4. **PROCEDURES**

   A. **Regular Visits.** Regular visits will be conducted in the Camp Visiting Room. All inmates are responsible for notifying their approved visitors of the visiting regulations. Inmates will be provided with visiting regulations upon their arrival at the Camp. (Attachment A) A copy of the regulations will be posted at the Camp Visitation Room and inmates may mail a copy of the visitation regulations (Attachment A) to their proposed visitors.

   B. **Visiting Hours.** Visits will be conducted between 8:00 a.m. and 3:00 p.m. on Saturday, Sunday, and Federal holidays. Visitors must arrive no less than sixty (60) minutes before the end of visiting to be processed.

   C. **Number of Visitors.** There is no limit on the number of visits per inmate. However, due to area constraints, it is necessary to limit the number of adult visitors to six (6) per visit for one (1) inmate. When there are more visitors than the Visiting Room can safely accommodate, visits may have to be terminated. The Camp Visiting Room Officer must consult with the Operations Lieutenant and gain the approval of the Institution Duty Officer (IDO) prior to terminating any visit.

   D. **Approval / Disapproval of Visitors.** Inmates will be responsible for submitting a list of proposed visitors to their Correctional Counselor. Normally, immediate family members will be approved, provided verification can be made. Immediate family is defined as mother, father, brothers, sisters, spouse and children. Those visitors not classified as immediate family will be considered for approval after the completion and review of Visitor Information Form.
Once approved by staff, the approved record of visitor’s form will be produced in triplicate. One copy will be maintained in Section 3, of the inmate’s Central File, a copy given to the inmate, and a copy will be placed in a 3 ring binder in the Visitation Room. The Visitation Room Binder will maintain an approved record of visitors for each inmate and will serve as a back up record for the visiting computer program. Inmates may submit a new Bp-A629.052, Visitation Form, requesting changes to the approved visiting list on an as-needed basis.

All visitors under 16 years of age must be accompanied by an approved visitor who is the parent, guardian or immediate family member. Visitors 16 years to 18 years old should be accompanied by an approved visitor who is a guardian, parent, or immediate family member. However, if unaccompanied, the person between these ages must be approved on the list and have a written document by a guardian, parent or immediate family member to visit on that particular day. The Correctional Counselor will advise the inmate of those visitors approved. Inmates may appeal disapproved visitor decisions through the administrative remedy process. Inmates must have known the proposed visitors prior to incarceration. The Warden’s approval must be obtained for an exception to this rule.

Visitors may not normally be placed on more than one inmate’s Visiting List. A maximum of twenty (20) visitors will be authorized on the approved Visiting List.

E. **Special Visits.** Special visits may be approved by the Camp Administrator or IDO. Special visits may be authorized for an inmate’s relative not on the pre-approved visiting list on a one time only basis. A Special Visit Authorization Form (Attachment B) must be completed, signed by the Camp Administrator and distributed prior to any special visit. The Camp Administrator and/or approving Official will designate the staff member responsible for arranging and supervising the special visit.

F. **Legal Visits.** Legal visits as defined in Program Statement 1315.07, will normally be scheduled between 8:00 am and 3:00 pm, Monday through Friday. The legal visits will occur in the Visiting Room. A legal visit may also be approved on days when the Visiting Room is scheduled for social visiting (Saturdays, Sundays and Federal holidays). However, legal visits scheduled on these days will occur in the open area of the Visiting Room, in an area selected to provide a degree of privacy. Legal visit requests will be processed using the Special Visit Authorization Form. Attorneys requesting visits with inmates at other times not addressed in this paragraph may be accommodated as time, security and manpower constraints permit. Special legal visits involving more than one inmate must be scheduled in advance and approved by the Unit Team. The Visiting Room Officer will contact the Shift Lieutenant and the Duty Officer prior to denying an attorney visit.

Staff shall not place an attorney on an inmate’s visiting list unless the attorney is approved as a regular visitor and does not wish to visit with the inmate in the capacity of an attorney legal visit.

G. **Visitor Identification.** The Visiting Room Officer will be responsible for checking the identification of all adult visitors. A driver's license with a picture, or other picture identification will be required. If a picture ID is not available, the Institution Duty Officer will be notified for authorization. All visitors will be required to complete the Notification of Visitor Form (BPs224.022) prior to visiting.

H. **Visitor Conduct.** All visitors are expected to conduct themselves in an appropriate manner at all times. All visitors and inmates must remain in the designated visiting areas. Visitors with children must maintain control of the children at all times. Failure to do so may result in the termination of the visit.
Inmates and visitors will be warned of inappropriate conduct and if the behavior continues, the visit may be terminated with the approval of the Institution Duty Officer, after consultation with the Operations Lieutenant.

M. Contract Jail Facility. Visiting at a contract facility will only be conducted with the prior approval of the Camp Administrator.

N. Supervision of Visits: The Visiting Officers will supervise all regular visits to ensure strict compliance with all rules and regulations. One officer must remain in the visiting area at all times. The Visiting Room Officers will provide constant supervision by moving around through the visiting area. Consistent with available resources, such as space limitations and staff availability, and with concerns of institution safety, the Warden may limit the visiting period.
When conditions such as overcrowding exist, the number of visitors may be further limited to allow each visitor adequate space and time to conduct their visit. The Camp Visiting Room Officer must consult with the Operations Lieutenant and gain the approval of the Institution Duty Officer (IDO) prior to terminating any visit.
