SUBJECT: Student Preceptorships during COVID-19 Pandemic

Effective immediately, no requests for future student preceptorships will be approved for any healthcare discipline. This is a temporary measure to protect the safety and health of students, BOP staff, and inmates.

Any student preceptorship agreement already in effect should be completed as soon as feasible. Please apply any current COVID-19 guidance for staff screening to those students completing clinical requirements in our facilities.

Questions regarding student preceptorship agreements already in effect can be directed to LCDR Carrie Schuler, Chief Nurse at
