FEDERAL CORRECTIONAL INSTITUTION

PEKIN, ILLINOIS

PREFACE

This handbook has been developed to assist and acquaint you with the daily routine at the Federal Correctional Institution (FCI), Pekin, Illinois. Your understanding of the following information is essential to your successful adjustment to this facility. The information in this handbook is subject to change and does not override newly issued Bureau of Prisons Program Statements, Institution Supplements, and Operations Memoranda.

The mission of the Federal Bureau of Prisons is to provide a safe, secure, and sanitary environment for individuals who are sentenced by the courts to the care and custody of the Attorney General. The staff at Pekin strives to accomplish this mission by ensuring that inmates are housed in a facility which best meets their security needs while providing them with a variety of correctional programs that balance punishment, deterrence, and rehabilitation. Your self-initiative, behavior, and responsibility will have a direct bearing on your confinement. The staff at this facility is dedicated in making every effort to provide you with a safe and secure living environment; therefore, you are expected to abide by the rules and regulations of this facility and to maintain a positive attitude.

The information in this booklet will serve as a valuable resource both initially and for future reference. Your cooperation with staff and other inmates will contribute to a positive, orderly environment.

INTRODUCTION

The information contained in this booklet is designed to ensure a better understanding of the facts concerning this institution's operation. The Admission and Orientation (A&O) Program is designed to assist you with expectations that will possibly confront you as a newly admitted inmate. All newly-arriving inmates must attend the institution A&O Program. This segment is ordinarily completed within four weeks of arrival. Information will be made available which will provide you with specific department policies, procedures, rules, and regulations currently in effect.

Upon arrival, you will be processed through the Receiving and Discharge (R&D) area by Correctional Systems staff, a unit team member, and medical staff. A social interview, as well as, a medical screening will be completed at intake screening. You will also be issued an inmate Identification Card and Personal Access Code (PAC) which can be used to access the Inmate Telephone System (ITS).

At the conclusion of intake screening, you will be assigned to a housing unit. Placements in housing units are done randomly with emphasis placed on maintaining racial diversity and

balance. When you have completed all aspects of the A&O Program, you will be assigned to a work detail. This process ordinarily takes 30 days after arrival to the facility.

Lastly, if an inmate is out of the institution for court appearance or any other temporary release for more than 90 days, you will be required to re-complete the Institution A&O Program, after which, you will normally be reassigned to your former work detail. Assignment to a former unit is contingent upon available bed space.

UNIT MANAGEMENT

The FCI is organized into four (4) housing units consisting of a multi-discipline group of staff who will make decisions concerning work, programs, discipline, and supervision. If you are a new commitment, transfer, or violator, you will be assigned to a housing unit and will have a formal meeting with your unit team ordinarily within four weeks of arrival.

The housing units are referenced by Illinois (A Unit), Indiana (B Unit), Iowa (C Unit), and Missouri (D Unit). All housing units contain a number of multiple person rooms (2, 8, and 10-man rooms). Newly arrived inmates are ordinarily assigned to an 8 or 10-man room. Subsequent room changes are based upon the individual's arrival date in the unit (seniority), room availability, conduct, behavior, and program compliance. All inmate rooms will contain the following items:

- 1 pillow per inmate
- 1 wall locker per inmate (8 and 10-man rooms will have a drawer)
- 1 plastic chair per inmate
- 1 mattress per inmate
- 1 desk (8 and 10-man rooms have a common desk)
- 1 trash can (except 8 and 10-man rooms/no plastic liners allowed)
- 1 bulletin board per inmate (except 8 and 10-man rooms)

The bulletin boards will not display magazine cut-outs, nude, or sexually suggestive photographs. Items assigned to the rooms will not be moved or altered. A combination lock is available for purchase in the Commissary for your individual locker. All room occupants will be **mutually** responsible for room sanitation, equipment, and held accountable for contraband item(s).

Unit Staff

Each housing unit as a "Unit Team" which is made up of the following:

Unit Manager: Is responsible for the overall operation and supervision of the housing unit. The Unit Manager is ordinarily the "Chairperson" on disciplinary matters, inmate program reviews, and validates all team decisions.

Case Manager: Is responsible for providing technical expertise on matters pertaining to unit management functions such as: parole commission, classifications, releases,

transfer referrals, progress reports, etc.

- Correctional Counselor: Is primarily concerned with day-to-day activities. When you need assistance on personal matters, visiting, telephone, room, work, and/or administrative remedies, you should contact your assigned counselor. The Correctional Counselor is actively involved in unit sanitation and coordinates sanitation efforts with the Unit Officer.
- Unit Secretary: Provides clerical support and performs various administrative duties for unit staff.
- Correctional Officer: Is primarily responsible for the supervision of inmates within the housing unit to include: safety, security, sanitation, and contraband control. The Correctional Officer is considered an active member of the unit team and provides valuable insight to the Unit Team pertaining to the inmate's sanitation, conduct, behavior, and demeanor.
- Educational Representative: Is responsible for all matters pertaining to your educational or vocational needs. The Education Representative provides program recommendations and progress reports to the Unit Team during inmate program reviews.
- Psychologist: Is qualified to determine if emotional/psychological problems may be affecting your individual adjustment. The Psychologist monitors your participation in treatment programs and provides input to the Unit Team.
- Case Management Coordinator: The Case Management Coordinator (CMC) is a technical advisor for unit management functions, provides technical training, and oversees key program areas such as the Institution Financial Responsibility Program and Central Inmate Monitoring.
- Notary Public: Under the provisions of 18 USC 4004, Case Managers are authorized to affirm documents. A recent change in the law allows a statement to the effect that papers which an inmate signs are **“true and correct under penalty of perjury”** will suffice in federal courts and other federal agencies, unless specifically directed to do otherwise. Some states will not accept a government affirmation for real estate transactions, automobile sales, etc. In these cases, it will be necessary to contact unit staff for arrangements with the institution's Notary Public. Contact your Unit Team regarding notary service, if needed.
- Unit Team: We are organized into a unit management system. A unit is a self-contained inmate living area that includes both housing sections and office space for unit staff. Each unit is staffed by a Unit Team directly responsible for those inmates living in that unit. The Case Manager and Counselor Offices are located in the units. This allows for more inmate accessibility. The FCI Unit Manager and Secretary Offices are located in the center hallway which

connects both housing units.

Unit Staff includes the Unit Manager, Case Manager, Correctional Counselor, and Unit Secretary. When available, the Staff Psychologist, Education Advisor, and Unit Officer will sit on a Unit Team. You will be classified by your Unit Team ordinarily within four weeks of arrival.

Generally, the resolution of issues of interest while at the institution is most appropriately initiated with the Unit Team. Unit Team members are available to assist in many areas including institution program planning, release planning, personal and family problems, counseling, and assistance in setting and attaining goals while incarcerated. During the work week, Monday through Friday, unit staff members are ordinarily available between 7:30 a.m. to 9:00 p.m. and on the weekend and holidays from 7:30 a.m. – 4:00 p.m. Unit staff schedules are posted on the unit bulletin board. It is your responsibility to read the unit bulletin daily.

Foreign National Inmates

Foreign National Inmates who wish to contact their Diplomatic Embassy of their country of citizenship will provide a request in writing to the Unit Manager.

Communication

The unit bulletin contains written communication of interest to all inmates. Unit Town Hall Meetings are also conducted. The Unit Manager may also utilize Town Hall Meetings to foster improved communications and/or to address individual issues or concerns. The use of the open door policy, chain of command, and Request to Staff Member are preferred in the resolution of issues. You are always encouraged to address your concerns directly to the department subject matter expert.

Inmate Financial Responsibility Program

The Bureau of Prisons encourages each sentenced inmate to meet their legitimate financial obligations. As part of the initial classification process, staff will assist the inmate in developing a financial plan for meeting those obligations. At subsequent reviews, staff shall consider the inmate's efforts to fulfill those obligations based upon the level of financial resources.

Inmates are advised of the effects of non-participation, which ordinarily will adversely impact room assignments, work assignments, performance pay, commissary privileges, release gratuities, and community programs. Inmates placed in FRP "Refuse" status will not be permitted to spend more than \$25.00 per month, excluding stamps and phone credits.

If an inmate is employed by UNICOR and receives Grade 1 through 4 pay, at least 50% of their monthly earnings will be used to satisfy the debt. All requests for UNICOR placement are directed and maintained by UNICOR staff.

Housing Unit Operations and Procedures

It is your responsibility to read the unit rules and regulations, as they pertain to unit operations and sanitation standards. These rules are posted under the glass bulletin board and outlined below.

UNIT RULES & REGULATIONS

Unit rules and regulations are intended to ensure the orderly running of the housing unit and are only minimal guidelines. Notification of any revision of the rules and regulations will be issued during scheduled Town Hall Meetings and postings on the unit bulletin boards. Each inmate is expected to comply with the rules outlined below:

The only exception to full uniform will be when traveling between recreation and the housing unit only. At no time will sweatshirts, t-shirts, or shorts be worn in any other areas other than recreation or the housing unit. Sweatshirts may be worn under the institution shirt. Gray t-shirts are not to be worn as an outer

garment. Doo-rags are permitted inside the housing unit only. Work boots will be worn on all work details. At no time are undergarments to be worn outside of assigned cells. Inmates are to be properly dressed while in the housing units. A khaki shirt is to be worn in the dining room even if a t-shirt is allowed on the work detail. All clothing is to be cleaned and washed on a regular basis and maintained in an acceptable manner.

Earphones/Radios

Earphones will be utilized when playing radios at all times. Altered earphones or radios are considered contraband and will be confiscated.

Emergency Exit

You must familiarize yourself with the emergency exit signs throughout your unit. Under no circumstances will hallways, doorways, exits, or entrances be blocked. In case of a fire or other disaster, it is most important that staff is able to take protective measures for you. Should you be instructed to vacate the housing unit, you are to exit as safely and quickly as possible through the unit entrance or emergency exit doors. Unless otherwise notified, inmates will assemble in the compound middle area.

Fire drills will be conducted on a quarterly basis at a minimum. Inmates are expected to exit the housing unit in a prompt, safe, and efficient manner. Appropriate disciplinary actions will be taken for those refusing to comply with the instructions of staff members.

Ice Machine

The ice machine is a sealed unit. The areas immediately adjacent to the machine must be kept clean at all times. Water drainage lines must remain unclogged, and it will not be used to dispose of food items. The ice machine is off limits at 10:00 p.m. nightly.

Intra-Unit Visiting

You are permitted to visit other inmates within your assigned housing unit. **Inmates are strictly prohibited from entering other housing units to visit other inmates.** An inmate is not allowed in another inmate's room without their presence. All intra-unit visiting will terminate at 9:30 p.m.

Lights

Dayroom lights in the unit will ordinarily be turned on at 5:30 a.m. and turned off at 9:30 p.m. nightly.

Noise Levels

Excessive noise levels, such as yelling and banging, will not be permitted at any time. Disruptive conduct and behavior will result in termination of activities.

Office Complex & Open House

The Central Unit Office Complex is **out of bounds** unless you are authorized by a staff member to enter. Unit staff will be available to address your concerns. Unit staff will also be available during meals in the dining room.

Unit Quiet Time

Unit Quiet Time is defined as the period between 9:30 p.m. and 5:30 a.m. Inmates are expected to have consideration for those individuals trying to sleep.

Table games are available for check-out from the Unit Officer. Games must be returned no later than 9:15 p.m. nightly.

Robes

Robes are permitted to be worn to and from the shower. You must be fully clothed at all other times.

Room Assignments

Room assignments are ordinarily coordinated by the assigned Counselor. Two-man room assignments will be based on seniority, disciplinary actions, sanitation, programming, and IFRP responsibility. The Unit Counselor will maintain a waiting list for placement in a two-man room.

When an inmate's name rises to the top of the list, they will be given a two-man room assignment. If they decline a particular two-man room assignment for ANY reason other than a bottom bunk restriction, their name will be placed at the bottom of the two-man waiting list. Inmates will ordinarily be required to relocate upon the second opportunity to do so.

Inmates returning from the special housing unit with sanctions from the UDC or DHO will ordinarily be reassigned to common area rooms and will be placed at the bottom of the seniority list.

Inmates living in two-man rooms, who are temporarily removed from the institution, will be given priority to return to a two-man room UNLESS they were removed for disciplinary reasons. The Unit Manager will resolve other issues.

Showers

The middle shower stall or the shower stalls marked "**DAY USE ONLY**" are the only showers to be used during the normal work week, Monday through Friday, 7:30 a.m. to 3:30 p.m. This is necessary in order to allow the unit orderlies the opportunity to maintain a high degree of

sanitation in the shower areas. Each individual also has the responsibility to assist in maintaining this area and to leave the area neat and clean after use.

Showers will terminate at least fifteen minutes prior to an official count and will terminate at 9:15 p.m., nightly. Individuals are expected to cooperate with the unit orderlies so as not to interfere with the general unit sanitation efforts.

Exceptions may be made by the Unit Manager for late night workers. In that event, the showers nearest the exterior walls will be used.

Telephones

All telephone calls will terminate fifteen minutes prior to an official count. You may use your assigned chair when using the telephone. Plastic chairs are not to be left unattended. In addition to the telephone schedule below, one telephone will be available at all times from 6:00 a.m. until 9:30 p.m.

4:30 p.m. – 9:30 p.m.

Weekends and Federal Holidays:

Additional regulations concerning use of the telephones are as follows:

1. Inmates not making phone calls will not be permitted to congregate near the telephone area.
2. No third party telephone calls will be permitted.
3. Inmates will be responsible for their use of the telephone. They are expected to conduct themselves in a responsible manner and respect other inmates. Each inmate is responsible for the content of the telephone calls they make.
4. The use of the telephone will not interfere with institution schedules, programs, work assignments, or counts. When a census count or scheduled count is conducted, all inmates on the telephones shall terminate their calls immediately. During institutional emergencies, use of the inmate telephone may be curtailed or terminated.
5. International collect calls are not permitted.
6. Only whole dollar amounts may be purchased when buying phone credits.
7. The maximum length of a telephone call will not exceed 15 minutes.
8. The Inmate Telephone System is a dual system which has both debit and collect calling capabilities. Debit and collect calls can be placed during the hours telephones are turned on.

Inmate Telephone Calls to Attorneys

Confidential inmate-attorney calls should be allowed only when an inmate demonstrates that communication with their attorney by other means is not adequate: for example, when the inmate or attorney can demonstrate an imminent court deadline. Staff must consider whether or not an inmate has attempted to utilize other approved attempts at communication such as special mail provisions (legal mail or TRULINCS) or private inmate-attorney visits. **Inmates are responsible for the expense of unmonitored attorney telephone calls.** When possible, it is preferred that inmates place unmonitored legal calls collect. Unmonitored attorney telephone calls will only be provided to an attorney if the inmate is attempting contact with the courts or other non-attorney entity, and they must utilize the Inmate Telephone System.

Television Hours

Unit televisions may be turned on at 5:30 a.m. daily. Televisions may remain on until 9:30 p.m., provide acceptable noise levels are maintained. Disruptive conduct, poor sanitation, and excessive noise in the common area may result in restricted viewing privileges. There will be no television viewing in the common areas during the unit cleaning times of 7:30 a.m. to 9:30 a.m. Chairs will not be leaned against the walls. You shall not place your feet or shoes against the walls. The plastic chairs are not to be left unattended in the common area. The upper floor ranges are to remain free from obstacles at all times. Chairs and TV viewing from the upper range floors is prohibited. Under no circumstances will TVs be rotated from their original direction without the expressed approval of unit staff.

Visits

Visits are extremely important to inmates and visitors. It is your responsibility to ensure that all necessary application forms are forwarded to each visitor, to include immediate family members. Children under the age of sixteen years of age are exempt from this rule. If you are expecting a visit, ensure the unit officer knows your location. It is your responsibility to notify prospective visitors of their approval or denial.

Requests for “special” visit considerations due to family emergencies shall be directed to the Unit Manager.

Fire Suppression Water Sprinkling System

Tampering with the water sprinkler system, smoke alarms, or hanging any item from the system is prohibited and will result in the issuance of an incident report.

Work Assignments

You will be assigned to a work assignment upon completion of the A&O process and medical clearance. Your initial work assignment will be based upon the needs of the institution. Thereafter, you may request a job change during your scheduled program review. The Unit Team may consider your current work performance, programming, job availability, conduct,

behavior, and current institutional needs as determining factors in granting a job change. Requests for change in work detail assignments will be considered during regularly scheduled inmate program reviews.

UNIT SANITATION PROCEDURES AND STANDARDS

Sanitation supplies are available daily. You are expected to sign out/return all containers and/or unused materials. Storage of sanitation materials in the individual rooms is strictly prohibited.

During the periods of 7:30 a.m. to 10:30 a.m. and 12:00 p.m. to 1:30 p.m., all sanitation equipment (mops, mop buckets, etc.) will be reserved for the unit orderlies. The preferred time to address room sanitation is in the evening hours. The exception to this rule will be based on availability of equipment and with the approval of unit staff and those individuals who are correcting room deficiencies.

To ensure a high degree of sanitation in the unit common areas, table games and TV viewing is “off limits” during the morning cleaning hours from 7:30 a.m. to 9:30 a.m. Inmates are encouraged to remain in their rooms or recreation area during this period.

Individual Rooms

These instructions are meant as a guide to help individuals maintain their living areas. Rooms should meet these requirements in order to pass sanitation inspections. Failure to achieve acceptable sanitation standards will result in disciplinary actions.

You must maintain your assigned room in order to present an overall appearance that is clean, neat, and orderly. All rooms will remain uniform in appearance. There will be no changes in the physical structure or design. At the discretion of the Unit Manager, inmates failing room inspections will be returned for immediate corrective actions. Repeated failure will result in disciplinary actions. The issuance of recreation passes may be contingent upon satisfactory room inspection results. Linens are not to be used as floor mats, locker tops, curtains, etc.

You will be held accountable for any and all damages found to have occurred within your assigned room: for example, replacement or maintenance required to correct or repair pain, damage to the walls, ceilings, doors, windows, lockers, lights, vents, and plumbing fixtures. You will be written an incident report for damage to government property and may be sanctioned to restitution for replacement costs.

During the normal work week, Monday through Friday, **all beds will be made and inspection ready by 7:30 a.m.** Individuals assigned a medical lay-in are excluded from this rule. Individuals on a day or off shift may lie on top of a made bed as long as the room is inspection ready. On weekends and holidays, beds will be made prior to leaving the room.

During the normal work week, items (clothing, recreation equipment, books, writing materials, etc.) are not to be placed on top of the bed when not in use. These items are to be stored in the locker. Shoes that are not stored in the locker will be placed underneath the bed, starting at the head of the bed and continuing in a straight line.

Winter coats will be hung on the wall hooks. Clothing will not be hung on the bed post blocking or impairing the vision of the officer during counts.

Air vents shall not be blocked or the air flow deflected in any manner.

MECHANICAL SERVICES (FACILITIES)

The goal for the Facilities Department is to perform maintenance and construction within the facility. This work will be accomplished utilizing inmates that have been assigned to the shops in Mechanical Services. We also provide training for inmates desiring to learn and study a related trade. The following is a list of details:

Steel toe boots must be worn at all times. Inmates must have their identification cards on their person and properly displayed at all times. Inmates are not allowed to work on live electrical circuits. Additionally, inmates are not allowed to enter confined spaces.

HEALTH SERVICES

It is the policy of the Bureau of Prisons to provide essential medical care and treatment to inmates during incarceration. Decisions concerning treatment and appointment times will be made solely by medical staff.

[Medical and Dental Sick Call Procedures](#)

If you need medical attention, you must report to the Health Services Unit on the sick call ten-minute move (between approximately 6:50 a.m. – 7:00 a.m.) to sign up for sick call. Sick call is held on Mondays, Tuesdays, Thursdays, and Fridays. There is no sick call on Wednesdays, weekends, or during federal holidays. Any inmate reporting to sick call after the ten-minute move is closed will not be seen. Your medical and dental needs will be evaluated, and an

appointment time to return for further evaluation will be given, if necessary. All other visits to the Health Services Unit, except emergencies, will be by appointment only. **BE PROMPT. Inmates must present their identification card upon request. No inmate is permitted in the Health Services Unit without an appointment pass.** For further information, refer to the Institution Supplement entitled “Medical and Dental Care of Inmates.”

Emergency Care

Medical care is available 24-hours daily. Should you become ill or injured after sick call, notify your supervisor or another staff member. The medical staff will then arrange for you to be seen in the Health Services Unit. **No inmate will go to the Health Services Unit without a staff member clearing the visit with the medical staff first.**

Medication Line

Certain medications are dispensed one dose at a time. If you are prescribed such a medication, you will be instructed to report to the Health Services Unit at the appropriate times to receive your medication. Refer to the Pill Line Schedule posted by the pharmacy.

Weekdays:

AM Insulin Line	6:25 a.m. – 6:45a.m.
Pill Line Only	11:00 a.m. – 12:45 p.m.
PM Insulin	4:30 p.m. – 5:00 p.m.
Evening Pill Line	7:30 p.m. – 8:00 p.m.

You **must** show your photo ID and state your name and register number to receive medications.

Eyeglasses

Eyeglass prescriptions determined as a non-professional (reading only) will not be provided by Health Services. Inmates may purchase this item through Commissary.

Any inmate in need of eyeglasses must submit an “Inmate Request to Staff Member” (Cop-Out) to the Health Services Unit requesting an eye examination. Routine eye exams will be provided to the inmate every two years. If at any time before the two years the inmate experiences a condition that the inmate feels requires the attention of the optometrist, the inmate will report to sick call for evaluation. Upon sick call evaluation, if it is determined the inmate needs to be seen prior to the two-year period, an appointment will be made with the optometrist based upon the priority level. After an eye examination has been performed by the optometrist, the institution will provide a pair of standard issue eyeglasses obtained from the Federal Prison Industries, FCI Butner, NC.

NOTE: Inmates that are provided BOP glasses will be responsible for that pair of glasses. Health Services will not replace lost, broken, stolen, or mistreated eyeglasses until the next routine eye exam which is every two years.

Contact Lenses

The use of contact lenses in this institution will not be authorized unless they are prescribed by an optometrist, in consultation with the Clinical Director/Health Services Administrator, to address a specific ocular condition. With approved use of contact lenses, the proper solution will be provided through Pharmacy Services.

Physical Examination

Initial exam – An initial complete physical examination (medical and dental) to determine needs will be performed on all new commits within 14 days of admission. If you have already received a physical exam prior to your transfer to Pekin, another exam will not be required. Periodic health examinations are age specific and will be provided based upon age, sex, and identified risk factors. If you have a health problem which you think may be more than routine, you should report to Sick Call for an appointment. An inmate being released from custody may request a medical evaluation if they have not had one within one year prior to the expected date of release. Such examination should be conducted within two months prior to release.

Emergency Dental Care

Emergency dental care is considered to be of the highest priority and is available to all inmates. Dental sick call is held on Monday, Tuesday, Thursday, and Friday. Emergency dental care includes treatment for relief of pain, swelling, traumatic injuries, and acute infection. If an emergency occurs during or after work hours, the inmate is instructed to report this to their work supervisor or unit officer who will then call the Health Services Department.

Routine Dental Care

Routine dental care is elective and is requested by each inmate through an Inmate Request to Staff or “cop-out.” Each request is responded to by dental staff, and the inmate is placed on a chronological waiting list for treatment unless there are specific health reasons to establish other priorities. It is important for each inmate to watch the call-out list and to be present for their scheduled appointment.

Accessory Dental Care

Accessory dental care includes crown and bridge work, orthodontics, implants, and TMJ surgery. These are not provided to the inmate population.

Co-Pay Program

All inmates have access to Bureau healthcare services. The Bureau will charge a co-pay fee for inmate requested visits to healthcare providers. Inmates will not be denied access to necessary healthcare because of an inability to pay the co-pay fee. Generally, you must pay a fee of \$2.00 per healthcare visit or healthcare service if you:

1. Receive healthcare services in connection with a healthcare visit that you requested (except for services described in the P.S. 6031.02, Co-Pay Program); or are found responsible through the Disciplinary Hearing Process to have injured an inmate who, as a result of the injury, requires a healthcare visit.
2. You will not be charged a healthcare service fee if you are considered indigent and unable to pay the healthcare service fee. The Warden may establish rules and processes to prevent abuse of this provision. An inmate without funds (indigent inmate) is an inmate who has not had a trust fund account balance of \$6.00 for the past 30 days. In addition, co-payment fees are waived when appointments or services, including follow-up appointments, are initiated by medical staff.

Concerns/Grievance

Any healthcare concerns may be addressed with the Health Services Administrator or his/her designee during noon mainline on weekdays for the FCI. You are encouraged to attempt to resolve your concerns at the lowest level. If further remedy is needed, you may utilize the more formal process of administrative remedies through your unit team.

PSYCHOLOGY SERVICES

Psychology Services provides professional services in the area of evaluation, counseling, group programs, crisis assistance, drug treatment, and self-help programs. Each new arrival will be interviewed and provided a summary of current psychological programs available for enrollment.

Most programs in Psychology Services are voluntary enrollment and voluntary withdrawal after enrollment with no penalty or disciplinary action for withdrawal. Inmates are encouraged to suggest programs. Programs are usually conducted on a group basis and open to eligible inmates.

Drug Education

The Drug Education Program is designed to educate inmates on the various aspects of addiction and abuse. Specifically, the Drug Education Program is provided to help inmates evaluate the consequences that alcohol and other drug abuse has had on themselves, their families, and their community. It also provides valid information concerning the physical, emotional, and social side effects of drug abuse. Information is provided regarding the availability of additional drug treatment and self-help services which are offered in the Bureau of Prisons and in the community. Drug Education teaches a decision-making process based on the analysis of costs and benefits of criminal/drug abuse lifestyles versus prosocial lifestyles. The Drug Education Program is designed to provide information in a format that will enhance motivation toward entering a residential drug treatment program.

Currently, every Bureau of Prisons institution offers this 15-hour drug education course. It is available to any inmate who wishes to volunteer or is required to take it. You may be required to attend this program if:

1. There is evidence that alcohol or other drug use contributed to the commission of the offense.
2. Alcohol or other drug use was a reason for violation either of supervised release (including parole) or Bureau community status.
3. There was a recommendation (or evaluation) for drug programming during incarceration by the sentencing judge.
4. There is evidence of a history of alcohol or other drug use.

If an inmate is required but refuses to participate in the program, they are:

1. Not eligible for performance pay, bonus pay, or vacation pay.
2. Not eligible for a Federal Prison Industries work program assignment.

To participate, please submit a cop-out to Psychology Services.

Non-Residential Program

Non-Residential Drug Abuse Treatment is an up to 24-hour program which consists of group counseling and self-help programming provided through the institution's Psychology Services Department. This treatment is available to inmates with substance abuse problems.

Non-residential Drug Abuse Treatment has been developed to provide the flexibility necessary to meet each individual's treatment needs, and more specifically for:

- Inmates with a relatively minor or low-level drug abuse problem,
- Inmates with a drug use disorder who do not have sufficient time to complete the intensive Residential Drug Abuse Treatment Program (RDAP),
- Inmates with longer sentences who are in need of treatment and are awaiting placement in the RDAP,
- Inmates with a drug use history who chose not to participate in the RDAP but want to prepare for staying sober in the community, and
- Inmates who completed the unit-based portion of the RDAP and are required to continue treatment until their transfer to a Residential Reentry Center (halfway house).

Program completion awards are only available for those who complete the program. Inmates who complete NR (non-residential) drug abuse programming may also be paid up to \$30 for completion of the 24-session program. If you are interested, ask the institution's drug abuse treatment staff for more information on these awards. To participate, please submit a cop-out to Psychology Services.

Residential Program (RDAP)

The RDAP provides intensive drug abuse treatment to inmates diagnosed with a drug use disorder. Inmates in the residential program are housed together in a treatment unit that is set apart from the general population. Treatment is provided for a minimum of 9 months; however, your time in the program depends on your progress in treatment.

To apply for the RDAP, you must send an Inmate Request to a Staff Member (a "Cop-Out") to obtain an interview for the program. First, staff will screen your pre-sentence report to determine if there is any documentation indicating that you have a pattern of drug abuse or dependence. If so, you will be referred to the Drug Abuse Program Coordinator for an interview to determine if you meet the diagnostic criteria for a substance use disorder.

Inmates who are diagnosed with a drug use disorder are qualified for the RDAP and are admitted to the program based on their nearness to release, as mandated by federal statute. You must have enough time left to serve on your sentence to complete the unit-based component and the community transition component of the program. Follow-up Treatment, as described earlier, is provided to inmates after they complete the unit-based component and before they transfer to a residential reentry center.

Inmates who complete NR (non-residential) drug abuse programming may also be paid up to \$30 for completion of the 24-session program.

Availability

Psychologists are always available to assist inmates with personal problems, emergency situations, crisis intervention, general mental health questions, interest in self-help, and desire for professional treatment. A psychologist is available by submitting an “Inmate Request to Staff Member” or in an emergency by alerting any staff member. Conversations of a counseling or treatment nature are confidential except in the following three (3) situations:

1. A clear risk of serious injury, disease, or death to you or another person.
2. A clear risk to the security of the institution.
3. A current or future felonious offense.

The Drug Abuse Program Coordinator and Drug Treatment Specialists are available to assist with RDAP (Residential Drug Abuse Program) referrals as well as enrollment in other available drug programming.

Suicide Prevention

If you notice symptoms of any abnormal behavior or situation that may suggest that an inmate is upset and potentially suicidal, you need to notify staff immediately.

Psychology Services are here to be of service to you.

Your contact with Psychology Services is at your discretion outside of the initial interview upon your arrival at this institution and requirement, if any, to participate in the drug abuse education course.

Prisoner Rape Elimination Act (PREA)

According to federal law (Prison Rape Elimination Act of 2003) sexually abusive behavior is defined as:

Rape
Sexual Assault with an Object
Sexual Fondling
Sexual Misconduct by staff

Additionally, according to Bureau policy, the following behaviors are acts prohibited by the inmate code of conduct:

- Code 101/(A): Sexual Assault
- Code 205/(A): Engaging in a Sex Act
- Code 206/(A): Making a Sexual Proposal
- Code 221/(A): Being in an Unauthorized Area with a Member of the Opposite Sex
- Code 300/(A): Indecent Exposure
- Code 404/(A): Using Abusive or Obscene Language

An incident is considered Inmate-on-Inmate Abuse/Assault when any sexually abusive behavior occurs between two or more inmates.

An incident is considered Staff-on-Inmate Abuse/Assault when any sexually abusive behavior is initiated by a staff member toward one or more inmates. It is also considered Staff-on-Inmate Abuse/Assault if a staff member willingly engages in sexual acts or contacts that are initiated by an inmate.

It is important to understand that sexual acts or contacts between two or more inmates, even when no objections are raised, are prohibited acts and/or illegal. Sexual acts or contacts between an inmate and a staff member, even when no objections are raised by either party, are always forbidden and illegal. Inmates who have been sexual assaulted by another inmate or staff member will NOT be prosecuted or disciplined for reporting the assault. However, inmates who knowingly file false reports will face disciplinary measures.

CORRECTIONAL SYSTEMS DEPARTMENT (CSD)

The Correctional Systems Department consists of the Mail Room, Receiving and Discharge (R&D), and the Records Office. All outgoing mail must be unsealed and placed in the mailbox located in your assigned unit. With the exception of federal holidays, mail will be processed Monday through Friday. You must place your committed name, register number, and the institution’s return address on all outgoing mail as follows:

Committed Name/Register Number
Federal Correctional Institution
P.O. Box 5000
Pekin, Illinois 61555-5000

If this information is **NOT** on your letters, they will be returned to you. Mail is delivered Monday through Friday after the 4:00 p.m. count by the Unit Officer in the common area of each housing unit. There is no delivery on weekends and Federal holidays.

Open house is on Wednesday and Thursday from 11:00 a.m. to 12:30 p.m. or until mainline is complete. You can see the Mail Room, R&D, and the Records Office staff if you have issues.

All outgoing Legal or Special Mail needs to be delivered to the mailroom between the hours of 6:30 a.m. to 7:00 a.m., Monday through Friday. Each letter is to be sealed and Legal Mail written on the front of the envelope

Incoming Legal or Special Mail will be handled by the mailroom staff. Each inmate will be called down with 24 hours of the mail being received from the post office, which is in accordance with Bureau Policy. The mailroom staff will notify the unit officers or the work details of what inmates have Legal or Special Mail, but it will be the responsibility of the inmate to come to the mailroom between 11:00 a.m. and 12:00 p.m. to pick up their legal mail. The inmate must have their identification on them to receive this mail. If you miss this time frame, you will be placed on call-out for the next morning during our legal mail open house. If you miss the call-out for any other reason except an institution emergency, you will receive an incident report. The inmates will sign for receiving this mail, and it will be opened and searched for contraband prior to being handed to the inmate. All unauthorized items will be rejected and dealt with in accordance to policy. Incoming Legal/Special Mail must be clearly marked with "Special Mail – Open Only In The Presence of The Inmate," and the sender's name must be properly identified with their title in the return address section for this mail to be handled in that manner. All mail is treated in accordance with the United States Postal Service Regulations. The Federal Bureau of Prisons (BOP) Program Statement on Correspondence and the Mail Management Manual are on file in the Law Library.

You are not allowed to correspond with inmates confined at other federal or state correctional institutions without prior written approval from the Chief Executive Offices at both facilities, and this approval must be on file in the mailroom. If both inmates are confined in federal institutions, approval needs to be from the Unit Managers at both facilities.

All money orders, cash, and checks for inmates designated at Pekin must be sent to the National Lockbox location. You should include your committed name and register number. The address is P.O. Box 474701, Des Moines, IA 50947-0001. No other mail items besides money should be sent to the lockbox. If received at the facility, the item will be rejected and returned to sender with notification as to proper handling of these items.

You may only receive hard and soft-covered publications, newspapers, and magazines, and they must come directly from a publisher, bookstore, or a book club. The package must be marked "Books" or "Authorized Reading Material," or it may be refused at the post office if the item is not easily identified that it is coming from an authorized source. You can also complete an Authorization to Receive Package form to have items of this nature sent in. This form must be signed by the Unit Manager, and a copy must be on file in the mail room. Most newspapers and magazines are to be received by subscription only.

Postage stamps are to be purchased through the commissary and cannot be received through the mail.

Most commonly items rejected are: stamps, musical greeting cards, homemade cards that are not able to be searched without destroying, and stickers.

Receiving and Discharge

If you transferred from another federal institution, the R&D Officer will place you on a call-out to issue your property. If you have any questions about your property being here, you may submit a “Request to Staff Member” addressed to the Receiving and Discharge Officer or come to open house. If R&D does not have your property, your counselor can assist you in contacting the previous facility to check on the status of your property. Your property will be made in compliance with the Institutional Supplement titled “Personal Property, Inmate,” which can be accessed through Trulincs.

When you transfer to another institution, you will be made in compliance with National Program Statement 5580.07, Inmate Personal Property, which can be accessed through Trulincs.

Mail-outs at the FCI for personal property will be handled by call-out. A completed Authorization to Mail-Out form needs to be signed by a unit team member. When completing this form, ensure you are putting the number on each item you are sending out, i.e. five books, one inch of various papers, etc., and attach a mail label.

Release clothing can be sent in no earlier than 30 days prior to your release date. You must have an Authorization to Receive form on file in the mailroom in order for the box to come into the facility.

Records

The Designation and Sentence Computation Center (DSCC) in Grand Prairie, Texas and the Records Office at the institution computes your federal sentence, establishes release dates, tracks extra good time, statutory good time, lump sum extra good time awards, and detainers. You will be given a copy of your sentence computation as soon as it is prepared and certified by DSCC. Any questions concerning good time, jail credit, parole eligibility, length of sentence, full-term dates, release dates, 180-day dates, and periods of supervision should be addressed to the Supervisory Correctional Systems Specialist in the Records Office.

Detainers

Another law enforcement agency may place a detainer on an inmate while they are incarcerated. For all untried charges, you may be able to start a 180-day Interstate Agreement on Detainers (IAD). If this applies to you, a Correctional Systems Officer in Records will complete the forms and talk to you about this procedure. The IAD is not applicable to any type of violation detainers.

Statutory Good Time

Under the old sentencing guidelines, a person who is sentenced to six months or more receives a specific number of days off their sentence every month (Statutory Good Time). The length of the sentence determines the amount of days an inmate is entitled to each month. Shortly after arriving at the facility, a Notification of Good Time earning rate will be received on a form entitled "Computation Summary" from the Correctional Systems Department. A disciplinary report may result in loss of Statutory Good Time or the disallowance of Good Conduct Time.

Extra Good Time

In addition to Statutory Good Time, inmates sentenced under the old guidelines will receive three Extra Good Time days per month for the first year, prorated according to the dates of commitment and release. Every year following, five days of Extra Good Time will be accrued each month.

Good Conduct Time (Comprehensive Crime Control Act)

For those inmates committed under the provisions of the Comprehensive Crime Control Act (CCCA) (i.e., the date of the federal offense was on or after November 1, 1987), the following applies:

A prisoner who is serving a term of imprisonment of more than one year is eligible to receive up to 54 days Good Conduct Time after each year of their sentence is served. Credit for the last year or portion of the last year will be prorated and credited within the last six weeks of the sentence. Good Conduct Time may be disallowed for misconduct.

Commutation of Sentence

The Bureau of Prisons also advises inmates on commutation of sentences. This is a form of executive clemency power used to provide post-conviction relief to inmates during their incarceration. This clemency power is authorized by the Constitution to the Chief Executive Officer, who is the President of the United States for Federal Offenses. Commutation of a sentence is usually the last chance to correct an injustice which has occurred in the criminal justice process. Inmates applying for commutation of a sentence must do so on a designated form. The rules governing these petitions are available in the Law Library.

A pardon may not be applied for until the expiration of at least five (5) years from the date of release from confinement. In some cases involving crimes of a serious nature, such as violation of Narcotics Laws, Gun Control Laws, Perjury, and violation of public trust involving personal dishonesty, fraud involving substantial sums of money, violations involving organized crime, or crimes of a serious nature, a waiting period of seven years is usually required.

Notary Public

Specific staff has been designated to notarize documents. Should an inmate need a document notarized, they can inquire as to which staff members are designated as a certified notary public.

INMATE SERVICES

Commissaries

The Commissary offers a variety of edible and inedible products. The purpose is to provide inmates with merchandise not provided by the Bureau of Prisons and food items to complement the institution food service menu. Commissary use is a privilege, not a right. An Institutional Identification Card is required to shop at the Commissary and is ordinarily provided during initial processing. The FCI Commissary is open on Mondays, Tuesdays, Wednesdays, and Thursdays. The Commissary will be closed on all federal holidays. The following is the Commissary schedule:

Pass System

Recreation and general movement will occur during the controlled movement. When an inmate moves outside a controlled movement, they must have a pass from a work detail supervisor justifying the move.

Inmates are permitted ten minutes to travel to and from each area. It is an inmate's responsibility to make sure that the staff member notes the correct times on the work pass. If more than ten minutes is used to travel from one area to another, the inmate is subject to disciplinary action.

When returning to the work area from which the pass was originally issued, the staff member who issued the pass will then keep the pass. At the end of each day, staff members will turn in all work passes to the Control Room who will account for them.

Passes are required to attend recreation, education, chapel, and the barber shop and should be requested from the unit officer prior to the beginning of the controlled moved.

Institutional Emergencies

When an emergency exists within the institution, the emergency announcement will be activated alerting all inmates to cease movement and lay on the ground. All inmates will immediately cease movement, lie on the ground, and wait for staff direction. Any inmate not complying with the emergency announcement system or staff directions will receive disciplinary action.

Controlled Movement

All inmate movement throughout the institution is regulated by controlled movement. The purpose of controlled movement is to ensure that the movement of inmates is orderly. The beginning and end of each move will be announced over the institution speaker. During the ten-minute period of controlled movement, inmates may move from one area of the institution to another without a pass or staff escort. Inmates should arrive to their destination prior to the two-minute warning. At that time, inmates may not exit their areas. Inmates are not to loiter on the unit or compound sidewalks during periods of movement. During weekday evening hours, the first controlled movement usually will begin at the end of the evening meal. This means that, after the dinner meal, inmates may travel to any unrestricted area of the institution during these hourly moves.

On Saturdays, Sundays, and federal holidays, the first controlled movement will begin at the end of the morning meal.

Restricted Areas

Restricted areas are those areas which you will not have access to when not on an assigned work detail. Restricted areas will include such areas as Commissary (during non-operational hours), UNICOR, Food Service, Facilities, Lieutenants' Office, housing units that you are not assigned, and all administrative offices. Inmates are not allowed to visit other inmates in another housing unit. No loitering is permitted in front of the housing unit. For further information, refer to the Institution Supplement entitled "Inmate Accountability."

Visitation

It is the policy of the Bureau of Prisons (BOP) to encourage visiting by family and friends to maintain morale and to develop closer relationships between family and others in the community. Some of the basic questions concerning visiting will be answered in this handbook. However, consulting with your Correctional Counselor or other Unit Team members and becoming fully aware of the visiting regulations is recommended.

Visiting is regulated by a point system. Each inmate is given forty (40) points every month. One point represents one (1) hour of visiting time during the work week (Monday). Two (2) points represent one (1) hour of visiting time on weekends and federal holidays. Unused points will not be accrued or added to the next month's points. Holdovers will be allowed four (4) visiting days per month, two (2) of which may occur on weekends. Official attorney legal visits are free and will not be charged against the points per month limit.

All visitors will be expected to maintain control of their children at all times. If the Visiting Room becomes too crowded, visits for persons from the local area may be terminated according to the time of arrival, with the first to arrive being the first to be terminated.

Anyone visiting the institution must be on an inmate's approved visiting list.

For identification purposes, visitors will be required to present a picture identification card (i.e. valid driver's license, passport, etc.).

Appropriate dress shall be worn by visitors. The Visiting Room is a public facility, and certain restrictions must be placed on visitors' clothing. Unacceptable clothing includes, but is not limited to: excessively tight fitting clothing, see-through garments, halters, tube tops, strapless dresses, swim suits, shorts, etc. Failure to comply with this dress code will be sufficient grounds to deny entry of a visitor.

Visitors are not allowed to bring food, gifts, games, needlework, pocket books, baby strollers, or packages into the Visiting Room. Personal items are not allowed to be given to the inmate, and any item that cannot be thoroughly searched will not be allowed into the institution. Once seated, movement by inmates and their visitors should be limited to that which is necessary (going to and from restrooms and/or vending machine area). Unnecessary lingering, walking the aisles, etc. is distracting to other visitors and interferes with staff supervision of the Visiting Room.

Supervision of Children

It is the responsibility of the adult visitor and inmate to supervise their children visitors at all times. Children visitors should be supervised to ensure they do not disrupt other inmate(s) and their visitor(s).

Coin Purses (clear) and Wallets are Allowed

ANY VIOLATION OF VISITING PRIVILEGES MAY RESULT IN DISCIPLINARY ACTION AND/OR LOSS OF VISITING PRIVILEGES AND POSSIBLE CRIMINAL PROSECUTION OF THE VISITOR. For further information, refer to the Institution Supplement entitled “Visiting Regulations.”

Contraband

Contraband is anything that is not:

1. Issued by an institution staff member.

3. Purchased through approved channels,
4. Approved for issue by an appropriate staff member.

Authorized items may be considered contraband when found in excessive quantities or altered in any manner. Possession of contraband is subject to disciplinary action.

Drug Surveillance

The Bureau operates a drug surveillance program that includes mandatory random testing as well as testing of certain other categories of inmates. If a staff member orders an inmate to provide a urine sample for this program and the inmate refuses, that inmate will be subject to an incident report. For further information, refer to the Institution Supplement entitled “Alcohol Surveillance and Testing Program.”

Alcohol Detection

A program for alcohol surveillance is in effect at all institutions. Random samples of the inmate population are tested on a routine basis as well as those suspected of alcohol use. A positive test will result in an incident report. Refusal to submit to the test will also result in an incident report.

Fire Prevention and Control

Fire prevention and safety are everyone’s responsibility. Inmates are required to report fires to the nearest staff member so that property and lives can be protected. Piles of trash or rags in closed areas, combustible material, items hanging from fixtures or electrical receptacles, or

Recruitment, Hiring, and Dismissal Procedures

Program Statement 8120.02 identifies practices for FPI recruitment of inmates. Inmate workers for FPI locations may be recruited through admission and orientation lectures or through direct recruitment.

The Superintendent of Industries/AW I&E may solicit inmates with needed skills for employment in UNICOR. The SOI and other FPI employees may inform perspective workers of the benefits of a career with UNICOR prior to receipt of the workers’ applications for employment.

Inmate workers are ordinarily hired through waiting lists. These lists consist of Prior and Non-Prior inmates. These lists are maintained by FPI employees. Once a “cop-out” is received, the inmate work history will be reviewed to determine whether they have previously worked for FPI. If so, they will be placed at the bottom of the Prior waiting list.

Inmates owing the government money for fines or restitution may be given priority placement in FPI if a significant financial need of \$1,000.00 or more exists. The unit team will use its discretion when making a recommendation to assure parity exists. If it is determined that priority placement is warranted, the unit team will forward a Request for Priority Placement to the SOI.

ADMINISTRATIVE REMEDY PROCESS

The Federal Bureau of Prisons Program Statement 1330.13, Administrative Remedy Program, requires that all inmates shall informally present their complaint to staff. Staff shall attempt to informally resolve any issue before an inmate files a Request for Administrative Remedy, BP-229(13).

When an inmate presents an issue to staff, usually the Unit Counselor, the staff member will determine if the inmate has made an attempt to resolve his complaint with the affected department head. The Counselor will give the inmate the Attempt at Informal Resolution form, commonly referred to as a BP-8. The inmate will complete the top portion of the form and return it to the Counselor.

The Counselor will make contact with the affected department head in an attempt to resolve the issue. The Counselor will communicate the response to the inmate. If the inmate is not satisfied with the response and still wishes to pursue administrative remedy, the Counselor will issue the BP-9 form. The Counselor will complete the remainder of the BP-8 form, noting any reasons why informal resolution could not be achieved, and turn it in with the completed BP-9 form when the inmate returns it with any exhibits or attachments.

The Counselor should advise the inmate to:

1. Sign in the proper place.
2. Include all 4 carbon copies of form.
3. Attach only one continuation page, with 2 copies (at the institution level).
4. Attach only one copy of all exhibits. (The inmate will not receive these copies back. Encourage them to make a copy of all appeals for their records.

The BP-9 must be filed within (20) calendar days from the date on which the basis for the incident or complaint occurred. This includes the informal resolution process.

Time Limits (calendar days): **Filing**

BP-9 (BP-229)	20 days of incident
BP-10 (BP-230)	20 days from BP-9 response
BP-11 (BP-231)	30 days from BP-10 response

Response Extensions

BP-9 20 days	BP-9 20 days
BP-10 30 days	BP-10 30 days
BP-11 40 days	BP-11 20 days

For further information, refer to the Institution Supplement entitled “Administrative Remedy Program.”

[Federal Tort](#)

[Loss Claim](#)

If the negligence of institution staff results in personal injury or loss of or damage to property of an inmate, it can be a basis for claim under the Federal Tort Claims Act. To file such a claim, inmates must complete a Standard Form 95. They can obtain this form from the Safety Department.

For further information, refer to the Institution Supplement entitled “Claims Under the Federal Tort Claims Act.”

INMATE DISCIPLINE

Inmates must have respect for the rights and property of others. Rules, regulations, and policies are made to maintain a healthy and peaceful climate and to ensure an orderly operation of the facility.

Certain privileges are granted to eligible inmates as long as they are not abused. Violation of regulations may result in an Incident Report and imposition of certain sanctions as outlined later in this handbook.

Incident reports are first investigated by the Lieutenant on duty and the results forwarded to your Unit Team. The team meets as the Unit Disciplinary Committee and may make limited dispositions for most misconduct such as taking of privileges, change in jobs, assigning extra duty, etc.

If charges are more serious, the case will be referred to the Disciplinary Hearing Officer, who can impose more serious penalties such as forfeiture of good time, disciplinary segregation, and/or recommendation of transfer to a more secure institution.

The internal disciplinary system is outlined, in detail, in the Program Statement entitled “Inmate Discipline and Special Housing Units” and is available for reading in the Law Library. The following section informs you of your rights and responsibilities.

Tables 1 and 2 provide a summary of the disciplinary system, while Table 3 provides a listing of prohibited acts by level of severity and shows the range of sanctions which may be imposed for violating institutional rules.
