Since all new commitments are involved in the Admission and Orientation Program, inmates will not schedule social visits within the first seven (7) days of incarceration at FCI Terminal Island. This procedure will allow time for staff to review and complete all visiting lists. During initial orientation, each inmate will complete a visiting list. At this time each inmate will be asked to identify whether any visitor will require accommodations due to disability or physical handicap. - b. Minister of Record and Clergy Visits: In accordance with procedures established in national policy, an inmate's minister of record is placed on the inmate's visiting list and does not need any further approval. The Captain and Associate Warden of Programs is delegated authority for approving special visits of ordained Ministers and spiritual guides (other than the inmate's minister of record).
- c. Special Social Visits: If a special social visit is requested by an inmate, it must be approved by the Captain. The inmate must make the request through their Unit Team. The Unit Team will review the request and verify the relationship and forward the approval request to the Captain via a BP-148 (Inmate Request to Staff). These visits will be held in the Visiting Room and will be

supervised by Visiting Room staff during regularly scheduled visiting hours. Special visits will be limited to one special visit per a six (6) month period. The request for additional visiting time due to visitors traveling long distances will ordinarily be more than five hundred (500) miles.

**All legal visits for inmates assigned to the Special Housing Unit (SHU) will be conducted in the SHU visiting area.**

- a. Attorneys are encouraged to visit anytime during regular visiting hours. No special arrangements need to be made. However, if the Attorney needs to visit during non-visiting days, the request will be made through the inmates Unit Team in a reasonable time to facilitate the visit. Unit Team will then route a memorandum to the Captain and Associate Warden, Programs, notifying them of the scheduled visit.

Additionally, once the visit is approved, Unit Team staff will be responsible for providing oversight of the visit. All Attorneys requesting to visit must be in possession to show a valid State issued Attorney card and photo identification. Staff may call the California Bar (415-538-2000), to verify the status of a California licensed attorney or utilize the internet to verify other States Attorney credentials.

In the event of a facilities issue or a disruptive event, inmates can access legal counsel as soon as it is safely possible during visiting hours or by making a request through their Unit Team outside of visiting hours.

- b. Attorneys may be added to the inmate's visiting list. These requests will be referred to the inmate's Unit Team for processing. To be added to the visiting list, the Attorney must send in a copy of his or her bar card and photo identification. Ordinarily, Unit Teams do not need to run a criminal background check on the Attorney beyond verification with the state bar.
- c. Attorney's assistants, Law Clerks, Investigators, Paralegals, or Interpreters will be permitted to visit if they are listed on the inmate's visiting list or authorized a special visit, and the proper visiting approval paperwork is completed by the Attorney. pursuant to 28 C.F.R. 543.16. Individuals acting as an Attorney's representative, who have had a previous social relationship with an inmate, may visit the inmate only in the presence of the Attorney and only during the inmate's regular social visit (i.e., legal, or social) at the time.

- d. Legal visits will take priority over social visits if crowding occurs. However, if an Attorney or other legal visitor is visiting socially, there will be no priority for that visit.
- e. Attorney visits will take place in one of three legal visiting rooms. If all rooms are in use, the Attorney will be offered the opportunity to meet with his or her client in an area within the Visiting Room that would allow a degree of privacy.
- f. Tape recorders or other electronic devices are not permitted in the institution without the written approval from the Warden.
- g. Legal documents, pens, paper, note pads, court documents may be brought into the Visiting Room. volunteers.

- d. PVS Volunteers at Terminal Island, are allowed to carry paper and writing instruments into the Visiting Room. They are to be processed at the Front Lobby as volunteers. Their visits are not to be charged against their social visits but will be conducted during normal visiting hours. They are expected to adhere to the institution dress code and visiting policy.

The Visiting Room Officer will initiate an incident report if termination was due to improper conduct or violation of established rules and regulations.

Termination of inmate visits due to overcrowding will be based on factors such as, distance traveled by the visitor, frequency of visits, time in visitation, etc.
