

## Special Visiting Schedule and Procedures

Visiting schedule and procedures have been modified in response to the COVID-19 pandemic. Please review and familiarize yourself with the revised schedule and procedures for the visiting institution prior to your arrival to expedite the screening process in the Front Lobby and/or screening site.

1. All visitors are required to wear a mask or face covering prior to entering the Front Lobby or screening site and at all times while on institution property. The mask or face covering must cover the nose and mouth.
2. The mask or face covering should be plain and cannot be bandana material or style.
3. All visitors are required to clear a temperature check and complete a symptom screening form prior to visitation.
4. Visitation is no-contact. Physical contact is strictly prohibited at all times.
5. Any violation of the no-contact protocols may result in the visit being terminated.
6. The children's play area will be closed.
7. Vending machines will be closed.
8. Social distancing may cause number of visitors per inmate to be limited.
9. Review the attached schedule for revised days of the week, hours, and length of visitation.

Your adherence to these rules is appreciated for the safety of the inmate population and the public.

## DO choose masks that

Have two or more layers of washable, breathable fabric

Completely cover your nose and mouth

Fit snugly against the sides of your face and don't have gaps

## DO NOT choose masks that

Are made of fabric that makes it hard to breathe, for example, vinyl

Have exhalation valves or vents, which allow virus particles to escape

Are intended for healthcare workers, including N95 respirators

Evaluation is on-going but effectiveness is unknown at this time

Evaluation is on-going but effectiveness is unknown at this time

# Do NOT wear a mask

Around your neck

On your forehead

Under your nose

Only on your nose

On your chin

Dangling from one ear

On your arm

## Special Situations: Children

If you are able, find a mask that is made for children

If you can't find a mask made for children, check to be sure the mask fits snugly over the nose and mouth and under the chin

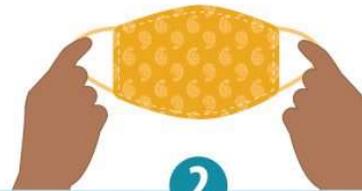

Do NOT put on children younger than 2 years old

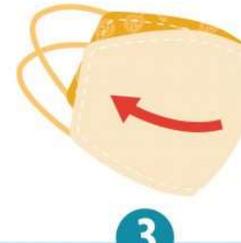

## How to take off a mask

**1**  
Carefully, untie the strings behind your head or stretch the ear loops

**2**  
Handle only by the ear loops or ties

**3**  
Fold outside corners together

**4**  
Be careful not to touch your eyes, nose, and mouth when removing and wash hands immediately after removing
