

FCI OTISVILLE VISITOR BULLETIN

COVID-19 VISITING PROCEDURES

Effective March 10, 2022, FCI Otisville will continue non-contact social visiting for all inmates not on quarantine or isolation status. The following procedures will be followed, and there are no exceptions to the schedule.

At the FCI, social visits will be conducted on Saturdays, Sundays, and Mondays, from 8:30 a.m. to 3:30 p.m. Social visits will be limited to one (1) hour, as to allow all inmates the opportunity to receive visitors. All visits must be approved in advance. Processing of inmate visitors will begin 15 minutes prior to the start of each one (1) hour visitation period. Visitors who arrive after the 15 minute processing period will be denied entry.

At the SCP, social visits will be conducted on Thursdays, Fridays, Saturdays, and Sundays. Each inmate will be limited to two (2) social visits in order to afford all inmates the opportunity to receive social visits. The visiting session times are 8:30 a.m. to 11:30 a.m., and 12:30 p.m. to 3:30 p.m. Visits will end at the designated time, regardless of when the visitors arrive. SCP visitors must report to the FCI Front Lobby for enhanced COVID screening and a temperature check before reporting to the SCP.

The following procedures are in effect for both the FCI Visiting and SCP Visiting:

All social visits must be approved in advance by Unit Team. Approval should be requested by the inmate. Potential visitors should contact the inmate they intend to visit to find the group and available times.

Inmates are limited to three (3) visitors, including children, regardless of age. At no time will an inmate be allowed to exceed three (3) visitors.

All inmate visitors are required to show proof of a negative COVID test from within 72 hours prior to the scheduled visit, or provide a valid COVID vaccination card. Any visitor who cannot provide these documents, at the time of the visit, will be denied access. Partially vaccinated adult visitors will also be required to show proof of a negative test within three days of

the scheduled visit. Any visitor who refuses to provide the requested documentation will be denied access.

There will be no physical contact during any visit. No photographs will be authorized during any visit. No food/drinks will be authorized during any visit (baby formula is an exception). Inmates in isolation and quarantine will not be authorized for social visits.

All inmate visitors will be required to wear an appropriate face covering when entering the front lobby. Face coverings must be solid in color, contain no writing, and must cover the nose and mouth. Bandanas, balaclavas, handkerchiefs, neck gaiters, or vented masks are not approved face coverings.

Social Distancing barriers have been placed in the visiting room to mitigate the possible exposure to the COVID-19 virus. Social distancing must be adhered to.

Inmates who violate the enhanced visiting guidelines may be subject to disciplinary action, loss of future visiting privileges, and/or placement into quarantine.

All dress codes and other regulations in the Visiting Regulations Institution Supplement OTV 5267.09i still apply and are subject to be modified due to the COVID-19 Virus.
