

## Special Visiting Schedule and Procedures

Visiting schedule and procedures have been modified in response to the COVID-19 pandemic. Please review and familiarize yourself with the revised schedule and procedures for the visiting institution prior to your arrival to expedite the screening process in the Front Lobby and/or screening site.

1. All visitors are required to wear a mask or face covering prior to entering the Front Lobby or screening site and at all times while on institution property. The mask or face covering must cover the nose and mouth.
2. The mask or face covering should be plain and cannot be bandana material or style.
3. All visitors are required to clear a temperature check and complete a symptom screening form prior to visitation.
4. Visitation is no-contact. Physical contact is strictly prohibited at all times.
5. Any violation of the no-contact protocols may result in the visit being terminated.
6. The children's play area will be closed.
7. Vending machines will be closed.
8. Social distancing may cause number of visitors per inmate to be limited.
9. Review the attached schedule for revised days of the week, hours, and length of visitation.

Your adherence to these rules is appreciated for the safety of the inmate population and the public.

**FCC PETERSBURG**  
**MODIFIED VISITATION INFORMATION**  
EFFECTIVE JANUARY 1, 2022

As a result of the Modification of Coronavirus (COVID-19) Phase Nine Action Plan, social visiting at FCC Petersburg has modified the complex visitation schedule. Visitation will be conducted in accordance with the following guidelines, in addition to visitation procedures, to protect the health and safety of all inmates, staff, and visitors.

All social visits are non-contact and conducted with a barrier between visitors and inmates. Any violation of COVID-19 preventative measures during visitation, by the inmate or their visitor(s), will result in the termination of visits and disciplinary action for the inmate.

- Inmates will be provided an opportunity for visitation at least twice a month, with a maximum of three (3) visitors per inmate for each visit.
- The children's area in the Visiting Room will remain closed.
- Door handles, tables, chairs, restrooms and other high-traffic areas of the Visitation Room will be thoroughly cleaned and disinfected between visitation sessions.
- Inmates in the Special Housing Unit and any Quarantine or Isolation Units will not participate in social visiting.
- Visitors are required to wear appropriate face coverings, which will be verified during in-processing. Improper face coverings include: neck gaiters, bandanas, masks with exhalation valves/vents, masks with inappropriate or offensive images or sayings, face shields, N-95 masks, etc.

During in-processing and prior to being admitted to the facility, visitors will be temperature checked and screened for COVID-19 symptoms. **All visitors who are sick or symptomatic for COVID-19 will be denied visitation.** All persons within a denied visitor's visitation group will also be denied visitation. Refusal to be screened will result in the visitor(s) (and their entire visitation group) being denied visitation privileges for that day. Using the Coronavirus Disease 2019 (COVID-19) Enhanced Screening Tool (Staff, Contractors, and Visitors), visitors will be screened for the following symptoms:

- Temperature of > 100°
  - New-Onset Cough
  - New-Onset Trouble Speaking/Difficulty Breathing
  - Fatigue
  - Muscle or Body Aches
  - Sore Throat
  - New Loss of Taste or Smell
  - Stuffy/Runny Nose
  - Nausea or Vomiting
  - Diarrhea
  - Any other symptom classified by the Center for Disease Control and Prevention (CDC)
- Both inmates and visitors must correctly wear appropriate face coverings at all times during visitation, and perform hand hygiene before and after each visit. Visitors will only be permitted to wear plain masks/face coverings. Inmates will only be permitted to wear the plain white BOP issued masks for visitation; masks that have been altered or decorated will not be allowed.
  - Additionally, based on the inability to social distance, inmates and their visitors will not be permitted to take photographs during visitation.
  - **Food and beverages will not be allowed.** As such, vending machines will not be available for use in the Visiting Room. Baby formula/food must be placed in a quart sized clear sealable bag.
  - All areas, to include the Front Lobby and the Control Sallyport, will be thoroughly cleaned and disinfected following the completion of visitation each day.

## VISITATION DATES

### CAMP VISITING SCHEDULE – JANUARY 2022

DATE	DAY	UNIT	VISITING TIME
1/1/22-1/2/22	Saturday/Sunday	Camp 2	8:00 AM – 3:00 PM
1/8/22-1/9/22	Saturday/Sunday	Camp 1	8:00 AM – 3:00 PM
1/15/22-1/16/22	Saturday/Sunday	Camp 2	8:00 AM – 3:00 PM
1/22/22-1/23/22	Saturday/Sunday	Camp 1	8:00 AM – 3:00 PM

## DO choose masks that

Have two or more layers of washable, breathable fabric

Completely cover your nose and mouth

Fit snugly against the sides of your face and don't have gaps

## DO NOT choose masks that

Are made of fabric that makes it hard to breathe, for example, vinyl

Have exhalation valves or vents, which allow virus particles to escape

Are intended for healthcare workers, including N95 respirators

Evaluation is on-going but effectiveness is unknown at this time

Evaluation is on-going but effectiveness is unknown at this time

## Do NOT wear a mask

Around your neck

On your forehead

Under your nose

Only on your nose

On your chin

Dangling from one ear

On your arm

## Special Situations: Children

If you are able, find a mask that is made for children

If you can't find a mask made for children, check to be sure the mask fits snugly over the nose and mouth and under the chin

Do NOT put on children younger than 2 years old

## How to take off a mask

1 Carefully, untie the strings behind your head or stretch the ear loops

2 Handle only by the ear loops or ties

3 Fold outside corners together

4 Be careful not to touch your eyes, nose, and mouth when removing and wash hands immediately after removing
