## VISITING SCHEDULE

FCI Cumberland will continue a modified social visiting schedule for the inmate population. The following procedures will be implemented to comply with social distancing requirements during the COVID-19 Pandemic.

**Camp** visiting is conducted on Saturdays and Sundays from 8:15 a.m. – 3:15 p.m. on a biweekly alternating basis between P and G Unit.

**FCI** visiting is conducted on Saturdays and Sundays from 8:15 a.m. – 3:15 p.m.

The Visiting Schedule for **FCI** and **Camp** housing units are as identified in the chart below:

FCI VISITING SCHEDULE			CAMP VISITING SCHEDULE

**All visitors will be symptom-screened and temperature checked upon entry into the facility. Visitors who are sick or symptomatic will not be allowed to visit.** Staff must use masks and gloves to handle any visitor property when screening. Gloves should be changed frequently and additional PPE will be maintained in the lobby and the visiting room. Both visitors and inmates must wear face coverings at all times and perform hand hygiene just before and after the visit. Visitors are expected to wear and will be screened for appropriate face coverings (including improper coverings such as bandanas).

The number of visitors allowed in the FCI and SCP visiting room(s) will be limited to three visitors per inmate at one time.

**IMMEDIATE FAMILY MEMBERS ONLY:** Immediate Family Members on the approved visiting list are considered: Mother, Father, Step-Parents, Foster Parents, Brothers, Sisters, Spouse, Children (A child who is under the age of 16 must have a parent or non-custodial guardian present).

**NOTE:** Exceptions may be made to allow one non-immediate family member guardian that is on the inmate's approved visiting list to accompany visiting children 16 and under.

Processing for visitation will begin in the Front Lobby of the perspective institution at the prescribed visiting hours. After completing processing, the visitors will be required to conduct hand hygiene and be seated in the Front Lobby Waiting Room. The waiting room will be appropriately marked for seating to ensure proper social distancing of visitors. Visitors will not be permitted to leave the allotted visiting station with the exception of the rest room. Visitors will be required to partially remove their face coverings during processing and release for proper identification. A SCP inmate orderly will be available to clean the Front Lobby Waiting Room areas between visitors being processed and escorted to and from the Visiting Room.

Inmates will be called from the housing unit once the visitor has been properly processed by the Front Lobby. Inmates will be symptom screened and temperature checked by staff and searched prior to entrance into the Visiting Room. Inmates will be required to wash their hands prior to entering the Visiting Room. Inmates will report directly to their scheduled visiting station upon entering the Visiting Room. Inmates are not allowed any physical contact with their visitors. Inmates are not permitted to leave their visiting station until the end of the visit. Failure to comply with the rules will result in the visit being terminated.

There are visitation stations set up in the FCI and SCP Visiting Rooms spaced six feet apart. Inmates will be seated six feet apart from all visitors to ensure social distancing. In the event of overcrowding in the Visiting Room (s), the Operations Lieutenant and Institution Duty Officer are authorized to limit the length of visit (**VISITS MAY BE LIMITED TO A MINIMUM OF ONE (1) HOUR DUE TO OVERCROWDING: UPON COMPLETION OF THE VISIT, THESE VISITORS WILL BE ASKED TO LEAVE THE INSTITUTION GROUNDS AND RETURN AT A LATER DATE**). After a minimum of one (1) hour, the Visiting Room Officer-in-Charge will notify the Operations Lieutenant/Institution Duty Officer that he/she is terminating visit(s) in order to accommodate all other waiting visitors. When terminating visits due to over-crowding, staff will first ask for volunteers to leave, then review visitor distance traveled and length of current visit.

One inmate orderly will be seated in the Visiting Room away from both visitors and inmates. The orderly will properly sanitize the used visiting station once the visit has ended, and both the

inmate and visitors have departed. Upon completion of the visiting hours the Visiting Room and visiting stations will be re-sanitized. No physical contact of any kind will be allowed between the visitor and the inmate; this includes hugs, embraces, hand holding, or touching of any kind. Additionally, inmates and their visitors will not be authorized to take photographs based on the inability to socially distance themselves.

During the visit, there will be no food or beverages allowed for inmates in the Visiting Room, however, visitors are authorized to purchase one drink at the beginning of their visit. Baby formula for an infant child is authorized. Neither the inmate nor visitor will be allowed to move his or her chair or table from the authorized marked visiting station. Inmates and visitors will not be allowed to move from his or her station, with the exception of using the rest room. Engaging in physical conduct of any kind or moving furniture from the appointed spot will result in the termination of the visit.

At the conclusion of all visitors departing the Institution(s); the Front Lobby(s), Control Sallyport, and Waiting Room will be thoroughly cleaned and sanitized by SCP inmate orderlies.

This schedule may be adjusted in the future to reduce or increase the amount of visits or visitors after evaluating the initial implementation.

In the event of an issue requiring a change to the visiting schedule, the FCI Cumberland BOP public website and the institutional telephone greeting will be updated with the changes for visitors.
