

**FCI Waseca Social Visitation Information:  
COVID-19 Procedures**

Visitation will resume on Fridays, Saturdays, and Sundays beginning Friday, October 30, 2020.

Visitation will occur in 2-hour blocks and will be assigned by housing unit. The housing unit schedule will rotate weekly to allow for equitable opportunity to have a visit on each day of the weekend. A monthly rotation schedule will be posted to the inmate population. Visitors should ensure they communicate with the inmate they are visiting to be sure of the scheduled time slot for the weekend.

Inmates will sign up for visitation during their scheduled time slot. Visitors will be in-processed on a first come, first serve basis, adhering to social distancing requirements in the waiting area. If distancing requirements cannot be met, visitors may be asked to wait outside for systematic in-processing.

Visitors will go through a symptom screening and temperature check upon arrival. A cloth face covering will be provided upon entry. Sick or symptomatic visitors will not be permitted entry. Inmates in isolation or quarantine status will not have visitation.

The visitation room has been designed to maximize social distancing. The capacity is 12 inmates and 24 visitors.

Inmates are permitted two visitors per visit, to include children.

**No physical contact, photographs, food, or drink is permitted. Games and cards will not be issued. Special provisions will be available for baby formula/food. The children's room will not be open.**

All other Visitation Rules and Regulations, as stated in the current agency policy and institutional supplement apply. Any violation of the guidance can result in termination of the visit.

Below are the available time slots for visitation. Each unit will get one 2-hour block per weekend. As a reminder, the unit slots will rotate weekly to allow for equitable opportunity to have a visit on each day of the weekend. See attached schedule.
