COVID-19 GP Target - this is 75% of total bed capacity for Care 1 and 2, 50% for Care 3 and 4. There are no adjustments for cells/rooms or RDAP.

CRW - has additional beds that are utilized by OMDT for medical designations. Those beds are not included here. LCP beds pending clarification.
CRW, HAF F, TAL F - reflect over their COVID Target for general population - but this will change once inmates move to RDAP Unit, which has beds.
