**4. FREQUENCY OF VISITS**

From May 1<sup>st</sup> through October 31<sup>st</sup>, each inmate will be limited to two weekend visits a month. If an inmate visits on Saturday, Sunday, and a federal holiday in the same week, this will constitute a weekend visit. If an inmate visits on Saturday or Sunday only, this will also constitute a weekend visit. There is no limit on evening visits (Monday). Restrictions will not apply from November 1<sup>st</sup> through April 30<sup>th</sup>.

**Visiting Restrictions and Overcrowding**

Visiting may be curtailed or terminated because of an emergency, improper conduct on the part of an inmate or his visitor(s), or when the visiting area becomes crowded. Should it become necessary for the Visiting Room Officer to

curtail or terminate visiting because of crowding, the Lieutenant (and Institution Duty Officer (IDO) on weekends) will be notified. At this time, a two-hour maximum visiting time limit will go into effect. The officers will apply this first to special visits, then to those who visit most frequently. If the condition still exists, those who reside within a 200 mile radius of McKean County will be terminated next.

## 5. NUMBER OF VISITORS

**FCI:** The number of persons allowed and seats used while visiting one inmate will be limited to three (3) adult seats, and three (3) children seats. All visitors will be assigned seats by the Visiting Room Officers. The Visiting Room Officers will not allow more than a maximum of three adults and three children to visit one inmate at a time without prior approval from the Captain.

**Split Visits:** Should more than three authorized visitors arrive at the same time, a split visit may be arranged at the discretion of the Visiting Room Officer. A split visit is defined as a visit where one or more of these visitors leave the Visiting Room to be replaced by other authorized visitors. Those visitors leaving must leave the parking lot. They are not permitted to wait in the front lobby. During split visits, only one interchange of visitors will be permitted, i.e., individuals leaving the Visiting Room to permit other members of the party to visit may not subsequently return for further visiting the same day.

**SCP:** Seating is available for up to three seats for each inmate and his visitors. The seats are for adult visitors. Children are not necessarily guaranteed seating. The Visiting Room Officer will not allow more than a maximum of three adults and three children to visit an inmate at one time without prior approval of the Executive Assistant/ Satellite Operations Administrator or Camp Unit Manager.

## 6. ATTORNEY VISITS

Attorney visits will be conducted in accordance with Program Statement 1315.07, Legal Activities, Inmate.

## 7. IDENTIFICATION OF VISITORS

Satisfactory identification of visitors must precede visits. **Each visitor 16 years of age and older must have identification. This will be accomplished by a photo identification.** Visitors will not be permitted entry without a valid state or government issued photo identification (military ID, drivers license, passport, etc.). The IDO or Lieutenant will be notified in questionable cases.

### **Black Light Identification**

All visitors at FCI McKean, except members of Congress, the Department of

Justice, state and local law enforcement personnel, the Judiciary, and the Community Relations Board Members, will have one of their hands marked with a "black light" stamp prior to entry into the institution and have that hand identified with the "black light" lamp prior to being allowed beyond the inside sallyport of the institution.

Visitors who no longer have the ink stamp, will be returned to the administration building until a Lieutenant arrives to investigate the situation and further identify the visitor. The Operations Lieutenant is to ensure that the "**pullman multi-interchanges**" black light stamp is to be secured at the end of each workday in the Control Center.

This stamp will be issued at the beginning of each work day to the Front Lobby Officer by the Control Center Officer. The Control Center Officer will choose the code for the day. It is the responsibility of the Control Center Officer to ensure the same code is not used twice in one week. The stamp will be picked up by the Front Lobby Officer at the beginning of his/her shift and returned to the Control Center at 10 p.m. each evening. The Visiting Room Officer will check for the appropriate mark prior to the visitor being allowed to exit the Visiting Room.

## **8. APPROVED VISITORS**

The visiting privilege will ordinarily be extended to friends and associates having an established relationship with the inmate prior to confinement, unless such visits could reasonably create a threat to the security and good order of the institution. Exceptions to the prior relationship rule may be made particularly for inmates without other visitors, when it is shown that the proposed visitor is reliable and poses no threat to the security or good order of the institution. Regardless of the institution's security level, the inmate must have known the proposed visitor(s) prior to incarceration. The Warden must approve any exception to this requirement. Ordinarily, an inmate's visiting list should not list more than ten (10) friends and associates. The Warden may make an exception to this provision when warranted. After receiving an Inmate Request to Staff to add immediate family members, the Unit Counselor will notify the inmate if his request has been approved or denied.

### **Holdovers and New Commitments**

When an approved visiting list is not available, visits for new commitments and inmates in holdover status will be limited to members of the immediate family with the same last name, birth certificate, or some form of identification that would indicate they are members of the inmate's immediate family. Staff should

review the inmate's Pre-sentence Investigation, if one is available, to verify a prospective visitor meets the above criteria.

## 9. PREPARATION OF THE LIST OF VISITORS

- a. Each new inmate will be provided copies of the local visiting guidelines (in the Admission & Orientation booklet) and a Visiting List Request form (Attachment 1) during the first Unit Counselor lecture. The Unit Counselors are responsible for preparing the "Official Visiting List" (Attachment 2) which is stored in the inmate's central file. The visiting list is on the network with a short cut on the desktop. In the event of the network failure, the user would log into the (PC) computer by checking the "workstation only" box at the login screen. The user would then click on the "Back-Up Visiting List" icon on the screen and search for the visiting records. Staff would have to use the Official Visitation Record Form to keep the total counts of inmates, and their families.
- b. Amendments to the visiting list will be processed by Unit Counselors. Inmates desiring change shall submit an Inmate Request to Staff form with the appropriate information. An inmate's visiting list may be amended at any time. Approved changes will be made to the inmate's visiting list by the Unit Counselor.
- c. A background investigation is necessary before approving a visitor. **The inmate shall mail the Visitor Information Form (BP-629) to his potential visitor(s).** This form must be completed by the visitor and mailed directly to the inmate's Unit Counselor prior to any further action concerning the visit.
- d. Visitors can obtain additional visiting information from the public website and it is also posted in the Visiting Rooms.
- e. It is the inmate's responsibility to provide staff with the name and address of the individual with whom he desires a visit, their relationship, and other pertinent information which will assist the Unit Counselor in reaching a decision. The inmate's Unit Counselor will notify the inmate of the approval or denial. Whether approved or denied, the Unit Team will place documentation in the FOI Exempt Folder of the central file with the rationale for the approval or denial.

## 10. VISITS NOT IN GENERAL POPULATION

- a. **Health Services' Patients:** If determination is made that a visit is to be held in the institutional health services area, such visits will be subject to availability of staff to supervise the visit. The visit will be limited to one hour.

Visits to inmates hospitalized in the community will be restricted to members of the immediate family upon receiving permission of the Warden. All visitors are subject to the visiting policy of the outside community hospital and those procedures as outlined in the hospital and escorted trip post orders.

- b. **Special Housing Unit (SHU):** Inmates in the (SHU) will only be allowed a two hour social visit. Inmates may be denied a visit or the visit may be restricted to one hour under close supervision, if in the opinion of the Warden or authorized representative, the visit would represent a threat to that inmate, other inmates, visitors, staff, or could potentially cause a disruption to the Visiting Room; or threaten the security of the institution. Protective custody inmates will not be allowed social visits. Additionally, camp inmates who have out/com custody will not be authorized to receive social visits while assigned to the (SHU)

The Operations Lieutenant must be notified when an inmate in the Special Housing Unit has a visit prior to that inmate leaving the unit. All approved visits will be assigned seats directly in front of the officers' station.

## 11. SPECIAL VISITS

The Associate Warden (P) may approve special visits. The Case Manager, in conjunction with the Captain, Executive Assistant/ Satellite Operations Administrator and Associate Warden (Programs), is responsible for investigating all special visits and making a determination as to the need. Inmates desiring a special visit shall submit to their Unit Team an Inmate Request to Staff\_at least one week prior to the anticipated visit. The Unit Manager is responsible for arranging and supervising a special visit. Arrangements and supervision maybe delegated to the Case Manager or Unit Counselor.

**CHILDREN'S VISITING ROOM:** Parenting program courses assist inmates with maintaining and strengthening family ties and parental bonds during incarceration. FCI inmates are permitted to visit with their children and family in the children's area only when enrolled in or after having completed the parenting

program offered by the Education Department. FCI inmates may use the children's room at the officer's discretion.

**Children's Visiting Room (SCP):** Inmates are permitted to visit with their children and family in the children's area, and must complete or be enrolled in a parenting program offered through the Education department. Parenting programs assist inmates with maintaining and strengthening family ties and parental bonds during incarceration. Ordinarily, requests to utilize the children's Visiting Room during visits will be submitted to the Unit Manager, Executive Assistant/ Satellite Operations Administrator, or delegated unit staff.

**CLERGY, FORMER OR PROSPECTIVE EMPLOYERS, SPONSOR, AND PAROLE ADVISORS:** Visitors in this category ordinarily provide assistance in release planning, counseling, and discussion of family problems. The requirement for the existence of an established relationship prior to confinement for visitors does not apply to visitors in this category.

**BUSINESS VISITORS:** No inmate is permitted to engage actively in a business or profession. An inmate who was engaged in a business or profession prior to commitment is expected to assign authority for the operation of such business or profession to a person in the community. Even though the inmate has turned over operation of a business or profession to another person, there may be an occasion where a decision must be made which will substantially affect the assets or prospects of the business. In such cases, the Warden may permit a special visit.

**CONSULAR VISITORS:** Whenever it has been determined that an inmate is a citizen of a foreign country, the Warden shall permit the consular representative of that country to visit on matters of legitimate business.

**VISITS FROM REPRESENTATIVES OF COMMUNITY GROUPS:** The Warden may approve as regular visitors, for one or more inmates, representatives from community groups such as civic and religious organizations, or other persons whose interests and qualifications for this kind of service are confirmed by staff.

**MINISTER OF RECORD/CLERGY:** An inmate wanting to receive visits from his or her minister of record must submit a written request to the Chaplain. Upon approval, Unit Counselors will add the name and title (minister of record) to the inmate's visiting list.

An inmate may only have one minister of record on his/her visiting list at a time. The addition of the minister of record will not be included in the total number of authorized regular visitors an inmate is allowed to have on his or her visiting list, and will not count against the total number of social visits allowed.

Visits from clergy, other than the minister of record, will be in accordance with the general visitor procedures and will count against the total number of visits allowed. Ordinarily, clergy visits will not be accommodated unless requested by the inmate. However, the Chaplain may approve a visitation request initiated by the clergy if the inmate wishes to visit with the clergy.

Clergy/minister of record visits will be accommodated in the Visiting Room during regularly scheduled visiting hours and, to the extent practicable, in an area in the Visiting Room which provides a degree of separation from other visitors. If a private area is not available, the visit may be rescheduled.

The Warden may establish a limit to the number of minister of record and clergy visits an inmate receives each month, consistent with available resources. However, during times of personal or family emergencies, an inmate will be authorized a visit from his/her minister of record. Refer to Program Statement 5360.09, Religious Beliefs and Practices, for additional information regarding minister of record and clergy.

## **12. VIOLATION OF REGULATIONS AND/OR INTRODUCTION OF CONTRABAND:**

- a. The right to have future visits may be denied to anyone who tries to circumvent or evade regulations. It may also require additional action, including possible prosecution. Introduction of contraband to a Federal Penal Institution is a violation of Section 1791 Title 18, of the U.S. Code - Attorney General's Regulations. In order to ensure a visitor is aware of the above policy, the front lobby officer or camp Visiting Room Officer will have each adult visitor, 16 years of age and older, complete and sign a "Notification to Visitor" form, acknowledging his/her awareness and understanding of the possible penalties for violation of the Visiting Room regulations and/or introduction of contraband into the institution. At the completion of each visiting day, these forms will be sent to the Operations Lieutenant, where they will remain on file for one year at the FCI and 90 days at the SCP.
- b. If a visit is terminated because of a violation of regulations, the officer identifying the violation will prepare and submit an incident report on the inmate(s) involved. At the discretion of the Administrative Duty Officer and/or Captain, the Operations Lieutenant on duty at the time of the violation will interview the outside visitor(s) involved and obtain a written, signed statement to be included in the investigative information of the incident report. Refusal by the visitor to cooperate in the interview and to provide the written statement will be documented and submitted to the Captain.

- c. If it becomes necessary to warn an inmate concerning violations of visiting regulations, the FCI Visiting Room Officer will document the incident in the warning log book specifically maintained for this purpose. This log book should contain all pertinent information about the incident. Recurring problems will be reported to the Operations Lieutenant.

If it becomes necessary to warn a camp inmate concerning violations of visiting regulations, the camp Visiting Room Officer will prepare the warning in writing. The original will be enclosed in the inmate's official visiting folder and a copy will be sent to the Captain. Both copies will show date, reason for warning, and the time, date and name of staff member giving the warning.

- d. In the event a visitor or non-inmate becomes disruptive and they are not being detained or arrested by the institution, the Control Center Officer will contact the Pennsylvania State Police who will respond to the institution and remove the disruptive individual.

Visitors will be required to submit to a search by electronic means before entering the institution. Personal effects will also be searched.

- a. Right to Refusal: A visitor who objects to any of the searches, tests, or entrance procedures has the option of refusing and leaving the institution grounds, unless there is reason to detain or arrest the visitor. Staff shall deny admission to the institution to a visitor who refuses to be screened by a metal detector or who refuses to undergo a search of person and/or effects as dictated by the above mentioned policy and this supplement.
- b. Occasionally, a visitor will be equipped with a prosthesis containing metal or surgically implanted pins and plates that will not clear the metal detector. The hand held metal detector must be used in these cases.

assignments to those inmates and visitors suspected of or who have displayed problems with obeying the procedures set forth in this supplement.

- b. Kissing and embracing are permitted **ONLY** when the visitor and inmate meet at the beginning of a visit and at the conclusion of the visit. All kisses will be closed mouth and brief in length. Appropriate hand holding is allowed, as well as holding small children on the lap. Additional personal contact is not permitted and will be cause for termination of the visit and disciplinary action will be taken against the concerned inmate. A visit may be terminated in order to maintain good taste and consideration for others. Violations may also result in the removal of a particular visitor from the inmate's visiting list.
- c. Visitors will dress appropriately and avoid sexually suggestive clothing styles. Skirts, skorts, and shorts will be permitted; however, must not be more than three inches above the knee. Visitors wearing see-through garments, midriff tops, strapless garments, garments which expose private parts of the body, and military clothing (i.e., field jackets, camouflage, khaki, green fatigues) will not be permitted into the Visiting Room. Questionable attire will be referred to the Operations Lieutenant or IDO (when on duty) and an "in person" check will be made by the Operations Lieutenant or IDO prior to denial of visit. Chewing gum will not be allowed in the Visiting Room. This also includes items already in the mouth.

- g. Children should be controlled to the extent of consideration for other

visiting groups and not be permitted to wander from the immediate area, run about the Visiting Room, or create noise that disturbs other visits. Failure to control children will result in termination of the visit. The Visiting Room Officer is not responsible for supervising children.

- h Visitors must leave the reservation once the visit has been completed.
- i **Termination of a Visit:** The IDO, in agreement with the Operations Lieutenant, shall terminate a visit upon determining a visitor is in possession of, or is passing or attempting to pass contraband, or is engaging in any conduct or behavior which poses a threat to the orderly or secure running of the institution. Written documentation will be prepared by the Operations Lieutenant describing the basis for termination. Included in the report will be the date, time visit began, time of termination, persons involved, and the reasons for the termination. The Warden will receive the original report for the FCI and the Executive Assistant/ Satellite Operations Administrator will receive the original report from the Camp.
