D. Visitor Identification: Satisfactory identification of adult visitors, 16 years and older, must precede visits. All visitors 16 years of age and older must produce some form of identification. Positive picture identification of visitors will be required. This will ordinarily be accomplished by a valid driver’s license, government/state issued photo identification card, and
a passport is acceptable forms of identification.

E. **Notification to Visitors:** Staff shall make available to all visitors written guidelines for visiting the institution. Written guidelines are attached to inmate visitation request forms and sent to potential visitors. Written guidelines are also made available in the visiting room and in the Administration Building Front Lobby.

F. **Visiting Limitations:** Visitation is open to all inmates during all visiting periods. There is no limit on the amount of visits an inmate may have. The maximum number of visitors an inmate may have at one time is six, including children. In the event the visiting room becomes overcrowded, it may be necessary to limit the length of visits and/or the number of visitors. The decision to limit the duration of a visit will be made by the Operations Lieutenant and/or the Institution Duty Officer (IDO). Terminating visits due to limited visiting space will occur in the following order:

a. Staff will ask inmate visitors to volunteer.
b. Visitors who visit regularly will be asked to leave.
c. Local visitors will be asked to leave.
d. The first visitors in for the day will then be asked to leave if needed.

G. **Visiting Files:** Each inmate’s visiting list will be prepared and maintained in the inmate’s central file. Additionally, each inmate’s visiting list will be added to the computerized visiting program. In the event the computer system is not available, unit staff will review the inmate’s central file and inform the front lobby or visiting room officers if the inmate visitor is approved to visit. Inmates will be allowed to make changes to their visiting lists at any time. Requested
changes will be made through the inmate's unit team. Inmate visiting lists will be updated as needed or when new Visitor Information forms are received.

**H. Special Visits:** It will be the responsibility of the requesting department to coordinate, gain final approval, arrange, and provide security/supervision of all special visits.

1. **Consular Visitors:** Whenever it is determined an inmate is a citizen of a foreign country, the Consular representative of that country shall be permitted to visit on matters of legitimate business. This privilege shall not be withheld even if the inmate is in disciplinary segregation. A relationship prior to incarceration is not required. These visits are arranged and approved by the Executive Assistant or his/her designee.

2. **Law Enforcement Interviews:** Ordinarily, SIS staff will approve and coordinate all interviews between law enforcement agencies and inmates. However, in the absence of the SIS staff, the Captain or the Operations Lieutenant will assume this function.

3. **Minister of Record:** An inmate wanting to receive visits from his minister of record must submit a written request to the chaplain. Upon approval, unit staff will add the visitor to the inmate's visiting list. An inmate may only have one minister of record on his visiting list at a time.

4. **Clergy:** Visits from clergy (other than the minister of record) will be in accordance with the general visitor procedures. Ordinarily, clergy visits will not be accommodated unless requested by the inmate. However, the chaplain may approve a visitation request initiated by the clergy if
the inmate wishes to visit with the clergy.
Clergy/minister of record visits will be
accommodated in an area of the visiting room which
provides a degree of privacy from other visitors.

5. **Attorney Visits:** Attorneys are encouraged to
visit during regular visiting hours. Attorneys
must show suitable professional identification.
Attorney briefcases and papers being introduced
into the FCI will be searched for contraband by
use of the x-ray machines located in the FCI Front
Lobby. Attorney briefcases and papers being
introduced into the SCP will be hand searched for
contraband. The use of cameras or recording
equipment without the written consent of the
Warden is prohibited.

All attorney visits for the FCI and SPC will be
scheduled through the appropriate unit team and
monitored by unit staff. The attorney and their
client will be afforded privacy in the attorney
room located inside the FCI visiting room. At the
SPC, all attorney visits will be afforded privacy
in the camp conference room.

If the attorney rooms are in use, the attorney is
to be offered the opportunity to reschedule the
visit when a more private area is available. If
it becomes necessary for the inmate to bring
pertinent legal material, unit staff will bring
the materials into the visiting room.

6. **Prisoner Visitation and Support:** The Prisoner
Visitation and Support Program (PVS) is a valuable
volunteer program. The focus of PVS has always
been to visit and provide moral support to inmates
who do not ordinarily receive visits from family and friends. Through this program, inmates who are otherwise alienated from the community have the opportunity to develop healthy relationships and benefit from interaction with the PVS volunteers. Volunteers at FCI and SPC Gilmer are allowed to carry paper and writing implements into the visiting room. They are to be processed at the front lobby as volunteers. Their visits will be conducted during normal visiting hours. They are expected to adhere to the institution dress code and visiting policies.

I. **Special Housing Unit (SHU) and Holdover Inmates:** All visits will be conducted in the visiting room. There are no non-contact visiting areas at FCI Gilmer. SHU inmates will be required to visit in hand restraints, martin chain, and leg restraints. Inmates in administrative detention will be limited to a two hour visit. Inmates in disciplinary segregation will be limited to a one hour visit. Inmates in protective custody status, will be required to visit in an attorney room located inside the FCI visiting room, and will be kept separate from the other inmates who are in the visiting room.

Holdover inmates are classified as administrative detention inmates. Visits for these inmates may be arranged when the inmate submits a request to his unit team. All requests should be submitted for approval two weeks prior to the date of the requested visit. These visits will be limited to legal visits and visits from the inmate’s immediate family. Members of immediate family include father, mother, stepparents, foster parents, brother and sister, spouse, and children. Inmates in Holdover status will be limited to a two hour visit.
J. **Visiting Procedures for Inmates in a Local Medical Facility:** Upon request by the inmate or the inmate’s family to visit an inmate in the hospital, the unit team will consult with the clinical director to obtain the inmate’s medical status. If the inmate is in serious/critical condition, the unit team may prepare a request in memorandum format for immediate family to visit the inmate. This request will be routed through the Captain, Associate Warden (Programs), and Warden. The memorandum will contain the location of the inmate, his confirmed prognosis (non-specific), and the exact names/relationships of those wishing to visit. Verification will be obtained via the Pre-Sentence Investigation Report. The family will be informed of the approval and that all visits are subject to hospital visiting regulations.

The original memorandum will be maintained in the inmate’s central file, with a copy to the Operations Lieutenant. The Operations Lieutenant will ensure the escorting staff members are made aware of the impending, approved visitation.

K. **Procedures for Approving Exceptions to the Prior Relationship Requirements:** Ordinarily a visitor not meeting prior relationship requirements will be denied. However, under special circumstances, the inmate can request a waiver through the Unit Counselor. The Associate Warden (Programs) will be the final approving authority.

L. **Procedures for Disapproving Proposed Visitors:** If the background information reveals visitation privileges for an individual would present security concerns or disrupt the orderly running of the institution, the Unit Manager may deny visiting privileges. Documentation reflecting this decision should be
maintained in section two of the Privacy Folder in the Inmate Central File. The inmate will be notified by the unit team of this decision and his appeal rights.

M. **Proper Dress:** Inmates are required to wear institution issued clothing (khaki pants and shirts at the FCI, green pants and shirts at the SPC, or assigned jump suits for inmates housed in the SHU), during visitation. Only government issued shoes or boots will be permitted in the visiting room. Institutional clothing must be neat and clean in appearance. Shirts will be tucked into the trouser waistband at all times. Approved religious headgear may be worn in the visiting room. All religious headgear will be inspected prior to, and at the completion of the visit.

Inmates will not take any property to a visit except one comb, one plain wedding band, one plain neck chain with a religious medallion, prescription glasses (no sunglasses unless medically approved), commissary card, authorized headgear, and photo tickets. Watches are not allowed. If an inmate has property in his possession which is not authorized to be taken into the visiting room, the inmate will be instructed to return to his unit and secure the property before he is authorized to enter the visiting room. Items not authorized upon the inmate’s departure will be considered contraband and confiscated. No item other than coats will be stored in the search area.

Visitors should dress within the bounds of good taste and should not wear clothing which would offend others who may be present in the visiting room. Visitors wearing transparent clothing, spandex, halter tops, sweat pants of any type, jogging suits, sleeveless tops/dresses, shorts of any type, miniskirts, culottes, blouses or other apparel of a suggestive nature (i.e., low-cut, v-neck or any garment that reveals the mid-
section) will not be admitted into the institution. Dresses should be no higher than the bottom of the knee. No bare feet (including babies), open toe shoes, flip flops, slip on shoes with no backs, or sandals, are allowed in the institution. Children under the age of six will be allowed to wear shorts, open toe shoes, sandals, or flip flops. At the discretion of the Operations Lieutenant or IDO, other clothing resembling the style or color of inmate clothing (i.e., khaki, white, gray or camouflage in color clothing), may not be allowed to be worn into the institution.

4. Cameras and recording equipment are not authorized.

P. **Children's Area:** Inmates are not permitted in the area designated for children, except for approved Education's Parenting Program. Games are provided for children for use while in the visiting room. However, the inmate and his visitors are responsible for their children's actions while in the visiting room. Failure to maintain control of their children may result in the inmate's visit being terminated.

Q. **DETECTING VISITORS:**

1. Visitors may be detained in accordance with Program Statement 5510.12, Searching, Detaining or Arresting Visitors to Bureau Grounds or Facilities, which states in part, A person may be detained pending further investigation, or while staff await advice from, or arrival of, law enforcement officials, to confirm or dispel a suspicion that the individual may have committed a criminal offense, or engaged in prohibited activities, including possession of prohibited objects.

2. Staff shall use only the amount of force necessary to detain the individual. Visitors will be detained in the front entrance break area, out of sight of, and where there can be no contact with other visitors and inmates. Staff shall forward through the Warden, to the Regional Director, a report describing the circumstances requiring the use of force.
