

FPC Montgomery Social Visiting Update

Due to the Coronavirus (COVID-19) a modified visiting Plan for FPC Montgomery Social Visits has been implemented. Social visiting will resume on Saturday, October 3, 2020.

The visiting periods will be from 8:30 a.m. to 11:30 a.m. and then from 12:30 p.m. to 3:30 p.m. Based on the space of FPC Montgomery's visiting room, only 32 inmates will be allowed to visit during each of the periods. Each inmate will be allowed 4 visitors regardless of age. A schedule has been established alphabetically and by unit to ensure the inmates have the opportunity to visit at least twice a month and to make them aware of what day and time period they will be allowed to visit.

Visitation will be a non-contact visit with the use of a Plexiglas barrier between inmates and visitors. There will be no physical contact of any kind to include an embrace at beginning and end of visit.

Inmates in quarantine or isolation will not participate in social visiting.

Both inmates and visitors must wear face coverings at all times and perform hand hygiene just before and after the visit. Food and beverages will not be allowed.

The following are rules that have been set forth for the transportation, and safety of all visitors to the Federal Prison Camp Montgomery.

The A.M. buses will pick up from 8:15 a.m. to 9:15 a.m. After 9:15 a.m. no more visitors will be allowed to visit during the 8:30 a.m. to 11:30 a.m. period. No visitors will be allowed to leave during this period unless there is an emergency. The buses will return to the Visitor's center at 11:30 a.m.

The P.M. buses will pick up from 12:15 p.m. to 1:15 p.m. After 1:15 p.m. no more visitors will be allowed to visit during the 12:30 p.m. to 3:30 p.m. period. No visitors will be allowed to leave during this period unless there is an emergency. The buses will return to the Visitor's center at 3:30 p.m.
