SCP

Visiting hours are from 8:30 a.m. to 3:00 p.m. on Saturdays, Sundays, and federal holidays.

C. Frequency of Visits and Number of Visitors

Inmates may receive visits during scheduled visiting periods. Inmates may have up to five visitors each visit. All visitors, including children, will be assigned an individual seat. Visiting points will be modified to six (6) points per month effective June 1, 2016. Therefore points will be calculated based on each visit regardless of duration. One (1) point per day on Monday and/or Friday. Two (2) points per day on weekends and holidays.

Camp Visiting will be on Saturday/Sundays and federal holidays. The same visiting procedures as the FCI will be adhered to. Visiting times will be scheduled consistent with visiting times for the FCI.

FDC inmates will be permitted up to five visitors and are limited to a two hour visit each day.
Holdovers and New Commitments: When an approved visiting list is not available, visits for new commitments and inmates in holdover status are limited to members of the immediate family. Immediate family verification is done utilizing Pre-Sentence Investigation relationship verification through another federal law enforcement agency, usually the United States Probation Office. The unit team will approve/disapprove visits for all holdovers. Visiting forms for approved holdover inmate visitors will be given an expiration date of no more than 60 days from the date of issuance. This date of approval and date of expiration will be clearly noted on the visiting form so the Front Lobby Officer knows when to purge the files. These visits will occur in the inmate visiting room during normal visitation hours, unless otherwise directed.

Such visitors as grandparents, uncles, aunts, nephews, nieces, in-laws, and cousins are not considered as immediate family and will be denied a visit if they are not on the inmate’s approved visiting list. The only exception is a written approval from the Captain or Institution Duty Officer (IDO).

D. Termination Procedures
Due to space limitations, the Operations Lieutenant and/or Institution Duty Officer are authorized to terminate visits. Every effort will be made to terminate those visits from the local commuting area first.

REASONS FOR DENIAL OR TERMINATION:
A. An institution emergency
B. Improper conduct
C. Overcrowding

E. Visitors
Approved inmate visitors are allowed to enter the institution parking lot area designated for visitors no earlier than 1 hour prior to the start of visitation.

The Correctional Counselors will be responsible for each inmate’s Approved Visiting List. Changes to visiting lists may be requested at any time, but will not take effect until appropriate documentation is received and background checks are completed. The inmates must have known the proposed visitor(s) prior to incarceration. An inmate may request an exception to this requirement by submitting an Inmate Request to Staff Member (cop-out) to the Warden through their Unit Team. Only the Warden may approve an exception to this requirement.

A background check (NCIC) will be completed prior to any visitor being placed on an inmate’s Approved Visiting List, with the exception of immediate family members listed in the Pre-sentence Report. Upon receipt of a completed Visitor Information Form, staff will complete a background investigation using the NCIC. Staff will screen the NCIC to determine if the visitor is appropriate to be placed on the Approved Visiting List. Correctional Counselors will forward requests for persons with prior felony criminal convictions to the Warden. Written approval from the Warden (or designee) is necessary prior to placement on an inmate’s Approved Visiting List. The Correctional Counselor will provide the inmate with a list of those visitors that have been approved.

No more than ten (10) friends and/or associates and unlimited family members that can be
confirmed will be included on the Visiting List. Proposed visitors who are under 18 years of age and not accompanied by a parent, guardian, or immediate family member at least 18 years of age, must have written notarized approval of a parent or legal guardian prior to visitation. The Unit Manager will ensure the notarized statement will be maintained in the inmate’s Central File, indicating inmate visiting approval. Additionally, visitors are prohibited from bringing animals on institution grounds unless the animal is a dog that assists disabled persons.

F. **Inmate Visiting Material**

Unit Staff will prepare the Visiting List after the inmate submits a Request for Visitors form (Attachment A). The information will be entered into the Visiting program. One (1) copy will be placed in Section Three (3) of the inmate's Central File. As additions or deletions occur,

Unit Staff will update the Approved Visiting List.

The Visiting Hours/Regulations (Attachment B) will be reviewed by all approved visitors prior to the visitor's initial visit. It is the inmate’s responsibility to mail the form to their visitors. A copy is available in the Front Lobby for review. Visitors will complete and sign the Notification to Visitor form (Attachment C) acknowledging receipt of the written guidelines and procedures.

Special Visiting memorandums will be delivered to the Control Center, Front Lobby, and Lieutenants Office by Unit Staff. The Unit Counselors will be responsible for updating the Visiting program. Hard copies of all new Approved Visiting Lists will be delivered to the Control Center by Unit Staff to be used as a backup to the computer procedures quarterly.

As inmates are released or transferred from the institution, Unit Staff will be responsible to ensure the Approved Visiting List is placed in the inmate's Central File.

The Visiting Room Officer will maintain through the Visiting program a chronological record of visits, including the inmate's name and register number, number of persons visiting, and the date and time visits began and ended. Visiting Room Staff will track all visiting points. No additional points will be granted without written approval of the Warden or his or her designee. Any other pertinent information is recorded on a Notification to Visitor form (Attachment C), which will be maintained in the Captain’s Office and retained for one (1) year.

G. **Attorney and Special Visits**

Attorney visits will take place in the Attorney/Client visiting booths located in the Visiting room unless otherwise specified by the Unit Manager.

The Unit Team will be responsible for scheduling all Attorney/Special visits according to the following procedures:

Approval for special visits will be coordinated through the inmate's Unit Manager, Institution Duty Officer, or Operations Lieutenant. All special visits must be authorized
by the Warden.

The Special Visit form (Attachment D) will be approved by the Warden and forwarded to the Lobby Officer prior to the visit. Special visits include Minister of Record, Clergy, Consular visit, representatives of community groups, former and prospective employers, sponsors, and Parole advisors. Special visits ordinarily are for a specific purpose and are not of a recurring nature.

Attorneys will request their visits in advance. The request will be in writing; however, a telephone call or FAX message will suffice in unusual situations. Visits can be approved and scheduled during non-visiting days according to the availability of Unit Staff. However, attorneys should visit during regular visiting hours, on visiting days if possible. If a visit is approved on a non-visiting day, the Unit Manager will distribute the Special Visit form with details of the visit (name of attorney, inmate's name, register number, custody, and time of visit, and Unit Staff member who will be providing direct supervision).

Upon arrival, the attorney will sign in at the Control Center and show proper identification. An Attorney's Bar Association Card is required. The staff member responsible for escort will search any articles (briefcase, papers, etc.) for contraband. Unit Staff will escort the attorney to the Visiting Room and provide direct supervision at all times for attorney visits during non-regular visiting hours. Following completion of the visit, the inmate will be visually searched and returned to the Compound. The attorney will be escorted to the Front Entrance.

Attorney visits scheduled during regular visiting hours will not require a Special Visit form if the attorney is on the Visiting List. In the event an attorney arrives at the institution during regular visiting hours that is not on the Approved Visiting List, and a Special Visit form has not been distributed in advance, the Unit Staff or Institution Duty Officer will be notified by the Front Entrance Officer. Unit Staff or the Institution Duty Officer should make every effort to facilitate attorney/client visits. Attorneys should not be denied access to visiting during regular visiting hours by Officers or Unit Staff. The Institution Duty Officer should be consulted in these cases.

Legal Documents: Normally, all legal documents will be mailed to the inmate. If time constraints preclude mailing, legal documents may be brought in by an attorney with prior approval. The material must be in a sealed envelope and will be handled in accordance with legal mail procedures. Inmates will not be allowed to take legal materials to the Visiting Room without prior approval.

**H. Identification and Searches of Visitors**

All visitors, age 16 and older, are required to present a current form of government photo identification (**i.e. passport, driver’s license, state or local identification card**) before being processed into the institution. For visitors ages 16-18, a valid school issued identification card for the current school year is acceptable.

All visitors will enter the Front Entrance through the visitor's entrance and will be screened by a metal detector. Visitors failing to clear a walk-through metal detector must
be searched using a hand-held metal detector. Failure to clear the hand-held metal detector may qualify as reasonable suspicion to perform a further pat or visual search. If a visitor fails to clear the walk-through metal detector and the hand-held metal detector, the Operations Lieutenant will be notified.

All items which cannot clear the walk-through metal detector will be screened by means of the available x-ray machine. All inmate visitors are subject to a pat search. The inmate visitors will be searched by a staff member of the same sex. No pat searches of visitors under 18 years of age will be performed without the authorization of the Warden (or designee). All visitors will be marked with an identifying stamp before leaving the Front Entrance. They will submit to a black light inspection upon termination of the visit.

A Visiting Room Officer will escort no more visitors than can be properly supervised to and from the Visiting Room after properly identifying the visitors. Inability to establish identity will be reported to the Operations Lieutenant before the visit is allowed.

All visitors entering the institution are expected to use good judgment and taste in their manner of dress. Refer to the Visiting Regulations (Attachment B) for specific guidelines. If there are any questions regarding proper dress, the Operations Lieutenants or Institution Duty Officer will be contacted. Smoking is not permitted inside the Visiting Room. Tobacco products, matches, and lighters are prohibited. Inmates may not handle money at any time.

Staff will monitor all areas of visitation. This includes, but not limited to, restrooms, the seating areas inside and outside, vending area, the walkway to and from the visiting room and the area for legal visits. This can be done with the use of the cameras and making unscheduled and frequent walking rounds of the visiting area.

I. **Allowable Items**

Visitors entering the institution are subject to search. Only one (1) small (half-gallon size) clear, transparent purse or clear zip lock bag may be taken into the institution and Satellite Camp. All containers/bags will be searched by the staff in the presence of the visitor. Currency will be in $1.00 (one) and $5.00 (five) dollar bills. The visitor may be required to remove from the institution items considered to be contraband. (Cellular phones are prohibited) Staff will notify the IDO and Operation Lieutenant if a visitor appears to be under the influence of intoxicants. Visitors who appear to be under the influence of intoxicants will be denied entry into the institution. Smoking is not permitted inside the Visiting Room. Tobacco products, matches and lighters are prohibited. Inmates may not handle money at any time. The staff will not store items which are not allowed in the visiting room. Life saving medications for visitors will be given to Visiting Room Officer during visits.

The Pager System will be used when processing visitors. Visitors will use the designated area outside the front of the institution to complete the required paperwork as normal. Upon completion of the paperwork the visitor will give the Front Lobby Officer the Title 18 and a valid government issued photo identification for all adults visiting one inmate. The Lobby Officer will give the visitor a pager and notate the buzzer number on the top of the Title 18 form. All visitors for that inmate will be advised to take the buzzer and wait
INSIDE their vehicle until the pager alerts. Once the Lobby Officer is ready to process the group of visitors, the pager will be activated. The visitors will arrive at the lobby and be processed through. If there are more visitors than pagers the remaining visitors will remain lined outside in the designated area. The next person(s) in line will give the Lobby Officer the Title 18, license(s) and follow the same procedures as above and wait inside their vehicle.

J. **Inmates Housed in the Special Housing Unit**

Unless sanctioned to loss of visitation, inmates housed in Administrative Detention and Disciplinary Segregation will be permitted to visit via the video visitation program located within the SHU. Video visitation will be limited to two hours per visit on a first come, first serve basis.

K. **Inmates Housed in the Federal Detention Center (FDC)**

Only immediate family members will be permitted to visit. Immediate family includes mother, father, brother, sister, wife, daughter, and son. If the inmate does not have a legal spouse, but lived with someone before incarceration, and there is evidence the relationship was similar to that of a marital relationship, that individual may be submitted for consideration to be included on the inmate’s approved visiting list. The inmate must demonstrate this pre-existing relationship to staff through documentation, which may include a lease showing the inmate and the individual occupied the same residence, a birth certificate of the inmate’s children showing the inmate and the individual were the parents and lived at the same address, a common address on a driver’s license, etc.

Due to limited information on these individuals, a background check (NCIC) will be completed prior to a visitor being placed on an inmate’s Approved Visiting List. At the time of intake screening, the Unit Team shall provide the inmate with an Inmate Handbook which contains written information on visiting procedures. Additionally, the Unit Team shall explain the visiting procedures to all new commitments and provide them with copies of the Visitor Information Form, BP-629, and instructions for mailing the form to immediate family members. This form must be completed on all visitors over the age of 16.

The inmate shall be held responsible for mailing this form to the proposed visitor. This form must be signed and returned to the Correctional Counselor by the proposed visitor prior to any further action regarding visiting. The Visitor Information Form will also be made available at the Front Lobby for proposed visitors who wish to pick it up. These forms can be completed and placed in the mail box in the FDC Front Lobby.

Upon receipt of this form, staff will complete a background investigation using the NCIC. Staff will screen the NCIC to determine if the visitor is appropriate to be placed on the Approved Visiting List. Persons with prior criminal convictions must receive approval from the Warden or designee prior to being placed on an inmates Approved Visiting List. Inmates who have current criminal actions pending against them will ordinarily not be allowed to visit. Any exceptions must be approved by the Warden or designee. The Visitor Information Form should be filed in Section 2 of the Privacy Folder of the Inmate Central File and the inmate should receive a copy of his Approved Visiting List. The Correctional Counselor is responsible for ensuring the approved visitors are entered into
the Visiting program and a hard copy is provided to the Front Lobby Officer.

1) **Legal Visits**
   Inmates incarcerated at the Federal Detention Center are afforded the opportunity to receive legal visits on a daily basis between the hours of 6:00 a.m. and 8:30 p.m. The hours of legal visitation are expanded to include evening hours to accommodate the needs of the inmate population.

2) **Documentation Requirements for Attorneys**

License and entry may be demonstrated through presentation of a current bar card and valid picture identification. Attorneys from the Office of the Federal Public Defender may, in lieu of a bar card, present credentials of that office with their picture for entry into the institution.

3) **Legal Assistants Accompanying an Attorney**
   Legal Assistants such as law clerks, interpreters, paralegals, notaries, and mental health professionals must receive prior approval to participate in legal visitation, regardless of whether the assistant is accompanied by an attorney. Completed applications must be mailed to the Federal Detention Center Unit Staff designated on the application. Original signatures on this form are required. Hand delivered applications the day of the visit will ordinarily not be accepted.

A list of approved legal assistants and their corresponding sponsoring attorneys will be maintained by Federal Detention Center Unit Staff. An approved legal assistant on the list may participate in legal visitation with any inmate as long as they are accompanied by their listed sponsored attorney. A legal assistant may be sponsored by an unlimited number of attorneys with a request accompanied by a fully completed, approved application signed by each attorney.

Exceptions must be approved by the Warden or designee. Such exceptions are limited to circumstances involving the Federal Public Defender’s Office, contract interpreters working with the United States District Court, and diplomatic representatives. Applications expire after one (1) year and must be renewed and approved prior to reentry.

4) **Legal Visitor Processing**
   The processing of legal visitors into the institution will occur during scheduled legal visiting hours and will discontinue thirty (30) minutes prior to official count times. As required for all visitors, legal visitors must present valid photo identification and complete the Notification of Visitor Form. Attorneys must present a current Attorney Bar Card for entry, and must also complete the Visiting Attorney Statement [BP-S241.013] (Attachment G) which will be maintained with the Notification of Visitor Form. Approved legal visitors as noted above, must contact the Federal Detention Center Unit Staff at least twenty-four (24) hours before visiting and have prior written
approval of the Jail Administrator.

Legal visitors will be processed through the metal detector and have their hand stamped prior to entry into the institution. All legal materials and briefcases will be searched for contraband and processed through the x-ray machine. Portable telephones, pagers, personal digital assistants (PDAs), and non-legal materials such as newspapers, magazines, chewing gum, and candy are not permitted in the visiting room.

5) **Legal Materials**

Unauthorized property brought into the visiting area will be treated as contraband and handled in accordance with Program Statement 5580.08, Inmate Personal Property.

   Attorneys may leave legal documents for an inmate by utilizing a legal mailbox located in the entry area of the Federal Detention Center. All documents placed in this mailbox must be in an envelope which contains markings which state the contents constitute legal mail and opened in the presence of the inmate. The originating party’s name must be clearly identified on the envelope indicating they are a licensed attorney or other individual approved for special mail privileges with the intended inmate recipient. Envelopes with insufficient markings will be treated as general correspondence, and will be inspected and subject to being read.

6) **Material Witness**
   Attorneys are not ordinarily permitted to bring material witnesses into the Visiting Room without clearly defined special circumstances. Prior written approval must be received from the Warden or Warden’s designee.

7) **Electronic Discovery Material**

No recording, audio or video playback equipment will be allowed into the institution without the approval of the Warden.

discretion of the Officer prior to entering the Visiting Room. This includes normal
