

FCI SHERIDAN
MODIFIED VISITATION INFORMATION
UPDATED MARCH 10, 2022

Social visitation at FCI Sheridan will resume in accordance with the following guidelines, in addition to visitation procedures, to protect the health and safety of all inmates, staff, and visitors and to mitigate the potential spread of the COVID-19 virus.

- Social distancing (minimum of 6 feet) between visitors and inmates will be **strictly enforced**. Any violation of COVID-19 preventative measures during visitation, **by the inmate or their visitor(s)**, will result in the termination of visits and disciplinary action for the inmate.
- Inmates will be provided an opportunity for visitation at least twice a month, with a maximum of three (3) visitors per inmate for each visit at the FCI and Satellite Camp, and two (2) visitors per inmate for each visit at the Detention Center. Children over the age of one (1) year old will be considered a visitor. Infants under the age of one (1) year old will not be considered a visitor, and will be required to sit on the accompanying adult visitor's lap for the duration of the visit. Inmates **must** verify with their Unit Team that all children over the age of 16 are on their approved visiting list. The children's area in the Visiting Room will remain closed. A combined maximum of 28 visitors and inmates will be allowed in the Visiting Room at the FCI, a combined maximum of 40 visitors and inmates will be allowed in the Visiting Room at the Satellite Camp, and a combined maximum of 6 visitors and inmates will be allowed in the Visiting Room at the Detention Center for each visitation session. *The visitation schedule is subject to change.*
- Visitation will be divided into one (1) hour sessions at the FCI and *Satellite* Camp and 90 minute sessions at the Detention Center, with 15 minutes between each visitation session for cleaning and disinfecting. If there are no other visitors awaiting a visit, visitation time can be extended for the duration of that specific unit's assigned visitation time, beyond the one hour or 90 minute session. AM visitation will be held from 8:00 A.M. to 11:15 A.M., and the PM visitation will be held from 11:45 A.M. to 3:00 P.M. and will be based upon an inmate's living quarters. Once in-

processing concludes, no further visitors will be admitted for that visitation session. Additionally, processing of inmate visitors is temporarily suspended beginning at 9:15 AM and will resume after the institutional count has cleared at approximately 11:00 AM.

- Door handles, tables, chairs, restrooms and other high-traffic areas of the Visitation Room will be thoroughly cleaned and disinfected between visitation sessions.
- To limit potential exposure, visitation will be conducted by housing unit only. *Please see the visitation schedule below, which is subject to change.*
- Quarantine or Isolation Units will **not** participate in social visiting.
- During in-processing and prior to being admitted to the facility, visitors will be temperature checked and screened for COVID-19 symptoms. **All visitors who are sick or symptomatic for COVID-19 will be denied visitation. All persons within a denied visitor's visitation group will also be denied visitation. Refusal to be screened will result in the visitor(s) (and their entire visitation group) being denied visitation privileges for that day.** Using the Coronavirus Disease 2019 (COVID-19) Enhanced Screening Tool (Staff, Contractors, and Visitors), visitors will be screened for the following symptoms:
 - Temperature of > 100°
 - New-Onset Cough
 - New-Onset Trouble Speaking/Difficulty Breathing
 - Fatigue
 - Muscle or Body Aches
 - Sore Throat
 - New Loss of Taste or Smell
 - Stuffy/Runny Nose
 - Nausea or Vomiting
 - Diarrhea
 - Any other symptom classified by the Center for Disease Control and Prevention (CDC)
- Both inmates and visitors must **correctly** wear appropriate face coverings **at all times** during visitation, and perform hand hygiene before and after each visit. Visitors will **only** be permitted to wear plain masks/face coverings, and children over the age of two (2) years old will be **required**

to wear a mask. Inmates will **only** be permitted to wear the plain white BOP issued masks for visitation; masks that have been altered or decorated will not be allowed.

- There will be **no physical** contact of any kind during visitation, to include an embrace at the beginning and end of the visit. Additionally, based on the inability to social distance, inmates and their visitors will **not** be permitted to take photographs during visitation.
- Food and beverages will **not** be allowed. As such, vending machines will not be available for use in the Visiting Room. Baby formula/food must be placed in a quart sized clear sealable bag.
- All areas, to include the Front Lobby and the Control Sallyport, will be thoroughly cleaned and disinfected following the completion of visitation each day.
