4. DESCRIPTION OF PROCEDURES:

**VISITING REGULATIONS:** Visiting is an important family function and a privilege. It is imperative that the dress code and articles allowed into the facility reflect the professional values and security concerns of the Bureau of Prisons. The following guidelines apply to all adult and child visitors:

A. **Preparation of the visiting list:**

1. Staff will ask each inmate to submit, during the Admission and Orientation (A&O) process, a list of proposed visitors. After appropriate investigation, staff will compile an approved visiting list for each inmate and distribute that list to the inmate. Ordinarily, an initial visiting list is prepared and distributed within seven days of receipt of the required information to process the visiting list. This list identifies immediate family members approved to visit the inmate. Ordinarily immediate family members will be approved. Additional family members and friends may be added following completion of an appropriate investigation. Visiting lists will be limited to 25 total visitors. A hard copy of the visiting list will be placed in the inmate’s Central File. Should a visitor be disapproved, the Unit Counselor will notify the affected inmate and it will be the inmate’s responsibility to notify the visitor of their visiting status.

2. The visiting list may be amended by the inmate’s submission of an Inmate Request to Staff Member form to his Unit Counselor indicating the desired change(s). There is no limit on how many times an inmate can change his visiting list. Unit Management staff will address any changes made to inmate’s visiting list and inmates will receive a copy of any changes. Unit Management staff will update the institution’s computer visiting program as necessary. Unit Staff will be the only staff authorized to place a visitor on an inmate’s approved visiting list. An NCIC check will be completed on all inmate visitors except for law enforcement officials or officers of the Court (Judges, Probation/Parole Officers, District Attorneys, U.S. Attorneys). *(Requirements #5, 27)*

In the event the Visiting Room Program is inoperable during visiting hours, the inmate’s Unit Team (or a Unit Management Staff member) will review the inmate’s visitation records, within the inmates Central File to confirm approved visitors.
3. Inmates are limited to four adult visitors at a time. There is no limit to the number of visitors under 16 years of age. Inmates at the FCI are limited to one trip to the Visiting Room per day. Only the SPC inmates will be allowed more than one trip to the visiting room. (Requirement #8)

4. An inmate will be provided written material on the institution's visiting procedures during the intake screening process. At a minimum, the information will include the following:
   a) Facility address/phone number.
   b) Directions to the facility and information about local transportation.
   c) Days and hours of visitation.
   d) Approved dress code.
   e) Identification requirements for visitors.
   f) Items authorized in the visiting room.
   g) Special rules for children.
   h) Authorized items that visitors may bring to give to the inmate, if applicable.
   i) Special visit requirements.

5. When an inmate transfers to this facility, his visiting list will only be recognized if the file reflects proper documentation for a medium facility. If the file is lacking proper documentation, the Unit Team will begin the proper procedures to secure an approved visiting list.

B. Visitors:
The Unit Management staff will compile a visiting list for each inmate assigned to their units. Ordinarily, inmates will be allowed up to 25 total visitors which includes:

1. Immediate family members: This includes mothers, fathers, step-parents, foster parents, brothers, sisters, spouse, children and step children. These individuals are to be placed on the visitor’s list if identified in the inmate’s Pre-Sentence Investigation and upon completion of an NCIC check. The inmate is responsible for initiating visitor forms.

The word “spouse” includes a common-law relationship which has been previously established in a state that recognizes such a status. In states that do not, a common-law relationship is not considered “immediate family.” For determination of applicable state laws, the Regional Counsel should be consulted. (Requirement #6)
2. **Other relatives:** This includes grandparents, uncles, aunts, in-laws, and cousins. A completed BP-629, Visitor Information (Attachment 13) will be required prior to consideration for approval. Visiting privileges usually will be extended to other relatives having established a relationship prior to confinement unless such visits could reasonably create a threat to the security and good order of the institution. An NCIC check will be completed for all visitors in this category.

3. **Friends and associates:** Generally, visiting lists will be limited to not more than ten friends and associates on an approved visiting list.

4. **Persons with prior criminal convictions:** Only the Warden has the authority to place a person with a prior criminal conviction on a visiting list. Any questions concerning the suitability of an individual will be referred to the Associate Warden of Programs for final determination.

5. **Children under ages:** Children under the age of sixteen must be accompanied by a responsible adult and be supervised at all times.

6. **Visitors on other inmate's visiting list:** Ordinarily inmates will not be permitted to have visitors approved who are on another inmate visiting list. Exceptions such as immediate family members may be approved by the Warden for unexpected visits by immediate family members not previously on an inmate's approved visiting list. They will be referred to the Unit Team member on duty that day.

7. **Visiting procedures for inmates hospitalized in the community:** Visits for inmates hospitalized in the community will be determined by the Warden or designee only. If a visit is approved, it will be immediate family. All visits will be subject to the general visiting policy of the hospital. Approved visitors will report to the institution for processing and will be accompanied to the hospital by the Institution Duty Officer. Visits will be limited to two hours. *(Requirement #22)*
8. **Professional visits:** Representatives of Law Enforcement Agencies, U.S. Parole Offices, Attorneys, Paralegals, Legal Assistants, and Mental Health Professionals performing court-ordered examinations will receive priority when processing. Representatives are to call and schedule their visits by contacting the inmate's Unit Team.

The Unit Team will notify the Special Investigative Supervisor office by memorandum concerning all pending law enforcement visits. Every effort should be made to schedule the visit during normal visiting hours. Requests should be called in at least forty-eight (48) hours prior to the proposed visit. If approved, Unit Staff will prepare a memorandum authorizing the visit and distribute copies to the Lieutenant’s Office, Front Entrance and Visiting Room. If the visit is requested during non-visiting hours, the Unit Team will attempt to accommodate the request insofar as time, security, and manpower constraints permit. Ordinarily, a 48 hour advance notice is required. Additionally, the visitation privilege will not supersede institutional security and orderly functioning by unnecessarily interfering with other institutional activities.

9. **Other visitors:** A completed BP-629, Visitor Information (Attachment 13) will be required prior to consideration for approval. Visiting privileges usually will be extended to community groups, friends and associates having established a relationship prior to confinement unless such visits could reasonably create a threat to the security and good order of the institution. Any exception to the prior relationship requirement will be approved in writing by the Warden.

10. **Special Visits:** Under unusual circumstances, special visits will be authorized in accordance with established regulations and will not be used to circumvent regulations on background checks or disciplinary sanctions. Inmates must submit a special visit request to their Unit Team at least one day in advance of their visitor’s date. All special visits are at the discretion of, and must be approved by, the Warden. A memorandum authorizing the visit must be forwarded to the Control Center, Lieutenant’s Office, Front Lobby Officer and the inmate’s central file at least 24 hours prior to the visit (Attachment 7). Supervision of special visits will be provided by the unit staff during non-visiting hours. Inmates who have lost their visiting privilege as a disciplinary sanction from
the Discipline Hearing Officer can only have these privileges restored by the Warden. *(Requirement #9, 19)*

11. **Consular visitors:**
   Such visitors will be approved only by the Warden.

    f. An Attorney must have prior written approval by the Warden and arrangements must be made to bring in items such as video/audio recorders, polygraph equipment and laptop computers.

    g. An attorney may be accompanied by a federal investigator or federal legal assistant, as long as he/she was previously approved and presents federal agency credentials.
h. A private investigator or private paralegal will be required to submit to a background check conducted by Unit Staff, be sponsored by the inmate’s attorney, and receive prior approval before entering the institution.

i. After the attorney is properly processed the attorney will be escorted to the Visiting Room. During non-visiting hours, a member of the inmate’s Unit Team will provide escort and supervision of the attorney and the inmate while in the visiting room. The Unit Team member(s) will also be responsible for the arrival of the inmate to the visiting room, to include providing proper escort for inmates housed in the SHU or FDC.

j. The Front Lobby Officer will notify the Operations Lieutenant and Housing Unit Officer or SHU Officer as appropriate.

m. Upon completion of the legal visit, the attorney will be escorted to C-Building by Unit Staff or any appropriate staff and appropriate exit procedures will be followed.

n. Staff should use all available resources to accommodate these visits without jeopardizing the security and safety of the institution.

13. **Legal visits scheduled during non-visiting hours:**

   All steps above apply to legal visits during non-visiting hours and also include the following procedures:

16. **Minister of Record and Clergy Visits:** Clergy visits must be approved by the institution Chaplain. These visits will occur in the Visiting Room during regular visiting hours. Request for clergy visits must be made at least one day in advance. Clergy visits will be charged against the inmate's allotment of visiting hours. Anyone denied admission must leave the grounds immediately. All vehicles parked in the institutional parking lot must be locked and secured. All areas of the institution grounds, except the parking lot, the Entrance Building and the visiting room, are off limits to visitors.

Upon commitment, an inmate may submit a list of proposed visitors to his Correctional Counselor for approval. Once the request is submitted, absent good cause, members of the immediate family (parents, grandparents, step parents, foster parents, brothers,
sisters, spouse and children) will be placed on the inmate's visiting list. Other relatives and friends may be authorized to visit, but only after a proper background investigation has been completed. Once approved, it is then the inmate’s responsibility to inform the visitor of his/her approval to visit. Special visits may be granted in accordance with the established regulations and with written approval of the inmate's Unit Manager. Other relatives and friends authorized to visit is limited to twenty-five (25). For just cause, a visitor may be removed from the inmate's visiting list, and will not be reinstated without the Warden’s approval. (Requirement #7)
