The Chief Correctional Supervisor, herein referred to as Captain, assumes responsibility for the entry and exit processing of inmate family members, monitoring Visiting Room activities, and enforcing the rules and regulations as outlined in policy, processing inmates into and out of the visiting room. The Unit Team is responsible with the processing, NCIC screening, and entry into the computer of all individuals authorized to visit inmates confined at the facility.

4. **GUIDELINES:** Visits must be supervised to prevent the introduction of contraband and passage of contraband and to ensure the security and welfare of staff, inmates and the institution. It is necessary to ensure equal opportunity for all inmates to have visits and to provide adequate control through close supervision of visits.

   a. Location: FCI regular visits will be conducted in the FCI visiting room for designated/holdover inmates. The outdoor visiting area may be utilized, at the determination of the Operation's Lieutenant. This area must be supervised by a staff member when open.

   b. Points: Each designated/holdover inmate will be allotted twelve visiting points per month. Weekday visits are charged as one point, weekend and holiday visits are charged as two points. A maximum of twelve points per month will be authorized. Unused visiting points are not carried over from one month to another.

   c. Approval of Visits: Each inmate, upon arrival, will be provided copies of the local visiting guidelines. Inmates at the FCI will request a Visitor Information and Authorization for Release (Visitor) form BP-629.052 from the Unit Team. The inmate is to mail the BP-629 to his or her proposed visitor(s). The proposed visitor must complete the form and mail it directly to the Unit Counselor.
The Unit Team will process the list of requested friends, family members and notify the inmate of the individuals who are approved to visit. Visitors who are 16 or 17 years of age and not accompanied by a parent, legal guardian or immediate family member at least 18 years of age: must have the written approval of a non-incarcerated parent, legal guardian or immediate family member at least 18 years of age prior to visitation.

Inmates who provide false information about their visitors will have that person removed from their visiting list by their Unit Team.

The Unit Team will be responsible for making the initial entry of an inmate's visiting file into the computer.

Walsh Act: Unit Team will evaluate all inmates on their caseload and all incoming inmates to determine if they have an inmate who has been convicted of a sex offense involving a minor (WA W CONV). Any inmate fitting this criteria will have the following annotation placed in the visiting program under the comments section: “this inmate was convicted of a sex offense involving a minor.”

NCIC inquiries which result in denial of visitation will be retained in the FOI Section of the inmate's Central File with the Visitor's Information Sheet. It is the inmate’s responsibility to notify the visitors of their approval/disapproval, and to advise the visitors of visiting guidelines. The Unit Team will be responsible for placing a visitor on an Inmate's Approved Visiting List. A hard copy of the visiting list will be placed in the inmate's central file, the front lobby (FCI). The Unit Counselor will notify the inmate of those visitors who have been approved or denied.

d. Exceptions to Qualifications: The visiting privileges of friends and associates without an established relationship with the inmate prior to confinement must be approved by the Warden. Normally, only inmates who have no other visitors on their approved list will receive consideration.

e. Amendments to the Visiting List: The Unit Counselor will periodically review the Visiting List to ensure it is accurate. This list may be amended by the inmates submission of an Inmate Request to Staff Member(BP-ADM-70) indicating the desired change once quarterly. The appropriate addition or deletion will be made by the Unit Counselor to the inmate's visiting list maintained on the visiting program.
f. Visiting Times: Federal Correctional Institution (FCI)
Visiting will be conducted on Friday, Saturday, Sunday, Monday and Federal Holidays. Visiting hours on those days are from 8:00 a.m. to 2:45 p.m. (Visitors arriving after 2:15 p.m. will not be allowed into the visiting room).

The visiting room will be closed on Tuesday, Wednesday and Thursday, except for legal visits and Federal Holidays. Visitors will not be permitted to leave and then return to the visiting room on the same day.

Therefore, when conditions of overcrowding exist, the number of visitors may be further limited to allow each visitor adequate space and time to conduct their visit.

6. Special Visits: Special visits are interpreted as clergy, potential employers, and occur on a one time basis only. The request will be sent to the inmate’s Unit Manager for their acceptance and forwarded to the Warden for final approval. It will be the Unit Team’s responsibility to supervise the visit.

a. Clergy/Minister of Record: An inmate may only have one minister of record on his visiting list at a time. The addition of the minister of record will not count against the total number of authorized regular visitors an inmate is allowed to have on his or her visiting list, and will not count against the total number of social visits allowed.

(1) Clergy: Visits from clergy (other than the minister of record) will be in accordance with the general visiting procedures, and will count against the total number of regular visits allowed.
