PROCEDURES

A. Preparation of the Visiting List

1. Upon admission to USP or FPC Canaan, each inmate will be provided a Visitor Information Questionnaire (BPS-629.052) and Visitor Information Handout (USP/FPC inmates Attachment #1). This is to be completed and returned to the Unit Counselor for final approval. The inmate will be required to mail the same to the proposed visitors, unless they are indigent. If an inmate is indigent they can submit an Inmate Request to Staff requesting postage stamps to the Unit Manager. If the inmate is found to be indigent, postage stamps will be issued for the purpose of mailing the Visitor Information Forms. The Visitor Information Sheet with a signed release Authorization Form must be returned to the Unit Counselor by the proposed visitor prior to any further action concerning the visit. Upon receipt of the completed Authorization Form, the Unit Counselor will initiate a National Crime Information Center (NCIC) inquiry. If the NCIC reveals a questionable conviction by a proposed visitor, the Associate Warden of Programs (USP) or the Camp Administrator (FPC) will be the normal review authority; however, the Warden will be the review authority for former federal inmates. NCIC inquiries which result in denial of visitation will be retained in the FOI Section of the inmate's Central File with the Visitor's Information Sheet. It is the inmate's responsibility to notify the visitors of their approval/disapproval, and to advise the visitors of visiting guidelines.
2. The Unit Team will be responsible for placing a visitor on an Inmate's Approved Visiting List, and a hard copy of the Visiting List will be placed in the inmate's Central File. The Unit Counselor will notify the inmate of those visitors who have been approved. Program Statement 5267.08, Visiting Regulations, permits a maximum total of thirty (30) visitors authorized on the inmate's Visiting List. No more than Ten (10) of the maximum total will consist of friends and associates. Visiting Regulations have been incorporated in the Admission and Orientation (A&O) Handbook. The A&O handbook is provided to all inmates during social screening.

3. The Unit Counselor will periodically review the Visiting List to ensure it is accurate. The list may be amended by the inmate's submission of an Inmate Request to Staff Form to his Unit Team indicating the desired change on a quarterly basis.
4. The Approved Visiting Lists are entered into a computer based program. This program will be utilized by the Front Lobby Officer to verify the inmate visitor. Hard copies of an inmate Approved Visiting List will also be maintained at the Front Entrance. The hard copies will be utilized in the event of program failure.

B. Regular Visitors

1. **Members of the Immediate Family:** This category includes mother, father, step-parents, foster parents, brothers, sisters, spouse, and children. These individuals are to be placed on the Visiting List if identified in the inmate's Pre-sentence Investigation and upon completion of an NCIC Check. However, the inmate will initiate the Visitor Information Form, and the form must be returned to the Unit Counselor before the NCIC Check is initiated.
2. **Other Relatives:** This includes grandparents, uncles, aunts, in-laws, and cousins. They can be placed on the Approved Visitation List if the inmate requests to have visits from them regularly and if there exists no reason to exclude them. They are required to complete a Visitor Information Form and have a NCIC Check.
3. **Friends and Associates:** The visiting privilege shall ordinarily be extended to friends and associates having established relationships prior to confinement, unless such visits could reasonably create a threat to the security and good order of the institution. These individuals are to be placed on the Visiting List if identified in the inmate's Pre-sentence Investigation and upon completion of an NCIC Check.
4. **Walsh Act Requirements:** The unit team will evaluate all inmates on their caseload and all incoming inmates to determine if they have an inmate who has been convicted of a sex offense involving a minor (WA CONV). Any inmate fitting these criteria will have the following annotation placed in the visiting program under the comments

section: "this inmate was convicted of a sex offense involving a minor." Any inmate identified as having a Walsh Act assignment involving a minor will have his visits more closely monitored.

5. **Non-Contact Visits:** All Non-Contact Visits are to be conducted in booths designated for this purpose. In the event multiple visitors are present for these purposes, the booths will be filled on a first come first serve basis and be limited to a 2-hour time frame. Only the Warden or Acting Warden may authorize Non-Contact Visits.
6. **Special rules for children:** Children under 16-years of age cannot visit unless accompanied by a responsible adult who will provide close supervision.

Exceptions to the prior relationship rule may be made, particularly for inmates without other visitors, when it is shown that the proposed visitor is reliable and poses no threat to the security or good order of the institution. The Warden must approve any exception to this requirement.

C. Special Visits

1. Inmates must submit a special visit request to their Unit Team at least two weeks in advance of the visiting date. Visits from persons not on the approved list must be approved by the Warden (USP), Camp Administrator (FPC). The Warden has designated the Associate Warden (Programs) to approve these visits. Upon approval, the Unit Manager will notify, in writing, the Captain, Operations Lieutenant, Control Center, Front Entrance Staff, and Visiting Room Staff of the Special Visit. During scheduled visiting hours, Correctional Services staff assigned to the Visiting Room will supervise the visit. If no staff are assigned to the Visiting Room, Unit Team staff will supervise the visit.

D. Clergy Visits

1. Inmates wishing to receive visits from his Minister of Record will submit a written request to the Chaplain. Upon approval, unit staff will add the name and title (minister of record) to the inmate's visitor list. No visiting points will be deducted for visitation by the

Minister of Record. An inmate may have only one Minister of Record

2. All Clergy visits will be coordinated through the Religious Services Department and approved by the Warden. The Chaplain will issue an authorization memo for each visit. A copy of this memorandum will be provided to the Lieutenants' Office, Control Center, Front Lobby Officer, and the Visiting Room Officer. When the Clergy arrives, he/she will be checked in as expeditiously as possible, utilizing the same procedures used for attorneys. The Front Lobby Officer will be responsible for entering the visitor's information into the Visiting Program. A review of the Minister's credentials and the appropriate security checks will be conducted. The Minister of Record will then be placed on the Inmate Visiting List as the Minister of Record. No visiting points will be deducted for visitation by the Minister of Record. An inmate may have only one Minister of Record. Visitation by other Clergy will be charged visitation points.

2. The Visits will be terminated based on the distance a visitor has driven, and the length of time the visitor has been in the Visiting Room. The Institution Duty Officer (IDO), or in their absence, the Operations Lieutenant, will make the determination as to which visits will be terminated. This will be documented in the Lieutenants' Log and will be supported by a memorandum to the Captain.

N. Visitors Entering the Institution

1. The Visitor Information Questionnaire (BPS-629.059) must be completed prior to the visitor being placed on the inmate's Visiting List. All approved visitors will be loaded into the inmate Visiting Program. In the event the inmate Visiting Program is not operational the Front Lobby Officer will utilize the Inmate Approved Visitor List maintained in the Front Lobby safe. Staff must be able to verify the identity of visitors (over the age of 16) prior to admission into the institution. Photo Identification must be a valid state or government issued photo identification. Any identification that is altered, forged, expired, is not a valid form of identification will not be accepted. Check cashing cards and other easily produced forms of identification are not appropriate. For security purposes, we will also require each visitor to have their picture taken. The picture will be printed on the back of Visitor Form and will aid in the identification of each visitor.
2. Staff may require a visitor to submit to a personal search of items of personal property prior to allowing or continuing a visit. Items of personal property may be required to be returned to the visitor's vehicle prior to entering the institution. If a visitor was dropped off and does not have a vehicle, items not permitted in the Visiting Room may be placed in a locker. Items to be placed in a locker are subject to a thorough search by staff. Refusal to allow staff to search the items will

result in the visit being denied. Visitors will be allowed to wear Religious headgear, after it has been searched.

3. All inmate visitors, with the exception of children under the age of 16, will be required to sign the Log Book at the Front Lobby Officers Desk. All Visitors, will be required to complete a Notification of Visitor Form and pass through the walk-through metal detector. Processing of visitors will include stamping the visitors and verification to ensure it is visible by the black light.

Visitors with surgically implanted metal plates, pins, or pacemakers, will need to supply medical documentation of these items prior to entry into the institution. If a visitor has appropriate documentation of a medical condition, which would prevent him/her from clearing the walk-through metal detector the Operations Lieutenant and the IDO will be notified.

4. Random selection of visitors for searching must be impartial and non-discriminatory. The concept of "random selection" includes either searching all visitors entering at a given time, or searching visitors according to a predetermined selection method, detailed below. Staff may not randomly select visitors for searching by any other method, or search visitors out of the predetermined random selection order without reasonable suspicion and shift supervisor approval, as detailed below.

A random selection method must be established and documented each day, before searching visitors entering Bureau grounds and facilities. Different random selection methods may be implemented for different types of visitors, i.e., inmate visitors, official visitors, contractors, or volunteers. The shift supervisor ensures appropriate random selection methods are implemented each day.

The random selection method on a given day may be different after considering all relevant factors, including:

- Type of search(es) being performed (e.g., electronic or pat searches of visitors, or searches of belongings or vehicles).

- Day and time searches occur (holidays, staffing levels, etc.).
 - Number of visitors to be searched (e.g., small number of individuals or large group(s)).
 - Purpose for which visitors are entering the Bureau grounds or facility (e.g., inmate visitors, official visitors, contractors, volunteers).
5. Once the Visitor(s) has been processed, and his/her hand stamped with the selected stamp of the day, the Front Lobby officer will verify the stamp with a black light located at the Front Lobby. Visitor(s) will proceed to the Visiting Room, and will be escorted by a staff member. The visitor's photographic identification and Notification to Visitor Form will be hand-carried to the Visiting Room. All documentation will be relinquished to a Visiting Room Officer upon entry into the Visiting Room. If a locker is assigned, the Front Lobby Officer will note the number of the visitor's locker on the top of the Notification to Visitor Form. The Control Room Officer will verify the visitor's stamp via the black light before permitting entrance into the secured perimeter of the Institution. Upon entry, the Visiting Room Officer will also verify the visitor's stamp via the black light.

Upon completion of the visit, the inmate and visitor will report to the Visiting Room Officer. The inmate must be positively identified. The Visiting Room Officer will then instruct the inmate to wait by the Inmate Search Room. The Visiting Room Officer will then verify all visitors' hand stamps via the black light, identify each visitor via the photo identification, and relinquish Notification to Visitor Forms to the escorting staff member. The visitor(s) will then be escorted to the Administration Building. Before entering the Control Sally Port all Visitors will stand in the red square located between the institution and the Administrative Building, the escorting staff member will proceed to the Control Sally Port window for positive identification prior to allowing visitors' to enter the Control Sally Port. The Control Room Officer will verify all visitors' hand stamps via the black light, prior to releasing the visitor(s) from the Sally Port. The Front Lobby Officer

will ensure each Notification to Visitor Form is returned and each visitor's hand stamp is verified, via the black light, prior to the visitor(s) departing the Institution.

Visits will be denied or terminated *only* by the Operations Lieutenant in consultation with the IDO.

Visitor Lockers are located in the Front Lobby area for storage of visitors' handbags and/or purses. If all lockers are occupied, the visitors will place these items in their secured vehicle. No cell phones, cameras or electronic devices of any kind will be permitted in the Administration Building or the institution at any time. The items will be returned to the visitor's secured vehicle.

Medication will be left in the lockers provided, except if the medication is essential to support life. The visitor will only be permitted to have the exact dosage needed during the time that he/she will be visiting. Prior to allowing the medicine into the Institution, the Front Lobby Officer will contact a member of the medical staff to determine if the medicine is necessary. If the medication must be retained by the visitor, the Front Lobby Officer will advise the Visiting Room Officer that the visitor has medication. The Visiting Room Officer will hold the medication until it is used by the visitor.

If for any reason a visitor is denied entrance to the facility, Attachment #2 will be completed and forwarded per distribution noted on the form.

6. Social Visitors: All social visitors will be required to complete a Notification to Visitor Form upon arrival. All areas of the form will be completed. Visitors will also sign in on the Visitor's Log Book and sign out when they conclude the visit. If a visitor has to leave the approved visiting area for any reason, the visit will be terminated. This material will be inspected by the Visiting Room Officer for contraband.
