4. **IMPLEMENTATION:**

Visiting will be Non-Contact:
Tempered glass barriers have been placed in the visiting room to prevent contact between inmates and visitors. The barriers are approximately 6 feet tall, which prevents any contact. In addition, tempered glass has been installed in each legal room to provide barriers between inmates and attorneys

The number of inmates allowed in the visiting room: **18**
Inmates will only be authorized two visitors per social visit, if both individuals are in the same household. Pretrial inmates will only be permitted to receive social visits from immediate family members, and Cadre will only be permitted visits from their approved lists.

The frequency and number of visitors have been adjusted and scheduled to allow inmates to only visit on their respective day of their housing unit day. In order to avoid potential exposure and the spread of the virus, housing units will have designated days

where they will receive social visits (see page 4). This will allow inmates the opportunity to visit at least twice a month.

Visiting Hours/Schedule:

As stated above, MDC Los Angeles's social visiting is conducted by housing unit floor. Social visiting for pretrial inmates will take place from Sunday to Friday, from 2:30 pm - 8:00 pm, and for Cadre inmates on Saturday, from 8:00 am - 1:00 pm. The resumption of social visits will not affect legal visits, which take place Monday to Friday from 8:00 am to 2:00 pm.

The minimum time allotted for each social visit is 30-minutes. Due to the need for social distance and the space limitations within the visiting room, social visits may not exceed one hour in length. If the maximum capacity for allowed visitors has been reached, visits that have taken place for at least 30-minutes will be concluded to allow the next visitors to enter.

Sanitation:

An inmate orderly will be stationed in the visiting room to ensure sanitation is conducted after each visit. The orderly will be dressed in a white jumpsuit with an orange vest. This inmate is not a gate pass inmate and will not be allowed to exit the visiting room door. HDCQ2 disinfectant will be utilized by the inmate orderly, and the required contact time for HDCQ2 disinfectant is 10 minutes. The inmate orderly will ensure all chairs and tables are sanitized after each use. Once completed, the orderly will turn the "Sanitized" card on the glass to identify that the area has been cleaned and is ready for the next visitor(s). Inmate orderlies will be scheduled for the entirety of the day to include Legal and Social Visits. (8:00 am - 8:00 pm).

Water fountains are not authorized for use during social or legal visitation hours. The restrooms will remain secured at all times within the visiting room. The lobby restroom will be available for use, if needed. In addition, vending machines are not authorized in the visiting room.

Inmates in quarantine or isolation will not participate in social visiting.

All visitors are symptom screened and temperature checked upon entry into the facility. Visitors who are sick or symptomatic will not be allowed to visit. In addition, visitors will not be authorized entry if they are not wearing a proper face mask. Face Shields only (without a face mask) are not authorized. All visitors beyond the age of 2-years old must wear proper face coverings (this does not include improper face coverings as bandanas, neck gaiters, and vented masks). In addition, face coverings must be worn for the entire duration of the visit (Legal/Social). Visit will be terminated if face covering is not properly worn or at all.

All visitors and staff must perform hand sanitation procedures prior to entering the visiting room.

Both inmates and visitors must wear face coverings at all times and perform hand hygiene just before and after the visit.

Staff must use masks and gloves when handling all visitor property. Gloves should be changed frequently. Additional Personal Protective Equipment (PPE) will be maintained in the visiting room.

There will be no physical contact of any kind to include an embrace at the beginning and end of the visit. Additionally, inmates and their visitors will not be authorized to take photographs together.

Food and beverages will not be allowed. Special provisions will be made to allow for baby formula/food.

There is a coordinated entry and exit pathway for inmates and visitors to ensure physical distance is maintained. The number of visitors allowed in the lobby has been determined by measuring the available space allotted while maintaining social distancing between each visiting group. Social distancing stickers have been implemented to ensure distance is enforced. In addition, seats in the lobby have been marked not for use by red tape, this will ensure

6 feet social distancing. Only two visitors are authorized to sit on a row of chairs located in the lobby area (18).

All areas, to include the lobby and Sallyport, will be cleaned by the inmate orderly following the completion of visiting.

MDCLA's visiting schedule will be maintained in a database for publication on the BOP's public website

Holiday: Social visits for holidays will be for the floor the holiday falls on. The hours allotted will be from 8:00 a.m. until 1:00 pm, on all identified Federal Holidays (10).

- c. Frequency of Visits & Number of Visitors: Inmates will be allowed social visits according to which floor they are assigned to. The visiting schedule will be available to visitors in the front lobby and will also be posted on housing unit bulletin boards. Visitors may only visit one inmate. Exceptions may be made when an inmate has an immediate family member(s) who is also incarcerated. The unit team is responsible for verifying the relationship and will make arrangements for family members to visit on the same day.

Inmates will be allowed to visit for a period of 30 minutes, not to exceed one hour. The time will begin

when the inmate arrives in the visiting room. Inmates will be permitted to visit with a maximum of two visitors. Immediate family members confined at the institution will be allowed a maximum of two visitors at one time. Visitors will not be permitted to exchange places (alternate) with another visitor outside the visiting room.

The maximum number of visitors and inmates allowed in the visiting room is posted on the wall inside of the visiting room. The front lobby officer will coordinate with the visiting room officer the amount of seating available in the visiting room.

When sufficient seating is not available for a group to visit, the visitors in the group will be advised. The visitors may wait in the front lobby until seating is available or leave the institution and return at another time.

- d. Visitor Approval: All visitors must be approved in advance by the unit manager. Inmates will submit their request for visitors on the Visitor Information form (BP-A629) provided by their unit team. After approval by the unit manager, the approved visitors will be entered into the inmates visiting list by a member of the unit team. A copy of the approved list is maintained in the inmate's central file. Any changes to the visiting list by the inmate will be completed on an as-needed basis.

Inmates having a Walsh Act assignment will be required to be monitored closely by staff in the visiting room. Assigned seating will be given to the inmate. Any inmate fitting this criterion will have the following annotation placed in the visiting program under the comments section: "this inmate was convicted of a sex offense involving a minor." This will be done by a member of the unit team.

1. Work Cadre Inmates: Inmates designated to the work cadre are permitted to visit with members of their immediate family, other relatives, as well as friends and associates. They are permitted a maximum of ten visitors on their approved visiting list. Each prospective visitor will be

required to complete a Visitor Information form (BP-A0629) authorizing a criminal background check.

2. Pretrial and Holdover Inmates: Pretrial and holdover inmates are only permitted visitation with **immediate family members**. Each prospective visitor will be required to submit a Visitor Information form (BP-A0629) authorizing a criminal background check. This process may take up to two weeks.
3. Immediate Family Members: These persons include mother, father, step-parents, foster parents, brothers, sisters, children, and a legally married husband or wife. Common-law relationships are not recognized under California law. As such, common-law spouses are **not** considered immediate family members at MDCLA.
4. Disapproval of Visitors: If a visitor is disapproved, a letter will be mailed by the unit team to the prospective visitor with an explanation of the disapproval. A copy of this letter will be maintained in the inmate's file with the Visitor Information form of the disapproved visitor.
5. Prior Relationship Approval: Inmates must have a prior relationship with the requested visitor.
6. Written Guidelines of Visiting Procedures: Written guidelines of visiting procedures will be forwarded to the prospective visitor when the inmate sends and returns the Visitor Information form (BP-629). In addition, this institution supplement will be available on www.bop.gov for use by prospective visitors.
7. Approved Visitor List Back-up System: A back-up visiting list will be printed from the visiting program every Friday by the Front Lobby Officer and a copy will also be maintained in the Lieutenants office. In addition, a copy of the approved visiting list is maintained in the inmate's file.

- e. Visitor Identification: All visitors age 16 and over will be required to provide a state or government approved photo identification before being allowed to enter the visiting room. Approved identification includes a valid driver's license, state issued identification card, military identification, passport or U.S. Immigration identification card. Matricular identification cards issued by the Mexican Consulate are not considered valid for entrance.

All social visitors will be processed through the metal detector and have their hand stamped. Visitors must complete and sign the Notification to Visitor form (BP-224) and sign the appropriate log book. Upon entering the visiting room, all visitors age 16 and over must surrender their picture ID to the Visiting Room Officer. The ID will be returned upon exiting the visiting room.

- f. Attorney/Legal Visits: Attorneys who present a valid State bar identification card and photo identification will be permitted to visit. All attorneys will be processed through the metal detector and have their hand stamped. Attorneys must complete and sign the Notification to Visitor form and sign the appropriate log book.

1. Attorney Representatives: Attorney's assistants, law clerks, investigators, paralegal's, or interpreters will not be permitted to visit until the sponsoring attorney, whom they assist, receives notification that their request has been reviewed and approved. Each attorney's representative must complete an Application to Enter Institution as Representative form (BP-243) prior to receiving approval. Individuals who are acting as an attorney's representative, who had a previous social relationship with an inmate, will only be permitted to visit the inmate with the attorney present and only during the inmate's regular social visiting hours. The attorney may conduct only one such visit at a time. Processing of attorneys will take precedent over social visitors.

2. Personal Property: All of the attorney's legal material and briefcase will be searched.

Handbags, newspapers, magazines, cellular phones, tobacco, food items, and non-legal material are not allowed in the visiting room and must be stored in the lobby lockers. Pagers will be permitted after a thorough inspection. Tape players and computers are available for attorney use in the visiting room. Videotapes are permitted, but must be viewed only in the visiting room and returned to the attorney or paralegal after viewing.

3. Legal Mail Deposit: If an attorney needs to provide legal documents for the inmate's retention, the documents should be placed in the secured box located in the lobby. Each item deposited should be in an envelope labeled as Legal Mail and contain the attorney's name and title, inmate's name, register number, and return address. Correctional Systems Department staff will retrieve the legal items Monday through Friday during the morning hours and process for distribution via legal mail procedures. During non-visiting hours, attorneys may send legal material via the U.S Postal Service.

4. Discovery CD's: Attorneys who wish to send electronic discovery materials to their client must first obtain a Discovery Material Authorization Form from the Los Angeles Consolidated Legal Center (CLC). The form must be filled out completely and emailed back to the CLC at LOS/Discovery@bop.gov. Alternatively, the form may be faxed to (213) 253-9505, attention of the Legal Administrative Assistant. The number of discs being sent to the inmate must be specified on the form. A new form must be emailed to the institution each time discovery is sent to a client.

Each disc must be labeled with the inmate's name, register number and case number. Each disc must also be individually packaged in a paper or soft plastic sleeve.

Only the disc(s) and the original Discovery Material Authorization Form may be included in the package; no other items will be accepted.

The package must be addressed directly to the inmate and include the inmate's register number. The package must also be marked as set forth in 28 C.F.R. § 540.19(b).

The package may either be mailed directly to the inmate or dropped off in the legal mailbox located in the institution's visiting room.

If an attorney sends a package containing discovery material to the institution via the U.S. mail but fails to first email in the Discovery Material Authorization, then MDCLA staff will refuse the package and it will be returned to sender. If the attorney fails to email in the form and then elects to drop off the package in the Legal Mailbox, then the package will not be returned and will, instead, be disposed of pursuant to applicable Bureau of Prisons policy.

Attorneys may visit with as many clients as they require; however, legal visits are limited to one inmate at a time.

5. Electronic Discovery: Starting immediately, inmates at MDCLA are authorized to possess electronic discovery on hard drives, subject to the limitations listed below. Attorneys may henceforth send their clients hard drives that utilize "flash" memory and containing case related discovery. Hard drives that have any moving parts and/or that need a power source other than a USB data cable are not authorized for introduction, retention or use in the institution.

As with the CDs and DVDs previously authorized within the institution, all hard drives must be clearly and permanently labeled with the inmate's name and register number as well as with the case name and number. The attorney sending in the hard drive must also comply with the institution's rule for sending in electronic discovery.

6. Joint defense Counsel Meetings: Joint Defense Counsel Meetings (visits between verified co-defendants and their legal counsel) may only occur upon written consent and approval of the Unit Manager and Captain.
7. Foreign Attorneys: Foreign attorneys who are not licensed in a state or jurisdiction of the United States must provide verification of their status as a licensed attorney in good standing in a foreign jurisdiction. This is normally handled by contacting their respective Consulate's office, which will provide official documentation to the United States Government. The Consulate or other verifying authority must forward the verification to the CLC. CLC staff will notify the Captain of the verification. Once the status of the foreign attorney has been confirmed and before the initial visit, the Captain will finalize the approval memorandum to be placed in the front lobby. The attorneys will then be processed as legal visitors for future visits.
8. Call Out Request Procedures: The Call Out request privilege is exclusively for attorneys. Call Out requests will be limited to two clients and should include the client's (inmate) name, register number, and time of the visit. All requests must come directly from the attorney and must be sent on the attorney's letterhead and bear the attorney's signature. This does not preclude the attorney from visiting with more than two clients. Additional clients may be requested upon attorney's arrival at MDCLA. All requests will be e-mailed to LOS/Lobby@bop.gov.
- g. Official Visitors: U.S. Attorneys, law enforcement agents, military personnel conducting investigations, U.S. Court officials, U.S. Probation Officers, Consulate representatives, and staff from the Federal Public Defender's office will be permitted to visit upon presentation of appropriate identification. These individuals are required to clear electronic screening procedures and will be required to sign the appropriate log books. Any questions regarding the above officials will be directed to the Captain during

normal duty hours, and the Institution Duty Officer (IDO) or the Operations Lieutenant after normal duty hours.

Law enforcement officials are not permitted to interview or serve inmates in the visiting room. Law enforcement officials wishing to interview an inmate must make an appointment through the Special Investigative Office prior to entering the institution.

- h. Special Non-Social Visits: Non-law enforcement personnel requesting to visit inmates housed at MDCLA must submit a written request in advance and receive written approval from the appropriate department head prior to entering the institution. These individuals include, but are not limited to: court appointed psychologist, medical personnel, Minister of Record, clergy, educational and religious volunteers, and representatives of the media. All such visits must be reviewed by the Captain and approved by the AW(P).

Minister of Record: An inmate wanting to receive visits from his/her minister of record must submit a written request to the Chaplain. Upon approval, unit staff add the name and title (minister of record) to the inmate's visitor list.

An inmate may only have one minister of record on his/her visiting list at a time. The addition of the minister of record will not count against the total number of authorized regular visitors an inmate is allowed to have on his/her visiting list, and will not count against the total number of social visits allowed.

Clergy: Visits from clergy (other than the minister of record) will be in accordance with the general visitor procedures, and will count against the total number of regular visits allowed.

Ordinarily, clergy visits will not be accommodated unless requested by the inmate. However, the Chaplain

may approve a visitation request initiated by the clergy if the inmate wishes to visit with the clergy.

Clergy/minister of record visits will be accommodated in the visiting room during regularly scheduled visiting hours and, to the extent practicable, in an area of the visiting room that provides a degree of separation from other visitors. If a private area is not available, the visit may be rescheduled.

The Warden may establish a limit to the number of minister of record and clergy visits an inmate receives each month, consistent with available resources. However, during times of personal or family emergencies, an inmate will be authorized a visit from his/her minister of record. Refer to the Program Statement Religious Beliefs and Practices for additional information regarding minister of record and Clergy.

Visits in the visiting room will be supervised by visiting room staff. Visits outside of the visiting room will be supervised by the department with oversight responsibility.

- i. Special Social Visits: If a special social visit is requested by an inmate, it must be approved by the AW(P). The inmate must make the request through his or her unit team. The unit team will review the request, verify the relationship, and forward their recommendation to the AW(P). These visits will be held in the visiting room and be supervised by visiting room staff during regularly scheduled visiting hours. Special visitation requests for inmates housed in SHU must be approved by the Warden.
- j. **Due to COVID-19, the following is suspended until further notice:** Inter-floor Visitation: Inmates may be permitted the opportunity to visit with members of their immediate family who are also incarcerated at the facility. The inmate must submit a request for an inter-floor visit to the unit team. After the unit team verifies the relationship, a memorandum approved by the AW(P) authorizing the visit will be forwarded to the visiting room. All inter-floor visits will be

conducted on Wednesdays in the visiting room.

- k. Official Counts: Visitors will not be allowed to exit the visiting room during official counts. Inmates notified of a visit one hour prior to an official count will be placed on the out-count. After this period, the Front Lobby Officer will notify the unit officer that an inmate's visit will commence upon completion of the count. Visitors must immediately depart the visiting room after completion of their visit. **All official counts in the visiting room will be picture card counts.**

- l. Visit Termination/Denial: The IDO or Operations Lieutenant may terminate/deny a visit that is disruptive to the overall security or good order of the institution. This may involve conduct initiated by the inmate and/or visitor(s). The right to receive future visits may be denied or restricted as part of any administrative action following the incident. If the Operations Lieutenant terminates a visit, they must inform the IDO.

- m. Visitor Personal Property: Lockers are available in the front lobby to store personal articles not allowed in the visiting room. Visitors will be required to place all personal articles and handbags in these lockers prior to security screening. No bags of any kind will be permitted into the visiting room.

Visitors are required to dress appropriately. Visitors will not be allowed to wear medical scrubs; bathing suits; sweatshirts; sweat pants; jackets (unless worn with suit); shorts of any kind; see-through garments (including arms); mesh or bare back clothing; low cut blouses; any dresses or skirts which are more than two inch above knee cap; leotards; stretch pants; crop tops; halter tops; tube tops; form fitted or tight clothing; hats; open toe shoes; dress or skirt with a high-cut split in the back, front or side; sleeveless garments; caps or hoods; scarves; solid white or grey t-shirts; khaki or green military-type clothing of any kind. (see Attachment A). Questionable attire will be evaluated by the Operations Lieutenant for appropriateness for entry. Children under five years of age are permitted to wear shorts, sweat pants or sweat shirts. Samples of non-

authorized items are depicted in the front lobby for review.

- n. Inmate Personal Property: Inmates will not be permitted to receive any item(s) from a visitor. The only authorized items inmates may take into the visiting room are one wedding band, one religious medal, and one pair of eye glasses. Institution Croc shoes must be worn for all visits unless the inmate has a medical duty status form which authorizes another appropriate shoe. All inmates will be pat searched prior to visiting, and visually searched when departing the visiting room. This will be documented in the visiting room inmate shakedown logbook. Inmates are permitted to bring legal documents to their legal visits. These items will be searched for contraband prior to entering and upon exiting the visiting area.
- o. Inmate Visitor Contact: Due to COVID-19 precautions, there will be no inmate to visitor contact. Unacceptable behavior may result in disciplinary action on the part of the inmate. The inmate is responsible for ensuring that his/her visitors conduct themselves within the established guidelines.
- p. SHU Inmates: All inmates housed in the SHU will visit in the SHU non-contact Tele visit area. Special visits will be approved by the Warden. Normally, only one visit will be conducted at a time. Visitors will be placed in the visiting room for an hour long tele visit.
- Inmates will be visually searched and electronically scanned upon completion of the visit.
- q. Inmate Separatees: Inmates and their separatees, and families of separated inmates, will not be placed in the visiting room at the same time. Visitation for inmates with separation assignments will be processed on a first come first served basis. The remaining visitors will be processed as soon as the visiting room officer notifies the front lobby that the inmate and his/her visitors have departed.
- r. Inmates Under Supervised Medical or Psychological Care: Inmates under supervised medical or

psychological care and inmates who are being physically restrained or in dry cell status will not normally be permitted to visit. The IDO or Operations Lieutenant should carefully and sensitively explain the situation to the prospective visitor without disclosing non-public information.

Circumstances may exist in which the IDO and Operations Lieutenant, in conjunction with Health Services and/or Psychology Services, may determine that a visit is not appropriate. The appropriate location of the visit will be determined by the consulting individuals with the concurrence of the Warden. Work cadre inmates admitted to local hospitals for medical treatment may be permitted social visits with the approval of the Warden. Pretrial inmates, and U.S. Marshals holdover inmates admitted to local hospitals will not be allowed social visits unless authorized by the U.S. Marshals Service. In instances where authorization has been granted, visitors will visit in accordance with the medical facility's schedule. Visitors will be limited to immediate family.

- s. Loss of Visiting Privileges: Upon a finding of guilty for violating institution regulations, inmates may be subject to disciplinary sanctions as outlined by policy, i.e., loss of social visiting privileges for a specified period of time.
- t. Overcrowding Procedures: When the visiting room becomes overcrowded, the visiting room officer will notify the Operations Lieutenant and/or the IDO.

Should this method prove ineffective, the operations lieutenant and/or IDO will notify the group on the list for that day that their visit has been terminated due to overcrowding. Should mandatory termination become necessary, the Operations Lieutenant and/or IDO will only terminate what is deemed necessary to eliminate the overcrowded condition.

- u. Address/Phone number/Directions/Local Transportation: MDC Los Angeles is located in downtown Los Angeles adjacent to the Roybal Federal Building and Courthouse. The address is 535 N. Alameda Street, Los Angeles, California 90012. The institution is
