## INMATE BULLETIN

### COVID-19 VISITING PROCEDURES

FCI Berlin will resume social visiting on Tuesday, March 16, 2021. Each inmate may have up to four visitors, including children. Due to COVID-19, all visits will be non-contact with a plexiglass screen between inmates and visitors. The following procedures and guidelines will be followed and there will be no exceptions to this schedule.

Inmates housed at the Satellite Camp (SCP) will visit on Wednesdays from 8:30 a.m. until 11:00 a.m. To ensure social distancing, only four (4) inmates and their groups of visitors may be in the Camp visiting room at one time. If more than four (4) groups of visitors arrive to visit, anyone after the first four groups will have to return and visit from 12:00 p.m. until 2:30 p.m.

Inmates housed in the Federal Correctional Institution will visit Tuesday, Wednesday and Thursday. Processing of inmate visitors will begin at 8:15 a.m. and will end at 10:00 a.m. Only twelve (12) inmates and their groups of visitors may be in the FCI visiting room at the same time. If more than twelve (12) groups of visitors arrive to visit, the thirteenth group and anyone after them will have to return and visit at 12:00 p.m. This will be considered an overflow time period and will be held from 12:00 p.m. until 2:30 p.m., only if there are more than twelve (12) groups of visitors during the 8:30 a.m. to 11:00 a.m. time frame. SHU inmates will be afforded a video visit, from SHU, on the day their assigned housing unit visits.
