MEMORANDUM FOR CHIEF EXECUTIVE OFFICERS

FROM:  Andre Matevosian, Assistant Director
Correctional Programs Division

SUBJECT: National Waiver to Correctional Programs policies
due to the COVID-19 Pandemic

Due to the continued COVID-19 pandemic response, this is a national waiver for the below listed Correctional Programs Division policy. This national waiver is effective through September 30, 2020.

P6060.08 Urine Surveillance and Narcotic Identification

- Requirements for mandated random alcohol surveillance (BA) tests are waived during national modified operations; however, Wardens may continue to conduct tests as deemed necessary. Institutions should continue to test inmates suspected to be under the influence and inmates involved in incidents such as a fight or assault.
