Friday, Saturday, Sunday and Monday:

8:00 a.m. to 11:00 a.m.

12:00 p.m. to 3:00 p.m.

An inmate visiting orderly will be utilized to sanitize all high touch areas between visits. An orderly from the unit who will be visiting will do all the sanitation of the visiting room. There will no physical contact of any kind between inmates and their visitors.

- There will be 14 slots during each time frame.
- CDC guidelines will be utilized for screening inmate visitors.
- All visitors must wear a CDC-approved face covering (Surgical Mask, N95, or double layer cloth mask). This mask must be worn at all times, except upon exiting, when visitors will be asked to briefly raise their masks for identification purposes.
- There will be no photos taken due to the inability to socially distance.
- Food and beverages will not be available for purchase.

#### USP Visiting Schedule

Visiting would be conducted as a cohort from one housing unit, rather than from all over the institution, to limit exposure. The visiting schedule would be rotating, so all seven units would be allowed a visiting appointment day throughout the month (See below schedule).

Special Housing Unit visits will be approved and scheduled by the Captain.

Visitation will be on a first come first serve basis. The inmate is responsible for ensuring their visitor is aware of their authorized time to visit. Any visitor who arrive outside of their approved date and time to visit will not be authorized to enter. All visitations will be documented through the visiting program. Every attempt will be made to allow all inmates the opportunity to visit at least twice a month. Movement in and out of the visiting room will be accomplished during assigned visiting blocks. (See below schedule). This movement will ensure social distancing is accomplished and to minimize possible contact between inmates and visitors.

Be advised the visiting schedule and procedures are subject to change due to the needs of the institution. We are doing everything we can to promote the safety, health and security of staff, inmates and the general public. Thank you for your cooperation.
