**Inmate Death at FMC Devens**

WASHINGTON, D.C.: On Saturday, December 26, 2020, inmate Girard Lafortune tested positive for COVID-19 at the Federal Medical Center (FMC) Devens in Ayer, Massachusetts, and was immediately placed in medical isolation. On Monday, January 18, 2021, in accordance with Centers for Disease Control and Prevention (CDC) guidelines, Mr. Lafortune was converted to a status of recovered following the completion of medical isolation and presenting with no symptoms. On Wednesday, February 10, 2021, Mr. Lafortune, who had long-term, pre-existing medical conditions which the CDC lists as risk factors for developing more severe COVID-19 disease, was pronounced deceased.

Mr. Lafortune was a 63-year-old male who was sentenced in the District of Massachusetts to a 420-month sentence for Transportation & Attempted Transportation of Child Pornography, Receipt of Child Pornography, Possession of Child Pornography, and Publishing Notice or Advertisement for Child Pornography. He had been in custody at FMC Devens since May 7, 2015.

FMC Devens is an administrative security facility that currently houses 718 male offenders.
