VISITING POLICY

The Bureau of Prisons encourages visiting by family, friends, and community groups to maintain the morale of the inmate and to develop strong family ties and community relationships.

An inmate desiring to have regular visitors must submit a list of proposed visitors, including family members, to the unit staff. Members of the immediate family (parents, brothers, sisters, spouse, and children) are placed on the inmate's approved visiting list, unless policy prohibits. Inmates will be notified by staff of each approval or disapproval of a requested person for the visiting list. The inmate is responsible for notifying the visitor of approval or disapproval to visit. Visitors should ensure they are on the approved visiting list prior to coming to the institution for a visit to avoid any inconvenience. *Please note that an inmate's visiting list may be amended at any time.*

Visiting dress rules apply equally to male and female visitors.

- Anyone wearing clothing considered to be too revealing will not be allowed to visit. This may include sun dresses,

leotards, miniskirts, backless tops, any sleeveless garment, crop tops, low cut necklines, sheer fabric, see through lace, and clothing of spandex material. No open-toed shoes or sandals of any kind are allowed.

The Institution Duty Officer and Operations Lieutenant will be notified prior to any search of religious headwear. Once approval for the search of the headwear is approved by the Warden or his/her designee, a staff member of the same sex as the visitor will ask the visitor if they would consent to a visual inspection of their headwear. If the visitor refuses, the visitor will not be allowed to enter the institution. If the visitor consents to the search, the staff member will escort the visitor to a private place. The visitor will be instructed to remove the religious headwear to allow the staff member to conduct a search of the headwear.
