Inmate Death at FCI Allenwood

WASHINGTON, D.C.: On Tuesday, October 5, 2021, inmate Michael Hadam tested positive for COVID-19 at the Federal Correctional Institution (FCI) Allenwood Low in Allenwood, Pennsylvania, and was placed in medical isolation. Subsequently on the same day, he was evaluated by institution medical staff for flu like symptoms and respiratory distress, and transported to a local hospital for further treatment and evaluation. On Friday, October 15, 2021, Mr. Hadam who had pre-existing medical conditions which the CDC lists as risk factors for developing more severe COVID-19 disease, was pronounced deceased by hospital staff.

Mr. Hadam was a 66-year-old male sentenced in the Western District of Pennsylvania to a 100-month sentence for Distribution of Child Pornography. He had been in custody at FCI Allenwood Low since June 8, 2015.

FCI Allenwood Low is a low security facility that currently houses 907 male offenders.

The Bureau of Prisons will continue to provide daily updates and information on actions related to COVID-19 at www.bop.gov/coronavirus/index.jsp.

Additional information about the Bureau of Prisons can be found at www.bop.gov.
