**D. VISITOR ATTIRE:**

All visitors entering the institution for a visit will be appropriately attired. Visitors may not wear open-toed shoes, shorts, mini-skirts, sheer or tight fitting clothing, excessively short or low cut clothing, backless clothing, halter tops, mid-drift shirts, camouflage or sleeveless clothing. Dresses, blouses or other apparel of a suggestive or revealing nature may not be worn. Additionally, ball caps, hats, bandanas, sweatbands, do rags or any other type of headgear, are not authorized with the exception of religious or medical headgear. If the Visiting Room Officer determines a visitor is improperly attired, he/she will contact the Operations Lieutenant and Institution Duty Officer (IDO) to determine whether to deny or terminate the visit.

**E. IDENTIFICATION OF VISITORS:**

All visitors 16 years of age and older must produce some form of photo identification. This will ordinarily be accomplished by picture identification, such as current driver's license, passport, or state identification card. An expired ID is not considered valid. Visitors will not be permitted in without proper identification. The IDO and the Operations Lieutenant will be notified in questionable cases.

**F. VISITING RESTRICTIONS AND OVERCROWDING:**

Visiting may be curtailed or terminated for emergency situations, improper conduct on the part of the inmate or his visitor(s), or when the visiting area reaches maximum capacity. Should the visiting room reach full capacity; the Visiting Room Officer will advise the Operations Lieutenant and the Institution Duty Officer (IDO) of the situation. The IDO or Operations Lieutenant will begin curtailing visits of those who live within a fifty-mile radius of the institution, and continue in fifty-mile increments. If the condition continues, and termination of additional visits becomes necessary, those who visit most frequently will have their visits terminated first.

**G. NUMBER OF VISITORS:**

The number of persons allowed while visiting an inmate at the SCP is limited to two adults plus children. Children age 15 and under are not counted against the inmate's two maximum visitors. The Visiting Room Officer will not allow more than the maximum of two visitors to visit an inmate at one time. Any exceptions must have prior approval of the Camp Administrator.

Split Visits: Should more than two visitors arrive at the same time, a split visit may be arranged at the discretion of the IDO.

Visitors are prohibited from bringing animals on institutional grounds unless the animal is a dog that assists disabled persons.

**H. ATTORNEY VISITS:**

Attorney visits will be arranged by the Unit Team, when the attorney is not on the inmate's approved list. The attorney visit will take place in the main visiting room. Unit team will make arrangements for an alternate room, if an attorney/client room is needed. Attorney visits will be supervised by the Unit Team. Staff will make every effort not to overhear any of the conversation between the inmate and attorney. It is the unit team's responsibility to submit a memorandum to the Associate Warden of Custody, if the attorney needs any special equipment such as tape recorders or video equipment, prior to the visit.

**I. SPECIAL VISITS:**

Special visits may be permitted under the following circumstances: Family emergencies, pre-release planning interviews, attorney, business, a court appointed investigation, interpreters, consular, or community group representatives.

Any visit by an individual who is not associated with the Department of Justice on official business or who is not on the inmate's approved visiting list is considered a special visit.

A special visit must be arranged through unit staff. Unit staff will prepare a special visit memorandum (Attachment C) to the Captain requesting approval, with copies routed to: the Visiting Room Officer, Control Center, Lieutenant's Office, and Institution Duty Officer. The Institution Duty Officer or Operations Lieutenant may approve an immediate family member's request to visit during normal visiting hours if no approved visiting list has been established for the inmate. This authority is for one visit and only after conferring with Unit staff or reviewing the Pre-Sentence Investigation Report. This authorization should be noted and maintained in the visiting file located in the Visiting Room.

a. Consular Visitors: When it has been determined that an inmate is a citizen of a foreign country, the consular representative of that country will be allowed to visit on matters of legitimate business. The visit may not be withheld even if the inmate is on disciplinary status.

b. Holdover Status: The Warden may limit visits to immediate family for holdovers, when neither a visiting list from a transferring institution nor other verification of proposed visitors is available.

c. Ministerial Visits: Special visits from an area clergyman or religious leader will be arranged by the Chaplain. The Chaplain will prepare a special visit memorandum (Attachment C) to the Captain requesting approval, with copies routed to: the Visiting Room Officer, Control Center, Lieutenant's Office, and Institution Duty Officer. All ministerial visitors must comply with the visiting rules, applicable policies and meet entrance requirements.

d. Minister of Record: An inmate wishing to receive visits from his minister of record must submit a written request to the Chaplain. Upon approval, Unit Staff will add the name and title of the minister of record to the inmate's visiting list.

e. Hospital Visits: The Warden will determine whether a visit may take place at the local hospital. In these cases, the visitors will be restricted to immediate family and

attorneys. Approved visitors will visit only during the hospital's visiting times.

**J. APPROVED VISITORS:**

Unit Staff will create a list of approved visitors and prepare visiting folders to be maintained in the Visiting Room file cabinet. A Visiting List Request Form (Attachment A) will be completed by each inmate and submitted to the Correctional Counselor for approval. Inmates may have members of their immediate family, as defined in Program Statement 5267.08, and friends placed on the approved visiting list after review by unit staff.

To ensure the security and orderly running of the institution, staff may request all proposed visitors complete the visiting questionnaire, and an investigation will be conducted before placing them on the inmate's approved visiting list.

If the immediate family relationship is not documented within the Pre-Sentence Investigation Report, a completed visiting questionnaire and investigation must be completed before the individual is placed on the inmate's approved visiting list.

Inmates may have a maximum of twenty (20) friends and associates placed on their visiting list. This visiting privilege will be extended to friends and associates having an established relationship with the inmate prior to confinement, unless such visits could reasonably create a threat. In extraordinary cases, exceptions to the prior relationship rule may be made, particularly for inmates without other visitors, when it is shown that the proposed visitor is reliable and poses no threat to the security or good order of the institution. The placement of friends and associates affects only designated inmates.

1. When requesting placement of a visitor other than immediate family on the visiting list, a Visitor Information Form (BP-S629), along with an Institution Request for Visitor Information Form (Attachment B), must be completed by the potential visitor.
2. The top section of the Visitor Information Form (BP-S629) and the top section of the Institution Request for Visitor Information Form (Attachment B) will be completed by the inmate who is making the request. The inmate is responsible for mailing these forms to his potential visitor.

3. The forms must be completed by the visitor and sent directly to the Correctional Counselor responsible for the inmate's case.
4. The signature of a parent or guardian on the Visitor Information Form (BP-S629) is necessary to process a request for an applicant under 16 years of age.
5. On occasion, an inmate visitors' application, or a subsequent NCIC check may reveal information that would cause disapproval of the request. If such information is found, the original request, NCIC printout and memorandum explaining the request for denial will be forwarded through the Camp Administrator to the Warden for review and final decision. Once a decision is made, the packet will be placed into the inmate's Central File, FOI section, and the inmate will be notified of the decision. No information from the application or subsequent checks can be revealed to the inmate. Staff shall notify the inmate of each approval or disapproval of a requested person for their visiting list. The inmate is responsible for notifying the visitor of the approval or disapproval to visit and is expected to provide the approved visitor with a copy of the Instructions for Visiting (Attachment E).
6. The Instructions for Visiting (Attachment E) shall include specific directions for reaching the institution and shall cite 18 U.S.C. 1791, which provides a penalty of imprisonment for not more than twenty years, a fine, or both to any person who introduces, or attempts to introduce, into or upon the grounds of any Federal Institution, or takes or attempts to send therefrom, anything whatsoever, without the knowledge and consent of the Warden.
7. Visitors are not permitted to visit until they have been approved and added to the inmate's list of approved visitors. Special exceptions may be made by the Camp Administrator on a case by case basis.
8. An inmate's visiting list may be amended at any time in accordance with the procedures of this section. Normally, visitors may not be on more than one inmate's visiting list, except where inmates have the same immediate family members. In these rare cases, the visitor may visit each inmate, either separately or together.

**K. PREPARATION OF THE LIST OF VISITORS/METHOD BY WHICH STAFF WILL MAKE WRITTEN GUIDELINES AVAILABLE TO VISITORS:**

Each new inmate will be provided copies of the local visiting guidelines (Admission and Orientation Handbook) and a visiting list request form (Attachment A). The Unit Team is responsible for approving, denying, preparing and placing approved inmate visiting lists in the visiting room and on the visiting computer program. Amendments to the visiting list will be processed by the Unit Team.

The inmate may obtain copies of the Visitor Information form (BP-S629.052) from their Correctional Counselor. The inmate may initiate the visitor approval process by filling out the name and address of the prospective visitor, signing the form and returning it to the Counselor. Upon completion of the required background inquiries, Unit Staff will advise the inmate as to whether or not the visitor has been approved, and will send (Attachment B) to the approved visitors.

**L. VISITING ROOM CONDUCT:**

For identification purposes, prospective visitors will be hand-stamped upon entry. If a visitor leaves the visiting area, they will be denied re-entry until the next visiting day. Upon completion of the visit, the Visiting Room Officer will check the stamp on the visitors hand using the black light verification before the visitor is allowed to exit the visiting room.

In order to maintain the security and the good order of the institution, the Visiting Room officers will monitor all visitors and inmates while in the Visiting Room.

Each inmate having a visit must assume responsibility for proper conduct during the visit. The visiting room must remain orderly and non-distracting to others. Children are not allowed to wander from the immediate area, run about the visiting room, or create noise that disturbs other visits. Failure to supervise children will result in one written warning and upon the second incident, either during this visit or subsequent visits, the visit will be terminated. A log entry will be maintained on all incidents. A formal written letter of notification that the visit was terminated will be forwarded by the Unit Team to the inmate and visitor as a follow-up.

Kissing and embracing is permitted only when the visitor and inmate meet at the beginning of the visit and at the end of the visit. At no time will inappropriate and unbecoming displays of affection by

physical contact be permitted. No loud, boisterous talk or profane language will be allowed in the visiting area.

SCP inmates are not permitted in areas designed for children.

**M. RECORDS:**

As a back-up to the computerized system, official inmate visiting folders shall be maintained in the visiting room file cabinet. The records shall be in alphabetical order by inmate's last name. The Correctional Counselor will keep these records current at all times. When an inmate receives a visit, the Visiting Room Officer will identify the visitors and enter the date, time the visitor(s) arrive, and sign the appropriate block on the visitor notification form.

The following forms shall be used and maintained in the inmate's visiting folder:

- a. An official inmate visiting list with the inmate's current photograph attached.

Visiting is a privilege extended to all inmates at SCP Thomson, and may be suspended or revoked as a sanction for committing prohibited acts. Inmates will be processed into the Visiting Room only once per day. Visitors may not leave the institution and return for visiting on the same day unless authorized, in advance, by the Warden. The number of adult visitors per inmate is limited to two (2), because of the limited available space. There is no limit of the number of children allowed to visit; however, the inmate and his visitors are responsible for supervising the children at all times. In the event that the Visiting Room becomes overcrowded, it may be necessary to limit the length of visits or the number of visitors. The decision to limit the duration of a visit will be made by the Operations Lieutenant or Duty Officer. In making this decision, they will consider the following factors:

1. Visiting Room Capacity
2. Distance Traveled
3. Local or frequent visitors

The Lieutenant or Duty Officer has the prerogative of terminating visits for reasons of improper conduct on the part of the inmate or his visitor(s). The right to have future visits may be denied as part of an administrative action to an inmate who attempts to circumvent or evade institution regulations.

Prior to all visits, visitors age 16 and older will be required to sign a Notification to Visitors and a Declaration of Contraband/Acknowledgment Form, declaring any contraband in their possession or in the possession of their children (These forms are available in English or Spanish). In addition to the Notification to Visitors and Declaration of Contraband/Acknowledgment Form, each visitor age 16 and older will be required to sign the Inmate Visitors Log prior to each visit.

Inmates may shake their visitor's hand, embrace and kiss within the bounds of good taste, at the beginning and at the end of the visit. Additional physical contact is not permitted and may result in the termination of the visit.

Visitors may only be photographed with the inmate they are approved to visit. Only one inmate may be photographed at any one time.

When departing the institution, each visitor will submit to identification via the "blacklight". Inmate visitors will be subject to this process when exiting the Visiting Room.
