

FEDERAL DETENTION CENTER (FDC) MIAMI

COVID-19 MODIFIED VISITATION SCHEDULE

The following schedule will be utilized for COVID-19 Phase Nine Visitation Procedures. Social visits will be conducted between the hours of 5:00 pm and 9:00 pm each day. All inmates will be provided the opportunity to visit twice (2) a month. Visits will not exceed one (1) hour in length in order to accommodate every inmate and abide by social distancing guidelines. Only two (2) visitors per inmate will be allowed. This includes children. Any child 2 years in age and above will be considered as a visitor. It is strongly discouraged to bring infants into the facility at this time due to the possibility of exposure to COVID-19. Special visits maybe requested for longer length or to exceed the number of visitors. These will be evaluated on a case by case basis with social distancing and the availability of space due to limited number of people being allowed in the Visitation Room. No more than 20 people, inmates and visitors will be allowed in the Visiting Room at one time (excluding staff assigned to supervise Visiting Operations). All visitors will be screened for COVID-19 symptoms and have their temperature checked prior to entry. All visitors and inmates will be required to wear proper face coverings while inside the Visiting Room and conduct hand hygiene before and after each visit. No food or beverages will be permitted in the Visiting Room. All visits will be **"NO CONTACT"** meaning there will be no physical contact of any kind to include an embrace at the beginning and end of visit.
