Inmate Death at FCI Coleman (Medium)

WASHINGTON, D.C.: On Tuesday, December 21, 2021, inmate Adrain Robinson tested positive for COVID-19 at the Federal Correctional Institution (FCI) Coleman Medium, in Sumterville, Florida, and was placed in medical isolation. On the same day, he was evaluated by institution medical staff for symptoms of COVID pneumonia and was transported to a local hospital for further treatment and evaluation. On Sunday, January 9, 2022, Mr. Robinson's condition worsened and he was placed on a ventilator. On Thursday, January 13, 2022, Mr. Robinson, who had pre-existing medical conditions which the Centers for Disease Control and Prevention (CDC) lists as risk factors for developing more severe COVID-19 disease, was pronounced deceased by hospital staff.

Mr. Robinson was a 57-year-old male who was sentenced in the Central District of Illinois to a Life sentence for a supervised release violation. His new criminal conduct included Conspiracy to Possess with Intent to Distribute More Than 5 Kilograms of Cocaine, Distribution of Cocaine, and Criminal Forfeiture. He had been in custody at FCI Coleman Medium since August 3, 2021.

FCI Coleman Medium is a medium security facility and currently houses 1,543 male offenders.

The Bureau of Prisons will continue to provide daily updates and information on actions related to COVID-19 at www.bop.gov/coronavirus/index.jsp.
