

FCI Morgantown

The following is the visiting schedule and procedures for FCI Morgantown. Visiting will be conducted by Housing Units.

- Visitation will be **non-contact only**. Plexiglass barriers between inmate and visitors will be utilized to prevent contact.
- Each inmate will be allotted **two visiting seats** with the intent of two adult visitors, or one adult visitor and child over the age of five. Each adult visitor may have one child under the age of four; however, the child must remain on the lap of the adult. Visitors are responsible for the children in the visiting room, and children who are unable to remain on the lap of the adult will result in the visit being terminated.
- Each inmate will be allotted **two, three-hour visits per month**. Due to institutional needs, visits are approximately three hours.

Upon arrival, visitors may obtain and complete the required documentation located at the upper parking prior to entering the Visiting Room. Each visit will count as one point.
