Inmates are permitted two visitors per visit. To ensure equal opportunities, frequency of visits determines any termination. Appropriate face coverings are mandatory for all inmates and visitors. Face coverings will be secured and issued to visitors who arrive without a proper face covering. No physical contact between visitors and inmates is permitted. Photographs, vending machines, water fountains and the children’s play area are prohibited from use. Alcohol based hand sanitizer is available in the front lobby as well as the entrance and exit points in the visiting room. Orderlies are assigned to each visitation room and will continually sanitize all surfaces in the visitation area.
