At this point, the Lieutenant and/or Duty Officer will be responsible for terminating the individual(s) entry. All involved staff will submit a memorandum to the Captain.

4. **VISITING RESTRICTIONS AND OVERCROWDING:** Should it become necessary to curtail or terminate visiting because of overcrowding, the Operations Lieutenant and/or the Institution Duty Officer (when on duty) will be notified prior to the termination. Staff will provide the names of the inmates whose visit was terminated. Termination of visits will be on a first in first out basis for overcrowding. Visitors who have traveled a long distance, or who rarely have the opportunity to visit will be terminated last. Photographs will only be taken at the designated areas inside the visiting room, in accordance with visiting regulations.
5. **NUMBER OF VISITORS:** Inmates will be able to have a maximum of five (5) visitors during a visit. The total of the five (5) cannot exceed three (3) adults at any time. Adults will be defined as 16 years old and above. Parents bringing in minor children, must be the child's parent or a responsible adult with prior approval made through the inmate's Unit Team.
6. **SPLIT VISITS:** Should more than three (3) authorized adult visitors arrive at the same time, a split visit will be arranged. Those visitors participating in split visits that are not visiting will have the option of waiting in the Front Lobby, or departing the institution grounds. Individuals leaving the visiting room to permit other members of the party to visit may not subsequently return for further visiting the same day.
7. **IDENTIFICATION OF VISITORS:** Approved adult visitors (sixteen years or older) will be required to provide one valid, government (State, or Federal) issued photo identification, preferably a driver's license. When a visitor cannot produce valid identification, the request to visit will be denied unless authorized by the Institution Duty Officer or Operations Lieutenant. Mexican consulate identification cards will not be allowed as identification.
8. **APPROVED VISITORS:** Visits are permitted to those on the inmate's approved visiting list as authorized by the inmate's Unit Team. Except for immediate family, visitors will not be placed on more than one inmate's approved visiting list. Institution volunteers will not be approved for an inmate's visiting list without the written approval of the Regional Director. When an approved visiting list is not available, visits for new commitments and inmates in holdover status may be authorized by the inmate's Unit Team and will be limited to members of the immediate family. Inmates will be limited to twenty five (25) adult (16 years and older) visitors total on their visiting list. Inmates may update their visiting list at any time. FDC inmates are limited to immediate, verified family members on their visiting list. Common Law Marriage is not recognized in the state of Michigan. When there is no immediate family to bring the detainee's children for a social visit, the mother of the children or the child's legal guardian may be allowed to bring the child with prior approval. This is an exception only applied when there is no approved immediate family member. Each requesting detainee is responsible for providing proof of relationship (example: a birth certificate) and any other documentation as requested by the Correctional Counselor.

9. **PREPARATION OF THE LIST OF VISITORS:** Each new inmate will be provided copies of the local visiting guidelines (in the Admission & Orientation Booklet) and a visiting list request form upon their arrival at this institution. Immediate family members will be placed on the approved visiting list following verification of family status. Inmates must have known the proposed visitor(s) prior to incarceration. An inmate desiring to have a visit from an individual whom the inmate did not know prior to incarceration must obtain approval from the Warden. A Request to Staff Member Form must be submitted to the Unit Team and a recommendation for approval or denial will be submitted to the Warden for final decision. An exception to this rule involves Life Connections participants and their assigned program sponsors (these visits will also not count against the inmates' allotted number of social visits per month, but will adhere to visiting overcrowding concerns). For all others, prior to visiting the institution, the inmate is responsible for forwarding the visiting request form and visiting regulations (Attachments 1 or 2) to all prospective visitors. Memorandum to the Front Lobby will be kept on file. NCIC background checks will be required in all cases.

The Warden has the authority to place a person with a prior criminal conviction that is not on probation on an approved visiting list. Any questions concerning the suitability of an individual will be referred to the Associate Warden/Detention Center Administrator, for final determination. The Counselor shall notify the inmate of each approval or disapproval of a requested person for the visiting list. Upon disapproval of a visitor, the inmate has the right to challenge this rejection through the Administrative Remedy process. The inmate is responsible for notifying the visitor of the approval or disapproval to visit. Unit Team will place all current approved inmates' visitors lists, in each inmate's respective visiting file maintained in the Front Lobby.

The Front Lobby will maintain a record of visitors/visiting list, utilizing BOP Ware under the visiting program. Unit Team will update the visiting list and maintain a hard copy. The Captain's secretary will update the list weekly, and backup/maintain the information on CD.

10. **SPECIAL VISITS:** The following are considered special visits:

a. **Non-Visiting Days:** Visits during non-visiting days and hours are authorized, (i.e., weddings, attorney visits, etc.), upon approval of the Detention Center Administrator, Unit Manager, or Legal Office. b. **Attorney Visits for FCI:** Attorney visits should take place on regularly scheduled visiting days. No appointment is necessary, although the attorney must have his/her valid Bar Card for identification purposes.

There may be occasions where a special visit on a non-visiting day may be requested. Unit Team will coordinate and supervise these visits. Attorneys shall normally visit only one inmate at a time unless prior written approval has been obtained from the Unit Manager through the Legal Department. Attorneys will be processed as they arrive. They will not be required to wait until all social visitors have been processed. The Warden must authorize the use of tape-recording devices by Attorneys during the course of the visit. Inmates and attorneys are permitted to bring papers, or legal material in the Visiting Room for attorney visits. Staff will allow the exchange of legal materials.

c. Attorney Visits for FDC: Legal Visiting Hours: Normal visiting hours for legal visits are 8:30 a.m. to 3:00 p.m. Monday - Friday. Special arrangements must be made in advance with FDC Unit Team Staff to visit on any day or times other than the detainees' scheduled visiting days. All legal visitors are encouraged to schedule appointments prior to visiting.

d. Law Enforcement Visitors: The Federal Detention Center Staff arrange for these visits to take place and will be responsible for doing an approval memorandum and distributing to those institution staff affected, all federal, state and local law enforcement personnel who visit inmates. Supervision will be provided by the Federal Detention Center Staff. SIS staff will be responsible for coordinating all law enforcement visits at the FCI.

An inmate wanting to receive visits from his minister of record must submit a written request to the Chaplain. Upon approval, Unit Team will add the name and title (Minister of Record) to the inmate's visitor list. An inmate will only have one minister of record on his visiting list at a time. The addition of minister of record will not count against the total number of authorized regular visitors an inmate is allowed to have on his visiting list. These visits will take place during normal visiting hours. Visits from Clergy will be in accordance with the general visitor procedures, and will count against the total number of regular visits allowed. Clergy visits will take place during regular visiting hours.

f. Other Visits:

(1) Groups and Other Tours: Once written approval is received from the Administration for groups or tours, a copy of the approval form will be forwarded to the Front Lobby Officer and Control Room Officer. (4) Outside Hospital: The Chief Medical Officer (or in his absence, the Health Services Administrator), in consultation with the Captain, shall determine whether a visit may occur. If visiting is permitted, it will be limited to immediate family only, and must comply with the local hospital's policies and procedures. When a visit is denied because the inmate is suffering from an infectious disease, is in a psychotic or emotional episode which makes a visit inadvisable, or is otherwise not in a condition to see visitors, the situation is to be carefully and sensitively explained to the approved visitor.

(5) Detention or Segregation Inmates: Unless otherwise restricted, DS and AD status inmates will visit Friday mornings only. Visiting may be restricted or disallowed when an inmate, while in DS or AD, is charged with, or has been found to have committed, a prohibited act having to do with visiting guidelines or has acted in a way that would reasonably indicate he would be a threat to the orderliness or security of the Visiting Room.

11. **VIOLATIONS OF REGULATION AND/OR INTRODUCTION OF CONTRABAND:**

If a visit is terminated because of an alleged violation of regulations, the officer identifying the violation will prepare and submit an incident report on the inmate(s) involved. The Operations Lieutenant may prepare a Temporary Restriction of Visitation memorandum and forward it to the Warden. Visiting will be restricted pending the Warden's review of the incident until final disposition of the charges by the Unit Discipline Committee or the Discipline Hearing Officer. At no time will a visual inspection be used in the visitor admittance process, unless authorized by the Warden.

c. Electronic Drug Detection: Staff shall randomly test visitors for traces of drugs during normal visiting hours by means of an electronic drug detection unit in the Front Lobby. Only inmate visitors (excluding attorneys) will be tested. When an inmate's visitor registers a positive result, visiting privileges will be suspended for 48 hours for the first occurrence, 30 days for the second occurrence, 90 days for the third occurrence, and 180 days for the fourth occurrence. The visitor's right of refusal applies for this type of search as well.

13. **CONTROLLED VISITING-DENYING VISITS:**

a. Visiting Restrictions: Visiting may be restricted to controlled situations or to more closely supervised visits when: there is any suspicion a visitor is introducing or attempting to introduce contraband; when there has been a prior incident of such introduction or

b. Visiting privileges may be denied when a controlled or closely supervised visit is not possible. This denial must be approved by the Operations Lieutenant.
