

FMC/SCP DEVENS VISITOR BULLITEN

COVID-19 VISITING PROCEDURES

FMC Devens will resume social visiting on March 22, 2021. The following procedures and guidelines will be followed. Please adhere to the arrival time to ensure social distance is being met in the entrance area. Each inmate will be authorized up to two (2) visitors, and visitors must be over the age of 18 years. The maximum number of inmates allowed in the FMC visiting room during any given session is ten (10). The maximum number of inmates allowed in the satellite Camp visiting room during any given session is seven (7).

FMC/SCP DEVENS

VISITOR BULLITEN

COVID-19 VISITING PROCEDURES

- All Visitors will wear face mask as a requirement of admittance.
- All visits must be pre-scheduled through the inmate's Unit Counselor no later than one week prior to the visiting date.
- All visitors will undergo a simple symptom screening and temperature check prior to being allowed to enter the institution. Visitors who have any of the following symptoms will NOT be allowed to enter the institution:
 - **Temperature >100 degrees**
 - **New On-Set Cough**
 - **New On-Set Trouble Speaking/Difficulty Breathing**
 - **Fatigue**
 - **Muscle or Body Aches**
 - **Sore Throat**
 - **New loss of Taste or Smell**
 - **Stuffy/Runny Nose**
 - **Nausea or Vomiting**
 - **Diarrhea**
- Visitors are encouraged to self-screen prior to arrival and not attempt to enter if symptomatic.
- All inmates and visitors will be required to wear a face mask at all times, while inside the FMC and Satellite Camp.
- Visitation will be completely non-contact. There will be no embrace or kiss at the beginning or end of the visit.
- Inmates and visitors will maintain social distancing of at least six (6) feet at all times.
- No food or drinks will be allowed in the visiting room.
