendar days, but the time limit may be extended an additional 20calendar days.

Time Limits (in calendar days):

Filing

Sensitive Complaints

If an inmate believes a complaint is of such a sensitive nature that he would be adversely affected if the complaint became known to the institution, he may file the complaint directly to the South Central Office Regional Director. The inmate must explain, in writing, the reason for not filing the complaint with the institution. If the Regional Director agrees that the complaint is sensitive, it shall be accepted and a response to the complaint will be processed. If the Regional Director does not agree that the complaint is sensitive, the inmate will be advised in writing of that determination. If the complaint is not determined to be sensitive, it will be returned. The inmate may then pursue that matter by filing a BP-229 at the institution.

DISCIPLINARY PROCEDURES

Discipline

It is the policy of the Bureau of Prisons to provide a safe and orderly environment for all inmates. Violations of Bureau rules and regulations are dealt with by the Unit Discipline Committees (UDC) and, for more serious violation, the Disciplinary Hearing Officer. Inmates are advised upon arrival at the institution of the rules and regulations, and are provided with copies of the Bureau's Prohibited Acts, as well as local regulations.

Inmate Discipline Information

If a Staff member observes or believes he or she has evidence that an inmate has committed a prohibited act, the first step in the disciplinary process is writing an Incident Report. This is a written copy of the charges against the inmate. The Incident Report shall ordinarily be delivered to the inmate within 24 hours of the time Staff become aware of the inmate's involvement in the incident. A Lieutenant will investigate the facts surrounding the report. An informal resolution of the incident may be attempted.

If an informal resolution is accomplished, the Incident Report will be removed from the inmate's Central File. Informal resolution is encouraged by the Bureau of Prisons for all violations except those in the greatest severity category. Violation in the greatest severity category must be forwarded to the Disciplinary Hearing Officer for final disposition.

If an informal resolution is not accomplished, the Incident Report is forwarded to the UDC for an initial hearing.

Initial Hearing

Inmates must ordinarily be given an initial hearing within 3 work days of the time Staff become aware of the inmate's involvement in the incident (excluding day Staff became aware of the incident, weekends, and holidays). The inmate is entitled to be present at the initial hearing. The inmate may make statements or present documentary evidence in his behalf. The UDC must give its decision in writing to the inmate by the close of business the next work day. The UDC may extend the time limits of these procedures for good cause. The Warden must approve any extension over 5 days. The inmate must be provided with written reasons for any extension. The UDC will either make final disposition of the incident, or refer it to the Disciplinary Hearing Officer (DHO) for final disposition.

Disciplinary Hearing Officer (DHO)

The Disciplinary Hearing Officer (DHO) conducts disciplinary hearings on serious rule violations. The DHO may not act on a case that has not been referred by the UDC.

An inmate will be provided with advance written notice of the charges not less than 24 hours before the inmate's appearance before the DHO. The inmate may waive this requirement. If requested, an inmate will be provided with a full-time Staff member of his choice to represent them. An inmate may make statements in his own defense and may produce documentary evidence. The inmate may present a list of witnesses and request they testify at the hearing. Inmates may not question a witness at the hearing; the Staff representative and/or the DHO will question any witness for the inmate. An inmate may submit a list of questions for the witness(es) to the DHO if there is no Staff representative. The DHO will request a statement from all unavailable witnesses whose testimony is deemed relevant.

The inmate has the right to be present throughout the DHO hearing, except during deliberations. The inmate charged may be excluded during appearances of outside witnesses or when institution security could be jeopardized. The DHO may postpone or continue a hearing for good cause. Reasons for the delay must be documented in the record of the hearing. Final disposition is made by the DHO.

Appeals of Disciplinary Actions

Appeals of all disciplinary actions may be made through Administrative Remedy Procedures. Appeals are made to the Regional Director (BP-230), and the General Counsel (BP-231). On appeal, the following items will be considered:

- Whether the UDC or DHO substantially complied with the regulations on inmate discipline.
- Whether the UDC or DHO based its decisions on substantial evidence.
- Whether an appropriate sanction was imposed according to the severity level of the prohibited act.
- The Staff member who responds to the appeal may not be involved in the incident in any way.
- These Staff members include UDC members, the DHO, the investigator, the reporting officer, and the Staff representative.

Special Housing Unit Status

There are two categories of special housing: Administrative Detention and the Disciplinary Segregation.

Administrative Detention separates an inmate from the general population. To the extent practical, inmates in Administrative Detention shall be provided with the same general privileges as inmates in general population. An inmate may be placed in Administrative Detention when the inmate is in holdover status during transfer, is a new commitment pending classification, is pending investigation or a hearing for a violation of Bureau regulations, is pending investigation or trail for a criminal act, is pending transfer, for protection, or is finishing confinement in Disciplinary Segregation.

Disciplinary Segregation is used as a sanction for violations of Bureau rules and regulations. Inmates in Disciplinary Segregation will be denied certain privileges. Personal property will usually be impounded. Inmates placed in Disciplinary Segregation are provided with blankets, a mattress, a pillow, toilet tissue, and shaving utensils (as necessary).

Inmates may possess legal and religious materials while in Disciplinary Segregation. Also, Staff shall provide a reasonable amount of non-legal reading material. Inmates in Disciplinary Segregation shall be seen by a member of the medical Staff daily, including weekends and holidays. A Unit Staff member will visit the segregation unit daily. Inmates in both Administrative Detention and Disciplinary Segregation are provided with regular reviews of their housing status.

Inmates sanctioned to a disciplinary transfer, inmates requiring greater security, and unverified protective custody cases must remain in the Special Housing Unit (SHU) for a period of 8 months with clear conduct. This 8-month period begins after the inmate has completed any disciplinary segregation time. At the conclusion of the 8-month period, each inmate will be evaluated by their Unit Team to determine if they are appropriate to remain at this facility in the general population or if they should be referred for transfer. If the inmate is returned to the general population and again demonstrates noncompliant behavior, a local determination will be made as to whether the inmate will be returned to SHU for post-disciplinary clear conduct or for transfer referral.

RELEASE INFORMATION

RELEASE
ATION

INFORM

Parole

Parole is release from incarceration under conditions established by the U.S. Parole Commission. Parole is not a pardon or an act of clemency. A parolee remains under the supervision of a U.S. Probation Officer until the expiration of his full term.

Only inmates sentenced under the old law are eligible and permitted an opportunity to appear before the Parole Commission within 120 days of commitment (Exceptions: Inmates sentenced before September 6, 1977 and inmates with a minimum parole eligibility of ten years). If the inmate chooses not to appear before the Parole Board within the first 120 days of commitment, a waiver must be given to the Case Manager prior to the time of the scheduled Parole Hearing. This waiver will be made part of the Parole Commission file and the inmate's Central File.

All inmates who previously waived a Parole Hearing are eligible to appear before the Parole Board at any regularly scheduled hearing after they waive. Application for a Parole Hearing must be made at least 60 days before the first day of the month of the hearings. The Parole Board conducts hearings at this facility every four months.

Application to the Parole Commission for a hearing is the responsibility of the inmate, but the Unit Team will assist the inmate. Application forms may be obtained from the Case Manager.

Following the hearing, the inmate will be advised of the tentative decision reached in the case by the hearing examiners. The recommendations of the hearing examiners must be confirmed by the Regional Office of the Parole Commission. This confirmation usually takes three to four weeks and is made through the mail on a form called a Notice of Action. This decision may be appealed by the inmate. Forms for appeal may be obtained from the Case Managers. If granted a presumptive Parole date (a Parole date more than six months following the hearing), a Parole Progress Report will be sent to the Parole Commission eight months before the Parole date.

Parole may be granted to a detainer or for the purpose of deportation.

The inmate will have an approved residence and an approved employer before being released on Parole.

Release Plan

If granted Parole by the U.S. Parole Commission, the Commission will require an approved Parole plan prior to release. An approved Parole plan consists of an offer of employment and a place to reside.

The job must pay at least minimum wage and normally may not require extensive travel. The place to reside must be a reputable establishment, but can be almost anywhere (parents, wife, friend, YMCA, etc.). The proposed Parole plan is thoroughly investigated by the U.S. Probation Officer and must be approved.

The Unit Team submits the inmate's release plans to the U.S. Probation Officer approximately two months before the scheduled Parole date.

Residential Reentry Center

Inmates who are nearing release, and who need assistance in obtaining a job, residence, or other community resources, may be transferred to a Residential Reentry Center.

The Community Corrections Branch, within the Correctional Programs Division, supervises services provided to offenders housed in contract facilities and participating in specialized programs in the community. The Community Corrections Manager (CCM) links the Bureau of Prisons with the U.S. Courts, other federal agencies, state and local Governments, and the community. Located strategically throughout the country, the CCM is responsible for developing and maintaining a variety of contract facilities and programs, and supervised by the appropriate Regional Administrator.

Community programs have three major components: residential community-based programs provided by Residential Reentry Centers and local detention facilities, programs that provide intensive nonresidential supervision to offenders in the community, and programs that board juvenile and adult offenders in contract correctional facilities.

Community-Based Residential Programs

The community-based residential programs available include both typical Residential Reentry Centers (RRC) and local detention facilities. Each provides a suitable residence, structured programs, job placement, and counseling while monitoring the offender's activities. They also provide drug testing, counseling, alcohol monitoring and treatment. While in these programs, employed offenders are required to pay subsistence to help defray the cost of their confinement. The inmate's payment rate during RRC residence is 25 percent of the inmate's income.

Most Bureau of Prisons community-based residential programs are provided in Residential Reentry Centers. These facilities

contract with the Bureau of Prisons to provide residential correctional programs near the offender's home community. Residential Reentry Centers are used primarily for three types of offenders:

- » Those nearing release from a BOP institution, as a transitional service while the offender is finding a job, locating a place to live, and re-establishing family ties.
- » Those under community supervision who need guidance and supportive services beyond what can be provided through regular supervision.
- » Those serving short sentences of imprisonment and terms of community confinement.

Each RRC now provides two components within one facility, a Pre-Release component and a Community Corrections component. The Pre-Release component assists offenders making the transition from an institutional setting to the community, or as a resource while under supervision. The Community Corrections component is designed as a punitive sanction. Except for employment and other required activities, the offenders in this second, more restrictive component must remain at the RRC where recreation, visiting, and other activities are provided in-house.

The other option for community-based residential programming is local detention facilities. Some local jails and detention centers are used to confine offenders serving short sentences. Many have work release programs where an offender is employed in the community during the day and returns to the institution at night. These facilities may also be used for offenders sentenced to terms of intermittent confinement such as nights, weekends, or other short intervals. Some of these local facilities have work release programs similar to the Community Corrections component in a RRC, serving to facilitate the transition from the institution to the community.

U. S. DEPARTMENT OF JUSTICE

FEDERAL BUREAU OF PRISONS

To The Inmate:

It is suggested you provide this instruction sheet for special mail privileges to your attorney(s) who is representing you, at the earliest opportunity, when you write to or visit with your attorney(s).

To The Attorney:

The Bureau of Prisons Program Statement on Correspondence provides the opportunity for an attorney who is representing an inmate to request that attorney-client correspondence be opened only in the presence of the inmate. For this to occur, Bureau policy requires that you adequately identify yourself as an attorney on the envelope and that the front of the envelope be marked "Special Mail - Open Only in the Presence of the Inmate" or with similar language clearly indicating that your correspondence qualifies as special mail and that you are requesting that this correspondence be opened only in the presence of the inmate. Provided the correspondence has this marking, Bureau staff will open the mail only in the inmate's presence for inspection for physical contraband and the qualification of any enclosure as special mail. The correspondence will not be read or copied if these procedures are followed. If your correspondence does not contain the required identification that you are an attorney, a statement that your correspondence qualifies as special mail, and a request that the correspondence be opened only in the presence of the inmate, staff may treat the mail as general correspondence and may open, inspect, and read the mail.
