WARDEN’S INTRODUCTION

The Federal Correctional Institution, Miami, Florida is located at 15801 SW 137th Avenue, and was dedicated on March 26, 1976, as a facility under the jurisdiction of the United States Department of Justice, Federal Bureau of Prisons.

Our mission is to provide a safe, humane, and secure facility. While here, you have certain rights and responsibilities, which are explained in this booklet. We expect you to behave appropriately, while following the rules and regulations. You are being provided with this handbook in order to give you a general overview of the Institution’s rules, regulations, and programs. Additional information will be provided during the Admission and Orientation (A&O) process. You may also review Bureau of Prisons, Program Statements and FCI Miami, Institution Supplements, available in the law library.

This Institution offers a wide variety of educational and self-improvement opportunities. Accordingly, what you gain during your stay here will depend largely on you. Sanitation and personal hygiene are very important in communal living. You are required to maintain a high level of personal cleanliness, and assist in the general cleaning of your housing unit. Staff will make every effort to meet your basic needs while you, on the other hand, will be expected to provide good work habits and a positive attitude. Violations of institution rules and/or regulations will not be tolerated.

Read this booklet carefully and keep it in your possession. If you have any questions, ask your unit team.

R. C. Cheatham
Warden
ADMISSION AND ORIENTATION (A&O)

Each inmate committed or transferred to a Bureau of Prisons institution is required to attend the Institution’s A&O Program. This program is intended to familiarize you with the institution and give you an awareness of:

(1) Inmate’s rights and responsibilities;
(2) Institution’s program opportunities;
(3) Institution disciplinary system; and
(4) Institution operations

This program consists of presentations from designated representatives of each department within the institution. The program should provide answers to many of the questions you may have about our facility. The A&O program is conducted in the Chapel on alternate Wednesdays.

Until removed from A&O status, each inmate will be accountable to the Unit Officer. Unit Officers will ensure that the inmate:

1. Checks the ACALL-OUT daily for Medical and Educational Screening appointments.
2. Assigned to work in the unit as needed.
3. Attends Institution A&O Presentation pursuant to call out.

Upon completion of the A&O Program, your medical screening should be completed and you will be assigned to a work detail.

Upon commitment, you were given a Federal Register Number that will be used to identify you while in federal custody. All mail and money orders must be identified with your (committed) name and register number to ensure it is promptly processed and received.
UNIT MANAGEMENT

Unit Management’s mission is to determine inmate program needs, and monitor participation to encourage pro-social institution and community behaviors that benefit inmates, staff, victims and society. This is accomplished through functional unit management and effective interaction with inmates.

A Unit Manager, who supervises the other primary unit team members, including Case Managers, Correctional Counselors, and Unit Secretary, heads each team. The team also includes the unit officers, an Education Advisor, and Psychologist, each of whom fulfills a distinct and vital role.

The primary responsibility of the unit staff is to ensure that mandates of the court are implemented. Secondly, they are responsible for providing a safe and humane environment for inmates and staff. The unit team plans, develops, supervises and coordinates individual programs tailored to meet the particular needs of inmates in the unit. Unit staffs are available each day of the week and most evenings until 9:00 P.M.

ROLES OF THE UNIT TEAM

Unit Manager:
Responsible for the unit’s operation and security, within appropriate policy, as well as for planning, developing, implementing, supervising, and coordinating individual programs tailored to meet the particular needs of inmates in the unit.

Case Manager:
Responsible for all casework services and prepares classification material, progress reports, release plans, transfers, correspondence, and other documentation relating to your commitment. They serve as a liaison with the administration, Community Corrections Center personnel, and criminal justice authorities. The Case Manager provides necessary services to each inmate to help him/her adjust to the institution environment and prepare for eventual release.

Under the provisions of Title 18, U.S. Code, Section 4004, your Case Manager is authorized to notarize documents. However, due to a recent change in the law, notarization is not required if you include a statement to the effect that the papers which you are signing are True and correct under a penalty of perjury some states will not accept a government notarization for real estate transactions, automobile sales, power of attorney, etc. In these cases, it will be necessary to arrange for a Florida Notary.

Correctional Counselor:
Provides counseling and guidance for you in areas of institution adjustment and plans for the future. They are responsible for establishing and maintaining visiting lists and phone list. The Counselor is the individual to approach with personal difficulties, such as administrative complaints, visiting, room changes, mail, property, and initial and/or change of work assignments. Counselors conduct individual and group counseling and assist inmates in resolving day to day problems.

Unit Secretary:
Assists the unit team by performing clerical and administrative functions, including but not limited to the maintenance of inmate central files and paperwork necessary for an inmate release and Unit operations.

Correctional Officers:
Responsible for day-to-day accountability and supervision of inmates. They have direct responsibility for safety, security, and sanitation of the unit. Officers are on duty around the clock.
UNIT PROGRAM SERVICES AND ACTIVITIES

Your Unit Team will assist you in planning and accomplishing your program goals in preparation for your release. YOU are the most important member of the team, and your accomplishments depend upon your own desires and motivation. Informational bulletin boards are located in each housing unit. You are expected to review the information on these boards daily. Schedules of activities, changes in rules and regulations, call outs, and/or special events are posted on the bulletin boards.

Town Hall Meetings:
Are conducted monthly, or as deemed necessary, by the Unit Manager, attendance is mandatory. These meetings are held to make announcements and to discuss changes in policy and provide needed information. Inmates are encouraged to ask pertinent questions. These questions should pertain to the unit as a whole, rather than personal questions or problems. Personal problems will be resolved in private meetings with your unit staff.

Program Reviews:
The Unit Team will meet with you and formally review your program every 90 days, if you are within one year of your release date, and every 180 days for the remaining population. Attendance for your program review is mandatory. You should be prepared to discuss your institutional progress and any request you have. Consideration for transfers, community corrections center placement, job changes, and similar modifications in your program will normally be handled during these team meeting.

Progress Reports:
When a progress report is prepared, you will be given the opportunity to review it and you will receive a copy. You will be asked to sign the cover page indicating you have received a copy. Your signature does not indicate your agreement with the contents of the report.

Central Inmate Monitoring System (CIMS):
Refers to the procedures by which the BOP monitors and controls the transfer and participation in community activities of inmates who pose special management consideration. The designation as a CIMS case does not, in and of itself, preclude an inmate from transfer consideration or participation in community activities. Your Case Manager will notify you if you are placed in (CIMS).

Savings Account:
To establish a savings account, you need to contact:

    Community Bank of Alabama
    P.O. Box 9
    Union Town, Alabama 36786
    Attn: Ms. Vanette B. Caine
    Asst. Vice President

In the event you need assistance, your unit counselor will be able to assist you.

Release Gratuities:
Are monies given upon release. This amount is based on individual need. The Case Management Coordinator will be responsible for determining the financial needs of the inmate nearing release. Release transportation expenses will be provided to an inmate’s release destination or halfway house location.
COMMISSARY

The Commissary is located next to Food Service and operates for the benefit of the inmates. Inmates who have funds posted in their commissary account will be permitted to spend up to $320.00 monthly for a variety of articles.

Checking account balance and notes:
Inmates may check their account balance using the TRULINCS computers located in the housing units. PIN numbers can be obtained in the Business Office, Inmate’s Account Section, on Tuesdays and Thursdays from 11:00 A.M. to noon. Account balances can also be obtained via the ITS-II system (instructions are provided in that section).

**REENTRY**

The BOP’s reentry initiative is to provide inmates with the necessary skills and resources to succeed upon release. Using coordinated efforts from various departments throughout the institution, we have developed and implemented numerous training programs, activities, and opportunities to assist you with preparing for your return to the community.

Your Inmate Skills Development (ISDS) tool is your way and our way of assessing your needs while you are at the institution. You will begin completing this assessment tool during your initial classification meeting with your Unit Team. The assessment tool identifies 9 skill areas and measures your strengths and weaknesses in relation to release readiness. During each team meeting you will review your ISD plan with your Unit Team and programs will be recommended for you that will assist you with your release planning and preparation. It will be up to you as to whether or not you choose to be active in your release preparation and improve upon skills identified in the plan that need your attention, or you need to improve.

In order to assist with employment readiness upon release, you will need at least two forms of identification. If you currently have proper identification at home, or on your person, you may have it mailed to your Unit Team and placed in your central file and it will be given to you upon your release. You cannot have any form of identification in your possession while you are incarcerated.

**RESIDENTIAL RE-ENTRY CENTER PLACEMENT**

Inmates nearing release, who need assistance in obtaining a job, residence or other community resources, may be transferred to a Residential Re-Entry Center (RRC).

RRC’s provide a suitable residence, job placement, and counseling while monitoring the offender’s activities.

They also provide drug/alcohol testing, counseling, and treatment. While in the program, employed offenders are required to pay subsistence to help defray the cost of their confinement. The payment rate is 25% of the inmate’s income.

Each RRC has three programs components. The pre-release component assists offenders making the transition from an institution setting to the community, or as a resource while under supervision. Offenders in the pre-release component generally have more access to the community and family members through weekend and evening passes.

The community corrections component is the most restrictive program component. Except for employment and other approved program activities, the offenders in the community corrections component, must remain at the RRC. The home confinement component is the least restrictive program component. Offenders in this program component are permitted to reside at their approved residence.
CULTURAL DIVERSITY

The correctional environment is a multi-cultural environment that may cause some to experience discomfort. Your attitude about diversity, along with respect for others, is important if you want to live harmoniously in this setting.

Respect begins with the self and extends to others in our actions and/or behaviors. You will be exposed to different races, classes, ages, cultures, and religions. While our personal experiences, beliefs, training, education, religion and value systems affect our attitudes through cross-cultural experiences, we can become more tolerant.

The Bureau of Prisons has a ZERO TOLERANCE policy on any form or level of discrimination and/or violence. Psychology Services offers programs to minimize the negative impact of intolerance.

EDUCATION DEPARTMENT

FCI Miami Education Department offers a variety of programs to meet the varied needs of the inmate population. All inmates are interviewed to determine their educational and testing needs as part of the A&O process.

Effective May 1, 1991, the Federal Bureau of Prisons increased the literacy requirement to a High School Diploma or equivalence. All inmates who do not have a verified High School Diploma or equivalence are required to attend a GED Preparation class for a period of 240 instructional hours or until successful passing of the GED Exam. You will be given the (TABE) TEST OF ADULT BASIC EDUCATION, interviewed by an Education staff member, and placed in the appropriate class if needed. An inmate will not receive approval to voluntarily withdraw from the literacy program until he completes at least 240 instructional hours in the program. Inmates under VCCLEA and PLRA could have their Good Conduct Time affected if not enrolled and actively participating in the GED program. An incentive award of Five (5) dollars is given to an inmate who completes the TABE Test, while Twenty-Five (25) dollars is awarded to those who pass the GED or ESL examinations.

Other classes offered by the Education Department are: (ESL) English as a Second Language, Parenting, Janitorial, Pre-Release Preparation, College and other Correspondence Courses, Drafting VT, Apprenticeship programs such as Plumbing, Electrician, Heating and Air Conditioning, Landscape Technician. Adult Continuing Education courses (ACE) are held during the afternoon and evening hours.

The Law, Leisure and Media Lab Libraries are located in the Education Building. They are equipped with books, forms, newspapers, magazine, and typewriters. Audio-visual equipment such as cassette players and TV/VCRS are available for check out to be used within the department. There is also an Interlibrary Loan whereby inmates can borrow up to five books form the Florida Interlibrary Loan Department. All Interlibrary Loan books must be returned by the due date, otherwise charges are assessed. The library hours are Mon-Thu 7:30 A.M.-8:00 P.M., Fri 7:30 A.M.-3:00 P.M. and Sat 7:30 A.M.-3:30 P.M. There is also an “out-count” available on Saturdays to permit inmates to remain in the Law/Leisure Library during the 10:00 A.M. count. Those wishing to sign up for the out-count must sign up in the “out-count book” located in the Law Library by noon on the Friday before and must be present in Library by 9:00 A.M. on Saturday.

This institution has implemented an Electronic Law Library System (ELL). The ELL is a useful tool enabling you to conduct any legal research you may have. Inmate Law Clerks are available during all ELL hours to assist you with accessing the ELL, as well as to teach you how to use all features of this program. If you are interested in any of the aforementioned programs, please present a cop-out or inmate request to the Education Department for enrollment or stop by to obtain more information.

1 The VCCLEA (Violent Crime Control Act) mandates that an inmate whose offense was on or after September 13, 1994, but before April 26, 1996, and who lacks a high school credential, participates in and makes satisfactory progress toward attaining a General Education Development (GED) credential in order to vest earned Good Conduct Time (GCT).

2 The PLRA (Prison Litigation Reform Act) provides that, in determining GCT awards, the Bureau will consider whether an inmate, with a date of offense on or after April 26, 1996, who lacks a high school credential, participates and makes satisfactory progress toward attaining a GED credential, in order to be eligible to earn the maximum amount of GCT.

**FINANCIAL RESPONSIBILITY PROGRAM (FRP)**

The Bureau of Prisons strongly encourages you to satisfy your legitimate financial obligations (e.g., special assessments, committed fines, non-committed fines, court ordered restitution, fines and court cost, child support, alimony, etc.).

As part of the initial classification process, your unit team will provide you with the opportunity to develop a financial plan for satisfying these obligations. You are responsible for making all payments required, either from earnings within the institution or from outside resources. You must provide documentation of compliance and payment.

Although this is a voluntary program, if you refuse to meet your obligations, you can neither work for UNICOR nor receive performance pay above the maintenance pay level ($5.25 per month). Institution assignments such as the Yard, Recreation, Trash Detail, Orderly or visiting Room needs the Associate Warden of Programs approval if you are in refusal status. You will also be held to a $25.00 per month spending limit for commissary excluding purchase of stamps, telephone credits and allowable common fare participant entrees. You will not be allowed to participate in the Pre-Release Halfway House Program.

If you have a substantial fine, you may, at the recommendation of the Unit Team, be placed on the UNICOR priority hiring list. Such placement would allow for accelerated payment of monies due.

During subsequent program reviews, your Team will consider your willingness and dedication to addressing your legal Financial Responsibility Program (FRP), this factor will be assessed when considering you for various programs.

The U.S. Parole Commission will also review financial responsibility progress at parole hearings. The lack of institution earnings does not exclude you from developing a financial plan.

**NOTE:**
Unless otherwise ordered by a court, interest will accrue on the unpaid balance of your fine during your period of incarceration.

For detailed information concerning this program, contact your Unit Team or review the Program Statement in the Law Library.

A positive test result reveals that the individual was exposed to the disease but does NOT indicate that the person has an active form and presents any risk to others. All inmates that have a positive reaction will be given a Chest X-Ray and will be offered the proper treatment. Make sure the PPD test is read within 72 hours of your arrival by reporting it to the P.A. administering A SICK CALL. Idle - An inmate must remain in his quarters except for meals, pill-line, sick-call, religious services, or Health Services Call-outs. The inmate is prohibited from participating in any work assignment or recreational activities. Idle slips should be displayed on the bunk or locker in full view for staff.

Convalescence - An inmate will not participate in any work assignment, but, he is not restricted to his quarters. He may not participate in strenuous recreational activity. He may engage in activities such as chess, checkers, and cards. If the inmate is enrolled in an education program, he must attend class unless specifically excused by written statement on the Convalescent form.

Medical Restriction - If medically indicated, an inmate will be placed on limited duty. Limited duty is prescribed when an inmate does not require an idle or convalescence but, does have medical restrictions which must be monitored on a work assignment.

Examples:
No lifting over (indicated) pounds, no prolonged walking or standing. Work restrictions will be specified on the Medical Duty Status Form.
INMATE DISCIPLINE

Inmates must have respect for the rights and property of others. You are urged to develop and exercise self-discipline. Rules, regulations, and policies are made to maintain a healthy and peaceful climate and to ensure an orderly operation of the facility. The inmate discipline policy has been developed to deal with those individuals who cannot or will not exercise self-discipline.

Violation of regulations may result in an incident report and imposition of sanctions, as outlined later in this manual. In the event misconduct is observed by staff or there is evidence that misconduct has occurred, an incident report may be written by staff. This is the first step in the disciplinary process. Incident reports are first investigated by a Lieutenant and the results forwarded to your Unit Team. The team meets as the Unit Discipline Committee (UDC) and may impose limited sanctions for most misconduct (for example, suspension of privileges, quarters change, job change, assigning extra duty, etc.).

If charges are more serious, the case will be referred to the Discipline Hearing Officer (DHO) who can impose more serious sanctions (for example, forfeiture of good time, recommendation of transfer to a higher security level institution, or referral of the case to the F.B.I. for criminal action in a U.S. District Court). The internal disciplinary system is outlined in detail in Program Statement # 5270.09, which is available in the Law Library.

FCI Miami in accordance with BOP Policy, will be a tobacco-free facility. Effective February 1, 2006, any inmate found to be in possession of any type of tobacco will be charged with possession of Tobacco, Code 331, and subject to disciplinary action from the DHO.

Tables 1 and 2 provide a summary of the discipline system, while Table 3 provides a listing of prohibited acts by level of severity and shows the range of sanctions which may be imposed for violation of the institutional rules.

SPECIAL HOUSING UNIT
INMATE RULES

The following is a list of rules that shall be observed in The Special Housing Unit by all inmates assigned to either Administrative Detention or Disciplinary Segregation.

You are subject to incident reports for all infractions of inmate discipline policy while in SHU. SHU rules will be followed at all times.

You will be allowed three (3) showers per week, normally on Monday, Wednesday and Friday.

You will be provided the opportunity for a minimum of five (5) hours of recreation/exercise a week. One (1) hour per day, Monday through Friday. All cells will be cleaned and beds made before inmates are allowed to go to recreation. All inmates will be dressed in the assigned uniform before being allowed to receive recreation.

(A) While in administrative detention status, you will be afforded the opportunity of one (1) phone call every seven (7) days, beginning from the time of your first call, unless you are on phone restriction.

(B) While in disciplinary segregation status, you will be afforded the opportunity of one (1) phone call every thirty (30) days, beginning from the time of your first call, unless you are on phone restriction. All requests for phone calls must be submitted in writing and approved by the Special Housing Lieutenant.

Monday through Friday, the lights will be turned on at 6:10 a.m. until the conclusion of the 10:00 p.m. count. You will be required to make up your bed and clean your cell prior to 7:30 a.m. Once this is completed, then you may lay on top of your bed.
You will not be allowed to hang anything on your cell wall, lights, window, doors, bed, or window bars at any time. Nothing can be placed or stored in windows areas, and no window can be covered. This includes blankets, sheets, clothing or anything else prohibiting staff from seeing into the cell. There will be no graffiti or writing on the walls of your cell. Cloths-lines will not be used at any time.

Sick call is between 6:10 a.m. and 10:00 a.m., Monday through Friday.

The designated quiet hours in the unit are from 10:00 p.m. to 6:10 a.m. During this period, there will be no yelling or any other disruptive behavior which will disturb other inmates.

Inmate Request To Staff Member forms (cop-outs) are available from the officers on duty and should be used for all requests for staff.

You will be afforded the opportunity for hair cut, twice a month. All requests must be submitted, in writing, and directed to the SHU lieutenant.

You will be allowed to exchange unit issued linen once a week. Clothing exchange will be conducted during shower times.

You are only permitted to keep two (2) cups in your cell at any time. One per inmate.

All inmates will stand for the 4:00 p.m., 10:00 p.m. count, any Emergency Counts, and during the 10:00 a.m. count on Weekends or Holidays.

NOTE:
Pursuant to Bureau of Prisons= Inmate Telephone Regulations: All conversations on this telephone are subject to monitoring. Your use of this telephone constitutes consent to this monitoring. You must contact your unit team to request an unmonitored Attorney call.

CORRECTIONAL SYSTEMS DEPARTMENT (CSD)

Through the Correctional System Department (CSD), you not only enter on your first day, but you will also depart the facility (release, furlough, transfer, court appearance, etc.). Your mail, property, and, most important, your records are processed here. CSD is divided into three functional areas: Receiving and Discharge (R&D), Mail Room, and Record Office. There is an CSD Open House from 11:15 a.m. to 11:45 a.m. noon on Tuesdays and Thursdays to answer questions regarding your mail, property, prior custody credit, or sentence computation. Open House is held at the G Unit Grill Entrance to R&D.

Camp Open House is on Wednesday from 3:15 p.m. To 3:45 p.m.

R&D/PROPERTY MANAGEMENT:

Upon your arrival at this facility, you are allowed to keep only that property authorized by this institution.
When departing the facility, your property will be shipped to your destination or to an address of your choice. If property is not claimed and is returned to this facility, it will be considered abandoned and will be disposed of according to Bureau of Prisons procedures. Provisions may be made for the delivery of release clothing or court clothes, if needed. This will be arranged through your Unit Team.

Only one radio (battery operated), with inmate register number engraved as proof of ownership, and one watch, with Inmate Personal Property Record Form 383 and/or a commissary receipt as proof of ownership, may be retained. The radio may not be equipped with taping capability, must be equipped with earphone adaptor and must not exceed $75.00 in value. The watch may not exceed $100.00 in value.

A religious medal and chain, inclusive value of not more than $100.00, may be possessed. All questions regarding religious articles will be referred to the Chaplain.

Any article that is not issued to you, purchased by you from the commissary, or for which you do not have authorization is contraband. Articles of clothing in excess of allowed limits and articles used for unauthorized purposes are also considered contraband. Possession of contraband is a serious offense and can result in disciplinary action.

MAIL ROOM/CORRESPONDENCE:

INCOMING mail is processed by CSD Staff. All general correspondence is opened and inspected for contraband. Correspondence from attorneys will be treated as Special Mail (delivered by Mail Room Staff, opened and inspected in the presence of the inmate) if it is properly marked. The envelope must be marked with the attorney’s name and an indication that he or she is an attorney. The front of the envelope must be marked “Special Mail - Open Only in the Presence of the Inmate.” It is the responsibility of the inmate to advise his attorney about this policy. If legal mail is not properly marked, it will be opened as general correspondence.

Magazines may be mailed in by family members and friends. However, newspapers must be mailed in directly from the publisher.

You may receive hardcover books from a publisher, book club or book store. You are limited to five books, two current magazines and one current newspaper in your possession at any time. Education or Religious materials for ongoing courses are exempt from this requirement.

The following items may not be mailed into the institution:

1. Postage Stamps.
2. Stationery Supplies.
3. Unused Greeting Cards, including the Small Plastic Cards.
6. Polaroid Pictures.

First-class mail and publications are distributed Monday through Friday, excluding holidays, after the 4:00 P.M. count. Inmates are required to attend mail call. All mail received from the U.S. Post Office is normally processed for delivery the same day it arrives.

The ONLY authorized express service for approved packages and letter receipt is via U.S. Postal Service Express Mail. Express Mail received for inmates is processed as first-class mail upon receipt at the institution. Mail from Federal Express, United Parcel Service, and like companies are not accepted for delivery to inmates.
An authorization must be on file in the Mail Room prior to a package arrival at the institution. If there is no authorization, the package will be refused at the U.S. Post Office and returned to sender. A copy of the signed authorization must be enclosed inside the package. Authorization may be obtained from the appropriate department, the Unit Team, the Chaplain, Education, or Health Services.

**OUTGOING:**
General correspondence will be deposited in the mailbox located in the housing units. Outgoing mail may be sealed. Special mail (legal mail) for inmates may be dropped off in the Lieutenant’s office during the following times:
- Monday thru Friday 7:00 a.m. to 7:15 a.m.
- Saturday - Sunday and Federal holidays 9:00 a.m. to 9:15 a.m., which may be sealed. Express mail and C.O.D. services are not available for inmate outgoing mail.

All mail addressed to or from an inmate must contain the following information:

- **Committed Name**
- **Register Number**
- **Federal Correctional Institution**
- **P.O. Box 779800**
- **Miami, Florida 33177**

All outgoing inmate mail will display an appropriate return address in the upper left-hand corner of the envelope. This will include the full name of the facility as **Federal Correctional Institution** and not the acronym **FCI**. Any outgoing mail that does not contain the appropriate return address will be return to the inmate for correction.

Correspondence between confined federal inmates requires the approval of the Unit Manager at each institution. Correspondence between inmates at non-federal facilities requires the approval of the Warden at each institution. An inmate may correspond with family members or co-defendants (ongoing legal action in which both parties are involved) at other penal or correctional institution after this information has been verified by your unit team. To request this communication, a cop out should be submitted to your unit team.

**RECORD OFFICE:**
This office is responsible for the legal commitment and release of offenders. Newly committed offenders will receive a sentence computation with a projected release date once it is completed. This normally occurs within thirty days of your arrival at the institution. For those inmates who transfer in from other institution, a new computation sheet will not necessarily be sent to you if there is no change in your projected release date.

Offenses committed after September 13, 1994 will be subject to the Violent Crime Control and law Enforcement Act and will be determined by Case Management to be either violent or non-violent. Offenses committed after April 26, 1996 will be subject to the Prison Litigation Reform Act. Both of these laws affect the discipline policy and the award, disallowance, and/or forfeiture of good conduct time.
INSTITUTION RELEASE PREPARATION PROGRAM

The Institution Release Preparation Program is a volunteer program for inmates who are within 30 months of release. Inmates will be recommended to participate in a core curriculum of programs that will focus on making the transition from incarceration to the community. Topics included in this core curriculum are organized into six broad categories such as Health and Nutrition, Employment, Personal Finance and Consumer Skills, Personal Growth and Development, Release Requirements and Procedures, and Community Resources (Pre-Release). Each course is outlined in a yearly calendar of classes offered at a minimum quarterly. Inmates may sign up for participation by submitting an Inmate Request to Staffs to the Institution Release Preparation Coordinator, and they will be placed on callout. The goal of the program is to assist inmates in preparing for a successful release back into the community. This can be achieved when inmates release with job readiness skills, a resume, and finances saved for release purposes. Your Unit Team will discuss each of these areas during your regularly scheduled programs reviews. Your Participation will be evaluated by your unit team during regularly scheduled Program Reviews.

This Release Preparation Seminars will allow you to ask questions of the U.S. Probation Office, Community Corrections Manager and Reentry Residential Center staff. Each inmate should develop a release folder during the last 24 months of incarceration to include a resume and cover letter, all certificates of achievement, education transcript, and sample applications for employment.

This concept is aimed at increasing your chance of securing stable employment upon release as well as developing healthy relationships with your family.

Program Statement 1315.07
Institution Supplement MIA-1315.6-1A

These are individuals who are employed by duly licensed attorneys to perform specific task concerning your case. Investigators, interns, paralegals, and legal assistants fall into this category. The attorney for whom they work must authorize them to correspond, visit, and interview clients on their behalf. This authorization includes completion of an Application to Enter an Institution as Representative of an Attorney form.

The application must be accompanied with a pledge to supervise the representative’s activities, and acceptance of personal and professional responsibility for all acts of the representative which may affect the institution, its inmates, and staff.

At least one (1) week, from the time the application and documentation is received, must be given for the processing of the application. When the application is cleared, the originals will remain on file. The representative will be allowed to correspond, visit and interview clients of the attorney for whom he/she works, however, at least 24 hours notice must be provided before each requested visit.

ADMINISTRATIVE REMEDIES

28 C.F.R. 542.10
Program Statement 1330.13
Institution Supplement MIA-1330.13B

If you cannot resolve a complaint through normal contact with staff, or through an “Inmate Request to Staff Member” form and wish to file a formal complaint for administrative remedy, you must first attempt informal resolution through your unit Counselor. Documentation of your attempt must be attached to the formal Request for Administrative Remedy form when you return it for acceptance.

The “Request for Administrative Remedy” form is also obtained from a member of your unit team. The formal complaint must be filed within twenty (20) calendar days on which the basis of the complaint occurred (20 days from the day of the incident). You may only submit one complaint per form and the Warden has twenty (20) calendar days from receipt of the complaint to act upon the matter and provide a written response. A member of your unit team will provide you with a receipt which indicates the date your request was received and when the Warden’s response is due.

If you are not satisfied with the Warden’s response, you may file an appeal within twenty (20) calendar days to the Southeast Regional Director. This should be done on the proper Request for Administrative Remedy Appeal form and should include a copy of the Warden’s response as well as the “Request for Administrative Remedy” form you originally submitted.

This form can be obtained from a member of your unit team. The Regional Director has thirty (30) days upon receipt of your appeal to respond. Again, your unit Counselor will provide you with a receipt which indicates the date your request was received at the Regional level and when the Regional Director’s response is due.
If you are not satisfied with this reply, you may file a final appeal to the Bureau of Prisons, Assistant Director, Office of General Counsel, within thirty (30) calendar days of receipt of the Regional Director’s response. This must be done on the proper “Central Office Request for Administrative Appeal” form and must include a copy of the previous request and appeal with the responses. Within forty (40) calendar days, written response will be made.

As the procedures above note, your unit Counselor will provide you with a receipt which indicates the date your appeal was received at the Central Office level and the date the response is due.

The Executive Assistant is the Administrative Remedy Coordinator at this institution. Should you have any questions, or experience difficulty with your Administrative Remedies, direct an “Inmate Request to Staff Member” form to the Executive Assistant’s attention.

Federal Tort Claims Act

28 U.S.C. 2671
28 C.F.R. 543.30
Program Statement 1320.03
Institution Supplement 1320.3C

The above mentioned statues and policies govern this type of claim where an inmate’s personal property is lost or destroyed or an inmate receives personal injury caused by wrongful or negligent acts or failure of a government employee to act within the scope of his/her employment. The claim must be presented in writing with the supporting documentation to the Regional Office where the incident occurred.

In case of property loss, a copy of all documentation including proof of ownership, purchase, etc., must be included with the claim. This form can be obtained from the Business Office or through your Unit Team.

The statute of limitations requires the filing of an administrative claim within (2) years of the incident and requires the filing of a civil suit within six (6) months from the denial of the administrative claim (see your Unit Team).

PERSONAL PROPERTY

Inmates are authorized to possess items, which are purchased in the Commissary, approved by the Warden, or authorized to be received by the inmate. The amount of property allowed (civilian or institution issue) will be limited to those items which can be neatly and safely stored inside their individual locker. Property that cannot be properly stored will be considered excess property, confiscated and disposed of according to current policy.

No inmate may be in possession of or authorize to retain dark blue, black, red, or camouflage clothing with the exception of American Indians as authorized by the Chaplain. No logos or slogans are permitted on inmates personal clothing.

Inmates will be held accountable for all property found in their lockers and cells. You must maintain only authorized limits. Altered clothing will be considered contraband and disciplinary action may result.

Such specific instances are requests from employees of the Department of Justice, Law Enforcement Agencies, Freedom of Information Act Releases, Congress, Court Orders, etc.

ACCESS TO CENTRAL FILES

An inmate at any time may request to review all “disclosure portions” of his central files by submitting a request to his Unit Team. Staff will acknowledge the request and schedule the inmate, as promptly as possible, for a review of his file. The Freedom of Information Act (FOLA) Exempt section contains information that is not disclosable to you by Institution staff. You may request disclosure through writing Freedom of Information/Privacy Act (FOLA) Section, 320 First Street, NW, NALC Building, Room 401, Washington, D.C. 20534.

An inmate may request personal copies of central file documents. Institution staff will arrange for copies of disclosable materials and summaries. Fees are charged in accordance with 28 CFR 16.46. Fees collected will be forwarded to the Office of General Counsel.

PSYCHOLOGY SERVICES

The Department of Psychology at FCI-Miami identifies and treats inmates with mental health problems. As part of their functions, the department helps inmates cope with difficulties that surface as a result of incarceration and separation from home, family, and friends. The psychology and medical staff work closely together to provide a coordinated approach to treatment. The psychology department also conducts psychological evaluations, provides crisis consultation, makes referrals to Medical Services, and offers individual and group counseling services in English and Spanish.

The Psychology Department provides a 12-15-hour comprehensive Drug Education program for individuals with a history of drug or alcohol use. Groups are available to educate the inmate population on the effects of drug use, as well as to provide support for those recovering from their drug use. Details of these meetings are available from the Drug Abuse Program Coordinator and/or the Drug Treatment Specialist, Monday through Friday (excluding holidays). Inmates requiring individual counseling sessions can request these by submitting a cop-out.

The Non-residential Drug Abuse Treatment is available to inmates with substance abuse problems. This treatment can be either individual and/or group counseling, depending on the needs of the individuals and the number of individuals requiring treatment. Inmates interested in volunteering for the Non-Residential Drug Abuse Treatment program need submit a Request to Staff to the DAP Coordinator. This course runs from 12 - 24 weeks, 90 to 120 minutes per class.

The Residential Drug Abuse Treatment Program consists of 500 intensive treatment hours during which the inmate explores the factors that contributed to his use of drugs and alcohol, and the effect of such decision on his life. To apply for this program the inmate needs to prove a history of drug/alcohol abuse, cannot have a history of violence in his background, and needs to be an American citizen (or Cuban national). This program is offered in English and Spanish.

Incentives of the RDAP: Certain inmates may be eligible for six-month CCC placement and a sentence reduction of up to 12 months upon successful completion of RDAP and community transitional services. In order to be eligible for these incentives, the inmate must first be deemed qualified to participate in RDAP. Inmates will be notified in writing regarding their eligibility for early release. If you are interested in participating in this program or obtaining additional information to determine if you are eligible, please submit a cop-out.
D.C Inmates: DC Code offenders may be eligible for early release consideration if they participate in the RDAP. This affects only D.C. Code felony offenders sentenced under 24-403.01, for an offense committed on or after August 5, 2000. Please contact psychology staff for further information.

Inmate Change and Network Program: I CAN is a residential program for inmates interested in changing those behaviors, thoughts, attitudes, that are conducive to criminal behavior and recidivism. Each participant is required to take a set of core courses (7 Habits of Highly Effective People, Living Free, Errors in Criminal Thinking, Goal Setting, 8th Habit, Etiquette) along with numerous classes offered throughout the institution and on the Unit.

Inmates interested in receiving psycho-educational material over the radio can do so by tuning in to station FM 107.9. While on this channel, inmates will be exposed to a diverse series of lectures that include topics such as principles for success, self-awareness, a balanced life, basic financial principles, among other topics.

The Suicide Watch Companion Program is a component of the Suicide Prevention Program. Participants in this program observe suicidal inmates who have been placed on Suicide Watch.

Sexually Abusive Behavior
Prevention and Intervention

You Have the Right to be Safe from Sexually Abusive Behavior.
While you are incarcerated, no one has the right to pressure you to engage in sexual acts.
You do not have to tolerate sexually abusive behavior or pressure to engage in unwanted sexual behavior from another inmate or a staff member. Regardless of your age, size, race, ethnicity, gender or sexual orientation, you have the right to be safe from sexually abusive behavior.

What Can You Do To Prevent Sexually Abusive Behavior?
Here are some things you can do to protect yourself and others against sexually abusive behavior:
- Carry yourself in a confident manner at all times. Do not permit your emotions (fear/anxiety) to be obvious to others.
- Do not accept gifts or favors from others. Most gifts or favors come with strings attached to them.
- Do not accept an offer from another inmate to be your protector.
- Find a staff member with whom you feel comfortable discussing your fears and concerns.
- Be alert! Do not use contraband substances such as drugs or alcohol; these can weaken your ability to stay alert and make good judgments.
- Be direct and firm if others ask you to do something you don’t want to do. Do not give mixed messages to other inmates regarding your wishes for sexual activity.
- Stay in well lit areas of the institution.
- Choose your associates wisely. Look for people who are involved in positive activities like educational programs, psychology groups, or religious services. Get involved in these activities yourself.
- Trust your instincts. If you sense that a situation may be dangerous, it probably is. If you fear for your safety, report your concerns to staff.

How Do You Report an Incident of Sexually Abusive Behavior?
It is important that you tell a staff member if you have been sexually assaulted. It is equally important to inform staff if you have witnessed sexually abusive behavior. You can tell your case manager, Chaplain, Psychologist, SIS, the Warden or any other staff member you trust.

BOP staff members are instructed to keep reported information confidential and only discuss it with the appropriate officials on a need-to-know basis concerning the inmate-victim’s welfare and for law enforcement or investigative purposes. There are other means to confidentiality report sexually abusive behavior if you are not comfortable talking with staff.

Write directly to the Warden, Regional Director or Director. You can send the Warden an Inmate Request to Staff Member (Cop-out) or a letter reporting the sexually abusive behavior. You may also send a letter to the Regional Director or Director of the Bureau of Prisons. To ensure confidentiality, use special mail procedures.

File an Administrative Remedy. You can file a Request for Administrative Remedy (BP-9). If you determine your complaint is too sensitive to file with the Warden, you have the opportunity to file your administrative remedy directly with the Regional Director (BP-10). You can get the forms from your counselor or other unit staff.

Write the Office of the Inspector General (OIG) which investigates allegations of staff misconduct. OIG is a component of the Department of Justice and is not a part of the Bureau of Prisons. The address is:

Office of the Inspector General
P. O. Box 27606
Washington, D.C. 20530
Understanding the Investigative Process

Once the sexually abusive behavior is reported, the BOP and/or other appropriate law enforcement agencies will conduct an investigation.

The purpose of the investigation is to determine the nature and scope of the abusive behavior. You may be asked to give a statement during the criminal proceedings.

Counseling Programs for Victims of Sexually Abusive Behavior
Most people need help to recover from the emotional effects of sexually abusive behavior. If you are the victim of sexually abusive behavior, whether recent or in the past, you may seek counseling and/or advice from a psychologist or chaplain. Crisis counseling, coping skills, suicide prevention, mental health counseling, and spiritual counseling are all available to you.

Management Program for Inmate Assailants
Anyone who sexually abuses/assaults others while in the custody of the BOP will be disciplined and prosecuted to the fullest extent of the law. If you are an inmate assailant, you will be referred to Correctional Services for monitoring. You will be referred to Psychology Services for an assessment of risk and treatment and management needs. Treatment compliance or refusal will be documented and decisions regarding your conditions of confinement and release may be effected. If you feel that you need help to keep from engaging in sexually abusive behaviors, psychological services are available.

Policy Definitions
Prohibited Acts: Inmates who engage in inappropriate sexual behavior can be charged with the following Prohibited Acts under the Inmate Disciplinary Policy:
- Code 101/(A): Sexual Assault
- Code 205/(A): Engaging in a Sex Act
- Code 206/(A): Making a Sexual Proposal
- Code 221/(A): Being in an Unauthorized Area with a Member of the Opposite Sex
- Code 300/(A): Indecent Exposure
- Code 404/(A): Using Abusive or Obscene Language

Staff Misconduct: The Standards of Employee Conduct prohibit employees from engaging in, or allowing another person to engage in sexual, indecent, profane or abusive language or gestures, and inappropriate visual surveillance of inmates. Influencing, promising or threatening an inmate’s safety, custody, privacy, housing, privileges, work detail or program status in exchange for sexual favors is also prohibited.

What is sexually abusive behavior? According to federal law (Prison Rape Elimination Act of 2003) sexually abusive behavior is defined as:
a. Rape: the carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person FORCIBLY or against that person’s will; The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person not forcibly or against the person’s will, where the victim is incapable of giving consent because of his/her youth or his/her temporary or permanent mental or physical incapacity; or The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person achieved through the exploitation of the fear or threat of physical violence or bodily injury.

Carnal Knowledge: contact between the penis and vulva or the penis and the anus, including penetration of any sort, however slight.

Oral Sodomy: contact between the mouth and the penis, the mouth and the vulva, or the mouth and the anus.

b. Sexual Assault with an Object: the use of any hand, finger, object, or other instrument to penetrate, however slightly, the genital or anal opening of the body of another person (NOTE: This does NOT apply to custodial or medical personnel engaged in evidence gathering or legitimate medical treatment, nor to health care provider's performing body cavity searches in order to maintain security and safety within the prison).

c. Sexual Fondling: the touching of the private body parts of another person (including the genitalia, anus, groin, breast, inner thigh, or buttocks) for the purpose of sexual gratification.

d. Sexual Misconduct (staff only): the use of indecent sexual language, gestures, or sexually oriented visual surveillance for the purpose of sexual gratification.

An incident is considered Inmate-on-Inmate Abuse/Assault when any sexually abusive behavior occurs between two or more inmates. An incident is considered Staff-on-Inmate Abuse/Assault when any sexually abusive behavior is initiated by a staff member toward one or more inmates. It is also considered Staff-on-Inmate Abuse/Assault if a staff member willingly engages in sexual acts or contacts that are initiated by an inmate.

NOTE: Sexual acts or contacts between two or more inmates, even when no objections are raised, are prohibited acts, and may be illegal. Sexual acts or contacts between an inmate and a staff member, even when no objections are raised by either party, are always forbidden and illegal. Inmates who have been sexual assaulted by another inmate or staff member will not be prosecuted or disciplined for reporting the assault. However, inmates will be penalized for knowingly filing any false report.
What Can You Do if You Are Afraid or Feel Threatened?

If you are afraid or feel you are being threatened or pressured to engage in sexual behaviors, you should discuss your concerns with staff. Because this can be a difficult topic to discuss, some staff, like psychologists, are specially trained to help you deal with problems in this area.

If you feel immediately threatened, approach any staff member and ask for assistance. It is part of his/her job to ensure your safety. If it is a staff member that is threatening you, report your concerns immediately to another staff member that you trust, or follow the procedures for making a confidential report.

What Can You Do if You Are Sexually Assaulted?

If you become a victim of a sexually abusive behavior, you should report it immediately to staff who will offer you protection from the assailant. You do not have to name the inmate(s) or staff assailant(s) in order to receive assistance, but specific information may make it easier for staff to know how best to respond. You will continue to receive protection from the assailant, whether or not you have identified him or her (or agree to testify against him/her).

After reporting any sexual assault, you will be referred immediately for a medical examination and clinical assessment. Even though you may want to clean up after the assault it is important to see medical staff BEFORE you shower, wash, drink, eat, change clothing, or use the bathroom. Medical staff will examine you for injuries which may or may not be readily apparent to you. They can also check you for sexually transmitted diseases, pregnancy, if appropriate, and gather any physical evidence of assault. The individuals who sexually abuse or assault inmates can only be disciplined and/or prosecuted if the abuse is reported. Regardless of whether your assailant is an inmate or a staff member, it is important to understand that you will never be disciplined or prosecuted for being the victim of a sexual assault.

SAFETY

The Environmental and Safety Compliance Office is responsible for the Safety and Occupational Health Program here at FCI Miami. It is the mission of the Safety Department to maintain a clean and safe living environment. The following regulations and procedures will be strictly enforced. Any questions concerning these regulations and procedures will be directed immediately to the attention of the Safety Manager or designee.

FIRE SAFETY:
Is a critical area of concern to all persons staff and/or inmate, therefore the Safety Department continually monitors the entire facility for areas which may pose a fire threat. Daily, weekly and monthly inspections are conducted of all living and work areas for fire hazards.

Fire protection equipment consists of portable fire extinguishers, heat and smoke detectors with audible alarms and automatic sprinkler systems. Any person or persons responsible for tampering or damaging fire protection equipment will be subject to disciplinary action as well as possible criminal prosecution.

All fire and evacuation plans are posted in English and Spanish. Upon assignment to a housing unit and work detail, you should become familiar with each plan, emergency exits and assembly area for each location.

To ensure that both, staff and inmates know exactly what to do in case of a fire, quarterly fire drills are conducted in all areas of the institution.

FIRE DRILL AND EMERGENCY EVACUATION PROCEDURES:
All departments conduct a fire drill once a quarter. Housing units conduct a fire drill on each shift once a year. When a fire drill is announced, you must:

1. Stop what you are doing.
2. Turn off machinery or equipment; set down your tools.
3. Quietly leave the building in the direction instructed.
   - If a specific exit or direction is not identified, evacuate to the closest exit.
4. Assemble in a safe location and wait for further instructions.

During an emergency, cooperate with staff instructions and promptly evacuate the area. Avoid heavy smoke that rises to the ceiling by staying low; crawl to the nearest exit if necessary.

HAZARDOUS COMMUNICATION PLAN:
Chemicals are used for cleaning and maintenance at this facility. You will receive training on chemicals if you are assigned to a detail where chemicals are used. This training is called chemical hazard communication and will cover necessary precautions to prevent injury.

If you have any questions or concerns about chemical products in this facility, please refer to the product label or direct your concerns to a supervisor. Using or disposing of a product contrary to the label is prohibited and could result in disciplinary action.

This facility is registered under the United States Environmental Protection Agency (EPA), as a small generator of hazardous waste. All hazardous wastes are legally and safely stored for disposal in the hazardous waste storage site located at the institution garage.

We meet all requirements by Federal Law under the Environmental Protection Agency, State of Florida and Dade County Environmental Resource Management (DERM). Weekly and monthly inspections are conducted and maintained and all reporting requirements are met.

In addition, as a worker assigned to a particular detail, you may be subject to using, mixing or applying chemical substances as part of your daily work functions. In such cases, all inmates must be familiar with all materials that may be used in their work site. Accordingly, you are to be familiar with the Material Safety Data Sheet (MSDS) for every substance that you work with.

The MSDS provides a detailed printout of all pertinent information of any chemical product which you may use in the course of your work. It will also provide you with what type of Personal Protective Equipment is needed if any. Should you became aware of, or believe that a specific hazardous condition exists, contact your Supervisor and The Environmental and Safety Compliance Office immediately or any staff member.
HAZARDOUS REPORTING PROCEDURES:
Notify the Environmental and Safety Compliance Office by use of an “Inmate Request to Staff Member” (COP-OUT) form if you have any questions or concerns. You may also obtain a pass from your detail supervisor to visit our office. The Department is located directly behind the Commissary Building.

INJURIES AND INMATE ACCIDENT COMPENSATION
Unless you are medically unassigned, you will be assigned to a work detail. Regardless of where you are assigned you are required and held accountable to follow basic safety regulations.

BP169: Inmate Accident Compensation Handbook. You are required to sign a receipt (form BP169) stating you have read this form and received a copy of the Inmate Accident Compensation Handbook. This form is an acknowledgment that you have been advised of your right to file for compensation should you sustain a work related injury while incarcerated.

A work related injury is defined as an injury sustained while in the performance of maintaining a Federal Correctional Institution. Horseplay, fighting or recreational activities are not covered.

Under Part 301, Chapter III, of Title 28CFR, you must report any work related injury immediately to your work supervisor or any staff member. Upon notification, your supervisor or staff member will direct you to the Health Services Department for examination and/or treatment. An injury accident report will be filed and maintained in the Safety Department.

Should your injury result in you being unable to work for more than three working days, you are entitled to be paid for those days at 75% of the amount of pay held prior to the injury.

If you received a permanent injury, a claim for compensation cannot be filed until 45 days from your official release from federal custody, regardless of the type of release or your INS deportation status. To file your claim you must do so with the Safety Department. You must complete BP S658.016 and a final examination will be scheduled to determine the extent of your disability. All forms will be sent to the Central Office, Washington, D.C. for review and final adjudication.

SANITATION
There are several reasons why each Federal Correctional Facility requires a high level of sanitation, and the mandatory cooperation of each individual inmate in maintaining this level.

However, the most important factors include maintaining a level of sanitation which affords a clean and safe atmosphere in order to assist in the reduction or elimination of unnecessary accidents, decrease occurrences of pest infestation, control the spread of communicable diseases and provide an overall atmosphere in which work and living areas are environmentally safe and free of hazards.

It is the responsibility of each inmate in a room to maintain a high standard of sanitation at all times. All rooms will have a daily sanitation inspection. Failure to attain a satisfactory sanitation rating may result in disciplinary action. The following instructions are a guide to assist inmates in maintaining their individual room areas on a daily basis. The requirements will be met for room sanitation on a daily basis:

Common Areas:
Each individual inmate has a responsibility for the maintenance and sanitation of all common areas, such as, outside area, showers, dormitory bathrooms and TV viewing areas. Each inmate should leave these areas as they would like to find them.

At no time will any changes be made in any inmate living area to any physical plant structure or fixtures that may cause harm or injury to themselves or others. Inmates should inspect their own living areas and follow all stated guidelines listed. If there are any problems which need to be corrected, report these to the appropriate staff member.

FEDERAL PRISON INDUSTRIES UNICOR

Federal Prison Industries (UNICOR) is a self sustained, government owned, corporation that was established by an act of Congress in 1934. All products manufactured by UNICOR are sold only to government agencies, i.e., Veterans Affairs, Department of Defense, GSA, Armed Forces and Justice Department, including the Bureau of Prisons. UNICOR’s primary objective is to train and employ inmates confined within the Bureau of Prisons. Long term studies have shown that participation in UNICOR work program provide skills and work ethics that will enhance the probability of inmates not returning to prison upon release.

Here at FCI-Miami, the UNICOR operation consists of a Textile Cut & Sew Factory which manufactures jackets and linens. The factory employs approximately 280 inmates within its Cutting, Sewing, Folding, Packing, Shipping, Business Office and Quality Assurance departments. Any inmate is eligible to work in UNICOR providing he has completing the medical and educational requirements. The factory hires handicapped inmates when positions are available.

All individuals interested in obtaining a work assignment in UNICOR may submit an Inmate Request to Staff Member (COPOUT) to the factory Manager who will place names on a waiting list. Inmates with prior UNICOR experience will be given priority in hiring. Their names will be placed in the top 10% of the waiting list. Inmates participating in the Inmate Financial Responsibility Program having fines of over $2,000.00 will also be placed on the priority list.

Starting pay is $.23 cents per hour (grade 5) based on a 71/2 hour work day, which begins at 7:20 A.M. and ends at 3:35 P.M., and may progress to grade 1 which is $1.15 per hour. Promotions are based on positions available, production, job performance, and general attitude, i.e. cooperation with supervisors, adherence to the dress codes and rules within UNICOR as well as those of the institution. All inmate workers must comply with safety and sanitation policies and regulations. In addition, promotions in UNICOR are contingent upon educational requirements that must be achieved by the inmate.
MEMORANDUM FOR ALL BUREAU INMATES

FROM: Charles E. Samuels, Jr., Director

SUBJECT: Expectations

As Director of the Federal Bureau of Prisons, it is my responsibility to ensure the safety, security and good order of all 117 prisons, 38,000 staff, and 217,000 inmates. It is also my responsibility to provide you opportunities for self-improvement. In this message, I will explain some of the ways I intend to carry out my duties and also explain my expectations for how you carry out your responsibilities. Over the past few weeks, I have reminded all staff of the BOP's core values: respect, integrity and correctional excellence. This means that everyone is to be treated with dignity and respect: staff, inmates, visitors, and members of the public. You are expected to demonstrate respect as well, to staff, to your fellow inmates and to the rules in place at the prison. You may want to reread the inmate rights and responsibilities information to be sure you are familiar with the expectations we have for you. Inmates who disrespect the rules by engaging in prohibited activities (especially the most serious prohibited acts including possession of intoxicants, weapons, or other contraband) pose a serious threat to the safety and security of the institution and will be subjected to disciplinary action. Participation in any type of gang activity will not be tolerated. In an attempt to ensure the environment is safe for all, inmates who participate in behavior which disrupts the orderly running of the institution may be considered for institutions with greater controls, such as higher security facilities or special management units. You are expected to behave responsibly and to live peacefully with other inmates, regardless of their background or culture.

Nearly all of you will release from prison one day and return to the community. We want you to be prepared to be a productive, law-abiding member of society. Accordingly, we will help you make the best possible use of your time in prison to learn skills, get treatment, build a resume, etc. Regardless of how many days, months, or years you may have time to serve, it is critical that you begin your preparation for reentry today! Ideally, preparation for reentry begins on the first day of incarceration. The Bureau of Prisons has developed tools to identify your needs and programs to address these needs, in the areas of education, work, recreation, health services, psychology, religious services, and more. The career resource centers at every institution can help you in many ways, and the full-time Mentor Coordinators can connect you with mentors while incarcerated who can continue to assist you after release. Staff can and will assist you to get on the path to a successful community reentry, but you must accept responsibility for your own future; you must work hard at the programs recommended for you and make every effort to prepare for release.

The staff of the BOP understand that incarceration can be a difficult experience and that some inmates are overwhelmed by feelings of hopelessness. If you or someone you know is feeling or talking about a sense of hopelessness or suicide, please bring this to the attention of a staff member as soon as possible; the staff are there to help you. Seeking help is a sign of your strength and determination to prevail. Helping yourself or a fellow inmate in a time of crisis is the right thing to do.

11Memorandum for all Inmates (January 27.2012)
Another area of concern to me is sexual assault. If you are being threatened or pressured to engage in sexual behaviors, or are fearful about being sexually assaulted, please discuss your concerns with staff as soon as possible. We take all allegations of sexual abuse or sexual assault very seriously, and are committed to providing assistance to any victims. Please help us prevent this type of incident from occurring by identifying problematic circumstances or perpetrators so we can take appropriate action.

It is my hope that you use your term of incarceration to acquire the skills needed to live successfully in the community. We are here to help you prepare to successfully release from prison and become a productive citizen. Take advantage of the many programs that are available; get help in overcoming problems you have faced; improve skills you have acquired previously; strengthen your spiritual or religious connection. I challenge each of you to use each day to make a positive difference, whether it be for one another, the staff who work with you, your families, or communities.

Sexually Abusive Behavior
Prevention and Intervention

An Overview for Offenders

November 2009
You Have the Right to be Safe from Sexually Abusive Behavior.

While you are incarcerated, no one has the right to pressure you to engage in sexual acts. You do not have to tolerate sexually abusive behavior or pressure to engage in unwanted sexual behavior from another inmate or a staff member. Regardless of your age, size, race, ethnicity, gender or sexual orientation, you have the right to be safe from sexually abusive behavior.

What Can You Do To Prevent Sexually Abusive Behavior?
Here are some things you can do to protect yourself and others against sexually abusive behavior:

- Carry yourself in a confident manner at all times. Do not permit your emotions (fear/anxiety) to be obvious to others.
- Do not accept gifts or favors from others. Most gifts or favors come with strings attached to them.
- Do not accept an offer from another inmate to be your protector.
- Find a staff member with whom you feel comfortable discussing your fears and concerns.
- Be alert! Do not use contraband substances such as drugs or alcohol; these can weaken your ability to stay alert and make good judgments.
- Be direct and firm if others ask you to do something you don’t want to do. Do not give mixed messages to other inmates regarding your wishes for sexual activity.
- Stay in well lit areas of the institution.
- Choose your associates wisely. Look for people who are involved in positive activities like educational programs, psychology groups, or religious services. Get involved in these activities yourself.
- Trust your instincts. If you sense that a situation may be dangerous, it probably is. If you fear for your safety, report your concerns to staff.

What Can You Do if You Are Afraid or Feel Threatened?
If you are afraid or feel you are being threatened or pressured to engage in sexual behaviors, you should discuss your concerns with staff. Because this can be a difficult topic to discuss, some staff, like psychologists, are specially trained to help you deal with problems in this area.

If you feel immediately threatened, approach any staff member and ask for assistance. It is part of his/her job to ensure your safety. If it is a staff member that is threatening you, report your concerns immediately to another staff member that you trust, or follow the procedures for making a confidential report.

What Can You Do if You Are Sexually Assaulted?
If you become a victim of a sexually abusive behavior, you should report it immediately to staff who will offer you protection from the assailant. You do not have to name the inmate(s) or staff assailant(s) in order to receive assistance, but specific information may make it easier for staff to know how best to respond. You will continue to receive protection from the assailant, whether or not you have identified him or her (or agree to testify against him/her).

After reporting any sexual assault, you will be referred immediately for a medical examination and clinical assessment. Even though you many want to clean up after the assault it is important to see medical staff BEFORE you shower, wash, drink, eat, change clothing, or use the bathroom. Medical staff will examine you for injuries which may or may not be readily apparent to you. They can also check you for sexually transmitted diseases, pregnancy, if appropriate, and gather any physical evidence of assault. The individuals who sexually abuse or assault inmates can only be disciplined and/or prosecuted if the abuse is reported. Regardless of whether your assailant is an inmate or a staff member, it is important to understand that you will never be disciplined or prosecuted for being the victim of a sexual assault.

How Do You Report an Incident of Sexually Abusive Behavior?
It is important that you tell a staff member if you have been sexually assaulted. It is equally important to inform staff if you have witnessed sexually abusive behavior. You can tell your case manager, Chaplain, Psychologist, SIS, the Warden or any other staff member you trust.
BOP staff members are instructed to keep reported information confidential and only discuss it with the appropriate officials on a need-to-know basis concerning the inmate-victim=s welfare and for law enforcement or investigative purposes. There are other means to confidentiality report sexually abusive behavior if you are not comfortable talking with staff.

- Write directly to the Warden, Regional Director or Director. You can send the Warden an Inmate Request to Staff Member (Cop-out) or a letter reporting the sexually abusive behavior. You may also send a letter to the Regional Director or Director of the Bureau of Prisons. To ensure confidentiality, use special mail procedures.
- File an Administrative Remedy. You can file a Request for Administrative Remedy (BP-9). If you determine your complaint is too sensitive to file with the Warden, you have the opportunity to file your administrative remedy directly with the Regional Director (BP-10). You can get the forms from your counselor or other unit staff.
- Write the Office of the Inspector General (OIG) which investigates allegations of staff misconduct. OIG is a component of the Department of Justice and is not a part of the Bureau of Prisons. The address is:

Office of the Inspector General

Understanding the Investigative Process
Once the sexually abusive behavior is reported, the BOP and/or other appropriate law enforcement agencies will conduct an investigation. The purpose of the investigation is to determine the nature and scope of the abusive behavior. You may be asked to give a statement during the investigation. If criminal charges are brought, you may be asked to testify during the criminal proceedings.

Counseling Programs for Victims of Sexually Abusive Behavior
Most people need help to recover from the emotional effects of sexually abusive behavior. If you are the victim of sexually abusive behavior, whether recent or in the past, you may seek counseling and/or advice from a psychologist or chaplain. Crisis counseling, coping skills, suicide prevention, mental health counseling, and spiritual counseling are all available to you.

Management Program for Inmate Assailants
Anyone who sexually abuses/assaults others while in the custody of the BOP will be disciplined and prosecuted to the fullest extent of the law. If you are an inmate assailant, you will be referred to Correctional Services for monitoring. You will be referred to Psychology Services for an assessment of risk and treatment and management needs. Treatment compliance or refusal will be documented and decisions regarding your conditions of confinement and release may be effected. If you feel that you need help to keep from engaging in sexually abusive behaviors, psychological services are available.

What is sexually abusive behavior? According to federal law (Prison Rape Elimination Act of 2003) sexually abusive behavior is defined as:

a. Rape: the carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person FORCIBLY or against that person's will; The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person not forcibly or against the person's will, where the victim is incapable of giving consent because of his/her youth or his/her temporary or permanent mental or physical incapacity; or The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person achieved through the exploitation of the fear or threat of physical violence or bodily injury.

b. Sexual Assault with an Object: the use of any hand, finger, object, or other instrument to penetrate, however slightly, the genital or anal opening of the body of another person (NOTE: This does NOT apply to custodial or medical personnel engaged in evidence gathering or legitimate medical treatment, nor to health care provider=s performing body cavity searches in order to maintain security and safety within the prison).

c. Sexual Fondling: the touching of the private body parts of another person (including the genitalia, anus, groin, breast, inner thigh, or buttocks) for the purpose of sexual gratification.

An incident is considered Inmate-on-Inmate Abuse/Assault when any sexually abusive behavior occurs between two or more inmates. An incident is considered Staff-on-Inmate Abuse/Assault when any sexually abusive behavior is initiated by a staff member toward one or more inmates. It is also considered Staff-on-Inmate Abuse/Assault if a staff member willingly engages in sexual acts or contacts that are initiated by an inmate.

NOTE: Sexual acts or contacts between two or more inmates, even when no objections are raised, are prohibited acts, and may be illegal. Sexual acts or contacts between an inmate and a staff member, even when no objections are raised by either party, are always forbidden and illegal. Inmates who have been sexual assaulted by another inmate or staff member will not be prosecuted or disciplined for reporting the assault. However, inmates will be penalized for knowingly filing any false report.
