

FCI TALLADEGA  
SOCIAL VISITING PROCEDURES

**Under Level 1 Green Operations:**

Normal visitation has resumed (prior to Covid-19 restrictions) as of April 1, 2022.

**Inmate Cloth Face Covering:**

Per DOJ guidance, face covering is optional in all indoor environments.

**Staff Cloth Face Covering:**

Per DOJ guidance, face covering is optional in all indoor environments (surgical masks in patient care areas are still mandatory).

**Visitation**

Face covering is optional for visitors as well as staff and inmates.

**All visitors must be able to clear a metal detector upon entry, NO exceptions. If you cannot clear the metal detector, you will not be allowed to enter. If you have medically implanted devices, please have medical documentation. Also, please adhere to the dress code, as wearing improper and unauthorized clothing is prohibited and you will not be allowed to enter.**

**For additional guidance regarding visiting procedures and an updated schedule, please contact the institution directly.**
