**Inmate Death at FMC Carswell**

WASHINGTON, D.C.: On Monday, July 6, 2020, Sandra Kincaid tested positive for COVID-19. On Sunday, July 12, 2020, institutional medical staff at the Federal Medical Center (FMC) Carswell, in Fort Worth, Texas evaluated her for shortness of breath, fatigue, and weakness. She was transported to a local hospital for further treatment and evaluation. On Tuesday, July 14, 2020, her condition declined and she was placed on a ventilator. On Wednesday, July 15, 2020, Ms. Kincaid, who had long-term, pre-existing medical conditions, which the CDC lists as risk factors for developing more severe COVID-19 disease, was pronounced dead by hospital staff.

Ms. Kincaid was a 69-year-old female who was sentenced in the Eastern District of Tennessee to a 470-month sentence for Conspiracy to Distribute and Possession with Intent to Distribute a Schedule II and IV Controlled Substances, Aiding and Abetting in the Possession with the Intent to Distribute Oxycodone and Conspiracy to Commit Money Laundering. She had been in custody at FMC Carswell since July 5, 2018.

FMC Carswell is an Administrative security facility that currently houses 1357 female offenders.

The Bureau of Prisons will continue to provide daily updates and information on actions related to COVID-19 at [www.bop.gov/coronavirus/index.jsp](http://www.bop.gov/coronavirus/index.jsp)
