The purpose of this handbook is to provide incoming inmates with general information regarding the Bureau of Prisons, institution programs, and the rules and regulations inmates will encounter during confinement. ## ADMISSION AND ORIENTATION

### ADMISSION

When you first arrive at Sheridan, you will be processed by the Receiving and Discharge (R&D) Technician on duty, a medical staff member, and by the Counselor and/or Case Manager. In general, this interviewing process involves obtaining a synopsis of your social and medical history, filling out identification forms, completing personal property inventories and the issuance of institution bedding. During admissions you will be issued an inmate account card. **When out of your assigned living quarters, you are required at all times to be in possession of your inmate account card.** Failure to comply with this rule may result in disciplinary action.

### ORIENTATION

Unit Admission and Orientation is held upon arrival in the Camp Visiting Room. Institution Admission and Orientation (A&O) lectures will be held in the Visiting Room once a month or as needed. You are required to attend this process within 30 days of your arrival to the facility. The purpose of this orientation process is to enable you to familiarize yourself with the programs and operations of the Institution.

### THE INSTITUTION

The Satellite Prison Camp, Sheridan, Oregon, is a minimum security institution which opened in 1989. SCP Sheridan operates under the Unit Management system. This system has the Unit Staff located within the Housing Unit, making them available for problem solving, information, case management, etc.

## ADMINISTRATIVE STAFF

**Warden:** The Warden is the Chief Executive Officer of the Institution and is responsible for its total operation. In order to perform this function most effectively, she delegates some of her authority to the senior staff members. She evaluates the advice of staff and committees appointed by her and is the final authority for approval for all major activities, including transfers, furloughs, and other community activities.

**Satellite Operations Administrator (SOA).** The SOA is responsible for the overall operation and supervision of the Camp.

**Camp Unit Manager:** The Camp Unit Manager is responsible for the daily operation of the housing units and supervision of the unit staff. He/she is also responsible for unit programs and events.

### UNIT MANAGEMENT

The Camp is organized into two units with a multi-disciplined group of staff who will make decisions concerning work, programs and inmate supervision. You will be assigned to a housing unit and will have a formal meeting with your Unit Team within 28 days of your arrival. Unit 6 is designated as the Residential Treatment Program Unit. Unit 5 is designated as the general population housing unit.

### UNIT STAFF

Open house hours are Monday - Friday, 2:30 p.m. to 3:30 p.m. in each unit. This will give you an opportunity to discuss any matters of concern with your Case Manager and/or Counselor. Each unit has a Unit Team which is made up of the following: Unit Manager, Case Manager and Counselor. The Unit Secretary is administrative support for staff, not for the inmate population. Open House for the Unit Manager is 2:30 p.m. to 3:30 p.m. Monday -Friday, in the Administration Building.

**Case Manager:** Is responsible for matters pertaining to inmate management and programming, such as establishing and monitoring a release plan, parole matters, classification, releases, transfers, half-way house referrals, etc.

**Correctional Counselor:** Is primarily concerned with your day-to-day issues. They are responsible for your visiting and phone lists, bed assignments, job assignments, and property.

**Unit Secretary:** Is responsible for all clerical work concerning the unit. The Unit Secretary works directly for the Unit Manager and is not a regular resource person for inmates.

**Education Representative:** Is responsible for all matters pertaining to your education or vocational training needs.

**Psychologist:** Is qualified to determine if serious emotional/psychological problems may be affecting an individual. The psychologist further suggests and/or participates in treatment.

Open house hours are generally Tuesday 2:00 p.m. to 3:00 p.m. and will be announced over the public address system. Open house is utilized for mailing packages, weighing items to insure proper postage, certifying and obtaining return receipts and receiving packages and personal property. If you have any questions about your mail, you can come to open house or send a written inquiry.

You must place your full name, register number, and the institutions return address on all outgoing mail as follows:

Committed Name/Register Number  
Federal Prison Camp  
Unit Number  
P.O. Box 6000  
Sheridan, Oregon 97378-6000

If this information is not on your letter it will be returned to you.

Legal mail/special correspondence must be clearly marked as such to avoid possible opening and screening as "general mail." Mail is treated in accordance with the United States Postal Service Regulations, the Bureau of Prisons Program Statement on Correspondence and the Mail Management Manual which are on file in the law library. When you were processed through R & D you signed and received a copy of BP-Record-109 and 109A. You should read these forms and be aware of their contents. Incoming "Legal Mail/Special Mail" is not opened in the Mail Room if it is clearly marked and identified as coming from an attorney or other special mail source. This mail will be forwarded to unit staff where it will be opened in your presence. Inmates who receive Legal Mail will be summoned over the public address system and report to the Administration Building.

The Records office is located at the Federal Correctional Institution (FCI). The Designation and Sentence Computation Center (DSCC) located in Grand Prairie, Texas, computes your federal sentence and thereby establishes release dates. They also keep track of Extra Good Time, Statutory Good Time, and any approved Lump Sum and Extra Good Time Awards. The Records Office at the FCI is responsible for Detainers, and the Interstate Agreement on Detainers. You should receive a copy of your Federal Sentence Computation from your Unit Team within 30 days of your arrival. If you have any questions about your sentence computation, contact the Records Office in writing or come to the open house.

If you transferred from another Federal Institution and your property arrives, the R&D officer will place you on call-out to receive all authorized property. Items you are authorized to retain will be issued to you. Any unauthorized item must be donated or mailed to your residence of record at your expense.

### **MAIL DELIVERY AND POSTAGE**

Mail is delivered to inmates Monday through Friday, immediately after the evening meal, in the lobby of each housing unit. On Saturdays, Sundays, and holidays there is no mail delivery. All outgoing mail should be placed in the unit mail box located in the housing unit lobby. Your mail is routinely screened for contraband according to the policy of the Bureau of Prisons. Incoming mail is opened and stapled/taped. Outgoing mail should be sealed and ready for delivery.

You may receive hard cover publications directly from the publisher, a bookstore, or a book club. Paperback books or magazines can be received without an authorization. The package must be marked identifying the contents "Books" or it will be rejected at the post office. Newspapers are allowed to be received by subscription only. Soft paperback maximum is 4 in one package.

All postage requirements will be your responsibility. Postage stamps are to be purchased through the commissary and cannot be received through the mail.

### **CORRESPONDENCE/ELECTRONIC MESSAGING BETWEEN CONFINED INMATES**

An inmate may be permitted to correspond or electronically mail an inmate confined in another penal or correctional institution. This is permitted if the other inmate is either a member of the immediate family (mother, father, sister, brother, wife or children), or is party in a legal action (or witness) in which both parties are currently involved. A request for correspondence or electronic mail approval must be via an Inmate Request to a Staff Member through your unit Correctional Counselor. The following additional limitation applies:

- The Superintendent/Warden at both institutions must approve the correspondence.

### **REJECTION OF CORRESPONDENCE**

The Warden may reject correspondence sent by or to an inmate if it is determined to be detrimental to the security, good order, or discipline of the institution, to the protection of the public, or if it might facilitate criminal activity. Examples include:

- Matter which is non-mailable under law or postal regulations.
- Information of escape plots, of plans to commit illegal activities, or to violate institution rules.
- An inmate may not direct a business while confined.

This does not, however, prohibit correspondence necessary to enable an inmate to protect property or funds that were legitimately his at the time of his commitment. Thus, for example, an inmate may correspond about refinancing a mortgage for his home or sign insurance papers; however, the inmate may not operate (for example) a mortgage or insurance business while confined in the institution.

### **NOTIFICATION OF REJECTION**

The Warden will give written notice to the sender concerning the rejection of mail and the reasons for rejection. The sender of the rejected correspondence may appeal the rejection. The inmate will also be notified of the rejection of correspondence and the reasons for it. The inmate also has the right to appeal the rejection. The Warden will refer the appeal to a designated officer other than the one who originally disapproved the correspondence. Rejected correspondence ordinarily will be returned to the sender.

### **LEGAL CORRESPONDENCE**

Legal correspondence from attorneys will be treated as Special Mail if it is properly marked. The envelope must

be marked with the attorney's name and an indication that he/she is an attorney and the front of the envelope must be marked as "Special Mail" or "Legal Mail." It is the responsibility of the inmate to advise his or her attorney of this policy. If legal mail is not properly marked and the sender is not adequately identified as an attorney, it will be opened as general correspondence. Properly marked "Legal Mail" will be opened in the presence of the inmate.

### **ATTORNEY VISITS**

Legal visits must be with your attorney of record and arranged in advance through your Unit Team Monday through Friday during normal business hours. Legal visits may be arranged at other times based on the circumstances of each case and availability of supervising staff and availability of the attorney room.

### **ATTORNEY PHONE CALLS**

In order to make an unmonitored phone call between an attorney and an inmate, the inmate must demonstrate other means of communication, to include writing, visits, and regular phone calls are insufficient AND there must be an impending court deadline which cannot be met by these means. Phone calls placed through the regular inmate phones are subject to monitoring.

### **LAW LIBRARY**

The law library is usually located in the Education Department, and contains a variety of legal reference materials for use in preparing legal papers. Reference materials include the United States Code Annotated, Federal Reporter, Supreme Court Reporter, Bureau of Prisons Program Statements, Institution Supplements, Indexes, and other legal materials. The Law Library is open during convenient non-working hours, including weekends. An inmate Law Library Clerk is available for assistance in legal research. Legal materials are also available to inmates in detention or segregation status, ordinarily via a delivery system or satellite collection.

### **NOTARY PUBLIC**

Under the provisions of 18 USC 4004, Case Managers are authorized to notarize some documents. A recent change in the law allows that a statement to the effect that papers which an inmate signs are "true and correct under penalty of perjury" will suffice in federal courts and other federal agencies, unless specifically directed to do otherwise. Some states will not accept a government notarization for real estate transactions, automobile sales, etc. In these cases, it will be necessary to contact unit staff for arrangements with a notary public.

### **COPIES OF LEGAL MATERIALS**

In accordance with institution procedures, inmates may copy materials necessary for their research or legal matters. A copy card can be purchased through commissary and used on the copy machine located in the library. Copies can also be printed from the Electronic Law Library computers, for a charge. **The Unit Team or the Education Department will not make copies for you, unless you are deemed indigent.**

### **FEDERAL TORT CLAIMS**

If the negligence of institution staff results in personal injury or property loss or damage to an inmate, it can be the basis of a claim under the Federal Tort Claims Act. To file such a claim, inmates must complete a standard Form 95. They can obtain this form from the Safety Manager.

### **FREEDOM OF INFORMATION/PRIVACY ACT OF 1974**

The Privacy Act of 1974 forbids the release of information from agency records without a written request by, or without the prior written consent of, the individual to whom the record pertained, except for specific instances. All formal requests for access to records about another person and/or agency record other than those pertaining to themselves (including Program Statements and Operations Memoranda) shall be processed through the Freedom of Information Act, 5 USC 552.

### **INMATE ACCESS TO CENTRAL FILES**

An inmate may request review of the disclosed portions of his central file (plus Presentence report and/or

Summary). Institution staff will permit the review of the central file under procedures established locally.

### **INMATE ACCESS TO OTHER DOCUMENTS**

An inmate can request access to the "Non-Disclosed Documents" in his central file and medical file, or other documents concerning himself that are not in his central file or medical, by submitting a "Freedom of Information Act Request" to the Director of the Bureau of Prisons, Attention: FOI Request. Such a request must briefly describe the nature of records wanted and approximate dates covered by the record. The inmate must also provide his or her registration number and date of birth for identification purposes.

A request on behalf of an inmate by an attorney, for records concerning that inmate, will be treated as a "Privacy Act Request" if the attorney has forwarded an inmate's written consent to disclose materials. If a document is deemed to contain information exempt from disclosure, any reasonable part of the record will be provided to the attorney after the deletion of the exempt portions.

## **INSTITUTIONAL FACILITIES AND SERVICES**

### **HEALTH SERVICES**

It is the policy of the Bureau of Prisons to provide all care and medical treatment, which is necessary and needed to maintain the health status of the individual during incarceration. The decision of your appointment time and treatment lies solely with the Medical Staff. It is your responsibility to review the inmate call-outs daily, Medical and Dental appointments take precedence over all other call-outs.

#### **Sick Call Procedures**

Sick call appointments for medical services are scheduled four days a week: Monday, Tuesday, Thursday and Friday. Dental sick call appointments are made on Thursdays 7:15 a.m. to 7:45 a.m. Sign-up times for sick call appointments are 6:00 a.m. - 6:25 a.m. There is no sick call on Wednesday. The medical staff will respond to calls of an "urgent nature" when contacted by your work detail supervisor or unit officer.

You must bring your ID card to the health services waiting room to sign up for a sick call. You will complete the appointment slip by writing your name and register number along with your medical/dental problem on the blank slip and submit it to medical staff. You will be scheduled for an appointment scheduled on the severity of your problem, not "first come, first serve."

If you are assigned a same day appointment, you will be given a slip with the time and date. You must show this slip to your supervisor/officer prior to reporting to health services. All other appointments will be on the daily callout sheet. Inmate accountability is strictly followed.

Inmates are advised to communicate with the Health Services Administrator or Clinical Director by submitting an "Inmate Request to a Staff member" Form BP-148 through the institutional mail or through electronic messaging to staff.

#### **Emergency Care**

Medical staff are on call 24 hours a day. Emergencies are seen as they occur. No inmate will go to the health services unit prior to staff notifying health services staff. Inmates in health services will be considered out of bounds if they do not have an appointment or if a staff member has not cleared it with medical staff ahead of time.

**Medication/Pill Lines**

Medication will be dispensed at the institution out-patient clinic during two medication lines daily. Inmates will receive controlled prescription medication on a single dose basis. Prescriptions for non-controlled medications will be picked up at these times. The times for medication line are as follows:

### **Dental Services**

To receive dental treatment, submit an Inmate Request to a Staff Member Form BP-148 to Dental Services. The request should clearly state the dental problem or need. Once the Dental Clinic receives the cop-out, your name will be placed on the regular care list. Check the daily call-out roster for your dental appointment. If you miss two appointments, your name will be put on the bottom of the list.

In order to receive regular care and ensure the long term success of your dental treatment, you must maintain a high level of oral hygiene through regular brushing and flossing. For those not choosing to prevent dental or oral disease or not willing to maintain a reasonable level of health, emergency dental care will be provided for the alleviation of pain, infection, or physical damage.

For emergency treatment (i.e. dental infection, swelling, continuous pain, broken teeth, etc.) report to sick call between 6:00 a.m. and 6:25 a.m. on Monday, Tuesday, Thursday, and Friday. Remember **ONLY** dental emergencies will be seen during sick call. Routine dental work must be requested through the Inmate Request to a Staff Member form.

### **Health Care Visits with a Fee:**

You must pay a fee of \$2 for health care services, charged to your Inmate Commissary Account, per health care visit, if you receive health care services in connection with a health care visit that you requested, except for services described below. These requested appointments include Sick Call and after-hours requests to see a health care provider. If you ask a non-medical staff member to contact medical staff to request a medical evaluation on your behalf for a health service not listed below, you will be charged a \$2 co-pay fee for that visit. You must pay a fee of \$2 for health care services, charged to your Inmate Commissary Account, per health care visit, if you are found responsible through the Disciplinary Hearing Process to have injured an inmate who, as a result of the injury, requires a health care visit.

## **Health Care Visits with no Fee**

We will not charge a fee for:

Health care services based on health care staff referrals,  
Health care staff-approved follow-up treatment for a chronic condition  
Preventive health care services  
Emergency services  
Prenatal care  
Diagnosis or treatment of chronic infectious diseases  
Mental health care or  
Substance abuse treatment.

If a health care provider orders or approves any of the following, we will also not charge a fee for:

Blood pressure monitoring,  
Glucose monitoring,  
Insulin injections,  
Chronic care clinics,  
TB testing,  
Vaccinations,  
Wound Care or  
Patient education.

Your health care provider will determine if the type of appointment scheduled is subject to a co-pay fee.

## **Indigence**

An **indigent inmate** is an inmate who has not had a trust fund account balance of \$6.00 for the past 30 days. If you are considered indigent, you will not have the co-pay fee deducted from your Inmate Commissary Account. If you are NOT indigent, but you do not have sufficient funds to make the co-pay fee on the date of the appointment, a debt will be established by TRUFACS, and the amount will be deducted as funds are deposited into your Inmate Commissary Account.

## **Complaints**

You may seek review of issues related to health service fees through the Bureau's Administrative Remedy Program (see 28 CFR part 542).

## **Examination by a Physician**

The most efficient way to obtain an examination by a physician or an outside specialist, if necessary, is to sign up for sick call, explain your problem to the P.A. or nurse, and they will refer you to a physician if your condition warrants it. Appointments with a physician may be requested via "cop out" but you may not be seen for two or more weeks due to the number of inmates who are on the Chronic Care Clinics. The utilization review committee must approve all evaluations and procedures by outside specialists. Pre-existing conditions are treated if considered medically necessary.

## **Chronic Care Clinics**

Chronic Care Clinics are regular call-outs with a physician or P.A. for a checkup on conditions such as high blood pressure and diabetes. If you take medications on a daily basis for a chronic disease or condition, you will be automatically placed on one of these clinics and put on a call-out at least every six months. If you are not on a clinic list but feel you should be, please submit an Inmate Request to a Staff Member form to the Clinical Director or the Health Services Administrator.

### **Routine Physical Examinations**

A history and physical exam are performed on all new commitments to the Bureau of Prisons, whether the inmate is a self-surrender or transfer from a county jail or state facility. Routine screening for tuberculosis is done on a yearly basis using the PPD skin test. Positive PPD tests are followed up with a chest x-ray and referral to the Infectious Disease chronic care clinic. Frequent PPD testing on a person who has not been exposed to TB will not cause a false positive skin test. Tuberculosis testing and chest x-rays are mandatory with sanctions for refusal. Inmates should be aware that policies exist for involuntary PPD testing, with restraints if necessary. Other procedures and lab tests are done based upon clinical findings during your physical examination.

Inmates over 50 years old may request a yearly health screening. Lab work performed includes a chemistry panel, complete blood count, thyroid stimulating hormone, free T4, and a lipid panel. An electrocardiogram (EKG), a screening test for glaucoma, a rectal examination with Hemoccult (a test for blood in the stools), and a Prostate Specific Antigen (PSA) test will also be performed. Requests for PSA testing without a rectal exam will not be honored. Additional testing and procedures will be performed based on the clinical findings during your physical.

Many people request a “complete physical” when they have only one specific concern, or have no concerns or symptoms at all. An examination is only as good as the history you give to the practitioner. If you are under age 50 and have no health problems or concerns, the likelihood of a general physical exam revealing a significant problem is very low. Any inmate scheduled for release may request a physical exam, regardless of age, if they have not had one within the past 12 months of incarceration.

### **Advance Directives**

An Advance Directive may be submitted to the Health Services department for those inmates interested in expressing their health care wishes, should they become incapacitated and unable to express those wishes while in a community hospital or BOP Medical Center. These are often referred to as “Living Wills” or “Durable Power of Attorney.” A copy of this Advance Directive will be made part of your Inmate Health Record, and will accompany you to an outside medical facility. Advance Directives are recognized with respect to medical treatment provided within the institution; for example, request for withholding of CPR within the institution would not be honored. Advance Directives at this facility will conform to guidelines in the Health Services Manual and Oregon law. If you wish to consider the preparation of an Advance Directive, please submit an Inmate Request to the Clinical Director for more information.

### **HIV and Hepatitis Testing**

Inmates are not routinely tested for HIV or hepatitis upon incarceration. If you have a history of IV drug use, unprotected sex (with males and/or females), tattoos, or blood transfusion, you may be offered HIV and hepatitis tests. You may request the HIV test yearly. You will sign a consent to be tested for HIV, and receive education with the consent and results.

### **DNA Blood Samples**

In 2004, Congress enacted the “Justice for All Act.” This law requires the Bureau of Prisons to obtain DNA samples from inmates convicted of federal crimes. Samples will be collected by Health Services staff using an oral swab.

### **Infectious Diseases**

Infectious diseases, such as colds, flu, and skin infections, are easily spread within a crowded environment. Good hygiene is very important – keep your body, clothes, and areas clean. Wash your hands frequently. Cough into your elbow or upper arm. If you cough or sneeze into your hands, wash your hands immediately. Keep scratches and open areas clean and covered. Dispose of soiled bandages appropriately and wash your hands. Flu vaccinations will be offered each fall.

## **PSYCHOLOGY**

This person is responsible for the performance of diagnostic, therapeutic, research, educational and evaluations pertinent to psychological services. The Psychologist plans, organizes, participates and provides professional expertise for unit counseling programs. This function includes the assessment of inmate psychological needs and the design of corresponding programs to meet specific needs. The Psychologist is available to inmates via open house Monday through Friday from 11 a.m. to 12 p.m., or on emergency basis, by request from Staff.

## **SUICIDE PREVENTION PROGRAM**

The suicide prevention program is coordinated by Psychology Services. Inmates may volunteer as “Inmate Companions” and receive training in this area. Inmates are encouraged to contact our service if they are experiencing depression and/or hopelessness and desire counseling. Additionally, if you see a peer (another inmate) exhibiting signs of depression, hopelessness, etc., you are encouraged to tell a staff member immediately (see below).

**It is not uncommon for people to experience depression and hopelessness while in jail or in prison, particularly if they are newly incarcerated, are serving long sentences, are experiencing family problems or problems getting along with other inmates, or have just received bad news. Sometimes inmates consider committing suicide due to all the losses they have suffered and the pressure they are under. Staff are trained to monitor inmates for signs of suicide risk and to refer all concerns to the Psychology Department.**

**However, staff do not always see what inmates see. If you are personally experiencing any of the problems noted above, or you or another inmate are showing signs of depression, PLEASE tell a staff member today. Depression is seen as sadness, tearfulness, lack of enjoyment in usual activities, staying away from others, refusing phone calls and / or visits, feeling worthless, being hard on oneself, hopelessness, giving away possessions, and statements like “there is nothing to live for.” Your input can save a life.**

## **SEXUALLY ABUSIVE BEHAVIOR PREVENTION AND INTERVENTION** - *An Overview for Offenders*

**What is sexually abusive behavior?** According to federal law (Prison Rape Elimination Act of 2003) sexually abusive behavior is defined as:

a. **Rape:** The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person **FORCIBLY** or against that person’s will;

The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person not forcibly or against the person’s will, where the victim is **incapable of giving consent** because of his/her youth or his/her temporary or permanent mental or physical incapacity; or

The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person achieved through the **exploitation of the fear or threat** of physical violence or bodily injury.

**Carnal Knowledge:** Contact between the penis and vulva or the penis and the anus, including penetration of any sort, however slight.

**Oral Sodomy:** Contact between the mouth and the penis, the mouth and the vulva, or the mouth and the anus.

b. **Sexual Assault with an Object:** The use of any hand, finger, object, or other instrument to penetrate, however slightly, the genital or anal opening of the body of another person (**NOTE:** This does NOT apply to custodial or medical personnel engaged in evidence gathering or legitimate medical treatment, nor to health care provider’s performing body cavity searches in order to maintain security and safety within the prison).

c. **Sexual Fondling:** The touching of the private body parts of another person (including the genitalia, anus, groin, breast, inner thigh, or buttocks) for the purpose of sexual gratification.

d. **Sexual Misconduct** (staff only): The use of indecent sexual language, gestures, or sexually oriented visual surveillance for the purpose of sexual gratification.

**NOTE: Sexual acts or contacts between two or more inmates, even when no objections are raised, are prohibited acts, and may be illegal. Sexual acts or contacts between an inmate and a staff member, even when no objections are raised by either party, are always forbidden and illegal.**

### **Your Right to be Safe from Sexually Abusive Behavior**

While you are incarcerated, **no one has the right to pressure you to engage in sexual acts.** You do not have to tolerate sexually abusive behavior or pressure to engage in unwanted sexual behavior regardless of your age, size, race, ethnicity, or sexual orientation.

### **Your Role in Preventing Sexually Abusive Behavior**

Here are some things you can do to protect yourself and others against sexually abusive behavior:

- Carry yourself in a confident manner at all times. Do not permit your emotions (fear/anxiety) to be obvious to others.
- Do not accept gifts or favors from others. Most gifts or favors come with strings attached to them.
- Do not accept an offer from another inmate to be your protector.
- Find a staff member with whom you feel comfortable discussing your fears and concerns.
- Be alert! Do not use contraband substances such as drugs or alcohol; these can weaken your ability to stay alert and make good judgments.
- Be direct and firm if others ask you to do something you don't want to do. Do not give mixed messages to other inmates regarding your wishes for sexual activity.
- Stay in well lit areas of the institution.
- Choose your associates wisely. Look for people who are involved in positive activities like educational programs, psychology groups, or religious services. Get involved in these activities yourself.
- Trust your instincts. If you sense that a situation may be dangerous, it probably is. If you fear for your safety, report your concerns to staff.

### **What to do if you are Afraid or Feel Threatened**

If you are afraid or feel you are being threatened or pressured to engage in sexual behaviors, you should discuss your concerns with staff. Because this can be a difficult topic to discuss, some staff, like psychologists, are specially trained to help you deal with problems in this area.

If you feel an immediate threat, seek **any** staff member and ask for assistance.

### **What to do if you are Sexually Assaulted**

If you become a victim of a sexually abusive behavior, **you should report it immediately to staff** who will offer you protection from the assailant and refer you for a medical examination and clinical assessment. You do not have to name the inmate(s) or staff assailant in order to receive assistance, but specific information may make it easier for

staff to know how best to respond. You will continue to receive protection from the assailant, whether or not you have identified him or her (or agree to testify against him/her).

Even though you may want to clean up after the assault **it is important to see medical staff BEFORE you shower, wash, drink, eat, change clothing, or use the bathroom.** Medical staff will examine you for injuries which may or may not be readily apparent to you. They can also check you for sexually transmitted diseases, pregnancy, if appropriate, and gather any physical evidence of assault. The individuals who sexually abuse or assault an inmate can only be disciplined or prosecuted if the abuse is reported.

### **How to Report an Incident of Sexually Abusive Behavior**

It is important that you **tell a staff member if you have been sexually assaulted.** It is equally important to inform staff if you have witnessed sexually abusive behaviors. You can tell your Case Manager, Chaplain, Psychologist, SIS, the Warden or any other staff member you trust. BOP staff members are instructed to keep reported information confidential and only discuss it with the appropriate officials on a need to know basis concerning the inmate-victim's welfare and for law enforcement or investigative purposes.

There are other means to confidentially report sexually abusive behavior if you are not comfortable talking with staff.

- **Write directly to the Warden, Regional Director or Director.**

You can send the Warden an Inmate Request to Staff Member (Cop-out) or a letter reporting the sexually abusive behavior. You may also send a letter to the Regional Director or Director of the Bureau of Prisons. To ensure confidentiality, use special mail procedures.

**File an Administrative Remedy.** You can file a Request for Administrative Remedy (BP-9). If you determine your complaint is too sensitive to file with the Warden, you have the opportunity to file your administrative remedy directly with the Regional Director. (BP-10). You can get the forms from your counselor or other unit staff.

- **Write the Office of the Inspector General (OIG)** which investigates allegations of staff misconduct. OIG is a component of the Department of Justice and is not a part of the Bureau of Prisons. The address is:

**Office of the Inspector General  
P. O. Box 27606  
Washington, D.C. 20530**

### **Understanding the Investigative Process**

Once the sexually abusive behavior is reported, the BOP and/or other appropriate law enforcement agency will conduct an investigation. The purpose of the investigation is to determine the nature and scope of the abusive behavior. You may be asked to give a statement during the investigation. If criminal charges are brought, you may be asked to testify during the criminal proceedings.

### **Counseling Programs for Victims of Sexually Abusive Behavior**

Most people need help to recover from the emotional effects of sexually abusive behavior. If you are the victim of sexually abusive behavior, whether recent or in the past, you may seek counseling or advice from a psychologist or chaplain. Crisis counseling, coping skills, suicide prevention, mental health counseling, and spiritual counseling are all available to you.

### **Management Program for Assailants**

Those who sexually abuse/assault others while in the custody of the BOP will be disciplined and prosecuted to the

fullest extent of the law. If you are an inmate assailant, you will be referred to Correctional Services for monitoring. You will be referred to Psychology Services for an assessment of risk and treatment and management needs. Treatment compliance or refusal will be documented and decisions regarding your conditions of confinement and release may be effected. If you feel that you need help to keep from engaging in sexually abusive behaviors, psychological services are available.

## **BOP Policy Definitions**

**Prohibited Acts:** Inmates who engage in inappropriate sexual behavior or directed at others, can be charged with violating Prohibited Acts under the Inmate Disciplinary Policy.

**Staff Misconduct.** The Standards of Employee Conduct prohibit employees from engaging in, or allowing another person to engage in, sexual, indecent, profane or abusive language or gestures, and inappropriate visual surveillance of inmates. Influencing, promising or threatening an inmate's safety, custody, privacy, housing, privileges, work detail or program status in exchange for sexual favors is also prohibited.

## **COMMISSARY**

The Commissary is located between the Barber Shop and Laundry and is operated in accordance with Bureau policies. The Commissary hours are 6:00 a.m. to 11:15 a.m. Last call is at approximately 10:45 a.m. The line will be closed at approximately 11:15 a.m. Lists will be collected from inmates in line at 10:30 a.m. and no other lists will be accepted.

**THE COMMISSARY IS CLOSED ON WEEKENDS AND HOLIDAYS, UNLESS OTHERWISE ADVISED.**

### **Operation of Commissary**

1. Sales are limited to one sale per week per inmate.
2. Shopping days are Tuesday through Thursday; closed on Monday and Friday. Shopping is determined by the last **two** digits of the first five register number (**Example, Tues 34-66/Weds 67-99/Thur 00-33**). Shopping days rotate on a monthly basis. Current rotations are posted in the Commissary window.
3. Special purchase items will be sold during regular sale hours.
4. The sales unit will be closed the last week of March and September for inventory purposes.
5. Each inmate must have a written list for items off the approved commissary list when he enters the sales unit. No substitutions.
6. Each inmate must turn in his own list. No holding spots in line for other inmates. Failure to follow this rule will result in loss of commissary privileges.
7. Items are sold on an "as is" basis with no warranty implied.
8. Any complaint an inmate has about his purchase must be settled before he leaves the sales window. All sales are final after he leaves the sales window.
9. RE-VALIDATION: Validation dates are based on the last digit of the first 5 digits of the inmate's federal register number. To determine the exact date, take 3 x the last digit of the first five numbers and add 1 (one). In example, 12345-678 [5 x 3 + 1 = 16]. This inmate re-validates on the 16th of the month.

Over-The-Counter (OTC) medications, Nicotine Replacement Therapy (NRT) patches and postage stamps are NOT deducted from the monthly spending limit. All other items are subject to the \$290 monthly spending limit.

## **TRUST FUND OPERATION**

There are two methods of sending funds to an inmate: The National LockBox and Western Union, Quick Collect. No funds may be received at the institution.

All funds being sent to an inmate through the National LockBox location must use the following address:

Federal Bureau of Prisons  
*Inmate COMMITTED name*  
*Inmate Register Number*  
Post Office Box 474701  
Des Moines, Iowa 50947-0001

Personal checks, letters, pictures or any other items must not be enclosed in the envelope. The National LockBox cannot forward any items enclosed with the negotiable instrument to the inmate.

The inmate's committed name (no nicknames) and register number must be printed on all money orders, U.S. Treasury checks, any foreign negotiable instruments payable in U.S. currency, and on the envelopes.

The sender's name and return address must appear in the upper left hand corner of the envelope to ensure their funds can be returned in the event they cannot be posted.

Western Union Quick Collect Program allows funds to be posted to an inmate's account within 2 to 4 hours, 7 a.m. to 9 p.m. EST. Funds may be sent one of the following ways:

- At an agent location with cash: The sender must complete a Blue Quick Collect Send Form.
- By phone using a credit/debit card: Sender can call (800) 634-3422.
- ONLINE using a credit/debit card: Sender may go to [www.westernunion.com](http://www.westernunion.com), select Bill Payment, Select Quick Collect.

For each Western Union Quick Collect transaction, the following information must be provided:

Inmate Register Number  
Inmate COMMITTED Name  
City Code: FBOP  
Stated Code: DC

\*Western Union will charge the public a fee for all transfers

### **TRULINCS/TRUFONE ACCOUNTS**

You are provided with individual Trulincs account, similar to the Trufone accounts. Each housing unit has dedicated Trulincs workstations to perform the following functions:

- \*Contact list management
- \*Messaging
- \*Account transaction viewing
- \*Electronic Law Library

In order to use Trulincs (email), an Inmate Consent form to participate in the Trulincs Programs must be signed and returned to your Counselor.

You are allowed a maximum Trulincs session length of 60 minutes before being automatically logged out for 15 minutes to allow other inmates access to the system. There is not a monthly time limit for public messaging (emailing). Once you have access to your account, you may purchase Trulincs session time at the rate of 5 cents per unit (Tru-Unit). Electronic messaging is billed as one Tru-Unit per minute of a session time, printing is billed as three Tru-Units per page. You may purchase from 40 to 600 Tru-Units at one time and your Commissary account is immediately deducted.

### **Contact list**

You must have a pre-approved email address in order to perform electronic messaging and you must use your contact list. The contact list will also be used to manage your approved telephone number within Trufone, sending funds out from your Commissary account (BP-199) and printing postal mailing labels. You are allowed up to 30 contacts for the Trulincs and Trufone system, plus up to 100 contacts to print Postal mailing labels. The telephone number and email addresses are counted based on the first 30 entered, if you are adding a contact only to communicate via Postal Mail, then you should not enter a

telephone number or email address on the contact.

### **Electronic Messaging**

If an email address is entered for a contact, Trulincs sends a system generated message to the contact giving them the opportunity to accept or reject the email prior to receiving any messages from you. If a positive response is received, then you may begin exchanging electronic messages with this contact. If a contact rejects Trulincs participation, then you are blocked from sending any messages to that email address. Messages are limited to 13,000 characters. You **will not have access to the Internet nor are you able to receive pictures or other attachments**. The delivery of all incoming and outgoing messages is delayed by a minimum of one hour to prevent the engagement of chat sessions. All messages are stored for monitoring at the institution's convenience.

### **Account Transaction Viewer**

You are provided the opportunity to view your Commissary transactions, telephone account statement, and Tru-Unit transactions via Trulincs.

### **Electronic Law Library**

Terminals are located in the library, within the education department, to the Electronic Law Library (ELL). Institution Trust Fund staff will maintain the ELL hardware. You use the same PAC number as you would use on the phone system to log on.

### **Trust Fund Accounts**

Inmate payrolls will be posted no later than four working days after receipt in the Accounting Trust Fund Office. Questions regarding inmate accounts are to be submitted on an Inmate Request to a Staff Member to the Correctional Counselor, or to the office of Financial Management.

### **TRUFONE (PAC & VPIN)**

There is a telephone room, for inmate use, located next to the laundry office. In a secure housing unit, staff will provide a portable telephone for inmates to use while confined to their cells. Inmates who require a high degree of security may be required to submit their request for phone use to the Unit Counselor. Calls will be limited to 15 minutes. When an inmate enters the facility, a phone access code must be used in accessing both direct charge and collect call features. In addition, each inmate wanting to use the phone will be required to activate his VPIN thru their Counselor. All initial voice recording or voice overs will be conducted by the Unit Counselor via inmate request.

This basically entails recording your voice to access the phone system. Inmates needing an unmonitored attorney call will request in writing to the Unit Counselor at least 24 hours in advance.

Inmates are limited to 300 minutes per calendar month for TRUFONE monitored telephone calls. This limitation applies to all inmates with a TRUFONE account in Bureau of Prisons' institutions, and may be used for any combination of collect or direct dial calls at the inmate's discretion.

Inmates who exhaust their 300 minutes limitation may, at the Warden's discretion, be provided a telephone call for good cause shown. Inmates should request calls through the unit team. It is intended this exception be used sparingly and only for bonafide emergencies. The inmate is responsible for the cost of such calls at the Warden's discretion.

This limitation does not affect an inmate's ability to place unmonitored, legal telephone calls according to the Program Statement on Telephone Regulations for Inmates.

This limitation is needed to maintain the security and good order of Bureau institutions and to protect the public by increasing the Bureau's ability to minimize inmate abuses of the telephone for illegal or disruptive purposes. The Bureau believes a 300 minute limitation provides adequate opportunity for inmates to maintain community ties, in conjunction with visiting and written correspondence.

The telephones are for the purpose of allowing the inmates to place local or long distance calls to their family members and friends. This enables them to keep in contact and establish good communications with their family members and friends.

For direct charges, inmates shall submit a telephone number request form(s) with up to 30 phone numbers. Upon submission, and upon an overall review and approval by Unit Staff, the form will be directed to the Inmate Telephone System (ITS). Inmates must purchase ITS phone credits before any direct charge call can be placed. Deposits for credits must be made from your Commissary account. **Once funds are deposited to your ITS account they cannot be returned to your commissary account.** Phone calls will be placed as long as sufficient funds are available to make a three (3) minute phone call. Calls cannot be completed to area codes 700, 800, 900, 976 or 888.

**The BUREAU OF PRISONS reserves the authority to monitor (this includes recording) conversations on any telephone located within it's institutions.** The daily monitoring is to preserve the security and orderly management of this institution and to protect the public. An inmate's use of the institution telephones constitutes consent to this monitoring.

### **Inmate Phone Usage**

Additional guidelines have been received at BOP facilities nationwide regarding telephone use.

1. The SPC telephone room will have four telephones open for use during those hours. These telephones are for those on day off, or who work early morning, or late shift hours.
2. Upon the completion of a telephone call, inmates will not be permitted to make another call for 30 minutes.
3. Telephone use may be suspended pending investigation of suspicious telephone conversations (talking in code, making an illusion to criminal activity, etc.)
4. The following sanctions or more severe sanctions will be considered for telephone abuse:
  - 1<sup>st</sup> offense: loss of telephone privileges for 6 to 18 months
  - 2<sup>nd</sup> offense: loss of telephone privileges for 18 to 36 monthsRepetitive violations will be met with increased sanctions.
5. If you receive an incident report and loss of telephone privileges for abuse of telephones, your unit team may recommend to the Warden additional telephone restriction pursuant to 28 CFR §540.100 after the UDC/DHO sanction has expired. This classification could result in you being limited to one telephone call per month. If so classified, you will receive written notice from the Warden and instructions on appeal rights.

6. Inmates transferring to Sheridan, may be subject to the limitation of one telephone call per month, pursuant to 28 CFR §540.100. Specifically, a criminal conviction involving use of a prison telephone will be scrutinized. Factors such as: recentness of the conviction and behavior in prison will also be taken into consideration. If so classified, you will receive written notice from the Warden with instructions on appeal rights.

Participation in religious programs is on a voluntary basis. There are regular organized religious services for most major faiths. The schedule of regular religious activities is posted on bulletin boards in the chapel. Assisting the Chaplains are approved volunteers and contract clergy. Inmates are encouraged to look into opportunities for religious and personal growth and take advantage of other benefits from participation in these programs.

**RESIDENTIAL DRUG ABUSE PROGRAM**

The Residential Drug Abuse Program (RDAP) is a unit-based program that takes approximately 9 months to complete. Residential programs are located in various federal institutions. Each program delivers a standardized treatment package in which participants program 10 to 15 hours a week in a wide variety of therapeutic modalities targeting skills acquisition. For those being released after completion of the program, a period of 4 to 6 months of transitional services will be arranged. The transitional services program is coordinated with the Central Office, and is planned to consist of four hours of treatment weekly. As incentive to participate in residential treatment, inmates admitted to the program who have neither current nor prior violent offenses may be eligible to receive up to a one-year sentence reduction for successful completion of the program. This includes completion of the Residential Re-entry Center (halfway house) as well. Another incentive for participating in RDAP is the conferring of financial awards, based upon the inmate's achievement/completion of program phases. These financial rewards may be provided as participants successfully move through the program. The awards should be based on achievement rather than mere attendance.

Non-residential treatment is conducted 90 to 120 minutes a week for a minimum of 12 weeks and is a maximum of 24 weeks. Topics typically addressed in non-residential treatment include: interpersonal skills building; errors in thinking; post release survival and anger management. The focus must be on the topics' relationship to alcohol and drug abuse and methods used to overcome drug-using patterns.

## **SHAKEDOWNS**

It is the policy of the Bureau of Prisons that inmates and their property can be searched at any time by a staff member.

## **FURLOUGHS**

Refer to Sheridan Institution Supplement SHE 5280.08 and the Bureau of Prisons Program Statement 5280.8 concerning furloughs. Copies can be found in the Law Library. Community Custody and furloughs will not be granted at the same team meeting, nor will any requests for an early team meeting be granted for furlough consideration.

## **FINANCIAL RESPONSIBILITY PROGRAM (FRP)**

The Financial Responsibility Program (FRP), is a program in the Bureau of Prisons. Through this program, inmates are required to demonstrate a responsible effort and attitude toward identified financial obligations. During Initial Classification and subsequent program reviews, the Unit Team will evaluate each inmate's financial obligations and will work with the inmate to establish a mutually agreeable financial responsibility plan regarding payment. Obligations will generally include, but are not limited to:

- |                       |               |                 |                                |
|-----------------------|---------------|-----------------|--------------------------------|
| ✓ Court Ordered Fines | ✓ Assessments | ✓ State Fines   | ✓ Other Restitutions           |
| ✓ Restitution         | ✓ Court Costs | ✓ Child Support | ✓ Other Government Obligations |

The financial responsibility plan must reflect a "responsible effort" toward addressing the financial obligation. Generally, inmates will be encouraged to use community resources to satisfy their obligations. In cases where the obligations are in excess of \$1000.00, inmates will be encouraged to work in UNICOR where they can increase their earning potential. Monthly allotments can be established from either UNICOR pay or performance pay toward financial obligations. It is generally expected that inmates will pay a reasonable amount of their institutional earnings toward any identified financial obligation.

Refusal to establish a financial responsibility plan, will be interpreted as a poor demonstration of responsibility and those inmates will not be permitted to work in UNICOR. Those inmates in UNICOR will be removed if they refuse to participate in FRP. Additionally, inmates refusing to participate in the Financial Responsibility Program will be limited to maintenance pay (\$5.25 per month) and may be precluded from other programs and activities. These programs and activities include, but are not limited to:

- |             |                                     |
|-------------|-------------------------------------|
| ● Furloughs | ● Halfway house consideration       |
| ● Transfers | ● Notification of Parole Commission |
| ● Bonus Pay | ● Special Purchase Items            |
| ● Gratuity  |                                     |

The inmate must understand what is required of him in relation to the Financial Responsibility Program. The inmate is responsible to maintain enough funds in his account to make a payment or establish outside payments. The inmate is also

responsible for obtaining receipts of prior payments or outside payments on any court ordered obligation and having these receipts mailed to the Unit Team. **THE "RESPONSIBLE EFFORT" TOWARDS AN INMATE'S FINANCIAL RESPONSIBILITY PROGRAM WILL BE DETERMINED BY THE UNIT TEAM.** Any concerns or problems that may develop should be addressed with the Counselor as soon as possible.

## **PROBLEM RESOLUTION**

### **INMATE REQUESTS TO STAFF MEMBER**

The Bureau form BP-Admin-70, commonly called a "Cop-Out" is used to make a written request to a staff member. Any type of request can be made with this form. "Cop-Outs" may be obtained in the living units from the Correctional Officer on duty. Staff members who receive a "Cop-Out" will answer the request in a "reasonable" period of time. The answer will be written on the bottom of the request form. Additionally, Electronic Messaging to staff is also available through the TRULINCS system.

### **ADMINISTRATIVE REMEDY PROCESS**

The Bureau emphasizes and encourages the resolution of complaints on an informal basis. Hopefully, an inmate can resolve a problem informally by contact with staff members or "Cop-Outs." When informal resolution is not successful, however, a formal complaint can be filed as an Administrative Remedy. Complaints regarding Tort Claims, Inmate Accident Compensation, Freedom of Information or Privacy Act Requests, and complaints on behalf of other inmates are not accepted under the Administrative Remedy Procedure.

The first step of the Administrative Remedy procedure is the documentation of the informal resolution attempts written on a Request for Informal Resolution, commonly referred to as a BP-8 Form. Inmates may obtain this form from their Correctional Counselor or other designated unit staff member. On the Request for Informal Resolution, the inmate will briefly state the nature of the problem and list the efforts made to resolve the problem informally.

After the Request for Informal Resolution is completed, and if the issue cannot be informally resolved, the Counselor will issue a BP-229 (BP-9) form. The inmate will return the completed BP-9 along with the Request for Informal Resolution form to staff. Staff will deliver the Administrative Remedy to the Administrative Remedy Clerk. The BP-9 complaint must be filed within twenty (20) calendar days from the date on which the basis for the incident or complaint occurred, unless it was not feasible to file within that period of time. Institution staff have twenty (20) calendar days to act on the complaint and to provide a written response to the inmate. This time limit for the response may be extended for an additional twenty (20) calendar days, but the inmate must be notified of the extension.

When a complaint is determined to be of an emergency nature and threatens the inmate's immediate health or welfare, the reply must be made as soon as possible, and within forty-eight (48) hours from receipt of the complaint.

If the inmate is not satisfied with the response to the BP-9, he or she may file an appeal to the Regional Director. This appeal must be received in the Regional Office within twenty (20) calendar days from the date of the BP-9 response. The Regional Appeal is written on a BP-230 (BP-10) form, and must have a copy of the BP-9 form and response attached. The Regional Appeal must be answered within thirty (30) calendar days, but the time limit may be extended an additional thirty (30) days. The inmate must be notified of the extension.

If the inmate is not satisfied with the response by the Regional Director, he or she may appeal to the Central Office of the Bureau of Prisons. The National Appeal must be made on a BP-231 (BP-11) form and must have copies of the BP-9 and BP-10 forms with responses.

The BP-11 form may be obtained from the Correctional Counselor. The National Appeal must be answered within thirty (30) calendar days, but the time limit may be extended an additional (30) days if the inmate is notified.

In writing a BP-229, BP-230, or BP-231, it should be written in three sections:

**SENSITIVE COMPLAINTS**

If an inmate believes a complaint is of such a sensitive nature that he or she would be adversely affected if the complaint became known to the institution, he or she may file the complaint directly to the Regional Director. The inmate must explain, in writing, the reason for not filing the complaint with the institution. If the Regional Director agrees that the complaint is sensitive, it shall be accepted and a response to the complaint will be processed. If the Regional Director does not agree that the complaint is sensitive, the inmate will be advised in writing of that determination. If the complaint is not determined to be sensitive, it will be returned. The inmate may then pursue that matter by filing a BP-9 at the institution.

**DISCIPLINE**

The disciplinary system at Sheridan is designed to be efficient and to protect the inmate's rights by providing a fair hearing.

Informal Resolutions of incidents involving violations of institutional rules is encouraged. When any employee has reason to believe an institutional rule has been violated and an informal resolution of the incident is not warranted, an Incident Report will be written and the following steps taken:

1. A Lieutenant will investigate the facts surrounding the report normally within 24 hours after appointment. The Lieutenant may make an informal resolution, or refer the incident to the Unit Disciplinary Committee (UDC). All informal resolutions must be agreeable to both parties (staff & inmate).
2. The inmate will receive a copy of the charges against him within 24 hours after staff becomes aware of the incident, unless circumstances prevent this, such as an extended investigation, escape, FBI referral, etc.
3. If the report is referred to the UDC, the inmate will meet with his Unit Disciplinary Committee within five working days (excluding holidays, weekends and the day staff became aware of the incident) after receiving notice of the report of the incident unless the investigation is not completed at that time. All circumstances must be documented.
4. The inmate will be given a written copy of the decision and disposition of the UDC.
5. If the charge is serious enough to warrant a major sanction, it is referred to the Discipline Hearing Officer (DHO). The inmate may have a staff representative and/or testimony from witnesses who have relevant evidence to present.

You should review the Bureau of Prisons Program Statement concerning Inmate Discipline, (Program Statement 5270.09). A

copy may be obtained in the Law Library. This publication lists all prohibited acts according to the severity of the offense, and the sanctions available to be taken against the inmate.

On the following pages you will find a summary of the disciplinary sanctions and prohibited acts.
