MEMORANDUM FOR CHIEF EXECUTIVE OFFICERS

FROM: M. D. Smith, Assistant Director
Health Services Division
SUBJECT: Resumption of Health Profession Student Preceptorships

Effective immediately, CEOs may elect to resume student preceptorships for all healthcare disciplines. This includes the continuation of a current MOC, or entering into new MOCs that allow students to complete clinical requirements and preceptorships at BOP facilities.

All students entering BOP facilities are subject to the same COVID-19 screening procedures as anyone entering the institution. Students are required to comply with current HSD guidance on personal protective equipment and the use of face coverings while inside the facility.

Questions regarding student preceptorship agreements can be directed to (b)(6); (b)(7)(C)
(b)(6); (b)(7)(C) or the respective Chief Professional Officer for the discipline of the preceptorship inquiry.
