IV. ADX VISITING PROCEDURES

A. GENERAL INFORMATION

1. Each inmate will be permitted to receive five (5) visits per month. Maximum duration of a visit is seven (7) hours. Any portion of a visit will be charged as one visit.

Visits are not cumulative from one month to another. Requests for special visits will be submitted in writing to the Unit Manager for review. Any special religious visits must be reviewed by an Institution Chaplain. Final approval of any special visit, including legal visits and religious visits, must be given by the Associate Warden or the Warden.

2. A maximum of three (3) visitors including children per inmate will be allowed in the Visiting Room at any given time.
3. If the visiting areas become overcrowded, factors such as the distance a visitor has traveled, frequency of visits, relationship of visitors to inmate and frequency of visits received by the inmate will be considered when determining who will be allowed to visit. The #1 Visiting Room Officer, in coordination with the Operations Lieutenant, will consult with the Institution Duty Officer who will make a final determination in matters concerning who may visit if overcrowding occurs.
4. Attachment 2 will be utilized if a malfunction occurs with the Visiting Computer Program (Access Control Entry/Exit System).
5. Notification of Visitors - Staff will make available to visitors written instructions for visiting the institution. The visitor will sign an acknowledgment that instructions were provided and declaring that the visitor does not have any article in his/her possession which represents a threat to security.

B. VISITING SCHEDULE AND ATTIRE:

1. Visiting hours at the ADX shall be from 8:00 a.m. to 3:00 p.m. on Thursday, Friday, Saturday and Sunday. No inmate visitors will be processed into the Visiting Room after 2:00 p.m. All federal holidays will be observed as visiting days. Holiday visiting will be counted as part of the five (5) monthly visits. H-Unit inmates will only be allowed visits (social, legal, etc.) on Mondays, Tuesdays and Wednesdays. H-Unit visits will take priority on these days. If a federal holiday falls on a Monday,

Tuesday or Wednesday, H-Unit inmates will not be allowed to visit. When an H-Unit inmate is in the visiting room, no other inmate will be permitted to enter the visiting room.

2. All visitors entering the institution for a visit will be appropriately attired. Visitors may not wear shorts, mini-skirts, sheer or tight fitting clothing, excessively short or low cut clothing, backless clothing, halter tops, or sleeveless clothing. Dresses, blouses or other apparel of a suggestive or revealing nature may not be worn. If the Front Lobby or Visiting Room Officer determines a visitor is improperly attired he/she will contact the Operations Lieutenant and Institution Duty Officer to determine whether to deny or terminate the visit.
3. Inmates receiving visits are permitted to wear or bring only the following items to the visiting area.
 - a. Social Visits - Jumpsuit, undergarments, institutional issue shoes, handkerchief, prescription eyeglasses, religious book (Bible, Quran, etc.) (if desired), and a wedding band (if married) will be worn or carried into the visiting area. All jumpsuits will be color coded to indicate the specific unit the inmate is assigned, as follows:
 - i. Special Housing Unit – Orange Jumpsuit
 - ii. Control Unit – Yellow Jumpsuit
 - iii. General Population – White Jumpsuit
 - iv. Step Down Units – Khaki Pants and Shirt
 - v. H-Unit – Appropriate Jumpsuit
 - b. Legal Visits - In addition to the items permitted for social visits, legal materials (subject to inspection for contraband) may be permitted if the visit is with an attorney and approved by the Unit Team.
 - c. Religious Visits - In addition to the items permitted for social visits, a religious book (Bible, Quran, etc.) for the visit is permitted. Any other religious item must be approved by an Institution Chaplain and the Captain.
 - d. Consular Visitors - When it has been determined that an inmate is a citizen of a foreign country, the consular representative of that country will be allowed to visit on matters of legitimate business. The visit may not be withheld even if the inmate is on disciplinary status.
 - e. Holdover Status - The Warden may limit visits to the immediate family of the inmate during the admission-orientation period or for holdovers, when neither a visiting list from a transferring institution nor other verification of proposed visitors is available.

C. ATTORNEY VISITS:

Attorneys who are not on an inmate's visiting list must make arrangements with the Unit Team for legal visits. To allow sufficient time for verification, preparation and distribution of attorney visit memoranda, normally attorneys are to contact the Unit Team at least three work days prior to their planned visit. The initial request must be in writing and contain an original signature. Telefax requests will not be accepted. The request must provide the attorney's state bar number, state of licensing, date of birth and social security number, if necessary, to enable legal staff to conduct NCIC and state bar card verification. If the attorney wishes to conduct the visit in a booth with a pass-through slot for documents, he/she must indicate this in the written request. The Unit Team will be responsible for coordinating attorney visits and for the preparation and distribution of the authorizing memoranda. With the exception of those attorneys on approved visiting lists, the approving authority will be the Warden.

Attorney visits will normally be conducted with only the inmate(s) approved for visiting on the date scheduled. Attorney visits will take place in the Attorney/Client Visiting Booths. Occasionally, during pending prosecution or active cases, attorneys will be allowed to visit seven days a week during normal business hours, with approval of the Warden. An attorney visit may be conducted with only one inmate at a time unless specific prior approval has been given by the Warden and approval is indicated in the approval memorandum. Upon arrival, attorneys must provide some proof of a current license to practice law, e.g. a state bar card. The Captain will be consulted regarding security concerns and legal staff will be consulted with any requests from attorneys for depositions.

In the event a law student, paralegal or investigator wishes to visit, they should be informed they must be sponsored by a licensed attorney and the sponsoring attorney should contact the Unit Team office at this institution. Staff will send to the sponsoring attorney a Application to Enter Institution as Representative (BP-A243.013), NCIC Check (BP-A660.012).

D. HANDICAP ASSIST ANIMALS:

Visitors will not be allowed to bring animals on the institution grounds except for dogs which assist persons with disabilities. The visitor must provide certification and/or documentation which indicates the dog is trained for such a purpose. In the event a visitor attempts to bring a dog into the institution during a visit, the processing staff member will contact the Operations Lieutenant and Institution Duty Officer for authorization.

E. PROCEDURES:

1. Unit Management staff have the responsibility for working with an inmate to compile his visiting list and to approve or deny any modifications thereto. Once a visitor is approved, Unit Management staff will enter the

approved visitor in the Inmate Visiting Program. BOPWare is utilized by the Visiting Room Officer and the Front Lobby Officer to verify individuals requesting to visit an inmate. When additions or changes are approved, they will be noted in BOPWare.

2. The inmate may obtain copies of the Visitor Information form (BP-S629.052) from Counselors or Case Managers. The inmate may initiate the visitor approval process by filling out the name and address of the prospective visitor, signing the form and returning it to the Counselor. Upon completion of the required background inquiries, Unit Staff will advise the inmate as to whether or not the visitor has been approved, and will send Attachment 1 to the approved visitors.

If an inmate does not have an established relationship with a visitor(s) and submits a request for that person(s) be added to his visiting list, a written request must be submitted to the Warden through the Unit Team.

3. For identification purposes, prospective visitors will be required to be hand stamped upon entry. If a visitor leaves the visiting area, they will be denied re-entry until the next visiting day. Upon completion of the visit, the Visiting Room Officer will check the stamp on the visitors hand before the visitor is allowed to exit the visiting room. The Main Control Center Officer will check the hand stamp using the black light verification.
4. The Captain will ensure procedures for screening all visitors, prior to processing, are included in the Post Orders for the Front Lobby Officer. The Visiting Room Officer will maintain on the Annual Visiting Log (Attachment 3), the date of the visit and the visitor's name for each inmate visit. A 5" x 8" card with an inmate's photograph will be maintained by the Visiting Room Officer listing visits and type of visit (social, attorney, media, etc.). This card will be maintained while the inmate is at this facility.
5. The Visiting Room officers monitor all visitors and inmates while in the Visiting Room to ensure no contraband enters the institution. In order to maintain the security and the good order of the institution, all visits will be non-contact visits and are conducted in isolated rooms designated for this purpose.

Visitors should be limited to the authorized amount of visitors and the maximum number of visitors allowed, (five not including minor children) not the total capacity of the room. The Visiting Room Officers must be alert for the attempted departure of inmates with visitors.

D. IDENTIFICATION OF VISITORS:

Satisfactory identification of adult visitors, 16 years and older, must precede visits. All visitors 16 years of age and older must produce some form of identification. This will ordinarily be accomplished by picture identification, such as current driver's license, passport, or state identification card. An expired ID is not considered valid. Visitors will not be permitted in without proper identification. The IDO and the Operations Lieutenant will be notified in questionable cases. Proposed visitors who are under the age of 16 years and are not accompanied by a parent, legal guardian, or immediate family member at least 18 years of age must have the written approval of a parent or legal guardian prior to visitation. Additionally, visitors are prohibited from bringing animals on institutional grounds unless the animal is a dog that assists disabled persons.

Verification that the inmate is at this facility shall be made by reviewing that inmate roster provided daily by the Control Center Officer. Verification will subsequently be made that the visitor is on the inmate's approved visiting list.

E. VISITING RESTRICTIONS AND OVERCROWDING:

Visiting may be curtailed or terminated for emergency situations, improper conduct on the part of the inmate or his visitor(s), or when the visiting area reaches maximum capacity of 140. Should the visiting room reach full capacity, the Visiting Room Officer will advise the Operations Lieutenant and the Institution Duty Officer (IDO) of the situation. The Operations Lieutenant and IDO have authorization to curtail or terminate visits.

Should it become necessary to curtail visits due to overcrowding, a maximum of a two-hour visit will be implemented. The IDO or Operations Lieutenant will begin curtailing visits of those who live within a fifty-mile radius of the institution, and continue in fifty-mile increments. If the condition continues, and termination of visits becomes necessary, those who visit most frequently will have their visits terminated first.

F. NUMBER OF VISITORS:

The number of persons allowed while visiting one inmate at the FPC is limited to five which includes adults. Children age 15 and under are not counted against the inmate's five maximum visitors. The Visiting Room Officer will not allow more than the maximum of five visitors to visit an inmate at one time. Any exceptions must have prior approval of the Camp Administrator. All others will be counted toward the maximum five visitors.

A split visit is defined as a visit where one or more visitors leave the visiting room to be replaced by other authorized visitor(s). Those visitors leaving may not return to the visiting room and must depart the Complex.

G. ATTORNEY VISITS:

Attorney visits will ordinarily take place in the attorney/client rooms in the visiting room. Attorney visits will be arranged by the Unit Team prior to the visit when the attorney is not on the inmate's approved list. Attorney visits will be supervised by the Unit Team who arranged the visit. If all attorney/client rooms are occupied, the attorney visit may take place in the main visiting room at the election of the attorney and the inmate. In the event that a visit occurs in the main visiting room, staff will make every effort not to overhear any of the conversation between the inmate and attorney.

It is the unit team's responsibility to submit a memorandum to the Associate Warden of Programs if the attorney needs any special equipment such as tape recorders or video equipment, prior to the visit. If used such equipment must be authorized in advance by the Warden in accordance with the current Program Statement on Inmate Legal Activities.

H. APPROVED VISITORS:

Visits are permitted for those on the inmate's approved visiting list as authorized by the Unit Team. Only 20 visitors inclusive of immediate family, friends, or associates will be permitted on each inmate's visiting list. This limit does not include the inmate's attorney or minister of record.

The visiting room must remain orderly and non-distracting to others. Each inmate will be held responsible for the actions of his visitors, including the children during the visit. Children are not allowed to wander from the immediate area, run about the visiting room, or create noise that disturbs other visits. A log entry will be maintained on all incidents. A formal written letter of notification that the visit was terminated will be forwarded by the Unit Team to the inmate and visitor as a follow-up. Visiting privileges will be suspended until the disciplinary report has been completely processed. The visitor may not return to the facility until the inmate is notified by the Unit Team and the inmate subsequently advises the visitor that they can resume visits.

It is expected that the female visitors will use appropriate discretion in opting to breast feed their infants in the Visiting Room. At a minimum, the female visitor will drape her infant and chest with clothing so there is minimal chance of an exposed breast. If, however, in a particular instance the breast feeding is conducted in a manner that is disruptive to other inmates and visitors, or is facilitating conduct prohibited under the BOP's disciplinary code, the visit will be terminated and further actions may be considered pursuant to discussion with legal staff.
